From Errol Flynn to Kevin Costner to Daffy Duck, the bandit of Sherwood Forest has gone through a variety of incarnations on the way to becoming a cinematic staple. This image was reinforced by popular literature, song--and film. This volume provides in-depth information on each film based on the immortal hero. In addition, other historical figures such as Scottish rebel-outlaws Rob Roy MacGregor and William Wallace are examined. Nollen also explores nontraditional representations of the legend, such as Frank Sinatra's Robin and the Seven Hoods and Westerns featuring the Robin Hood motif. A filmography is provided, including production information. The text is highlighted by rare photographs, advertisements, and illustrations. An action-filled retelling of the story of Robin Hood as seen through the eyes of his trusted strong right

hand, Little John. When peasant John Little witnesses the Sheriff of Nottingham's men destroying his village for John's crime of poaching deer to feed his people, he flees into the tangle of Sherwood Forest with the only other survivor, his young foster daughter Marian. But dangers lurk there, too: the outlaw Robin Hood soon catches them and takes them prisoner. Robin Hood does not quite match the heroic stories that are already told about him. For all Robin's dazzling bravado and clever tricks, the reality of his fight against oppression by the Norman nobility is a rough and dirty life in the forest, outlawed and constantly hunted. As the newly dubbed Little John gets an education in how to fit into Robin's dangerous band, Marian, too, grows into a force to be reckoned with. Thrust into life in a world of fearless bandits, uncertain allies, and merciless vendettas, Little John and maid Marian earn their place—and build an unshakable friendship with Robin Hood. Told with earthy historical detail and unforgettable characters, this is a must for any young reader fascinated by knights and fights, kings and peasants, or who wants to delve into the many tales that built the Robin Hood legend
