

Reeve The Henchmen Mc Book 11

This is a comprehensive sourcebook on the world's most famous vampire, with more than 700 citations of domestic and international Dracula films, television programs, documentaries, adult features, animated works, and video games, as well as nearly a thousand comic books and stage adaptations. While they vary in length, significance, quality, genre, moral character, country, and format, each of the cited works adopts some form of Bram Stoker's original creation, and Dracula himself, or a recognizable vampiric semblance of Dracula, appears in each. The book includes contributions from Dacre Stoker, David J. Skal, Laura Helen Marks, Dodd Alley, Mitch Frye, Ian Holt, Robert Eighteen-Bisang, and J. Gordon Melton.

My job is simple. I get hired to make men fall in love with me. Then I cut their legs out from under them. Fenway Arlington was next on the chopping block. Playboy billionaire. Heart-breaker. Experience chaser. Known for numerous international scandals, usually involving a woman. It should have been easy work. But I never could have prepared myself for the impossible. Catching feelings for the client. Or what would happen when the job was over, And he found out the truth.

In the brilliant fourth book from Andy McDermott, Nina Wilde must battle the

Read Free Reeve The Henchmen Mc Book 11

Covenant of Genesis if she is to find the world's greatest archaeological treasure... Off the coast of Indonesia, archaeologist Nina Wilde makes an explosive find: evidence of a settlement that existed over a hundred thousand years before any previously known civilisation. But when her ship is attacked, it becomes clear that the clandestine religious group calling itself the Covenant of Genesis will stop at nothing to prevent her from revealing this knowledge. With her fiancé Eddie Chase, Nina embarks upon a dangerous worldwide search to expose the Covenant of Genesis - and the incredible secret they will kill to conceal. Is she about to discover the greatest legend of all time?

Reeve had long since given up hope of the pursuit of genuine happiness. It wasn't possible after all the sh*t I had been through. I had my siblings, my club, a purpose in life. It was enough. Until I came across her. She represented everything that I knew I couldn't have - stability, a future, a way out of my past. And, it seemed, the harder I tried to keep her at a distance, to protect her from my reality, she only got in deeper, only pulled me closer. Then, one night, an old face popped up in Navesink Bank. And everything changed forever. Reyli liked my life. I liked the freedom and simplicity of it, even if it was, perhaps, a little lonely. Then one night, there he was. With the saddest eyes I had ever seen. He represented everything my life didn't need - chaos, violence, uncertainty. But, at

Read Free Reeve The Henchmen Mc Book 11

the same time, everything it was lacking - companionship, connection. He tried to fight it, to keep up his guards, to keep me at arm's length. But, well, fate had other plans. That was the night everything changed. Down an alley, facing down a new, yet familiar, big bad in Navesink Bank, forcing us together, making us confront the reality of what was happening between us. Trapped together, waiting for the winds to blow over, he finally trusted me enough to let me in, to give us a shot, to invite me into his family. That is, if all of us survived the upcoming storm...

He was just supposed to be saving her from herself... and the half dozen criminal enterprises that would want her blood when they realized what she had done.

What he hadn't planned on was her invading every aspect of his life with her fiery temper and inability to take no for an answer. And when he finally got beneath her walls and found out why she had gotten herself into trouble in the first place, he knew what he needed to do. He sure as hell didn't think he would end up being the one who would need saving...

It meant war. DUKE The relative peace we have known for years was gone in one violent act. Then, among the ever-present and increasingly bloody unknown threat, I met her. But when passions ignite, complicating an already impossible situation, I am left to wonder if there is a way to overcome the dark and twisted secrets of my past that would allow me to have any kind of future with her.

PENNY I was just a normal girl. I swear. One moment, I was just living my usual boring life. The next, I found myself in the middle of some kind of underground war between an outlaw biker gang and some faceless enemy. Trapped in a whole new world and in ever-increasing close proximity to the tall, strong, long blond-haired, deep blue-eyed biker named Duke, yeah, let's just say things got even more interesting. But Duke had secrets. And when they came into the light, I realized they were the kind that I wasn't sure I could live with...

He decided it was time to retire, settle down, become something nice and tame. Like an arms-dealing biker in some town called Navesink Bank. He could get behind that lifestyle. He'd anticipated a lot of things. Drinking. Brotherhood. A little action peppered in here and there to keep things from getting too dull. But there was one thing he hadn't planned on. A woman moving in across the hall from him. The way something within him recognized something inside her. A past. Secrets. Darkness. Hidden behind thick walls, impenetrable shields, and a biting sort of confidence. He damn sure couldn't have prepared himself for the sudden and uncharacteristic urge to force his way into her life, get her to open up to him, feel comfortable enough to give her all the dark and ugly parts of his past. And - dare he even think it - plan a future with her. You know... if she would stop disappearing for weeks at a time without a clue as to where she was going...

The biography of Alphonse Gabriel Capone (born January 17, 1899 – died January 25, 1947), known by the nickname "Scarface". The most famous American gangster, as well as businessman

A study of the literary reception of the love-story of Hero and Leander and its popularity from classical times to the present in different genres, from epigram to epic, and including drama, opera, burlesques and modern experimental works.

MAZE: In concept, the plan was simple: prospect at The Henchmen MC. In practice, however, it was anything but. One, because I was a woman. Two, because it was a brotherhood. And three, because Repo, the man who was in charge of making my life a living hell until I quit or screwed up enough to get thrown out, also happened to be the hottest guy I had come across in ages. The problem was, if I didn't get in and stay in despite the hazing from the members and the undeniable attraction building between me and Repo, there was a very good chance I would be found by them. And if I was found by them, well, I was dead. REPO: How the hell was I supposed to get her out of the MC when, one, I didn't agree with the fact that because she was a woman, she had no place in The Henchmen. Two, because she was strong, smart, capable, and determined to get a patch. And three, because, well, I wanted her. The problem was, if I didn't get her kicked out, I would be screwing up a job that was important to the prez. But the problem was also that if I kicked her out, there was no way I was going to get a shot with her. I didn't know, however, that the real problem was a lot more complicated and a lot more dangerous than disappointing my boss or not getting laid... the problem was Maze had demons and they were hot on her trail...

Cyrus - Family. Brotherhood. Music. Women. That was pretty much my life. And it was one I was happy with too. Until I came across her- the one woman I knew I had no right to put my hands on, the woman who I still felt such a connection with that, even though I knew I had to keep my hands - and other body parts - to myself, I wanted to be in her life. So I became her friend. Except, this sweet, shy, bookworm was making being honorable a hell of a lot harder than I expected. Reese Family. Books. To be perfectly honest, that was pretty much all my life was about. And I was happy with that. I lived a thousand lives. I saw and felt things in stories I never could have otherwise. Besides, real life was never as good as books. Until I came across him. He was leading man material if I ever saw it. You know, just not for me. He made that perfectly clear. We were going to be friends. Friends. That was it. Except, maybe that simply wasn't enough...

Interpretation of ancient Greek literature is often enough distorted by the preconceptions of modern times, especially on ancient morality. This is often equivalent to begging the question. If we think e.g. of *aretê*, which has different meanings in different contexts, we shall think in English (or in Modern Greek or in French or in German) and shall falsify the phenomena. If we are to understand the Greek concept e.g. of *aretê* we must study the nature of the situations in which it is applied. For it is an important fact in the study of Greek society that the Greeks used the one word (e.g. *aretê*) where we use different words. If we are to understand properly the texts, we have to view them in their historical and social context. Ancient Greek thought needs to be studied together with politics, ethics, and economic behaviour. Moreover, the best insights can be found in those who confine themselves to the terms of each ancient author's analysis. From this principle each of the contributions of the volume begins.

Joining the MC had never been a question. Raised by an ex-cage-fighting member, Niro hadn't seen any future for himself that didn't involve bikes, guns, violence, and the brotherhood he'd learned to revere above all else. But joining the Henchmen meant he couldn't have the only other thing in life he wanted. Andi. The daughter of one of the OG members of the club. His childhood best friend. The only chink in his otherwise impenetrable armor. For years she was gone. And he did everything he could to forget her, to become the kind of monster she would never look twice at again. The problem was, she was back in town. And new enemies were around every corner. Ones who might set their sights on the only woman who could ever mean anything to him...

Uncivilized is an anthology of Green Anarchy magazine from Eugene Oregon. It collects the uncompromising attack against civilization, technology, the Left that Green Anarchy provided shaped into a weapon for the next generation of anti-civilization anarchists.

They knew she was going to strike back for taking down her empire, for imprisoning her for years. All those years stuck in a cell gave her a lot of time to think, to plot, to plan her revenge. But they couldn't have anticipated this.* This can not be read as a standalone.** This is also not a romance. This is a dramatic suspense story told from many POVs including old favorites and some new faces, all dealing with the events before, during, and after V's eventual demise.

Hunter is on the run from a past he wants nothing more than to forget about. He settles into his new life in a new city with a sexy new neighbor who goes out drinking every night and seems to have a lot of kinky, fantastic sex every day. Fiona has more than a few scars from her past, nightmares so bad she can't be in her own apartment at night. She spends her days

moaning like a porn star to her phone sex callers and putting up walls so thick no one can break them down. That is until she keeps getting woken up from the hot new guy next door and goes over to confront him, sending them both into uncharted territory. When their pasts come charging into their present, will they be able to heal the old wounds enough to let each other in? Or is there some damage that is simply too difficult to overcome?

MORTAL ENGINES launched Philip Reeve's brilliantly-imagined creation, the world of the Traction Era, where mobile cities fight for survival in a post-apocalyptic future. The first instalment introduces young apprentice Tom Natsworthy and the murderous Hester Shaw, flung from the fast-moving city of London into heart-stopping adventures in the wastelands of the Great Hunting Ground. "No 11-to-16-year-old should miss the superbly imagined debut novel from Philip Reeve" - The Times "This big, brave, brilliant book combines a thrilling adventure story with endless moral conundrums" - Guardian

From the bestselling author of the Stolen Bride Series comes a brand new and exciting family saga! For fans of Scottish historical romance, the Sutherland Legacy propels you into the Highlands with tales of daring adventure, irresistible heroes and passion! Sir Niall Oliphant was betrothed to the Bruce's daughter, Princess Elizabeth, until she declares that his wound in battle has incapacitated him as a man. Because he does not wish to marry the spoiled royal, he is glad to pass her off to his brother Sir Walter. He's more than content to fade into the background with his injuries and remain a bachelor forever. Until he is presented with an offer from the Earl of Sutherland to marry his only daughter, a lass more beautiful than any other, who makes him want to stand up and fight again. Bella Sutherland, daughter of one of the most powerful earls and Highland chieftains in Scotland, can marry anyone she wants-but she

Read Free Reeve The Henchmen Mc Book 11

wants no one. When she spies the injured warrior at the Yule festival who has been shunned by the Bruce's own daughter, she makes her choice. What is better than no husband? A husband who cannot truly be husband at all. But she won't be satisfied with letting him languish. If there's one thing she's learned, it's not to give up. With them both satisfied that they are gaining a marriage in name only, imagine their surprise when love blossoms and passion ignites?

It's love. Trust me. After a lifetime on the move, Ivy Snow is an expert in all things temporary—schools, friends, and way too many Mr. Wrongs. Now that she owns a successful taco truck in San Francisco and an apartment to call home, Ivy's reinvented life is on solid ground. And she's guarded against anything that can rock it. Like the realities of a past she's worked hard to cover up. And especially Kel O'Donnell. Too hot not to set off alarms, he screams temporary. If only his whispers weren't so delightfully naughty and irresistible. Kel, an Idaho sheriff and ranch owner, is on vacay, but Ivy's a spicy reason to give his short-term plans a second thought. Best of all, she's a tonic for his untrusting heart, burned once and still in repair. But when Ivy's past intrudes on a perfect romance, Kel fears that everything she's told him has been a perfect lie. Now, if only Ivy's willing to share, Kel will fight for a true love story.

Sloane has everything she thought she ever wanted- a great career, a great

Read Free Reeve The Henchmen Mc Book 11

apartment, great clothes, a life she had worked hard for. Until one night, one chance encounter, one decision that changed everything. With no options left, she enlists the help of Quinton Baird & Associates, who promptly inform her that she has to leave it all - the career, the apartment, the life she had worked so hard to build for herself - behind. If all that wasn't enough, her entire future - and life in general - was in the hands of a man whose coworkers called 'The Ghost.' Because that was what he did; he ghosted people, hid them, gave them new lives, made them impossible to find. With no other choice, she agrees to his terms, climbs in a car with him, and travels almost clear across the country toward her new life. But the long hours on the road - and even longer hours in cabins and hotel rooms - together start to show her things. Like how unhappy she had actually been, how hollow her life was, how much she had denied herself in the name of superficial success. And maybe, just maybe, how much she was starting to see how wrong first impressions can be, and how much a person can begin to mean to you when you decided to let them in...

Mal, Evie, Jay, and Carlos may have once been the baddest of the bad, but their wicked ways are (mostly) behind them—and now graduation is almost here! But before the seniors can don their custom-designed caps and gowns, courtesy of Evie, they've got an epic plan to put into action. There are tons of villain kids on

the Isle of the Lost who are eager for their chance to come to Auradon Prep—even Celia, Dr. Facilier's trickster daughter, wants in on the deal!—and Mal's crew is using their upcoming visit to the Isle to help make it happen. But Auradon's biggest threat is still at large... Trapped on the other side of the barrier, Uma is more desperate than ever to get her long-awaited revenge against Mal. When she discovers an underground lair belonging to Hades, god of the underworld, Uma realizes she's found the perfect partner in crime. Together, they can defeat Mal, bring down the barrier, and escape the Isle for good. Mal and Uma have a score to settle, and they'll come face to face in an explosive underwater battle that could determine the fates of Auradon and the Isle of the Lost once and for all. Praise for *The Isle of the Lost* "Disney lovers and fairy-tale fans alike will need to get their hands on this book." — School Library Journal Praise for *Return to the Isle of the Lost* "Packed with plenty of humor and adventure, this sequel spinoff is destined to please. With a second movie in the works and a bevy of loyal readers, it certainly won't stay on shelves for long." — Booklist

Pagan- Fighting. F@cking. F@cking things up. That was my life. That was how I got out of the world I had been raised in. And it was how I intended to keep living my life. That was, of course, until I came across her. The game changer.

Read Free Reeve The Henchmen Mc Book 11

Kennedy- Hard work. That was pretty much all you could say my life consisted of. It was what got me out of a rough childhood. It was what made me get my first taste of success. Before things went to hell, that is. But it was what was going to get me back on my feet too. So I didn't need any distractions. Certainly not one that came covered in scars, blood, leather, and in a cloud of cigarette smoke. Yet, there he was. And I was thinking maybe a distraction wouldn't be that bad, right?

This isn't a fairy tale. I'll save you the trouble by telling you that now. This is the tale of a girl who spent her life bouncing around foster homes, who had her innocence stolen in the darkness before she knew it was something that could be lost. Her demons followed her everywhere, after that night. They chased her to the medical school she dropped out of, to the strip club she sold herself in, and finally caught her in a river of sin where they tried to drown her. My name is Bex and this is my story. I'm paddling, barely keeping my head above water. And even though I'm submerged, I'll never be clean. The layer of dirt that has clung to me since birth is a tattoo I'll wear for life. He can't see it, though. Even when I'm torn and tattered, and left in pieces, he wades into the filth to try to put those pieces back together. He doesn't seem to understand there's nothing left to repair. To love. Just sullied fragments of a damned soul. He's willing to damn

Read Free Reeve The Henchmen Mc Book 11

himself in order to exact revenge on those who sent me to the pit. Problem is, my name is at the top of that list, since I not only damned my own soul, but his too.

*Contains dark subject matter and potential triggers **Can be read as a standalone

Life is counted in tiny breaths, ones that measure the length of your existence. Life stole the ability to make those breaths easy when Lily was nine years old. Turned her quiet. Made her curl into herself, and shut out a world that threatened to bury her under its weight. The end of her world is what brings him back-her biker. His chocolate eyes pierce her soul while his club tempts her with a life that she didn't know she could ever have. Especially not when she was clutching the tattered remains of her existence, and with a weight bearing down on her which makes her unfit for the role of Old Lady. Asher changes that. He wants to set about repairing it, repairing her and her broken world. The problem is, even his strong shoulders can't carry the burden of her sorrow. Asher doesn't take no for an answer. She may have given him her heart three years ago, but never in her wildest dreams would she imagine she had possessed his for the same amount of time. Just when it seems like she may be able to ride off into the horizon, the world isn't quite finished trying to rob her of breath. Of life.

Presidents of rival MCs, Fallon and Danny were destined to hate each other. And

hate they did. Until an unknown enemy forces them together, and makes them realize that under all that hate was an undeniable passion. One that could threaten not only the trust and respect of their clubs... but their very lives... Chris Murray reveals the largely unknown and rather surprising history of the British superhero. It is often thought that Britain did not have its own superheroes, yet Murray demonstrates that there were a great many in Britain and that they were often used as a way to comment on the relationship between Britain and America. Sometimes they emulated the style of American comics, but they also frequently became sites of resistance to perceived American political and cultural hegemony, drawing upon satire and parody as a means of critique. Murray illustrates that the superhero genre is a blend of several influences, and that in British comics these influences were quite different from those in America, resulting in some contrasting approaches to the figure of the superhero. He identifies the origins of the superhero and supervillain in nineteenth-century popular culture such as the penny dreadfuls and boys' weeklies and in science fiction writing of the 1920s and 1930s. He traces the emergence of British superheroes in the 1940s, the advent of "fake" American comics, and the reformatting of reprinted material. Murray then chronicles the British Invasion of the 1980s and the pivotal roles in American superhero comics and film

production held by British artists today. This book will challenge views about British superheroes and the comics creators who fashioned them. Murray brings to light a gallery of such comics heroes as the Amazing Mr X, Powerman, Streamline, Captain Zenith, Electroman, Mr Apollo, Masterman, Captain Universe, Marvelman, Kelly's Eye, Steel Claw, the Purple Hood, Captain Britain, Supercats, Bananaman, Paradax, Jack Staff, and SuperBob. He reminds us of the significance of many such creators and artists as Len Fullerton, Jock McCail, Jack Glass, Denis Gifford, Bob Monkhouse, Dennis M. Reader, Mick Anglo, Brendan McCarthy, Alan Moore, Grant Morrison, Dave Gibbons, and Mark Millar.

An underground fight club. A woman who shouldn't have been there. And the man who owns it. **-* Ross Ward is bound by the chains of his past he never could seem to shake, leaving him living in darkness, detached from the world around him, and an obsessive workaholic with really only one rule: mind your own business. Until one night, there was Adalind Hollis - scared, confused, in need of help. And for the first time, he couldn't convince himself to walk away, to mind his own business. Even after she was getting the care she needed, he couldn't seem to make himself stay away. But keeping her close meant he would eventually have to let her in, would have to offer over the horrors of his past, and hope she could accept it. But even if she would embrace his past, could she

Read Free Reeve The Henchmen Mc Book 11

accept his plan to exact brutal, bloody vengeance against the man who hurt her?
CASH My life has been about three things- brotherhood, good times, and women. Easy. Nothing complicated. That was until Willow Swift came barging back into my life, face bloodied, banging at the gates of The Henchmen compound calling in a favor owed. Now a marker is a marker and I had to make good, but if there was one woman in the world I didn't need in my life, it was the hard-as-stone, hot-as-sin Willow Swift and whatever mysterious ghosts from her past that were haunting her present. WILLOW My life has been nothing but two things: hard and complicated. The last person I wanted in my business was the notorious love-em and leave-em Cash, but I needed help and he was the only one I could lean on without worrying about him finding out about my past. But I was starting to wonder if maybe he was his own kind of dangerous bent on making me believe in some things I had long since learned were not possible for me- like falling for a guy I could not, ever, let see the real me.

Reeve

After thirty years of autocratic rule under "Life President" Kamuzu Banda, Malawians experienced a transition to multi-party democracy in 1994. A new constitution and several democratic institutions promised a new dawn in a country ravaged by poverty and injustice. This book presents original research on

the economic, social, political and cultural consequences of the new era. A new generation of scholars, most of them from Malawi, cover virtually every issue causing debate in the New Malawi: poverty and hunger, the plight of civil servants, the role of the judiciary, political intolerance and hate speech, popular music as a form of protest, clergy activism, voluntary associations and ethnic revival, responses to the HIV/AIDS pandemic, and controversies over women's rights. Both chameleon-like leaders and the donors of Malawi's foreign aid come under critical scrutiny for supporting superficial democratization. The book ends with a rare public statement on the New Malawi by Jack Mapanje, Malawi's internationally acclaimed writer.

Thirty years after Lyndon Johnson declared a War on Poverty, the United States still lags behind most Western democracies in national welfare systems, lacking such basic programs as national health insurance and child care support. Some critics have explained the failure of social programs by citing our tradition of individual freedom and libertarian values, while others point to weaknesses within the working class. In *The Color of Welfare*, Jill Quadagno takes exception to these claims, placing race at the center of the "American Dilemma," as Swedish economist Gunnar Myrdal did half a century ago. The "American creed" of liberty, justice, and equality clashed with a history of active racial discrimination, says

Quadagno. It is racism that has undermined the War on Poverty, and America must come to terms with this history if there is to be any hope of addressing welfare reform today. From Reconstruction to Lyndon Johnson and beyond, Quadagno reveals how American social policy has continually foundered on issues of race. Drawing on extensive primary research, Quadagno shows, for instance, how Roosevelt, in need of support from southern congressmen, excluded African Americans from the core programs of the Social Security Act. Turning to Lyndon Johnson's "unconditional war on poverty," she contends that though anti-poverty programs for job training, community action, health care, housing, and education have accomplished much, they have not been fully realized because they became inextricably intertwined with the civil rights movement of the 1960s, which triggered a white backlash. Job training programs, for instance, became affirmative action programs, programs to improve housing became programs to integrate housing, programs that began as community action to upgrade the quality of life in the cities were taken over by local civil rights groups. This shift of emphasis eventually alienated white, working-class Americans, who had some of the same needs--for health care, subsidized housing, and job training opportunities--but who got very little from these programs. At the same time, affirmative action clashed openly with organized

Read Free Reeve The Henchmen Mc Book 11

labor, and equal housing raised protests from the white suburban middle-class, who didn't want their neighborhoods integrated. Quadagno shows that Nixon, who initially supported many of Johnson's programs, eventually caught on that the white middle class was disenchanted. He realized that his grand plan for welfare reform, the Family Assistance Plan, threatened to undermine wages in the South and alienate the Republican party's new constituency--white, southern Democrats--and therefore dropped it. In the 1960s, the United States embarked on a journey to resolve the "American dilemma." Yet instead of finally instituting full democratic rights for all its citizens, the policies enacted in that turbulent decade failed dismally. The Color of Welfare reveals the root cause of this failure--the inability to address racial inequality.

The club had known peace for so long. Too long, it seemed. And now the president was missing, the supply chain was drying up, and there were threats from within and out. Colson should have had nothing else on his mind. But then there she was. The new neighbor. A woman with her hands full of her own problems should have sent him running, but he just couldn't seem to stay away. As pressure mounted for the club, Colson found himself facing choices he hoped to never make and a woman he hoped to never let go of.

Susan Brownmiller's groundbreaking bestseller uncovers the culture of violence

Read Free Reeve The Henchmen Mc Book 11

against women with a devastating exploration of the history of rape—now with a new preface by the author exposing the undercurrents of rape still present today. Rape, as author Susan Brownmiller proves in her startling and important book, is not about sex but about power, fear, and subjugation. For thousands of years, it has been viewed as an acceptable “spoil of war,” used as a weapon by invading armies to crush the will of the conquered. The act of rape against women has long been cloaked in lies and false justifications. It is ignored, tolerated, even encouraged by governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to “blame the victim,” and, perhaps most shockingly, accepted in supposedly civilized societies worldwide, including the United States. *Against Our Will* is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages. Selected by the *New York Times* Book Review as an Outstanding Book of the Year and included among the *New York Public Library’s* Books of the Century, *Against Our Will* remains an essential work of sociological and historical importance.

He's been waiting for a storm for years. Well... she has finally blown into

would never know about, she worked through hardship and near poverty to create something she was proud of. Buried deep inside, underneath the swell of love she had for her only daughter, were the fractured pieces of her. Pieces that were smashed and battered when she was young and vulnerable. Then she meets Bull, who seems to hate her on sight. He screams danger, from his huge physique, to his beautiful ink, to the motorcycle club he belongs to. He is silent, his glares threaten to burn her into flames, yet she finds herself falling for him. Finds this broken man slowly fixing the pieces she thought would stay shattered forever.

Prim and proper art gallery coordinator Elle Walser is no good at seducing men. Heck, she's been throwing hints at her boss for months, but he's completely clueless.

Desperate to escape her mother's matchmaking efforts, she comes up with a plan—buy some lingerie and climb into her boss's bed. The plan goes brilliantly...until she accidentally seduces a sexy stranger instead. Bad boy nightclub mogul Gabe Schultz just had the best almost-sex of his life. Too bad the smoking hot blonde thought he was his brother and bolted before he could finish what they started. Though her holier-than-thou attitude puts a serious damper on his mood, Gabe's never been one to give up on something he wants. And he wants Elle. Now he just needs her to convince her to give him a chance... Each book in the Come Undone series is STANDALONE: * Wrong Bed, Right Guy * Chasing Mrs. Right * Two Wrongs, One Right * Seducing Mr. Right

The war was over. The dust had settled. The numbers were increasing. Everything had
