

## Renegade Lost An Intergalactic Space Opera Adventure Renegade Star Book 4

It's Never Too Late to Top Your Personal Best. Both a riveting account of a life spent pulling off improbable triumphs and a report back from the front of the global-energy and natural-resource wars, *The First Billion Is the Hardest* tells the story of the remarkable late-life comeback that brought the famed oilman and maverick back from bankruptcy and clinical depression. Along the way, the man often called the "Oracle of Oil" shares the insights that have made him a legend—and describes the billion-dollar bets he is now making in hopes of securing America's energy independence. "Sassy...breezes along...salted with earthy aphorisms."—*Bloomberg Businessweek* "Boone's analysis of America's energy situation is 100 percent on the money....The country should listen to him—now!" —Warren Buffett, chairman and CEO, Berkshire Hathaway "Self-deprecating and audacious...overall, it's decidedly informative about the machinations of business." —*Dallas Morning News* "A fascinating, eye-opening book by one of America's greatest iconoclasts and entrepreneurs. Boone Pickens' sense of daring and innovation has never been sharper."—Steve Forbes, president and CEO, Forbes Inc., and editor in chief of *Forbes* magazine

Terry is on the run, having escaped from prison and killed its overseer. He and his friend Ludo need to find a way to get to the northern border. That's where Ludo's wife is being held, but time is of the essence. If they don't hurry, she'll be sacrificed to the gods as part of some barbaric ceremony. With an army at their heels and a continent to cross, Terry and Ludo will need all the help they can get. Meanwhile, Mei Curie has opened a portal to another world...and it isn't what she expected. There are worms the size of cars, animals with bulletproof hides, and an advanced alien race unlike anything mankind has ever witnessed. Not to worry, though. Johnathan Finn has just the ticket: a rifle stocked with bullets, ready to deal with whatever threats come knocking. Along with his team of soldiers, John is here for a single purpose—to find his missing friend and bring him home—but in a world as strange as this one, a simple search and rescue mission could prove deadly.

They say the Earth is just a myth. Something to tell your children when you put them to sleep, the lost homeworld of humanity. Everyone knows it isn't real, though. It can't be. But when Captain Jace Hughes encounters a nun with a mysterious piece of cargo and a bold secret, he soon discovers that everything he thought he knew about Earth is wrong. So very, very wrong. Climb aboard *The Renegade Star* and assemble a crew, follow the clues, uncover the truth, and most importantly, try to stay alive. Experience the beginning of a sprawling galactic tale in this first entry to *The Renegade Star* series. If you're a fan of *Firefly*, *Battlestar Galactica*, or *Indiana Jones*, you'll love this epic, space opera thrill ride. Warning: This book contains action, cussing, and general badassery. Read at your own risk.

"Non-stop action! Space battles! Intrigue! This is the kind of space opera that I love best—but Elliott does it even better."—New York Times bestselling author Ann Leckie New York Times bestselling author Kate Elliott brings us a thrilling new science fiction adventure set in a rich universe full of political intrigue with Unconquerable Sun. Bookpage's Best Books of the Year Autostraddle's Best Queer Books of 2020 GENDER-SPUN ALEXANDER THE GREAT ON AN INTERSTELLAR SCALE Princess Sun has finally come of age. Growing up in the shadow of her mother, Eirene, has been no easy task. The legendary queen-marshal did what everyone thought impossible: expel the invaders and build Chaonia into a magnificent republic, one to be respected—and feared. But the cutthroat ambassador corps and conniving noble houses have never ceased to scheme—and they have plans that need Sun to be removed as heir, or better yet, dead. To survive, the princess must rely on her wits and companions: her biggest rival, her secret lover, and a dangerous prisoner of war. Take the brilliance and cunning courage of Princess Leia—add in a dazzling futuristic setting where pop culture and propaganda are one and the same—and hold on tight: This is the space opera you've been waiting for. In the aftermath of a war that almost destroyed Earth, the Alliance now rules, but not everyone chooses to live by their laws. Alayna is a rebel living by her own rules in the harsh badlands, outside the Alliance's control. She is a thief, stealing from the wealthy to provide for those who cannot survive on their own, all while hiding the tattoo that marks her as one of the few remaining fertile women on Earth...making her a target. Alliance Elites Nikolai Grekov and Colin Nielson are stationed at a neglected base on the edge of the badlands after years spent in space. Their orders are to track down an elusive thief that's been plaguing the area's outposts, but they also have their own agenda. Both men want to find and claim a fertile woman to call their own and fulfill their dreams of becoming a family. When the men catch the sexy, headstrong, thief breaking into their home, they claim Alayna for their own. Nikolai and Colin may have claimed their chosen, but the battle for her heart has just begun. Can they find a way to win her trust or will their beautiful renegade's need for freedom destroy their chance of happiness?

Humanity's Exodus is about to begin. When half of mankind revolts and demands more opportunity, those at the top decide on a compromise: they will build the first colony ships and allow those who are willing to discover new worlds to leave and start over. Twelve ships are built, the first of which is called Orion. Many are eager to go, but only one hundred thousand are chosen for each vessel. Far from Earth, a new life awaits, and it promises the prosperity they've always wanted. But still, resistance stirs, eager to sabotage this new expansion effort, threatening the promise of a new life. As Orion moves through the void of space, towards a distant world, its passengers must fight for survival in an unprecedented conflict. Win or lose, their future will be forever changed. Experience a sprawling galactic tale in this first

entry to The Orion Colony series. If you're a fan of Firefly, Battlestar Galactica, or Indiana Jones, you'll love this epic, space opera adventure.

Dash never asked to be a mech pilot, but fate has other plans. On the run and out of chances, he guides his ship and crew into the heart of a relic older than the galaxy itself—and find himself on the edge of an eternal war he never knew existed. The relic is a mech, lost to history and forgotten by all who remain. Built by an ancient race to be the ultimate weapon, the machine is capable of unspeakable destruction, and its discovery could unhinge the balance of power throughout known space. Worse still, the A.I. inside the machine speaks of an ancient evil that will soon arrive—a race whose power far exceeds anything humanity has ever witnessed. Only the Messenger can stand against them, the A.I. tells its new pilot. Only you can do what must be done.

Quick-thinking Leviathan pilot Zara Cole must stop a planet-eating monster or lose everyone she loves in the finale of this acclaimed trilogy from New York Times bestselling authors Rachel Caine and Ann Aguirre. Perfect for fans of Illuminae and The Fifth Wave. Space renegade Zara Cole may have finally met her match. Lifekiller—a creature that can devour entire planets—is spreading terror throughout the universe, and it seems nothing can stand in the monstrous godking's way. Zara's street smarts may not be enough when their enemy could be anywhere, destroying civilizations and picking his teeth with the bones. With human enemies, alien creatures, and mechanical stalkers on her tail, it's down to the wire for Zara to save the galaxy—and the people she calls home—before the godking consumes them all.

In the tradition of Star Wars, a galaxy-hopping space adventure about a galactic kingdom bent on control and the young misfit who must find the power within before it's too late. Cade Sura holds the future of the galaxy in his hands: the ultimate weapon that will bring total peace. He didn't ask for it, he doesn't want it, and there's no worse choice to wield it in all of space, but if he doesn't, everyone's totally screwed. The evil Praxis kingdom is on the cusp of having every star system under its control, and if that happens, there'll be no contesting their cruel reign. Especially if its fanatical overlord, Ga Halle, manages to capture Cade and snag the all-powerful weapon for herself. Cade can't hide from Praxis, and he can't run from the destiny that's been shoved into his hands. So he only has one option: He has to fight. Cade's not going to let destiny send him on a suicide run, though. With some help from his friends—rebels and scoundrels alike—Cade's going to use this weapon to chart a new destiny for the galaxy, and for himself. He just has to do so before everyone around him discovers that he's a complete and total fraud. Blending the space operatics of Star Wars and the swagger of Guardians of the Galaxy, Black Star Renegades is a galaxy-hopping adventure that blasts its way from seedy spacer bars to sacred temples guarded by deadly creatures—all with a cast of misfit characters who have nowhere to go and nothing to lose.

An ancient world holds many secrets. With the Celestial ship Tartarus now under his command, the former Renegade known as Jace Hughes heads toward a lost colony in search of answers. The first book in Iain M. Banks's seminal science fiction series, The Culture. Consider Phlebas introduces readers to the utopian conglomeration of human and alien races that explores the nature of war, morality, and the limitless bounds of mankind's imagination. The war raged across the galaxy. Billions had died, billions more were doomed. Moons, planets, the very stars themselves, faced destruction, cold-blooded, brutal, and worse, random. The Idirans fought for their Faith; the Culture for its moral right to exist. Principles were at stake. There could be no surrender. Within the cosmic conflict,

an individual crusade. Deep within a fabled labyrinth on a barren world, a Planet of the Dead proscribed to mortals, lay a fugitive Mind. Both the Culture and the Idirans sought it. It was the fate of Horza, the Changer, and his motley crew of unpredictable mercenaries, human and machine, actually to find it, and with it their own destruction.

When a high value scientist is taken hostage inside the galaxy's most dangerous prison, Halek Cain is the only man for the job. The last remaining survivor of the Reaper program, Hal is an unstoppable force of fuel and madness. A veteran amputee-turned-cyborg, he has a history of violence and a talent for killing that is unmatched by any soldier. With the promise of freedom as his only incentive, he'll stop at nothing to earn back his life from the people who made him, imprisoned him, and were to afraid to let him die. Experience this exciting beginning to a brand new series set in the Renegade Star universe. If you're a fan of *Escape from New York*, *Renegade Star*, or *Deus Ex*, you'll love this epic, scifi thriller.

Abigail and Clementine were just a couple of orphans looking for a home. But when the two girls witness something terrible, they have no choice but to leave their orphanage and go into hiding. The only person willing to take them in is a man named Mulberry, but his home isn't the safest place for two innocent children. Abigail and Clementine quickly discover that their new caretaker is the head of a guild of assassins, and the two are thrown into a whole new life, full of danger. To survive, they'll need to adapt, focus, and learn how to survive, all without losing who they are along the way. Renegade Lost An Intergalactic Space Opera Adventure

He's awkward. He's adorable. He's alien as hell. Zylar of Kith B'alak is a four-time loser in the annual Choosing. If he fails to find a nest guardian this time, he'll lose his chance to have a mate for all time. Desperation drives him to try a matching service but due to a freak solar flare and a severely malfunctioning ship AI, things go way off course. This 'human being' is not the Tiralan match he was looking for. She's frazzled. She's fierce. She's from St. Louis. Beryl Bowman's mother always said she'd never get married. She should have added a rider about the husband being human. Who would have ever thought that working at the Sunshine Angel daycare center would offer such interstellar prestige? She doesn't know what the hell's going on, but a new life awaits on Barath Colony, where she can have any alien bachelor she wants. They agree to join the Choosing together, but love is about to get seriously strange.

An alien awakens from a long sleep. An impossible prophecy that cannot be ignored. Dean and his friends are trapped on a world they can barely comprehend with enemies on all sides and a growing need to survive. There's more to this place than any of them could have dreamed. But what is the strange infection spreading across the forest, and where did it come from? Who or what is the Great Dawn? The world is full of secrets, and Dean Slade is at the center of it all. Time to discover the truth.

It has been three years since the day of the Second Jolt. Thanks to the efforts of a select few, the world is finally moving on. As the Variant air begins to thin, humanity finds itself on the cusp of a new age of exploration...but at what cost? After closing the rift—the source of all Variant—the hybrid child known as Terry has been transported to a distant world, far away from the only home he's ever known. Completely isolated, and haunted by voices from his past, he wanders through the ruins of an ancient civilization long forgotten. Back on Earth, a young woman named Mei works tirelessly to uncover the secrets of the rift. Against orders, she searches for the truth, making an unprecedented gamble. Will her obsession bring the answers she so desperately seeks...or will it cause even more destruction?

A crew of outcasts tries to find a legendary ship before it falls into the hands of those who would use it as a weapon in this science fiction adventure series for fans of The Expanse and Firefly. A washed-up treasure hunter, a hotshot racer, and a deadly secret society. They're all on a race against time to hunt down the greatest warship ever built. Some think the ship is lost forever, some think it's been destroyed, and some think it's only a legend, but one thing's for certain: whoever finds it will hold the fate of the

universe in their hands. And treasure that valuable can never stay hidden for long. . .

Globally bestselling Divergent author Veronica Roth delivers a breathtaking fantasy featuring an unusual friendship, an epic love story, and a galaxy-sweeping adventure. #1 New York Times bestseller \* Wall Street Journal bestseller \* USA Today bestseller \* #1 IndieBound bestseller Praise for *Carve the Mark*: "Roth skillfully weaves the careful world-building and intricate web of characters that distinguished *Divergent*." —VOYA (starred review) "Roth offers a richly imagined, often brutal world of political intrigue and adventure, with a slow-burning romance at its core." —ALA Booklist *Cyra Noavek and Akos Kereseth* have grown up in enemy countries locked in a long-standing fight for dominance over their shared planet. When Akos and his brother are kidnapped by the ruling Noavek family, Akos is forced to serve Cyra, the sister of a dictator who governs with violence and fear. Cyra is known for her deadly power of transferring extraordinary pain unto others with simple touch, and her tyrant brother uses her as a weapon against those who challenge him. But as Akos fights for his own survival, he recognizes that Cyra is also fighting for hers, and that her true gift—resilience—might be what saves them both. When Akos and Cyra are caught in the middle of a raging rebellion, everything they've been led to believe about their world and themselves must be called into question. But fighting for what's right might mean betraying their countries, their families, and each other. When the time comes, will they choose loyalty or love? The search for Earth has begun. After barely escaping the Union's grasp, *The Renegade Star* is off to parts unknown. Every member of its crew is a wanted fugitive. None of them can ever return home. But all is not lost. Thanks to Lex, a strange girl with a remarkable gift, the path to Earth has been revealed. According to ancient myth, Earth holds valuable treasures, lost technology, and endless secrets, ripe for the taking. Jace and his new friends have a chance to discover it all, but only if they can keep Lex out of the Union's grasp. Doing so won't be easy. With enemies on all sides, the deck is stacked against them, but nothing in this universe comes easy when you're a Renegade.

The 1960s to early '70s was a pivotal time for American culture, and New York City was ground zero for seismic shifts in music, theater, art, and filmmaking. *The Downtown Pop Underground* takes a kaleidoscopic tour of Manhattan during this era and shows how deeply interconnected all the alternative worlds and personalities were that flourished in the basement theaters, dive bars, concert halls, and dingy tenements within one square mile of each other. Author Kembrew McLeod links the artists, writers, and performers who created change, and while some of them didn't become everyday names, others, like Patti Smith, Andy Warhol, and Debbie Harry, did become icons. Ambitious in scope and scale, the book is fueled by the actual voices of many of the key characters who broke down the entrenched divisions between high and low, gay and straight, and art and commerce—and changed the cultural landscape of not just the city but the world.

Soon to be a Netflix Original Series! "Wildly imaginative." —President Barack Obama on *The Three-Body Problem* trilogy This near-future trilogy is the first chance for English-speaking readers to experience this multiple-award-winning phenomenon from Cixin Liu, China's most beloved science fiction author. In *The Dark Forest*, Earth is reeling from the revelation of a coming alien invasion—in just four centuries' time. The aliens' human collaborators may have been defeated, but the presence of the sophons, the subatomic particles that allow Trisolaris instant access to all human information, means that Earth's defense plans are totally exposed to the enemy. Only the human mind remains a secret. This is the motivation for the Wallfacer Project, a daring plan that grants four men enormous resources to design secret strategies,

hidden through deceit and misdirection from Earth and Trisolaris alike. Three of the Wallfacers are influential statesmen and scientists, but the fourth is a total unknown. Luo Ji, an unambitious Chinese astronomer and sociologist, is baffled by his new status. All he knows is that he's the one Wallfacer that Trisolaris wants dead. Magic. Steel. Blood. Victory. The Earth's navy is left drifting among the stars as Nyctus ships swarm, their purpose unknown as they continue their advance, burning one system after another. Humanity's extinction seems inevitable. But on one of the forgotten worlds, a boy is left behind, and he holds a talent unlike anything the galaxy has ever known. Thorn Stellers is a mage, made to lead and fight. With a renegade division of warriors at his side, and with weapons far different from those of old Earth, Thorn stands a chance at standing up to humanity's enemies. For these mage-soldiers, armed with power that had once been thought the stuff of legend, the outcome is no longer certain. Each Starcaster has a talent—except for Thorn, who has many. With his childhood companion Kira Wixcombe, he'll confront a threat from beyond the stars, meeting them in the darkness with a light born of magic... and a lust for revenge. Is his power enough? Or is Earth a forgotten memory, lost forever to history?

In 2157, a mysterious gas known as Variant spreads across the globe, killing or mutating most organic life. The surviving humans take refuge in an underground city, determined to return home. But after generations of failures and botched attempts, hope is beginning to dwindle. That is, until a young scientist makes a unique discovery—and everything changes. Suddenly, there's reason to hope again, and it rests within a group of genetically engineered children that are both human and Variant. Terry is one of these children, modified and trained to endure the harsh conditions of a planet he cannot begin to understand. After years of preparation, Terry thinks he knows what to expect. But the reality is

far stranger than anything he can imagine—and what he will become is far more dangerous.

Trix's life in boarding school as an orphan charity case has been hard, but when an alluring young Ringmaster invites her, a gymnast, to join Circus Galacticus she gains an entire universe of deadly enemies and potential friends, along with a chance to unravel secrets of her own past.
