Samuel Rees Howells, *A Life of Intercession: The Legacy of Prayer and Spiritual Warfare of an Intercessor* by Richard A. Maton, Paul Backholer and Mathew Backholer Rees Howells, a powerful intercessor, taught his son Samuel the principles of intercession and commissioned him some weeks before his death, stating, "Whatever you do, stand and maintain these intercessions." For the next fifty-four years, Samuel Rees Howells exercised a powerful intercessory ministry as he focused prayer on gospel liberty, in order for the good news of the Gospel of Jesus Christ to be given to every creature. With the mantle of intercession weighing heavily upon him, Samuel spent decades participating with others in their own countries, in profound spiritual struggles that shook world events and shaped history for God's glory! Discover how Samuel was led by the Holy Spirit to exercise authority over the principalities and powers, and to 'pray through' until God's purposes were fulfilled in many lethal world conflicts. Learn how God still intervenes in world history, from the Korean War to the Cuban Missile Crisis, and from the Six-Day War to the fall of the Soviet Union! Beginning in the days of Rees Howells, this book continues this powerful story of intercession and traces its effectual legacy into the twenty-first century. Filled with principles of intercession, faith and spiritual warfare, this book provides a fascinating insight into what is possible when the Holy Spirit finds an individual, who will stand in the gap and become a channel for His intercession. Ezekiel 22:30, Romans 8:26-27, Ephesians 6:12. Richard A. Maton worked under Samuel's ministry for forty-seven years and provides us with an eyewitness account of Samuel's life of intercession. Richard is married to Kristine who joined Rees Howells' Bible College in 1936 and prayed alongside him. Together Richard and Kristine spent more than 120 years at the College!

Bread is an essential food for our bodies. Jesus says: "I am the bread of life." HE not only provides food for the body, but gives Himself so that we can have life "more abundantly." In the 1st Collection you will find strength for your soul with profound teachings and spiritual messages by the famous Evangelist Reinhard Bonnke, published as teaching letters in 2001.

The real fight is the one you can't see. The supernatural realm is very real, and it directly impacts our day-to-day lives. Often spiritual battles lie behind our everyday struggles. Though the spiritual world is invisible, we are not unaware of the enemy's schemes. Through God's Word and the power of the Holy Spirit we are equipped to be more than conquerors through Christ! With doctrinally sound, practical teaching, *Slaying Dragons* shows how the demonic realm fits into orthodox thoughts on salvation, redemption, and kingdom life. Daniel Kolenda demystifies spiritual warfare to shine light on what the enemy is doing in readers' lives and what they can do to slay every dragon they encounter. It also contains real-world examples of encounters with spiritual darkness, demonstrating examples of how "the light shines in the darkness, and the darkness has not overcome it" (John 1:5, NIV). It's easy to lose sight of the big picture as we focus on our everyday struggles. But our daily battles are part of a much bigger war, and we have been given all we need to win. *Slaying Dragons* will show readers what the enemy is trying to accomplish and how they can slay every dragon they encounter--in their lives and in the world. This book will teach you to see and overcome the spiritual battles behind your everyday struggles. ? The remarkable story of Reinhard Bonnke—filled with dreams, visions, and miracles—can't help but cause you to recognize that God has written success story for you, too

In 2001, as Reinhard Bonnke debated whether or not to move his ministry to America, he did something he had never done before: he prayed for a sign to confirm that God truly was calling him to go to America. God was about to answer that prayer. A few days later, a woman brought her husband to the Nigerian church where Bonnke was preaching, in hopes that his partially embalmed body would be raised from the dead after three days in a coffin. Although Bonnke was unaware of this and never even prayed for the man, the woman's husband, lying in the church basement, began to breathe again during the sermon. In front of thousands of witnesses, this man, who still couldn't move because of rigor mortis, was raised back to life. After his message, Bonnke was besieged by a crowd yelling, "He's breathing! He's breathing!" This incredible miracle, now detailed for the first time, is part of a movement of God, birthed in a small African church and stretching around the world to America. It is the beginning of a work of God that will confirm His word to Bonnke: "America shall be saved."

The Gospel is not good news to people who do not hear it...and an unpreached gospel is no Gospel at all. In the New Testament we never read about God going forth on His own, but that His followers "went out and preached everywhere, the Lord working with them." In short, God acted when they acted. Evangelist Reinhard Bonnke has led millions of people into a life-transforming encounter with God. In Evangelism by Fire he lays out the principles necessary for effective evangelism, showing how God operates through anyone who is willing to follow His plan. The Gospel is as vital today as it was when Jesus walked the shores of the Sea of Galilee, and nations urgently need the life-giving message of the cross right now. Filled with biblical principles, prophetic messages, and personal examples, Evangelism by Fire will inspire you to bring the focus of your life and ministry back to the Great Commission.

Outline of the Biblical security of salvation, a vital step and foundation for new believers.

Presents the amazing life story of evangelist Reinhard Bonnke, one of the world's most successful promoters of the Christian message, delivering a powerful message that will captivate Christians and non-Christians alike.

God's Gift to All Believers Some believe that simply having faith is an entitlement to blessing and prosperity. Others believe that faith in oneself is all that is needed in life. Still others contend that faith is a cosmic force that breeds superhuman, super-spiritual, invincible power. It is none of these. Faith is not something requiring you to believe in what you know is not true, nor is it believing something for which there is no evidence. The Bible—a book all about faith—provides the evidence that makes faith so vital, so important, and so astounding. In Faith: The Link with God's Power, international evangelist Reinhard Bonnke draws from his years of personal study and vibrant ministry to reveal that... Faith is like a wiring system that carries power into our lives. Faith itself is not the power, but it links us to the power source. There is no link to God's power without faith. Our belief in what happens tomorrow stems from what we already experienced yesterday. It is not the size of your faith but the size of the God you believe in that determines the results. Reinhard Bonnke is more qualified than most to shed light on what it means to minister in the power of the Holy Spirit. He and his CfaN team regularly conduct gospel crusades in Africa, where signs and wonders follow the preaching of the gospel. In one six-day crusade, more than 1,600,000 people attended a single service, with 3,450,000 making positive decisions for Christ over the course of the event. Indeed, these are days in which God's people can abound in faith!

Every day, millions of people move farther down the dark road to destruction. They are your coworkers, your neighbors, your friends—and they are lost. Yet one individual, arms outstretched in the shape of a cross, stands in the middle of that road, blocking their way. His name is Jesus. And one person at a time, He is turning the crowd around, gently pointing each toward an eternity of hope and joy.

The Chains Are Breaking!

Keys for being effective in reaching others with the gospel.

Following God is an exciting journey of discovery. Following and copying other people are ancient arts of learning that Jesus Christ chose as His principle method of training. Instead of shying away from this time-tested method of training, it is time to understand the beauty and humility of the art of following. In this book, you will discover who, what and how to follow properly. This brilliant new book by Dag Heward-Mills gives the art of following its proper place in our Christian experience.

Evangelist Todd White hears those words often. But the truth is that what Todd shares is not just a story - it's a testimony. It is evidence not only of what God has done but of what He wants to do again. It is evidence of what God can and will do for you, of what God wants to do for you. Fully addicted to drugs and pornography as a child, Todd lived in darkness. But his testimony is about a journey from that utter darkness into marvelous light. It is about a man who hungers for the Word of God and has been radically saved, changed by it. It is about a man learning to be exactly who God created him to be. It is about a child of God walking in the light of Jesus and wanting others to walk in the light too. With refreshing honesty, Todd White challenges readers to make Jesus their everything, to renew their minds, to be bold as lions, and to make an impact for the kingdom of God. Life Is Short-Leave a Legacy. TODD WHITE was a drug addict and atheist for 22 years until 2004 when he was radically set free! Todd believes that redemption and righteousness are the foundational keys for living life as a new creation in Christ. Todd's foremost desire is to see the Holy Spirit flowing through believers everywhere that they go-at work, school, grocery stores, malls, gas stations, and more. Todd's true joy is being able to reproduce a 24/7 kingdom lifestyle in every believer. His heart is to activate people in the simplicity of who they really are and confront the barriers that hold them back from being who God created them to be. No one is excluded!
