The appendix includes Internet resources for an effective online job search. New for the second edition is a section of cover letter samples and writing advice.

Getting hired quickly isn't as easy as it once was. While the traditional cause of unemployment is grouped under the heading of a "bad economy," there now exists a new impediment to getting hired: online recruitment. Why has Internet job hunting or online recruitment made it so much harder to getting hired? Before the widespread use of online recruitment, employers usually received a handful of job applicants per job posting. Today, it's quite common for

employers to obtain 200 applicants per job posting! With increased competition, the difficulty of getting hired increases. You can overcome the roadblocks that online recruitment places in your path to a new job. The goal of this book is to teach you a simple, divide-and-conquer method that will help you use online recruitment successfully. In addition, it will also teach you how to write a highly searchable online résumé and how to correct problems when they arise in your job search campaign.

What does Tony Beshara do that most r'sum' "experts" don't? While the experts write r'sum's all day, Tony-the veteran placement specialist featured regularly on the Dr. Phil show-actually uses them to get people jobs. With Unbeatable R'sum's, Tony dissects and discusses real-life r'sum's for jobs in a wide range of industries from healthcare to banking, construction to technology, administration to sales and marketing, and more. The book shows readers how to build a powerful r'sum', utilize keywords effectively, use gaps and job changes to their advantage, and pair their r'sum's with concise, dynamic cover letters. He complements his expertise (he has personally placed more than 8,500 professionals) with the results of a survey of more than 3,000 managers, executives, HR specialists, and other hiring authorities about what gets r'sum's read, interviews granted, and jobs offered. Readers will learn: * The critical components of well-written r'sum' * How to ensure their r'sum' actually gets read... by the right people * What employers look for, and what turns them off * How to customize a r'sum' for a particular job * The truth about video r'sum's, job-search websites, and social networking sites like FaceBook, LinkedIn, and MySpace * And much more Unbeatable R'sum's shows job seekers of all types how to present themselves in the best possible light...for the best possible position.
