Confusion. Lust. Fear. Passion. It started the moment she passed out in my arms. Seduction. Vile. Depraved. Desire. She couldn't remember her past but looked to me like I was her future. My walls were built. My heart was cold. My emotions vacant. After being alone for five years with only my motorcycle club at my side, she was who I had been searching for. The one I had needed all along to light up the darkness surrounding my life. Just when I thought I had her, just when I thought I could finally allow myself that happiness I didn't think I deserved. She was ripped from my hands...

Bound by a love stronger than us... Years have passed since I married him. Brett MacLean. My one. My only. We became comfortable. Our lives a form of habit.

But something was missing. That connection. That undying want. That need for each other. It was gone. While he asked me to trust him, he was keeping a secret. I didn't know how long it would last before I gave up. On us.

The Pulitzer Prize-winning novel that tells the story of two sisters through their correspondence. With a new Preface by the author.

All five books of the action-packed God Given series in one volume. "Every god will hunt you. They will not stop. There will be nowhere safe on the face of this planet. From now until the day you die, you will have to run." Those were the words that started everything. Casey was once normal – now she's the most important piece in a game for the world. She's dragged into the realm of gods. It is violent, it's tortured, and at its heart is a man she's never been able to forget.

-Vince- She was perfect. Her heart. Her soul. Everything. I had been in love with Gigi Rodriguez for as long as I could remember. I had never been shy about my feelings toward her. Everyone knew how I felt. Except for the person who mattered most. I needed her like I needed my next breath. Our souls called out to each other, entwining together to form a bond I had never felt with another person. She was passionate. Strong. Mine. Just when I thought I had her in my arms for good, an unknown force threatened to take away the only thing I had ever wanted... -Gigi- He was stubborn. Obsessed. Dominating. Vincent Stone

Junior was the very reason I danced. Every time I moved, I moved for him. He just didn't know it yet. It all started the night of his eighteenth birthday, but school got in the way and I didn't see much of him for the next three years. When he came home for good, I knew that he had one mission: To crack down the walls I had built. I didn't want to love him. I didn't want to need him. But losing a piece of myself made me realize that I did in fact want those things. He taught me to love myself first and that he would be there, ready and waiting... For me.

The sharp edge of love... Brett MacLean was possessive. Even more since I became his. He was my desire...my ultimate pleasure...he was mine. As each day passed, he revealed a part of himself that had lain dormant. A broken childhood. A troubled man. One I was determined to help. After months together, I thought I knew him. But soon realized I was wrong. His dark secrets were only the beginning. The past was more disturbing than I ever could have fathomed. His deep seeded need for me came with a price that could have consequences. I needed him just as much. Because of this, we would be tested. My greatest fear was that it would take us beyond the limits of our love.

me from the very start. He unleashed something inside of me like no other. His bad rep and troubled past drew me to him like gasoline feeding a flame. The love I felt for her controlled me and it brought me to my knees. She was my one. My only. Destroyed as a boy, healed as a man, she was my saving grace. The first person who knew the real me. Because of her, I became stronger. Whole. A true warrior in my own personal Hell. As time went on, demons from my past haunted me, threatening to ruin what I had worked so hard to become. Strong. The ultimate sacrifice was giving up a piece of myself to be perfect. For her.

disasters you see coming that finally come to pass—it's the ones you don't expect at all," says Julia, in this spellbinding novel of catastrophe and survival by a superb new writer. Luminous, suspenseful, unforgettable, *The Age of Miracles* tells the haunting and beautiful story of Julia and her family as they struggle to live in a time of extraordinary change. On an ordinary Saturday in a California suburb, Julia awakes to discover that something has happened to the rotation of the earth. The days and nights are growing longer and longer; gravity is affected; the birds, the tides, human behavior, and cosmic rhythms are thrown into disarray. In a world that seems filled with danger and loss, Julia also must face surprising developments in herself, and in her personal world—divisions widening between her parents, strange behavior by her friends, the pain and vulnerability of first love, a growing sense of isolation, and a surprising, rebellious new strength. With crystalline prose and the indelible magic of a born storyteller, Karen Thompson Walker gives us a breathtaking portrait of people finding ways to go on in an ever-evolving world. A sinister, sophisticated debut thriller by "a remarkable new voice to watch" (J.T. Ellison, *New York Times* bestselling author), *Man of the Year* has been lauded by Shelf Awareness as "an

impressive slow burn that builds suspense and cracks the whip at the end...redolent with menace and ego.” Dr. Robert Hart, Sag Harbor’s just-named Man of the Year, is the envy of his friends and neighbors. His medical practice is thriving. He has a beautiful old house and a beautiful new wife and a beautiful boat docked in the village marina. Even his wayward son, Jonah, is back on track, doing well at school and finally worthy of his father’s attentions. So when Jonah’s troubled college roommate needs a place to stay for the summer, Hart and his wife generously offer him their guesthouse. A win-win: Jonah will have someone to hang with, and his father can bask in the warm glow of his own generosity. But when Robert suspects his new houseguest of getting a little too close to his wife, the good doctor’s veneer begins to crack, and all the little lies he tells start to mount. Before long, Robert is embroiled in a desperate downward spiral, threatening to destroy anyone who stands in his way. It’s only the women in his life—his devoted office manager, his friends and neighbors, his wife—who can reveal the truth...if he’s willing to look. Biting and timely, *Man of the Year* races along at an electric pace, building to a wicked twist you won’t see coming.

Warren Commission hearings.

-Zach- She was innocent. Passionate. Fierce. After Luna Stone and I went from friends to lovers, my only purpose was showing her how worthy I was. But how could I convince her when I didn't believe it myself? I craved her touch and her smiles but most of all, her heart. I vowed to protect her and show her father that I could be the man for his daughter. I pushed. She pulled. And when all was said and done, I'd have to go through an even higher power to prove that I deserved her... Myself. ~ -Luna- He was quiet. Withdrawn. Intense. Zach Porter and I had been friends since we were kids, but it had never amounted to anything more than that. Until now. But as close as we were getting, he was still closed off. He protected his heart and put up walls, even though he had no reason to. He shoved. I grabbed hold and never let go. If I didn't fight for what was ours, he'd succumb to his demons and believe their vicious words telling him that he's not good enough. To give up. On us. The Next Generation Series: Control Us With Us Before Us Being Us

-Jaron- She was mine. Her heart. Her body. All of her. Piper Michaels and I had been through so much together in such a short amount of time. I wasn't sure how we would get through it but we had to. It wasn't just us we were looking out for anymore. Being away from my family for more than a year, messed with my head. I had to do things to survive. To make it back to her. To both of them. She used to be vibrant and filled with

life but ever since I ended up in jail, the light no longer existed in Piper and it was instead covered by a darkness. But I vowed to help her find the light. No matter the cost. -Piper- He was back. In my life. For good. Forever. Jaron Mercer rescued me. But after spending more than a year in jail, he came back a different person. No longer was he the man I had fallen in love with but a shell of himself instead. Now we would have to work even harder to be together. Even though he was taken from me, he left me a gift in return. I was constantly reminded of his love. For me. For her. While we tried reconnecting and finding us all over again, there was a plan behind the scenes to make him pay for what he'd done. For good.

Who is Madame Badobedah? Mabel sets out to prove that an eccentric new hotel guest is really a supervillain in this witty storybook about an intergenerational friendship. There's a strange new guest at the Mermaid Hotel -- a very old lady with a growly voice, bags stuffed with jewelry and coins and curiosities, and a beady-eyed pet tortoise. Mabel, whose parents run the hotel, is suspicious. Who is this "Madame Badobedah" (it rhymes with "Oo la la") who has come to stay indefinitely and never has any visitors? To find out, Mabel puts on her spy costume and observes the new guest. Conclusion? She must be a secret supervillain hiding out from the law. The grown-ups think Madame Badobedah is a bit rude -- and sad -- but when she invites "dahlink" Mabel for a cup of forbidden tea and a game of pirates, the two begin a series of imaginary adventures together, and Mabel realizes that first impressions can sometimes be very

wrong. Conjuring two quirky heroines that young readers will love, Sophie Dahl adds her talented voice to a grand tradition of books that celebrate the alliance of the old and young in the face of humdrum adults, while Lauren O'Hara's illustrations are as packed with intriguing details as Madame Badobedah's suitcases.

-Shade- She was young. Sweet. Feisty. But then there was him. We had been best friends for years. We lived together. Rode together. Shared women. Together. And it still wasn't enough. Not for him and especially not for me. -Sunny- He was mine. I was his. She was ours. Meadow Rodriguez strutted into our lives and looked at us like we were all that mattered. While I wanted to dominate her, he wanted to submit, and she wanted both. I took control, giving her everything she needed and at the same time, grew closer with Shade. My best friend. My partner. My life. Although we were close, there was still a wedge between us. I was terrified to give him what he needed. My heart. -Meadow- Sunny was intense. Shade hid. I was new. They were in love but wouldn't admit it. Guilt resonated on Sunny's shoulders. The weight of Shade's feelings rested on his. And I was the glue that would bring them together. But little did I know, that I would end up falling in love. With both of them.

strategy+business, The Globe and Mail, and Sports Illustrated “The book taught me that there’s no cookie-cutter way to lead. Leading is not just what Hollywood tells you. It’s how you carry yourself every day, how you treat the people around you, who you are as a person.”—Mitchell Trubisky, quarterback, Chicago Bears Now featuring analysis of the five-time Super Bowl champion New England Patriots and their captain, Tom Brady The seventeen most dominant teams in sports history had one thing in common: Each employed the same type of captain—a singular leader with an unconventional set of skills and tendencies.
