

Ritual Of Lilith Ascending Flame

A century ago, Celtic groups descending from the famed Hermetic Order of the Golden Dawn pioneered a fascinating form of ceremonial magic invoking Pagan Celtic powers instead of relying on the more commonly used Judeo-Christian names and symbols. Those groups disappeared many decades ago, and their teachings were lost. But today, their legacy has been reborn. Respected occult author and Grand Archdruid John Michael Greer has re-created a complete magical system based on the Celtic Golden Dawn traditions. This new book provides students with a complete curriculum of Druidical magic and occult wisdom, including training in ceremonial magic, meditation, pathworking, divination, geomancy, and herbal alchemy, allowing self-initiation into the three degrees of Ovate, Bard, and Druid. Structured to resemble a long-lost correspondence course, The Celtic Golden Dawn presents a series of knowledge lectures, meditations, and rituals leading to mastery of the most important magical techniques.

Tiamat is the Primal Dragon Goddess, the first one, who gave birth to the gods of the universe," the Mother of Everything, the self-procreating womb, the source of all life and all manifestation. The work described in this book was inspired by the Babylonian epic known as the "Enuma Elish," one of the oldest Creation myths in the world. The Grimoire of Tiamat presents a complete system of magick based around the Mesopotamian primordial goddess Tiamat and the eleven demons she created to aid her in her fight against the new order of gods lead by Marduk. The book is divided into three sections: first, a lengthy introduction of the theme and cosmology, followed by individual workings for each of the eleven demon-gods, and then a concluding appendix of thematically related workings focusing directly on Tiamat and Kingu. The second section, The Children of Tiamat, presents ways of working with each of the eleven demon-gods, prefaced with an explanation of the techniques that follow and the use of the Key of Night, a master sigil that is employed throughout the workings as a way to access the Nightside. The final section of The Grimoire of Tiamat is an appendix that returns the focus to Tiamat as it takes the form of a guided meditation within the waters of Tiamat, a ritual for two participants invoking Tiamat and Kingu, a rite of malefica, and a discussion of the underworld in Mesopotamian belief, followed by a chthonic guided path working.

"I can barely conceive of a type of beauty in which there is no melancholy," wrote Charles Baudelaire in the nineteenth century, referring to the phenomenon that had fascinated philosophers, artists, musicians, poets and writers for centuries. In the modern world melancholy is commonly confused with sorrow or identified with depression, but in the history of the Western culture it was always seen as present both in depressive states and excesses of manic rapture. For over two thousand years melancholy was a part of humoral theory which assumed that the body and the mind were mystically connected and these connections explained all character traits, dispositions, tastes, appearances, emotional states, mental disorders, and physiological dysfunctions. Traditionally viewed as a wide range of disorders caused by the imbalance of life energies, throughout centuries melancholy acquired a complex esoteric and philosophical meaning. It became the disease of the soul, the triumph of the inner darkness over the godly light of reason, the source of genius and inspired madness, the synonym for lethargy and spleen, the deadly sin, the Saturnian principle of ecstasy and suffering, the dark element in the human nature, and finally, the universal condition of all humanity. This book is concentrated around the traditional view of melancholy and its interpretations in ancient and modern history of the Western esotericism. It translates ancient concepts into the contemporary context and rediscovers melancholy as the central part of occult philosophy, representing the most critical stages of spiritual experience. Alchemy, Dionysian mysteries, Bacchic rites of ecstasy, lycanthropy, acedia, spiritual journeys into the underworld, inspired

insanity, Dark Night of the Soul, Saturnian contemplation, Qliphothic initiations, and the mystical meaning of the Black Sun - these are only a few themes from this fascinating book.

"Vovin" is a unique contribution to the Left Hand Path and the Draconian tradition. In these pages you will find a first-hand account of the transformative power of the Temple of Ascending Flame. Many people have written their occult autobiographies throughout the years, but virtually none have focused on the gnosis they gained through working the system of the temple. Most authors are content to share their amazing magick tales, and be done with it, but here you find very little of that. Instead, you will see not only an analysis of the temple itself, but also personal gnosis that was gained through working the temple's system. In this way, it is not just a memoirs, rather it is closer to a manifesto. Even then, this work is set apart due to the fact that what is being written about is an active temple, and not one that is a footnote in a magical history book. If you want to get to know Denerah more, and get a glimpse of what gnosis is possible through working with the material of the Temple of Ascending Flame, turn the page and enjoy the text!

This book is a modern grimoire of Left Hand Path magic, written as a follow-up to Rites of Lucifer, with the purpose of exploring Luciferian gnosis in greater depth. Following the discussion of Lucifer's masks, titles, and attributes, Awakening Lucifer examines deities, spirits, and mythological figures related to the Luciferian ethos and symbolism, focusing on manifestations of the archetype in various cultural contexts, getting to the roots of selected legends and folklore, and exploring similarities and differences between Luciferian characters around the world. You will find here eleven god-forms, each one representing a different aspect of the archetype: Prometheus (Bringer of Fire), Melek Taus (Peacock Angel), Attar (Son of the Dawn), Shemyaza (Serpent Angel), Samael (Prince of Darkness), Lucifuge Rofocale (Lord of the Night), Lugh (Shining One), Shiva (Lord of the Trident), Azazel (Lord of Transgression), Pan (Horned One), and Janus (Keeper of the Gates). Each chapter contains an introduction to the mythology of the chosen god or spirit, explaining why they can be considered a Luciferian archetype, a sigil that will help you attune yourself to their current, a guided meditation that will take you on a self-initiatory journey within their realm, and invocation in which you will learn how to assume the god-form and absorb their powers and qualities. The idea behind this book is to present the Luciferian archetype and its role in the development of human consciousness across the ages and in various cultures and societies, focusing on those aspects that are relevant to the Draconian current and can be used in the self-initiatory process on the Path of the Dragon.

As a self-created god, Set is a powerful archetype of the Adversary and an attractive model for a practitioner seeking initiation into mysteries of self-deification. Feared by the faint-hearted and worshipped by those who sought power, he has become a symbol of storm and change, movement and

transformation, force and energy. His fiery nature represents lust and fury, which is the driving force on the path, and his Black Flame is the inner spark of Godhood that successively becomes the fiery pillar of ascent on the path of self-initiation. His forked knife cuts attachments to the surrounding world, liberating the initiate from bonds of slavery and mindless ignorance, and his scepter represents authority and power, showing us how to devour our gods and be the masters of our destiny. These portrayals of Set and many more are the subject of this anthology. Here you will find glimpses into his mysteries, provided by active practitioners of Draconian magic and initiates of the Left Hand Path. Essays and poetry, portraits and sigil art, rituals and meditations - all these contribute to the portrayal of Set as a god that is still alive and active in modern times, perhaps even more than ever before. We will look into his origins, ancient myths and legends, and modern interpretations of his role on the Left Hand Path - all this written from the perspective of the Draconian Tradition. Compiled and edited by Asenath Mason & Bill Duvendack, with contributions from Edgar Kerval, Mimi Hazim, Fra Diavolo, Soror Sortela, Cristina Deaconu, Keona Kai'Nathera, V. Ghallego-Iglesias & special contribution by Michael W. Ford.

Lilith is a Goddess and mythological figure who is misunderstood. She is reputed to be Adam's first wife before Eve, and she represents the first powerful and liberated female in history. Then why was she banished? Through commentary and reflection on the multifaceted aspects of Lilith, Theresa C. Dintino guides the reader on an exciting inner journey to reclaim her own repressed parts. By examining how these Lilith energies may show up in her own life, the reader is encouraged to do the work to bring them back to life. Rituals included in the book offer the opportunity to explore these powerful but often feared aspects. Reclaiming the lost fragments-her power, her anger, her shadow, her sexuality, her creativity and her deep inner truth-returns the female psyche to a state of wholeness and integration.

The dark goddess will also be looked at enough to give the beginner something new to contemplate, and the more experienced magician more food for thought to try new approaches. Regardless of your experience, you may find this volume a great overview of not only the Left Hand Path, but also various subjects otherwise neglected!

Hecate is a goddess of witchcraft, lunar magic, and necromancy. She appears with torches in her hands, accompanied by howling dogs, serpents, and ghosts of the dead - terrifying retinue that roams the land under the cloak of the night. Her powers are many, and her cult involves both life and death - mystical transformation through the ultimate rite of passage and rebirth in the womb of the earth. She is benevolent and generous, both to nature and her worshippers, as well as ruthless and responsible for all nocturnal atrocities and rites of malefica. In ancient times she was believed to endow witches with the power over the forces of nature, reveal secrets of herbs and poisonous plants, and introduce her followers to mysteries of lycanthropy and shape-shifting. In the Draconian Tradition, she is the guardian of the mystical point of crossing, where all worlds, planes, and dimensions meet and intersect. Initiation into her path involves the descent into inner darkness, the personal "underworld," where knowledge of ourselves and our universe lies concealed, waiting to be rediscovered. She is the first initiatrix, the psychopomp, and the sentinel who meets the aspiring Initiate at the Crossroads of the Worlds, leading us into the Womb of the Dragon through the gateways of the Nightside. This anthology contains all those portrayals of Hecate and many more, introducing the reader to the magic and mythology of this mysterious goddess. Here

you will find descriptions of personal gnosis revealed through the work of authors featured in this book, as well as references to her appearance in ancient lore and magic of old times. Lucifer is the archetype of the Adversary, initiator and guide on the Path of the Nightside. He is the fallen angel of Christian legends, the Devil of witches' Sabbats, one of primal Draconian Gods, Demon Prince of the Air, and Infernal Emperor of old grimoires. The purpose of this book is to delve into his initiatory role on the Draconian Path and in Atlantean magic through chosen masks and manifestations which Lucifer has used over the ages to reveal his presence to mankind, bestowing his blessings on Initiates and scourging the ignorant. Essays and rituals included here explore both his bright and dark aspects, the face of the Light Bearer and the horned mask of the Devil. Edited and compiled by Asenath Mason, the book contains contributions from Rev Bill Duvendack, Edgar Kerval, Daemon Barzai, Cristian Velasco, and Pairika Eva Borowska. This anthology brings together essays, rituals, and unique artwork dedicated to the Queen of the Night and the Dark Goddess of the Qliphoth. Denied and rejected, worshipped and venerated, Lilith has been a part of the Western culture for ages. Viewed both as a beautiful seductress and a ruthless demon, she is the Serpent in the Garden of Eden, the first woman, and the primary initiatrix into the mysteries of the dark side of the Qabalistic Tree of Life. Her rites are the works of love and pain, sex and transgression, transcendence and immanence, for she exists at the roots of all desire of all humans past, present, and future. This archetype has never been fully grasped in its profundity and is constantly unfolding, challenging us to recognize our fears and passions and to transform them into tools of power. In this book you will find personal accounts of practitioners who ventured into the sacred and unholy garden of the Dark Queen of Sitra Ahra and returned transformed and empowered by her gnosis. Spells and invocations, dream magic and guided meditations, visions and stories of intimate encounters with Lilith - all this is contained in this unique anthology, written from the perspective of the Left Hand Path and the Draconian Tradition. Compiled and edited by Asenath Mason, the book contains articles and contributions from Ahohlan Castart, Alisa Jones, Bill Duvendack, Edgar Kerval, Kai'Nathera, Katie Anderson, Leonard Dewar, Lucien von Wolfe, Mike King, Martha Gray, Nemo.V, and Selene-Lilith.

Each element is followed by numerous examples which may be "plugged in" to customize your own ceremony. Book II gives numerous examples of actual ceremonies: Esbats (full Moons) and special occasions; Rites of Passage; Mysteries and Initiations; spells and consecrations. These can be adapted and modified as needed for any size group--from small family gatherings in your living room, to huge outdoor celebrations involving thousands of people. Book III provides an assortment of full rituals and ritual elements for celebrations of the eight great seasonal festivals called the Wheel of the Year. Versions of these have been commemorated for millennia in most traditional cultures of the Northern Hemisphere; and today are universal throughout the worldwide Pagan community.

THE ORDER OF PHOSPHORUS is an initiatory order of practitioners focused on Luciferian and Left Hand Path Magick and ideology. While traditional Cabalists and Magickans view the Qlippoth as an Unclean and perverse inversion of the Tree of Life, suggesting that those who practice Magick avoid it due to the dangers within. The 22 Scales of the Serpent are the Spheres and Tunnels of the Qlippoth which allow the Black Adept or Luciferian the ability to gain power from the depths of knowledge. Qlippothic demons and Archdemons are deep symbols of primal wisdom and possibility.
