

## Rediscovering Faith Understanding The Nature Of Kingdom Living

Call it existential doubt. Call it "the dark night of the soul." However you term it, God-doubting is a spiritual phenomenon endemic to the Christian experience, suffered by saints from Mother Theresa, St. John of the Cross, and Therese of Lisieux to lesser-known Christians throughout history. In fact, there may be something of this God-doubting in nearly all of us. / Faith at the Edge is for those doubters, believers struggling with their faith within the Christian tradition, not for the skeptics and seekers who lie outside it. It is for those who experience uncertainty about faiths to which they have been committed, but who now wonder whether it's true. This doubt is very personal and deeply disturbing, exemplified when God seems remote, when he is experientially absent, when his very existence seems uncertain, when everything one believes as a Christian is called into serious question. / Robert Wennberg here explores the important questions of existential doubt. What causes our sense of divine absence? Are we at fault, or is there some other explanation for our uncertainty? Why does God allow this to happen? How should we respond? Wennberg answers these and other provocative questions both through personal illustrations and through the wisdom and insight of such figures as Blaise Pascal, G. K. Chesterton, Simone Weil, C. S. Lewis, and Martin Marty. He lays out a credible theological account of what happens during doubt. He further helps us understand how we can cope with these dark episodes and how we can not only stand against them, but even profit from them spiritually.

In this six week video study, Adam Hamilton explores the key points in his new book, Making Sense of the Bible. With the help of this Leader Guide, groups learn from Hamilton as his video presentations lead groups through the book, focusing on the most important questions we ask about the Bible, its origins and meaning.

A biblical scholar and activist portrays Jesus as a political revolutionary and examines the ways in which his political principles and strategies can be applied today. Reprint. 15,000 first printing.

There has never been a better time to be alive! God's plan since before time began is about to unfold worldwide. He is going to establish His rule through people like you. He will cover the earth with His glory by pouring Himself into His people. This book is another exciting addition to Dr. Myles Munroe's series on the Kingdom of God. God's Big Idea shows how God wants to make the earth a place of Kingdom harmony and peace beginning with you! You will discover things about God's love and plan, such as how: Your destiny will be fulfilled right here on earth. You can enjoy continuous fellowship with the Lord. You are created to turn the earth into a place filled with His culture! Your decisions make a big difference in what happens on earth. Dr. Munroe explains how you can be directly involved in God's Big Idea by helping plant and multiply His garden communities where all God's children live fruitful and abundant lives. Discover God's Big Idea, and you will find your own destiny!

Pregnancy and childbirth are not to be feared; they are divinely appointed processes that can be joyful, spiritual, and bring families closer to God. The Gift of Giving Life: Rediscovering the Divine Nature of Pregnancy and Birth offers something that no other pregnancy book has before—a spiritual look at pregnancy and birth by and for LDS women and other women of faith. Through moving stories women in the scriptures, women from early Latter-day Saint history, and dozens of modern mothers, The Gift of Giving Life assures readers that God cares deeply about the entire procreative process. The Gift of Giving Life does not advocate for any one type of birth or approach to prenatal care, rather it intends to unify our families and communities in regard to the sacredness of birth. We also aim to provide you with resources, information, and inspiration that you may not have had access to all in one place before. Topics covered include: constant nourishment, meditation, fear, pain, healing from loss, the physical and spiritual ties between the Atonement and childbirth, the role of the Relief Society in postpartum recovery and more. Birthing women, birth attendants, childbirth educators, and interested readers of all faiths are invited to rediscover within these pages the divinity and gift of giving life.

In Understanding the Purpose and Power of Authority, best-selling author Dr. Myles Munroe turns the widely accepted but counterfeit concept of authority upside down. Then, he reveals God's original intent, showing us how to live in the freedom of our own personal authority in God's great design and to respond positively to the inherent authority of others. Many people view authority as something oppressive, stifling, and even fearful. All of us hate to be controlled or manipulated. Our negative concepts and experiences of authority produce life-draining emotions—fear, distrust, suspicion, friction, defensiveness, antagonism, stress, worry, and dread. Others have a limited perspective of what authority means, believing that only people who reach a certain "level" in life can exercise it. They don't believe they could ever be called to a place of authority. The truth is, we were all created for authority, and we are all answerable to the authority of others. Authority is what we're authorized to do by our inherent purposes. You have a God-given calling to develop your own personal authority to carry out your unique purpose in life.

How can God demand justice and be merciful at the same time? What meeting ground exists between one who is infinitely holy and those who are utterly sinful?

When governments collapse, human philosophies fail and your life is crashing down around you, Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century. All of the past ideologies have failed; humanism, communism, totalitarianism, fascism, socialism and even democracy. This is a philosophy, an ideology that will not fail, for it was born in the heart of God Himself. As Dr. Munroe unveils the reality and the power of the Kingdom of God, you will be challenged to the core of your religious soul as you discover realities that few have seen, let alone talked about. Rediscovering the Kingdom will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue - the Kingdom of God. In this book you will discover: The keys that make the Kingdom function in your life. Why governments and world leaders continue to fail us. Why religion can never fulfill your deepest desire. Why power is the pursuit of all mankind. The present and future reality of the Kingdom among us. The original message and purpose of Jesus.

A noted historian of religion traces manifestations of the sacred from primitive to modern times, in terms of space, time, nature and the cosmos, and life itself. Index. Translated by Willard Trask.

DON'T kiss dating goodbye—there is a much better way! Dr. Myles Munroe's guide to waiting and dating offers sound and humorous advice on dating that will help believers prepare for a long and happy marriage. In an age where culture's views on dating, courtship, and premarital romance are increasingly at odds with God's Word, the late Myles Munroe—internationally acclaimed teacher and bestselling

author—offers crystal clear wisdom and Biblical truth for a satisfying love relationship. In this user-friendly handbook to biblical dating, you will learn the importance of: Having a shared faith in God The priority of personal wholeness True, godly friendship Dispelling myths about finding the "right" person Discerning a God-given relationship The principles in this book will help you turn what can sometimes be a stressful, uncertain time of life into a joy-filled journey. If you want to grow in the Lord and prepare for the commitment of marriage with that special someone, this book is essential, fun, and full of hope! Simple wisdom, profound truth, helpful advice Life on planet Earth can be very complex. Dr. Myles Munroe believes that complexity can be made into simplified principles and that wisdom is the application of these timeless principles. With the wisdom of Solomon, Myles Munroe shares 40 wise and personal insights to refresh and empower you to tackle life's challenges. This interactive devotional journal immerses you into a world where God's power infuses you with wisdom that you never thought possible. How much better to get wisdom than gold! And to get understanding is to be chosen rather than silver (Proverbs 16:16 NKJV). You can solve problems, turn situations around, and claim victory after learning how to apply the wisdom that God has shared with Myles Munroe through topics including: • Wisdom's Secret • Wisdom to manage material resources • Wisdom for self discipline and building moral character • Wisdom to overcome fear and anxiety • Wisdom to overcome your past (and baggage) • Wisdom to become your best • Wisdom to live beyond your limitations! • Wisdom for cultivating your leadership potential With wise reflections from many of Myles Munroe's best-selling books, provocative "Points to Ponder," inspiring "Words of Wisdom" from other well-known believers, and place for your own special thoughts, this book will be a treasured keepsake for years to come.

If God is love, why are so many Christians fearful, and why do so many church leaders sound hateful? Two controversial pastors address issues the church won't face, calling us to restore grace as the center of the Christian life. o In *If Grace Is True*, Pastors Philip Gulley and James Mulholland revealed their belief that God will save every person. They now explore the implications of this belief, and its power to change every area of our lives. They attempt to answer one question: If we took God's love seriously, what would our world look like? Gulley and Mulholland argue that what we believe is crucial and dramatically affects the way we live and interact in the world. Beliefs have power. The belief in a literal hell where people suffer eternally has often been used by the Church to justify hate and violence, which contradicts what Jesus taught about love and grace. The authors present a new vision for our personal, religious, and corporate lives, exploring what our world would be like if we based our existence on the foundational truth that God loves every person. Gulley and Mulholland boldly address many controversial issues people in the pews have wondered about but churches have been unwilling to tackle. For too long, the Christian tradition has been steeped in negativity, exclusion, and judgment. Gulley and Mulholland usher us into a new age—an age where grace and love are allowed to reign.

This book was written to get us in touch with our own human nature--the inborn recipe of requirements for human wellbeing. In case you haven't noticed, civilization wants us to follow a totally different recipe--one that keeps telling us to ignore what we feel, and act otherwise. This book tells the truth about what humans need to be happy, and how our civilized way of life insists that we spend the vast majority of our time doing the opposite of what we feel. Evolution made us what we are--feeling beings. And that is how humanity lived, developed, and thrived, in intimate small groups of people who trusted, supported, and protected each other completely. Today, we all live largely in a state of emotional isolation from others. We feel the absence of intimacy--our most powerful need. Most modern humans are aware of the anxieties and irritations of our modern lives, but we accept them as part of life-itself. So, most readers of this book will be shocked to find out how many of those things we call problems are not our own fault, at all, but are brought on by the unnatural weight of what civilization requires of us, emotionally. It wasn't just to shock you that I wrote this book. I wrote it to bring a change in perspective that will free us from the grip that modern institutions now have on the psyche of every human alive.

How does Christianity change the way we view the natural world? In this addition to a critically acclaimed series, renowned theologian Norman Wirzba engages philosophers, environmentalists, and cultural critics to show how the modern concept of nature has been deeply problematic. He explains that understanding the world as creation rather than as nature or the environment makes possible an imagination shaped by practices of responsibility and gratitude, which can help bring healing to our lands and communities. By learning to give thanks for creation as God's gift of life, Christians bear witness to the divine love that is reconciling all things to God. Named a "Best Theology Book of 2015," Englewood Review of Books "Best Example of Theology in Conversation with Urgent Contemporary Concerns" for 2015, Hearts & Minds Bookstore

Trapped inside of you--waiting to be realized--is an awesome potential. But you already know that because you feel it deep in your heart. *Uncover Your Potential* will help you understand why you are uncomfortable with your present state of accomplishment and dissatisfied with only resting on your past success. This book will enable you to: Rise above the opinions of others. Discover your untapped potential. Rise above past experiences and unearth hidden treasures within. Explore the key principles to realizing, exposing, and maximizing your true capacity. Reach beyond the expectations of others. You can realize those buried dreams and stun the world with your destined success! Start uncovering your potential today!

J. C. Ryle's "Holiness " is a lost treasure, written by one of the great Anglican priests and writers of the nineteenth century. Hendrickson reintroduces this classic text, largely unavailable today, on living a Christ-like life. "Holiness " is considered to be one of the most profound books on discipleship in the English language. Christians have recognized anew the critical importance of discipleship and spiritual formation to the life of the individual believer, the local church and to the Kingdom of God. Ryle's "Holiness " ranks among the core library of teachings on being a disciple of Jesus Christ. In this book, Ryle encourages the reader into a life of holiness, drawn completely from the Bible and not from contemporary books or preachers, or from any of the fads that were popular during his lifetime, much as they are today or in any era. He is writing about personal, or private, holiness, the life we live behind closed doors with our families and closest friends. "I have had a deep conviction for many years that practical holiness and entire self-consecration to God are not sufficiently attended by modern Christians in this country. Politics, controversy, or party-spirit, or worldliness, have eaten out the heart of lively piety in too many of us. The subject of personal godliness has fallen sadly into the background." --"J. C. Ryle "

In *Rediscovering the Kingdom*, Myles Munroe challenges all Christians to examine their ideologies and concepts. This 40-day journal and study guide will guide you through this book of wonderful self discovery and help you to put the concepts you learn into practice. Discover a whole new world: Use the questions to examine your current ideologies. Use the applications to retrain your daily walk. Use the meditations to change your worldview. This journal is designed to check both heart and mind as they bring Kingdom principles to bear in our daily walk. The philosophy of the Kingdom is made possible through the exercises and meditations, useful for self-study or in a group. Exposure to the ideologies is just the beginning---watch out for a new world of reality ahead.

*Native* is about identity, soul-searching, and the never-ending journey of finding ourselves and finding God. As both a citizen of the Potawatomi Nation and a Christian, Kaitlin Curtice offers a unique perspective on these topics. In this book, she shows how reconnecting with her Potawatomi identity both informs and challenges her faith. Curtice draws on her personal journey, poetry, imagery, and stories of the Potawatomi people to address themes at the forefront of today's discussions of faith and culture in a positive and constructive way. She encourages us to embrace our own origins and to share and listen to each other's stories so we can build a more inclusive and diverse future. Each of our stories matters for the church to be truly whole. As Curtice shares what it means to experience her faith through the lens of her Indigenous heritage, she reveals that a vibrant spirituality has its origins in identity, belonging, and a sense of

place.

Despite the sensational nature of its subject, *Lost in Translation: Rediscovering the Hebrew Roots of our Faith* is written in simple, clear, rational language that relies 100 percent on the Bible as the ultimate authority. The book's authors clear away centuries of confusion surrounding subjects that are seldom addressed in modern sermons and Bible studies. Using the ancient Hebrew language and culture, the authors clarify many of the Bible's so-called "mysteries" and help the reader rediscover many of the foundational truths that have been "lost in translation." Topics include: Who is the Bride of Messiah? Is there a difference between covenant and testament? Israel: Who are they really? What is the difference between devils, demons, and nephilim? Join us on an exciting adventure to rediscover the treasures still buried within the pages of The Book that reveal the pathway to the heart of God. "A must-read for the church! Providing foundational insights which lead to a greater understanding of God's master plan, this book will open your eyes to scriptural distortions due to the centuries of Greek influence on the church." - Corey Berti, Senior Pastor, Silver Valley Worship Center, ID "I've been a believer for 12 years, and I've read numerous scriptures that didn't make sense. The authors do a tremendous job of explaining the importance of understanding our Hebrew roots which provide context and clarity to the overall theme of God's message. It's like watching TV in black and white and then suddenly seeing it in color. The truth hasn't changed, but it's meaning becomes more vivid." - Jason Carr"

The Christian faith is filled with mystery, from the Trinity and the Incarnation to the smaller mysteries found in some of the strange and unexplained passages of the Bible: Behemoth and Leviathan, nephilim and seraphim, heroes and giants and more. There is no reason for fiction engaging with Christianity to be more tidy and theologically precise than the faith itself. Here you will find challenging fantasy, science fiction, and horror stories that wrestle with tough questions and refuse to provide easy answers or censored depictions of a broken world, characters whose deeds are as obscene as their words and people who meet bad ends-sometimes deserved and sometimes not. But there are also hope, grace, and redemption, though even they can burn like fire. Join us as we rediscover the mysteries of the Christian faith. Featuring stories by Daniel Southwell, Stephen Case, Bret Carter, H. L. Fullerton, David Tallerman, James Beamon, Robert B Finegold MD, Pauline J. Alama, J. S. Bangs, Kenneth Schneyer, Christian Leithart, F. R. Michaels, Rachael K. Jones, S. Q. Eries, Beth Cato, G. Scott Huggins, Laurel Amberdine, Joanna Michal Hoyt, Mike Barretta, Sarah Ellen Rogers. Publisher's Note: *Mysterion* does not adhere to CBA content guidelines.

You can become your best! One step at a time. One moment at a time. One day at a time. Myles Munroe keeps you focused on releasing your God-given potential. This awesome daily devotional will help keep you on track to becoming all that God has made you to be. The principles of the Kingdom of God contained in this book help you to harness your intellectual resources and spiritual virtues, providing a daily encouragement to trust God. Understand, maximize, and release your potential starting today!

Women of every culture and society are facing the dilemma of identity. Traditional views of what it means to be a woman and changing cultural and marital roles are causing women conflict in their relationships with men. Women are under tremendous stress as they struggle to discover who they are and what role they are to play today—in the family, the community, and the world. In this expanded edition of *Understanding the Purpose and Power of Women*, now with helpful study questions following each chapter, best-selling author Dr. Myles Munroe examines societies' attitudes toward women and addresses vital issues such as: Are women and men equal? How is a woman unique from a man? What does the Bible really teach about women? Is the woman to blame for the fall of mankind? What are the purpose and design of the woman? Should women be in leadership? What is a woman's basic communication style? What are a woman's emotional and sexual needs? What is a woman's potential? To live successfully in the world, women need a new awareness of who they are and new skills to meet today's challenges. Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be.

Thomas C. Oden surveys the decisive role of African Christians and theologians in shaping the doctrines and practices of the church of the first five centuries, and makes an impassioned plea for the rediscovery of that heritage. Christians throughout the world will benefit from this reclaiming of an important heritage.

This book is about your original purpose for existence and the source of meaning behind your life. In these pages you will discover the Creator's divine motivation, design, and mandate for His creation and your role in that creation. After reading this book, you will be equipped with the knowledge to answer some of the questions addressing the heart cries of humanity in our search for a better world. I am convinced also that you will come to believe, as I do, that there is hope for mankind, but only as we reconnect to the source of creation and our Creator's original concepts for life on planet earth. It is this concern that this book will attempt to address. The goal of this book is to reintroduce the concepts, principles, and nature of true authentic kingdoms as presented by the Creator and show the superior and advantageous nature of kingdom as compared to any religion, political ideology, government system, or social program. Join me as we explore and understand the precepts and principles of "the Kingdom."

Return to creation. Encounter the Creator. From the beginning, Scripture tells of a God who created the heavens and earth. It tells how he made the sea and land, the rosebud and beetle. But what might the heavens and earth tell us were we to listen to them? What wonders might the birds and flowers share? What might we discover of order, chaos, beauty, and unabashed grace? *Turning of Days* beckons you to a world of tree frogs and peach blossoms, mountain springs and dark winter nights—all in search of nature's God. All in harmony with Scripture. Join Hannah Anderson, the author of *Humble Roots*, as she journeys through the four seasons searching out the spiritual and theological truths woven deep within the natural world. This collection of devotional essays and illustrations will feed your soul, guiding you into a life of observation and awe, a life that sees His glory everywhere.

"There was a time," writes renowned theologian J. I. Packer in this classic book on biblical holiness, "when all Christians laid great emphasis on God's call to holiness. But how different it is today! To listen to our sermons and to read the books we write, and then to watch the zany, worldly, quarrelsome way we behave, you would never imagine that once the highway of holiness was clearly marked out for Bible-believers." In this revised and updated edition of *Rediscovering Holiness*, the highway is once more clearly marked out for a new generation of readers, pointing to true freedom and joy, both now and in eternity.

The award-winning author of *Grateful* goes beyond the culture wars to offer a refreshing take on the comprehensive, multi-faceted nature of Jesus, keeping his teachings relevant and alive in our daily lives. "How can you still be a Christian?" This is the most common question Diana Butler Bass is asked today. It is a question that many believers ponder as they wrestle with disappointment and disillusionment in

their church and its leadership But while many Christians have left their churches, they cannot leave their faith behind. In *Freeing Jesus*, Bass challenges the idea that Jesus can only be understood in static, one-dimensional ways and asks us to instead consider a life where Jesus grows with us and helps us through life's challenges in several capacities: as Friend, Teacher, Savior, Lord, Way, and Presence. *Freeing Jesus* is an invitation to leave the religious wars behind and rediscover Jesus in all his many manifestations, to experience Jesus beyond the narrow confines we have built around him. It renews our hope in faith and worship at a time when we need it most.

Designed for either individual or small group study, this companion guide to *Understanding the Purpose and Power of Prayer* will ignite and transform the way you pray! Dr. Myles Munroe's biblically-based, time-tested prayer principles will take the mystery out of communicating with God. In this guide, you'll explore deeper insights and thought-provoking questions for life application of these powerful truths. Discover a new dimension of faith, a deeper revelation of God's love, and a renewed understanding that you can pray--and receive results.

World-renowned Jesus scholar Marcus J. Borg shows how we can live passionately as Christians in today's world by practicing the vital elements of Christian faith. For the millions of people who have turned away from many traditional beliefs about God, Jesus, and the Bible, but still long for a relevant, nourishing faith, Borg shows why the Christian life can remain a transforming relationship with God.

Emphasizing the critical role of daily practice in living the Christian life, he explores how prayer, worship, Sabbath, pilgrimage, and more can be experienced as authentically life-giving practices. Borg reclaims terms and ideas once thought to be the sole province of evangelicals and fundamentalists: he shows that terms such as "born again" have real meaning for all Christians; that the "Kingdom of God" is not a bulwark against secularism but is a means of transforming society into a world that values justice and love; and that the Christian life is essentially about opening one's heart to God and to others.

What is true faith? In *The Power of Kingdom Faith*, Dr. Myles Munroe strips away the common errors and misconceptions surrounding faith to reveal the nature, character, and power of true faith, or, Kingdom faith. Kingdom faith trusts not in the promises of God but in the God who promises; seeks not the blessings of God, but the God who blesses. Kingdom faith will always be tested, but because it places its trust in the King of the universe, will always prevail under testing. Kingdom faith, therefore is a triumphant faith that will overcome the world.

In *Rediscovering Faith*, Dr. Myles Munroe strips away misconceptions surrounding faith and reveals the nature, character, and power of true faith. True Kingdom faith: Trusts not in the promises of God, but in the God who promises. Seeks not the blessings of God, but the God who blesses. This is the triumphant faith that overcomes the world of bad economic times, health problems, fleshly desires, and whatever else Satan throws at you. As author and pastor Myles Munroe says, "There are questions in life we can never answer. First you must settle that, because if you don't come to that conclusion you will always be depressed. I decided that over 30 years ago; so that's why I have no depression. I have no problems. I have no frustrations in my life."

*Reflections on feeding body and spirit in a world of change* Animal scientists have long considered domestic livestock to be too dumb to know how to eat right, but the lifetime research of animal behaviorist Fred Provenza and his colleagues has debunked this myth. Their work shows that when given a choice of natural foods, livestock have an astoundingly refined palate, nibbling through the day on as many as fifty kinds of grasses, forbs, and shrubs to meet their nutritional needs with remarkable precision. In *Nourishment* Provenza presents his thesis of the wisdom body, a wisdom that links flavor-feedback relationships at a cellular level with biochemically rich foods to meet the body's nutritional and medicinal needs. Provenza explores the fascinating complexity of these relationships as he raises and answers thought-provoking questions about what we can learn from animals about nutritional wisdom. What kinds of memories form the basis for how herbivores, and humans, recognize foods? Can a body develop nutritional and medicinal memories in utero and early in life? Do humans still possess the wisdom to select nourishing diets? Or, has that ability been hijacked by nutritional "authorities"? Consumers eager for a "quick fix" have empowered the multibillion-dollar-a-year supplement industry, but is taking supplements and enriching and fortifying foods helping us, or is it hurting us? On a broader scale Provenza explores the relationships among facets of complex, poorly understood, ever-changing ecological, social, and economic systems in light of an unpredictable future. To what degree do we lose contact with life-sustaining energies when the foods we eat come from anywhere but where we live? To what degree do we lose the mythological relationship that links us physically and spiritually with Mother Earth who nurtures our lives? Provenza's paradigm-changing exploration of these questions has implications that could vastly improve our health through a simple change in the way we view our relationships with the plants and animals we eat. Our health could be improved by eating biochemically rich foods and by creating cultures that know how to combine foods into meals that nourish and satiate. Provenza contends the voices of "authority" disconnect most people from a personal search to discover the inner wisdom that can nourish body and spirit. That journey means embracing wonder and uncertainty and avoiding illusions of stability and control as we dine on a planet in a universe bent on consuming itself.

The Kingdom of God teaches mankind about their true nature and true position on earth as the sons of God. Kingdom 365 is all about the Kingdom of God and its righteousness and how to function on earth as Kings and the rightful rulers of this planet. The Kingdom of God gives the citizens of its Kingdom control over their circumstances and the experience of Heaven on earth. Kingdom 365 is all about living in a Kingdom that allows its citizens to live life to the fullest and to get back to their original assignment and mandate that was delivered to mankind in the beginning. You were created not to just exist but to live a life fulfilled and to fulfill the purpose that God has created you to fulfill. Kingdom 365 is a journey in that life--your life as a citizen of the Kingdom of God. Join me as we embark on our discovery of the government of God and all the benefits of being a citizen of the Kingdom of God.

The world events between the Christians and the Muslims that have been happening since December 1979 until now. One event and one war after another has led to the 10th crusade. Thinking this can't be happening, well it is right in front of our eyes and in our lifetime.

Best-selling author Dr. Myles Munroe takes you into the depths of praise and worship as he reveals the purpose and power of God's presence—the established ideal atmosphere in which humankind was designed to function. From more than 30 years of ministry, teaching, and study, Dr. Myles Munroe presents rock solid, time-tested principles about the complex issues of praise and worship. In this engaging and authoritative work you will learn: The key to maximizing your potential on earth. Why God placed man in the Garden of Eden. The purpose and priority of the presence of God. The seven dimensions of praise. The purpose and power of personal and corporate worship. How to practice and protect the presence of God in your life. Much, much more! *The Purpose and Power of Praise & Worship Expanded* edition includes a comprehensive study guide with concrete, practical application for pressing in to a new level of relationship with God. With study questions and assignments designed for individual or group use, you will: Deepen your understanding of the biblical foundations of praise and worship. Easily apply key principles to your life. Want to practice praise and worship, both corporately and personally.

In this extensively revised and enlarged edition of his best-selling book, David Suzuki reflects on the increasingly radical changes in nature and science — from global warming to the science behind mother/baby interactions — and examines what they mean for humankind's place in the world. The book begins by presenting the concept of people as creatures of the Earth who depend on its gifts of air, water, soil, and sun energy. The author explains how people are genetically programmed to crave the company of other species, and how people suffer enormously when they fail to live in harmony with them. Suzuki analyzes those deep spiritual needs, rooted in nature, that are a crucial component of a loving world. Drawing on his own experiences and those of others who have put their beliefs into action, *The Sacred Balance* is a powerful, passionate book with concrete suggestions for creating an ecologically sustainable, satisfying, and fair

future by rediscovering and addressing humanity's basic needs.

Thriving in a Changing World Change comes to all of us—whether we prepare for it or not. How we deal with those inevitable changes—no matter what the source—determines whether they will ultimately be a positive or negative force in our lives. Best-selling author Dr. Myles Munroe reveals how to experience security, confidence, and freedom in the uncertainty of our changing world. Through this book, you can discover how to: Become an active part of change—not its victim. Be free of fear during unsettling times. Fulfill your God-given purpose. Maximize the benefits of change. Tap into the positive power of change. Be proactive in pursuing your God-given purpose. You can be ready for the changing seasons that lie ahead.

Provides a detailed examination of the principles, concepts and characteristics of the Kingdom of God, including Kings and Lords, Territory and Law, Citizens and Royal privilege, Culture and Economy as well as Destiny.

Is knowledge of right and wrong written on the human heart? Do people know God from the world around them? Does natural knowledge contribute to Christian doctrine? While these questions of natural theology and natural law have historically been part of theological reflection, the radical reliance of twentieth-century Protestant theologians on revelation has eclipsed this historic connection. Stephen Grabill attempts the treacherous task of reintegrating Reformed Protestant theology with natural law by appealing to Reformation-era theologians such as John Calvin, Peter Martyr Vermigli, Johannes Althusius, and Francis Turretin, who carried over and refined the traditional understanding of this key doctrine. Rediscovering the Natural Law in Reformed Theological Ethics calls Christian ethicists, theologians, and laypersons to take another look at this vital element in the history of Christian ethical thought.

The author of Quantum Theology presents a synthesis of science, theology, and spirituality while exploring the meaning of evolution and the spiritual underpinnings of the new sciences.
