But in this day and age, chivalry was most definitely dead. If only there were a way to travel back in time and snag her very own duke... Avery Russell was polishing some boots when a woman fell through the bedchamber mirror into his arms. All he could make out from her breathless babbling was some nonsense about "my one true love, Your Grace." Clearly the chit was mad if she couldn't tell a valet from a duke! As much as Avery wanted to give in and give her a good tumble, he knew it wouldn't be proper. No, he'd take as long as necessary to convince Leah that sometimes a duke just won't do.

With her tight brown ringlets and silly white-ruffled gowns, Lady Katherine Adamson has found her dance card empty for two Seasons. In a desperate bid to avoid a match arranged by her family, Katherine makes the Duke of Bainbridge a shocking proposition—one that he accepts. Only, as Katherine begins to love Jasper, she finds the arrangement agreed upon is not enough. When a wager goes wrong... Painfully shy Jane Huxley is the furthest thing from a diamond of the first water. Bookish, bespectacled, and, well, plain, she never expected to befriend a dissolute charmer like Colin Lacey, much less agree to help him retrieve a lost family heirloom. Fortunately, he is nothing like his cold, rigid older brother. Unfortunately, he is not above deception if it means winning a wager. And that puts Jane in a most precarious position. A formidable duke will marry a plain Jane... For Harrison Lacey, the Duke of Blackmore, protecting his family honor is not a choice, it is a necessity. So, when his cad of a brother humiliates the unwitting Lady Jane, Harrison must make it right, even if it means marrying the chit himself. And a marriage of convenience will become so much more... Her reputation hanging by a thread, Jane agrees to wed the arrogant Duke of Blackmore, although she's convinced it will result in frostbite. Only after lingering glances lead to devastating kisses does she begin to suspect the truth: Perhaps—just perhaps—her duke is not as cold as he appears.

After four failed seasons and a disastrous jilting, Lady Dorothea Beaumont has had more than enough of her family's scheming. She won't domesticate a duke, entangle an earl, or vie for a viscount. She will quietly exit to her aunt's Irish estate for a life of blissful freedom. Until an arrogant, sinfully handsome duke singles her out for a waltz, making Thea the most popular belle of the season. The duke ruined her plans and he'll just have to fix them. Dalton, Duke of Osborne, is far too heartless for debutantes or marriage—he uses dalliances and public spectacle to distract from his real purpose: finding the man who destroyed his family. When his search leads to Ireland, the last thing he needs is the determined, achingly innocent Thea, who arrives in the dead of night demanding he escort her to her aunt. His foolish agreement may prove his undoing. The road to the Emerald Isle is fraught with unforeseen dangers, but the greatest peril of all might just be discovering that he has a heart...and he's losing it to Thea.

How do you rebuild your life when your one true love is the one who ruins it? Joanna Sherwood, the Countess of Carew, has always been wildly in love with Adrian Delacourt, the darkly handsome and devastatingly charming Duke of Roxbury. When they wed, it was her dream come true—a dream that quickly turned to a nightmare as her husband accused her of infidelity and sullied her good name in Regency society. It was only a desperate flight to Italy with her husband's best friend at her side and his promise to rescue her through a new marriage that saved her sanity. Years later, after being left a widow, Joanna returns to the only other home she has ever known in England, only to find that nothing has changed. Her name and reputation are burdened by scandal, while her heart is burdened with the passion of an impossible love for her ex. Will her redemption be her saving grace, or her undoing?

"I believe we can change the world. But first, we've got to stop living in fear of being judged for who we are." Rachel Hollis has seen it too often: women not living into their full potential. They feel a tugging on their hearts for something more, but they're afraid of embarrassment, of falling short of perfection, of not being enough. In *Girl, Stop Apologizing*, #1 New York Times bestselling author and founder of a multimillion-dollar media company, Rachel Hollis sounds a wake-up call. She knows that many women have been taught to define themselves in light of other people—whether as wife, mother, daughter, or employee—instead of learning how to own who they are and what they want. With a challenge to women everywhere to stop talking themselves out of their dreams, Hollis identifies the excuses to let go of, the behaviors to adopt, and the skills to acquire on the path to growth, confidence, and believing in yourself.

Simon Basset, the irresistible Duke of Hastings, has hatched a plan to keep himself free from the town's marriage-minded society mothers. He pretends to be engaged to the lovely Daphne Bridgerton. After all, it isn't as if the brooding rogue has any real plans to marry - though there is something about the alluring Miss Bridgerton that sets Simon's heart beating a bit faster. And as for Daphne, surely the clever debutante will attract some very worthy suitors now that it seems a duke has declared her desirable. But as Daphne waltzes across ballroom after ballroom with Simon, she soon forgets that their courtship is a complete sham. And now she has to do the impossible and keep herself from losing her heart and soul completely to the handsome hell-raiser who has sworn off marriage forever!

Shunned by a society that puts attractiveness above all else, Lady Eliza Darby's wallflower status keeps her from getting the one thing she wants most, namely, to be a mother. But when her scorned older sister returns home to see all of her sisters wed in happy matches, it may be Eliza's only chance to secure a husband and have the children she so desires. Jilted in a publicly humiliating display, Dax Kane, the Duke of Ashbourne, has sworn off love forever and has no wish to wed. But when the title demands it, he selects the most perfect candidate for the position: Lady Eliza Darby, a wallflower so unattractive he won't be in danger of falling in love with her. But the Jilted Duke will soon discover looks have nothing to do with love.

If the daring wench likes to play games, he's happy to oblige. After all, what's the ruse of being the Mad Duke if you can't have some fun? But the last laugh might just be on him...

While Elanor Huxley misses the glamour and excitement of society, she is quite resigned to a quiet life, after her lovable but frivolous parents died and left her not only an orphan, but a penniless one as well. Biding her time in the home of her self-absorbed cousins, she saves her pennies and dreams of the day she can afford to rent her own tiny cottage in the country and find contentment. But when she and her cousin Harriet are rescued from their overturned carriage by the handsome and capable Mr. Patrick, Elanor finds herself thinking less about contentment and more about love and happiness – with Mr. Patrick. Christopher Patrick Bane, Duke of Price, decides not to reveal to Elanor that he is a Duke - Kit has just come into the title with the death of the cruel father who banished him overseas for a youthful transgression, and he does not want it to color her judgment of him. But as he gets to know Elanor better, he realizes he has created a rod for his own back - it is becoming more and more difficult to find the right time. And when Elanor discovers his true identity by accident, and exactly what his youthful discretion was, he wonders if he will ever have any chance at all to win back her affections.
