Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready

for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-because Mama's life, and her own, depend on it.

Students learn Spanish by actively engaging with the language via hands-on activities and projects, interactive CD-ROMs, and Internet tasks that help all students.

Ned Buntline was the producer of original Wild West show and Buffalo Bill's official biographer. This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. The three pocketbooks comprising the 'English Through Pictures Series' are the remarkable invention of I A Richards and Christine Gibson, who designed them to help the learner speak, read and write English in the quickest and clearest possible way -- through pictures. The authors have made a careful selection of the most widely useful English words, choosing those with the power to define other words, and have put them to work in key patterns that offer the learner the ability to communicate successfully in English. Book 1 contains a vocabulary of 250 such words, with an additional 500 developed in Book 2; these 750 words are then used in Book 3 to build a command of 1000 words which, by their defining power, hold the possibility of understanding as much as another 20,000 words of English. Throughout 'English Through Pictures', responsibility for

learning is placed directly on the learner, who from the very start enjoys the ability to put essential words to work creating key sentence patterns where meaning is clearly shown in pictures. These simplified drawings allow learners to focus on the sentence and to enjoy growing confidence as they successfully take control of language, with the workbooks in Books 1 and 2 challenging and reinforcing their growing competence as both speakers and readers. Motivated and inspired, learners will soon find to their delight that fluent communication in English -- the common language of today's world -- lies well within their grasp. 'English Through Pictures' has already been used successfully by millions of learners in over forty countries.
