

## Rebecca Brown Vessel Of Honor

An emotionally charged debut novel of a family on the brink--an autistic child, his determined mother, and her distant father--who learn that when your world changes, you find out who you really are. . . . While she was growing up, Piper's father, Lance "the Silver Eagle" Whitman, became a national hero piloting a plane through an emergency landing. But at home, he was a controlling and overbearing presence in her life, raining emotional and verbal abuse upon the entire family. It's no surprise, then, that as an adult, Piper has poured all of her energy into creating a warm and loving home for her own family, while catering to her son Fred's ever-growing idiosyncrasies. Then Lance has a heart attack, leaving him with a brain injury--and dependent upon Piper for his care--just before tests confirm Piper's suspicions that Fred is on the autism spectrum. A powerful and extraordinary novel, *Flying at Night* gives voice to Fred, trying to find his place in a world that doesn't quite understand him; to Lance, who's lost what made him the man he was, for better and worse; and to Piper, who, while desperately trying to navigate the shifting landscape around her, watches as her son and father start to connect--in the most miraculous ways. . . .

From the New York Times bestselling author of *Star Wars: Resistance Reborn* comes the "engrossing and vibrant" (Tochi Onyebuchi, author of *Riot Baby*) first book in the *Between Earth and Sky* trilogy inspired by the civilizations of the Pre-Columbian Americas and woven into a tale of celestial prophecies, political intrigue, and forbidden magic. A god will return When the earth and sky converge Under the black sun In the holy city of Tova, the winter solstice is usually a time for celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial event proscribed by the Sun Priest as an unbalancing of the world. Meanwhile, a ship launches from a distant city bound for Tova and set to arrive on the solstice. The captain of the ship, Xiala, is a disgraced Teek whose song can calm the waters around her as easily as it can warp a man's mind. Her ship carries one passenger. Described as harmless, the passenger, Serapio is a young man, blind, scarred, and cloaked in destiny. As Xiala well knows, when a man is described as harmless, he usually ends up being a villain. Crafted with unforgettable characters, Rebecca Roanhorse has created a "brilliant world that shows the full panoply of human grace and depravity" (Ken Liu, award-winning author of *The Grace of Kings*). This epic adventure explores the decadence of power amidst the weight of history and the struggle of individuals swimming against the confines of society and their broken pasts in this "absolutely tremendous" (S.A. Chakraborty, nationally bestselling author of *The City of Brass*) and most original series debut of the decade.

How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11:21–22 and Matthew 12:29, “How can one enter into a strongman’s house, and spoil his goods, except he first bind the strongman? And then he will spoil his house.” Now, instead of “binding” symptoms, we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible! If God names them, they are real, and He has given us dominion over them through the Name of Jesus! In easy to understand language this book... Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18:18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan’s hassles so that we can reach this world for Christ. Strongman's His Name...What's His Game offers a scriptural, balanced, and uplifting approach to present-day spiritual warfare.

A collection of short stories about a variety of relationships between lovers, friends, and aspects of the self

An inspiring look at Ephesians and the believer's asociation with Christ, the world, and Satan. Written by the saintly Chinese pastor, Watchman Nee.

In his trademark style, Matthew Paul Turner celebrates the Christmas season, particularly the colors that come with the holiday and all the memorable sensations connected to those bright hues. Christmas is RED. It's a bright shiny sled. It's candy canes, and toy store lanes. It's sprinkles on sweet bread. It's packages with bows, And Rudolph's bright red nose It's pictures drawn And dressed-up lawns And warm mittens when it snows. Matthew surrounds his readers into a whirling ribbon of the familiar reds and greens, and also other festive hues, including white, gold, blue, and brown. All the colors come together when readers are reminded that Christmas is YOU, that the holidays are nothing without being with the people we love, celebrating traditions, and making new memories--in vivid color.

When eleven-year-old Rosa Garcia disappears from an El Paso, Texas playground, Penny Larkin, a newly-certified remote viewer, is hired by Sheriff Leo Tellez to find her. The FBI believes she's a runaway, but this is the second time Rosa has been kidnapped, and Leo fears she's been taken by a sexual predator. Penny's lingering

memory of fighting off a rape attempt by her foster father clouds her thoughts and prevents her from locating the kidnapper quickly. The sheriff, who rescued Rosa from a homeless man five years earlier, is up for reelection and seeks to curry public favor by finding her again. His deputies claim Penny is a charlatan and a waste of the department's money. When Penny can't locate Rosa promptly, Leo boils with frustration and fires her. Penny refuses to give up, and soon discovers the bloodcurdling kidnapper's hideout. With time running out, Penny sets out alone to rescue Rosa. Will Penny find young Rosa and exorcise her own demons in the process, or will she fall into the clutches of a Russian child-trafficking ring? Find the answers in *The Middle Eye*.

In 1976, Jesus took Mary K. Baxter on a spiritual journey for thirty nights to witness the torments of hell, charging her to reveal the terrible reality of God's judgment and to relate the urgent message of salvation through Jesus Christ. Mary wrote about her journey to hell in her best-selling book *A Divine Revelation of Hell*, which has sold more than 1.3 million copies. After those thirty nights, Jesus told Mary, "I will close up your mind, and you will not remember some of the things I have shown and told you. But I will reopen your mind and bring back your understanding in the latter days. Then I will open up your remembrance...." Recently, God has brought back to Mary's remembrance many of those experiences because these revelations are particularly for our day. *A Divine Revelation of Satan's Deceptions* contains new images of hell that Mary has not related in her other books, as well as crucial insights into the deceptions Satan uses to destroy people and the tactics he employs to defeat believers. God has given His people anointings, gifts, and resources to build His kingdom that Satan has stolen and is holding captive in hell. This book reveals how we can use various "keys to the kingdom" to restore these blessings and to destroy the powers of darkness. Our choice is between allowing Satan to deceive and rob us—or claiming our spiritual inheritance and conquering the enemy in the power of God.

The girls on the prowl in *The Terrible Girls* are indeed terrible—relentless in love, ruthless in betrayal. These thematically linked stories depict a contemporary Gothic world in which body parts are traded for love, wounds never heal, and self-sacrifice is often the only way out.

Smith Wigglesworth's teachings have changed millions of people's lives. This book will help you understand how to prevail through faith. It is simple and clear yet memorable and powerful. It will change your life if only you believe! Chapters include: God-Given Faith, Like Precious Faith, Spiritual Power, Paul's Pentecost, Ye Shall Receive Power, Keeping The Vision, and Present-Time Blessings.

*Power over Satan Can Be Yours* Becoming a vessel of honor is written for all those children of God who hunger and thirst after a close personal relationship with Him. It is for those who long to hear His voice in their innermost being, who will not be satisfied with anything less than the experience of His presence and glory. It is for those who value such a relationship with our wonderful Creator enough to be willing to pay the price in their own lives to achieve it--the pain of daily carrying the cross. It is for those who are willing to strive for holiness in obedience to our beloved Master, the Lord Jesus Christ. The purpose of this book is also to help you understand the rapidly expanding world of the occult so that not only can you cleanse yourself from any involvement in it, but also avoid its traps. —Rebecca Brown, MD Subjects include: The key to spiritual

power--personal holiness The armor of God--how to use it effectively The sin nature--how to understand it and control it Defilement of God's temple--how to avoid it The Holy Spirit vs. demon guides--knowing the difference Deliverance--case studies and guidelines This book contains secret satanic war plans previously not found in print. It reveals how the followers of Satan are openly confronting the followers of Jesus Christ. You must learn the key to spiritual power before you need it! A must for every child of God!

For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth account of Satan's activities today. You'll see how to: Recognize and combat the many satanists who regularly infiltrate and destroy Christian churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ.

Ten-year-old Sugar lives on the River Road sugar plantation along the banks of the Mississippi. Slavery is over, but laboring in the fields all day doesn't make her feel very free. Thankfully, Sugar has a knack for finding her own fun, especially when she joins forces with forbidden friend Billy, the white plantation owner's son. Sugar has always yearned to learn more about the world, and she sees her chance when Chinese workers are brought in to help harvest the cane. The older River Road folks feel threatened, but Sugar is fascinated. As she befriends young Beau and elder Master Liu, they introduce her to the traditions of their culture, and she, in turn, shares the ways of plantation life. Sugar soon realizes that she must be the one to bridge the cultural gap and bring the community together. Here is a story of unlikely friendships and how they can change our lives forever. From Jewell Parker Rhodes, the author of Ninth Ward (a Coretta Scott King Honor Book and a Today show AI's Book Club for Kids pick), here's another tale of a strong, spirited young girl who rises beyond her circumstances and inspires others to work toward a brighter future.

"For the word of God is living, and active, and sharper than any two-edged sword, and piercing even to the dividing of soul and spirit, of both joints and marrow, and quick to discover the thoughts and intents of the heart" (Heb. 4:12). The peril of the believer is to confuse the spirit for the soul and the soul for the spirit, and so be deceived into accepting the counterfeit of evil spirits to the unsettling of God's work. The greatest advantage in knowing the difference between spirit and soul is perceiving the latent power of the soul and in understanding its falsification of the power of the Holy Spirit. Such knowledge is not theoretical but practical in helping people to walk in God's way. In this book, Watchman Nee shares his insight on The Latent Power of The Soul, The Christian and Psychic Force, and Spirit Force vs Psychic Force. Nowadays the atmosphere is so charged with the commotion of all kinds of counterfeit that the Lord seems to be calling the Church to come to a higher ground. Today's situation is perilous. May we "prove all things; hold fast that which is good" (1Thes. 5:21) Why Many Bad Things Happen to Good People... The Problem Are you one of the many victims of an unbroken curse? Today, countless Christians throughout the world are plagued

by unexplained poverty, calamities, and a variety of adverse circumstances. Their lives are tragically filled with heartache and desperation as they continuously struggle against overpowering temptation, physical and mental illness, and a myriad of catastrophic events. Usually, they are unaware that their plight is the result of an unbroken curse that has been placed upon them and perhaps upon their families. Some of the Causes Hatred and jealousy Trespassing on the devil's territory Handling unholy things Inherited curses Breaking vows to God The Solution The Bible specifically instructs every believer to avoid curses and to recognize and break them. Yet, an astonishing number of Bible-believing Christians have either not read or do not remember these essential spiritual principles. Thus, many believers live under the affliction of unbroken curses. This book will show you the necessary biblical steps to recognize, prevent, and break every type of curse.

'A Good Man' will be a revelation, an epiphany to many a reader."—Tillie Olsen

But believers are to become free, whole, and mature in Christ. John Loren Sandford and Mark Sandford bring understanding and reconciliation between the disciplines of deliverance and inner healing. They correct misunderstandings, identify abuses, and present direction for using both ministries effectively. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first "immortal" human cells grown in culture, which are still alive today, though she has been dead for more

than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta's daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

In a day when many voices are clamoring for attention on women's issues, we can all benefit from a close look at the way Jesus taught and interacted with women. Modern saints can learn valuable lessons from the examples of stalwarts such as Elisabeth, Mary Magdalene, and Mary, the mother of Jesus. The authors not only examine the Saviors' teachings to and about women but also discuss the women specifically mentioned in the four Gospels and their relationship to the first-century world in which they lived. Some of the characteristics of this time period are quite shocking by modern standards. *Sisters at the Well* serves as a reminder to all that God sees men and women as individuals equally deserving of his love and attention. This book contains the essence of Gordon Lindsay's teaching on prayer, and is regarded by many in the charismatic world as a classic work on this vital subject.

Short essays on the major doctrines which have formed the foundations of Southern Baptist life and thought.

*The End of Youth* is a collection of 13 linked stories, essays and rants, about carrying on after youth's hope is gone. In "Afraid of the Dark," a child learns that there is good reason to be afraid. The adolescent narrator of "Description of a Struggle" finds that love can be brutal. "The Smokers" examines an adult's realization that longevity means seeing loved ones die. Written with the same spare and vivid beauty as her earlier award-winning works, *The End of Youth* is certain to win even wider acclaim. "Throughout her writing career, Brown has exhibited a rare sensitivity in delving into difficult, uncomfortable material—death, disease, imperfect bodies and minds . . . in this slim book . . . there's also humor and sensuality so intense it's visionary . . .
