"Kinetics and Dynamics" on molecular modeling of dynamic processes opens with an introductory overview before discussing approaches to reactivity of small systems in the gas phase. Then it examines studies of systems of increasing complexity up to the dynamics of DNA. This title has interdisciplinary character presenting wherever possible an interplay between the theory and the experiment. It provides basic information as well as the details of theory and examples of its application to experimentalists and theoreticians interested in modeling of dynamic processes in chemical and biochemical systems. All contributing authors are renowned experts in their fields and topics covered in this volume represent the forefront of today's science.

Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover.

An integration of ornithological and archaeological evidence on the history, composition and balance of the bird fauna of the British Isles. It provides essential background information for the debate on extinction, conservation and reintroduction.

Raised on a ranch in northern California, Jody is well-schooled in the hard work and demands of a rancher's life. He is used to the way of horses, too; but nothing has prepared him for the special connection he will forge with Gabilan, the hot-tempered pony his father gives him. With Billy Buck, the hired hand, Jody tends and trains his horse, restlessly anticipating the moment he will sit high upon Gabilan's saddle. But when Gabilan falls ill, Jody discovers there are still lessons he must learn about the ways of nature and, particularly, the ways of man.

An orphaned boy in contemporary Senegal must decide between doing what is right and what is easy as he struggles to keep a promise he made to his dying father in this "stirring" (School Library Journal) debut novel laced with magical realism. Eleven-year-old Mor was used to hearing his father's voice, even if no one else could since his father's death. It was comforting. It was also a reminder that Mor had made a promise to his father before he passed: keep your sisters safe. Keep the family together. But almost as soon as they are orphaned, that promise seems impossible to keep. With an aunt from the big city ready to separate him and his sisters as soon as she arrives, and a gang of boys from a nearby village wanting everything he has—including his spirit—Mor is tested in ways he never imagined. With only the hot summer months to prove himself, Mor must face a choice. Does he listen to his father and keep his heart true, but risk breaking his promise through failure? Or is it easier to just join the Danka Boys, whom despite their maliciousness are at least loyal to their own? One Shadow on the Wall is about love and loss, family and friendship, and creating your own future—even when it's hard to do.

December 1966. A baby girl is born in the forests of central Zimbabwe. Seventeen years on, on a cold concrete floor at Gatwick arrivals, she sits alone, afraid, abandoned by the country she fought for. The Forgotten Child of Zimbabwe is the heart-rending story of Debra Mina Chidakwa-Akue, her early life of abuse, slavery, war, and betrayal. Set during the years of Zimbabwe's long and bloody struggle for independence, Debra's journey shines a harrowing light on life in her country, how conflict and power corrupts, and what horror the human spirit

can somehow endure. It is through one girl's life experiences and the desire to share how we meet with life's challenges and how we should never give up that the author opened her heart to share a journey of a thousand miles full of pain, heartache, disappointments, near-death experiences, physical and emotional abuse, and the experiences of the bitter liberation war in Zimbabwe. Through every little journey that she endured there exists tremendous encouragement, inspiration, sadness, and thought-provoking encounters, of which some will send shivers in your spine. *The Forgotten Child of Zimbabwe* reveals the hidden agendas and real life stories that human beings experience, which is sometimes impossible to talk about. *The Forgotten Child of Zimbabwe* brings into the open the realities of life through the life and experiences of this brave young African girl. It will leave you with a challenge to take control of your life, to do something positive, and to see other human beings with fresher eyes. It will make you laugh, cry, and celebrate life and uplift you as well give you hope and be thankful. It is a story that is difficult to put down as it takes you on journey that is full of adventure and real life experiences, and, in the end, strengthens your faith or leads you to it.

Nature documentaries often depict animal life as a grim struggle for survival, but this visually stunning book opens our eyes to a different, more scientifically up-to-date way of looking at the animal kingdom. In more than one hundred thirty striking images, *The Exultant Ark* celebrates the full range of animal experience with dramatic portraits of animal pleasure ranging from the charismatic and familiar to the obscure and bizarre. These photographs, windows onto the inner lives of pleasure seekers, show two polar bears engaged in a bout of wrestling, hoary marmots taking time for a friendly chase, Japanese macaques enjoying a soak in a hot spring, a young bull elk sticking out his tongue to catch snowflakes, and many other rewarding moments. Biologist and best-selling author Jonathan Balcombe is our guide, interpreting the images within the scientific context of what is known about animal behavior. In the end, old attitudes fall away as we gain a heightened sense of animal individuality and of the pleasures that make life worth living for all sentient beings.

In this dangerously sexy novel from the New York Times bestselling author of *Find You in the Dark*, a straight-laced college student meets a handsome but enigmatic stranger who lures her into an underground club scene, where she finds it difficult to resist temptation... Aubrey Duncan understands loss. She knows what rock bottom looks like, and she is determined to crawl back up to the top after the sudden death of her younger sister. She blames herself for

her part in the tragedy, convinced that she could have done something, anything, to help her. In her effort to gain redemption, Aubrey starts fresh at Longwood University and facilitates an addiction support group, hoping she can support someone else in the way she failed her sister. But what she doesn't count on is an all-consuming fascination with group member Maxx Demelo, a gorgeous, blond, blue-eyed enigma who hides dark secrets behind a carefully constructed mask. He only reveals what he wants others to see. But Aubrey glimpses another Maxx hidden below the surface—a Maxx who is drowning in his own personal hell. As Aubrey and Maxx develop an attraction too intense to ignore, he pulls her into the dark underbelly of the city club scene, where she is torn by her desire to save him and an inexplicable urge to join him in his downward spiral. Worst of all, she is beginning to love everything she should run away from—a man who threatens to ignite in her a fire that could burn her alive...

The incredible true story of British special agents Eileen and Jacqueline Nearne, sisters who risked everything to fight for freedom during the Second World War. When elderly recluse Eileen Nearne died, few suspected that the quiet little old lady was a decorated WWII war hero. Volunteering to serve for British intelligence at age 21, Eileen was posted to Nazi-occupied France to send encoded messages of crucial importance for the Allies, until her capture by the Gestapo. Eileen was not the only agent in her family---her sister Jacqueline was a courier for the French resistance. While Jacqueline narrowly avoided arrest, Eileen was tortured by the Nazis, then sent to the infamous Ravensbrück women's concentration camp. Astonishingly, this resourceful young woman eventually escaped her captors and found her way to the advancing American army. In this amazing true story of triumph and tragedy, Susan Ottaway unveils the secret lives of two sisters who sacrificed themselves to defend their country. 'Absolutely magical ... Always intriguing' Richard Adams author of *Watership Down*. Behind the realm of man lie the wild roads. Weaving through time and space, these hidden pathways carry the natural energies – the spirits, the dreams – of the world. No creature can slip into the shadows and travel the wild roads better than the cat. For millennia, cats have patrolled the tangled paths, maintaining balance and order, guarding against corruption and chaos. It is dangerous territory: for those who control the wild roads hold the keys to the world. Amid a struggle between the purest good and the darkest evil, here are tales of duty and destiny, of courage and comradeship among the extraordinary creatures who brave the wild roads... Secure in a world of privilege and safety, Tag is happy with life as a house cat – until the dreams begin. Hazy dreams of strange pathways, of a mission he must undertake and of a terrible responsibility he will bear. Armed with the cryptic message, Tag must bring the King and Queen of cats to Tintagel before the spring equinox. The sequel to *Lead Me Not*, this dangerously sexy second installment in the Twisted Love series continues Aubrey and Maxx’s love story, from New York Times bestselling author A. Meredith Walters—who “writes the most beautifully flawed characters that still have you swooning” (Sawyer Bennett, USA TODAY bestselling author of the Off series). Aubrey Duncan has loved...and lost. Should she follow a heart that’s betrayed her or a head that tells her to let go? Maxx Demelo’s addiction almost destroyed him. It ruined his life and, most importantly, his relationship with the only girl he ever loved. He has vowed to become the man Aubrey Duncan deserves. Even if he has to tear himself apart to do it. So he enters rehab, trying to fix the parts of him that are shattered as he longs to be healthy and whole. Aubrey lost everything because she chose to listen to her heart. Now she has sworn to put herself first, to heal in the only way that she can...far away from Maxx and his demons. But just as Aubrey is starting over, Maxx is released from rehab and thrust back into her world, determined to prove how much they still need each other. And the chaos that had defined them threatens to unleash once again... But a heart, no matter how broken, is impossible to ignore.

Science has given us several explanations for how humans evolved from walking on four limbs to two feet. None, however, is as riveting as what master storyteller Ngũgĩ wa Thiong'o offers in *The Upright Revolution*. Blending myth and folklore with an acute insight into the human psyche and politics, Wa Thiong'o conjures up a fantastic fable about how and why humans began to walk upright. It is a story that will appeal to children and adults alike, containing a clear and important message: "Life is connected." Originally written in Gikuyu, this short story has been translated into sixty-three languages--forty-seven of them African--making it the most translated story in the history of African literature. This new collector's edition of *The Upright Revolution* is richly illustrated in full color with Sunandini Banerjee's marvellous digital collages, which open up new vistas of imagination and add unique dimensions to the story.

In 1995, this novel won both the Jomo Kenyatta Literature Prize, and the Commonwealth Writers Prize Best First Book in the Africa Region. Now reprinted, it remains in great demand. An epic story spanning cultures, it tells the lives of three generations of women. It traces the story of Akoko in her rich traditional Luo setting, through to the children who live and die in the 20th century.

John Kiriamiti's best-selling novel *My Life in Crime* has become a classic. Here

Milly, his girlfriend, tells the poignant story of her life with the bank robber. They were in love, and he was gentle, kind and considerate. But after she moved in with him, she discovered his double life. She remained devoted, but the stress of his life bore its toll, and finally they parted. This sequel novel is also a bestseller in Kenya.

The late 1690 and early 70s may be remembered as the years of the great bank and other armed robberies in Kenya. This is the true story of one of the participants in some of those robberies, John Kiriamiti. In raw and candid language, Kiriamiti tells the story of how he dropped out of secondary school when he was only fifteen years old, and for a time became a novice pickpocket, before graduating into crimes like car-breaking and ultimately into violent robbery. This spell-binding story takes the reader into the underworld of crime, and it depicts graphically the criminal's struggle for survival against the forces of law. John Kiriamiti was imprisoned on 6 January 1971, after being convicted on a charge of committing robbery at Naivasha on 4 November 1970. Kiriamiti left Naivasha Maximum Security Prison in August 1984, just five months after the publication of this novel and those following which were a sensation with Kenyan youth in the late 1980s and '90s.

'Things Fall Apart' tells the story of Okonkwo, an important man in the Igbo tribe in the days when white men were first on the scene. Okonkwo becomes exiled from his tribe, as a result of his pride and his fears, with tragic consequences. From out of nowhere stood two identically clad women with guns drawn ready to do battle. Their cold dark eyes were frightening! The puffed up toad sitting on the exhausted horse was terrified. "Step down from that glue-bag again Mr.," Lizzie stated fearlessly, "and my sister will put a bullet right through the middle of that sagging gut!" "Now git before we change our minds!" Liza added as the troop of trouble makers galloped toward town. "I'll be back with the law!" the heavy set man yowled. "On Baxter land," they shouted in unison, "we are the law!"

Group Theory in Quantum Mechanics: An Introduction to its Present Usage introduces the reader to the three main uses of group theory in quantum mechanics: to label energy levels and the corresponding eigenstates; to discuss qualitatively the splitting of energy levels as one starts from an approximate Hamiltonian and adds correction terms; and to aid in the evaluation of matrix elements of all kinds, and in particular to provide general selection rules for the non-zero ones. The theme is to show how all this is achieved by considering the symmetry properties of the Hamiltonian and the way in which these symmetries are reflected in the wave functions. This book is comprised of eight chapters and begins with an overview of the necessary mathematical concepts, including representations and vector spaces and their relevance to quantum mechanics. The uses of symmetry properties and mathematical expression of symmetry operations are also outlined, along with symmetry transformations of the Hamiltonian. The next chapter describes the three uses of group theory, with particular reference to the theory of atomic energy levels and transitions. The

following chapters deal with the theory of free atoms and ions; representations of finite groups; the electronic structure and vibrations of molecules; solid state physics; and relativistic quantum mechanics. Nuclear physics is also discussed, with emphasis on the isotopic spin formalism, nuclear forces, and the reactions that arise when the nuclei take part in time-dependent processes. This monograph will be of interest to physicists and mathematicians.

This is the first comprehensive estate-planning guide for those living with a chronic disease or disability. This book is targeted at those planning for the disbursement of their estates, no matter their size. Estate-planning is crucial for those living with a chronic disease or disability: individuals must express their preferences whether to receive long-term care at home rather than in a nursing home in the event that they become more disabled, and it is more important for one who has a chronic illness to name a power of attorney. *Estate Planning for People with a Chronic Condition or Disability* covers all of those topics plus: How to write your will How to determine how much life insurance your family needs How to figure out whether you need a living trust Learn about powers of attorney When to work with a lawyer, if you need to The book also includes downloadable sample forms for: Power of Attorney Living Will Designation of Proxy for Financial and Health Decisions

Adelaide Binchley is probably the only fortysomething housewife and junior college dropout ever to be nominated for the Nobel Prize in Physics, and she's certainly the only one whose career was launched by a bedpan. When Addie meets Physics professor Jakob Pankowicz, she discovers that having just one person see a greater potential in her, and believe in her even when she doesn't believe in herself, is all she needs to escape her self-imposed limits. In this hilarious and touching novel, as she navigates the rough territory created by her teenage-feminist daughter, borderline delinquent son, philandering husband, and the friends in her embroidery circle, Addie finds when one person selflessly reaches out to another, that gesture has the power to change the world.

Blossoms of the Savannah is the story of two sisters, Taiyo and Resian, who are on the verge of womanhood and torn between their personal ambitions and the humiliating duty to the Nasila tradition. Relocation to their rural home heralds a cultural alienation born of their refusal to succumb to female genital mutilation and early marriages. In pursuit of the delicate and elusive socio-economic cultural balance in Nasila, Ole. Kaelo, the girls' father is ensnared by a corrupt extortionist. To extricate himself he sends his daughters into a flat-spin labyrinth from which they have to struggle to escape.

Cindy Jacobs, bestselling author and recognized leader in the worldwide prayer movement, brings her passionate message to all Christians who struggle with prayer or desire to be more effective prayer warriors. This powerful guide will answer such questions as, "Why does it take so long to receive answers to my prayers?" "How can I take my prayer life to the next level?" and many more. Whether they wonder why their prayers aren't answered, if God likes the way they pray, or if they are persistent enough in their prayers, Jacobs addresses these concerns and provides solid biblical answers. Written out of the crucible of her own deep prayer life, Jacobs starts with basic teaching and builds up to more in-depth topics, including fasting and spiritual warfare. Readers will come away with a fresh understanding of how to develop a strong, consistent

prayer life and to discover the power of persistent prayer.
