

Roswell And The Reich The Nazi Connection

In an alternative universe, Davy Crocket survived the 1836 siege at the Alamo, and Santa Ana did not. As a result, Texas remained an independent republic and never joined the United States. In 1947, Texican President Charles A. Lindbergh learns that a flying saucer has crashed near the far west Texas town of Roswell. He dispatches his best friend, "Wild Bill" Bear, and three of his best Texas Rangers, to investigate. Our four heroes find themselves in a race against agents from the United States, the Franco-Mexican Empire, the California Republic, and the Third-and-a-half Reich, to find that crashed saucer and learn its secrets. Why were the Allies worried about an atom bomb attack by the Germans in 1944? Why did the Soviets threaten to use poison gas against the Germans? Why did Hitler in 1945 insist that holding Prague could win the war for the Third Reich? Why did US General George Patton's Third Army race for the Skoda works at Pilsen in Czechoslovakia instead of Berlin? Why did the US Army not test the uranium atom bomb it dropped on Hiroshima? Why did the Luftwaffe fly a non-stop round trip mission to within twenty miles of New York City in 1944? Reich of the Black Sun takes the reader on a scientific-historical journey in order to answer these questions. Arguing that Nazi Germany actually won the race for the atom bomb in late 1944, Reich of the Black Sun then goes on to explore the even more secretive research the Nazis were conducting into the occult, alternative physics and new energy sources. The book concludes with a fresh look at the "Nazi Legend" of the UFO mystery by examining the Roswell Majestic-12 documents and the Kecksburg crash in the light of parallels with some of the super-secret black projects being run by the SS. Reich of the Black Sun is must-reading for the researcher interested in alternative history, science, or UFOs!

WWII expert Stevens shows us the incredible and suppressed technology of the Third Reich and their desire to create highly advanced "wingless" aircraft-yes, flying saucers! Learn why the Schriever-Habermohl project was actually two projects and read the written statement of a German test pilot who actually flew one of these saucers; about the Leduc engine, the key to Dr. Miethes saucer designs; how US government officials kept the truth about foo-fighters hidden for almost sixty years and how they were finally forced to come clean about the German origin of foo fighters. Learn of the Peenemuende saucer project and how it was slated to go atomic. Read the testimony of a German eyewitness who saw magnetic discs. Read the U.S. governments own reports on German field propulsion saucers. Read how the post-war German KM-2 field propulsion rocket worked. Learn details of the work of Karl Schappeller and Viktor Schauberger. Learn how their ideas figure in the quest to build field propulsion flying discs. Find out what happened to this technology after the war. Find out how the Canadians got saucer technology directly from the SS. Find out about the surviving Third

Power of former Nazis. Learn of the US government's methods of UFO deception and how they used the German Sonderbueroll as the model for Project Blue Book.

Examining the flaws of mainstream society, this collection of conspiracy theory, esoteric knowledge, and fringe subjects seeks to present solutions to current social, economic, and environmental world issues. This book encourages the exploration and integration of modern science with ancient wisdom, which will lead modern society towards advancement and enlightenment. Topics discussed include religious mythos, government manipulation, technological advances, and utopia.

Trevor J. Hawkeswood is a scientist who has experienced hundreds of paranormal events in his lifetime. In *Light and Dark*, he recounts some of these incredible interactions. He believes that reality occurs on two separate but interwoven planes of existence—the Earth plane and the multiple levels of the spiritual planes, including the lower levels, from where the dark souls of humans who have died reach out to us. He has experienced more than one hundred sightings of the shadow people, or “black ghosts.” He credits guardian angels with saving him from harm or certain death on a number of occasions.

Hawkeswood also shares accounts of his numerous sightings of strange aerial phenomena he believes were caused by UFOs. He has personally experienced clairaudience—voices from beyond—and precognition, or the ability to see the future. His detailed account of a unique out-of-body experience (OOBE) challenges what is known about this remarkable ability. His OOBE was unlike anything that has ever been described by others who have experienced it—and he shares it all in *Light and Dark*. But it hasn't all been safe or pleasant. At eighteen, he survived a terrifying encounter with a demon gargoyle who tried to steal his soul energy after paralyzing him. A comprehensive handbook for the paranormal enthusiast, Hawkeswood's work also provides a glossary and reference list of English-language UFO books. In *Light and Dark*, he shares a lifetime of experiences, ideas, and theories about this fascinating field of study.

Oxford-educated historian Joseph P. Farrell delivers the sequel to his best-selling *Covert Wars and Breakaway Civilizations*, part of his book series on suppressed technology, Nazi survival, secret finance and postwar hidden conflicts. His customary meticulous research and sharp analysis blow the lid off of a worldwide web of nefarious financial and technological control that very few people even suspect exists. Farrell delves deeper into the breakaway civilizations created by the Nazis in South America and other parts of the world. He elaborates on the advanced technology that they took with them at the “end” of World War II and shows how they created a huge system of hidden finance with the involvement of leading financial institutions around the world. He exposes the secret space programs used by the breakaway civilizations and reveals the clash of civilizations—a virtual secret war going on around us. He investigates the current space secrecy that involves UFOs, suppressed technologies and the hidden

oligarchs who control planet Earth for their own gain and profit. Farrell probes the mystery surrounding Dr. Kurt Debus and his links to NASA and Werner von Braun. He uncovers the covert operations of Richard Bissell, the flying saucer designs of Alfred Loedding and T. Townsend Brown, and strange activity on Mars involving UFOs. He explains the magneto-hydrodynamic anti-gravity drives that would easily power such craft. He includes a continued discussion of "emulational" technologies (those that can imitate acts of god/nature, like earthquakes and storms) from the standpoint of the culture of "full spectrum dominance" and the culture of "plausible deniability." Farrell includes plenty of astounding accounts, documents and speculation on the amazing alternative history of hidden conflicts, secret oligarchies and super technology.

The truth begins here Author and award-winning Journalist Jim Marrs has uncovered compelling new evidence regarding extraterrestrials-that alien life forms have not only visited our planet in the past, but are among us right now. Drawing on numerous eyewitness accounts, highly classified CIA reports, and his own meticulous research, Marrs marshals an impressive array of facts to confirm the reality of UFOs--as well as the depth of the government campaign to keep America in the dark. Here is information unavailable in any other single source, including: Intriguing insights into the 1947 Roswell crash and the U.S. military's efforts to suppress all public inquiries Detailed accounts of UFO landing sites in South America and of abductions in the U.S. Vivid descriptions of UFOs by Apollo astronauts-in their own words Tantalizing clues to the alien timetable for revealing their plans here And much more!

A cyanide capsule and a bullet to the head. This is how Adolf Hitler is about to kill himself. The date is the 30th of April, the year is 1945. Hitler and his wife of less than two days, Eva Braun, are together in the Fuhrerbunker, an underground complex near the Reich Chancellery in Berlin. Berlin itself is not yet under siege, but it is apparent to all that it soon will be. For the Allies have defeated the Wehrmacht in the Belgian Ardennes and have already crossed the Rhine into Germany. While at the same time, the Red Army are advancing westwards towards the German capital, unstoppable since their decisive victory at Stalingrad. As a result, SS generals are now refusing to obey Hitler's orders. Stuck down in his bunker and feeling powerless, Hitler has begun to suffer a mental breakdown. The war is lost and he knows it now. Germany surrendered, unconditionally, a week after Hitler's death, on the 7th of May, 1945. The following day was declared Victory in Europe Day. The Second World War on the European continent was formally confirmed over. The war would continue in Asia for another three months, eventually ending on the 15th of August, 1945 - just over a week after the dropping of the Little Boy and Fat Man atomic bombs on the Japanese cities of Hiroshima and Nagasaki. Germany was in utter ruins and occupied by the armies of the Soviet Union, France, America, and Britain and her Commonwealth. Meanwhile the world had witnessed the utterly destructive power of atomic weapons. This was how the Second World War ended; it was also how the Cold War began. The Cold War would last nearly half a century, with flashpoints occurring in locations all across the globe; from Afghanistan to Vietnam, Korea to Cuba. The real Cold War battlefield, though, was in Germany. It was here where the militaries of the Soviet Union and the Warsaw Pact countries faced off against the militaries of America and her European NATO allies. It was here where the bulk of the nuclear missiles were located, where the troops were based. Germany - then Germanies - was the true frontier of the Cold War.

Following the collapse of the Berlin Wall in 1989, and the dissolution of the Soviet Union shortly after in 1991, the militaries that had based themselves in Germany for the past 50 years started to slowly return to their respective home countries. The military bases, and all the infrastructure that went along with sustaining them, were stripped bare and left behind. The purpose of this book is to document these Cold War sites as they are today, in 2016. They will not be around for much longer; most face imminent demolition, and the ones that don't are decaying and succumbing to nature. The hope is that by documenting how these bases currently are, as well as providing a short history on each of the sites, an audience unable to visit them themselves will learn something new about the Cold War. It was a military stand-off on a scale of which the world has never seen before. We have history books that communicate that scale; that communicate the dangers faced; the close calls and near misses; the fallibility of all those involved. Perhaps this book, and the pictures it contains, can help to communicate some of these things too, but in a different way.

Narratives based on conspiratorial and paranoid thinking have become increasingly prominent throughout the 20th and 21st centuries. From the prosaic to the outlandish, conspiracy theories involve aliens and Nazis, underground bases and mind control technology. They range from sinister tales of malevolent reptilian beings infiltrating our government to fears of the New World Order rounding up patriotic Americans and putting them into internment camps. These stories and their underlying concerns have a long history in the U.S. and have often been bolstered by revelations of real conspiracies and cover-ups by private and public entities. This book examines conspiracy theories and the narratives constructed by those who believe and propagate them, providing a unique view of U.S. history and highlighting fears both founded and unfounded.

In 1945, a mysterious Nazi secret weapons project code-named "The Bell" left its underground bunker in lower Silesia, along with all its project documentation, and a four-star SS general named Hans Kammler. Taken aboard a massive six engine Junkers 390 ultra-long range aircraft, "The Bell," Kammler, and all project records disappeared completely, along with the gigantic aircraft. It is thought to have flown to America or Argentina. As a prelude to this disappearing act, the SS murdered most of the scientists and technicians involved with the project, a secret weapon that according to one German Nobel prize-winning physicist, was given a classification of "decisive for the war," a security classification higher than any other secret weapons project in the Third Reich, including its atomic bomb. What was "The Bell"? What new physics might the Nazis have discovered with it? How far did the Nazis go after the war to protect the advanced energy technology that it represented? In *The SS Brotherhood of The Bell*, alternative science and history researcher Joseph P. Farrell reveals a range of exotic technologies the Nazis had researched, and challenges the conventional views of the end of World War Two, the Roswell incident, and the beginning of MAJIC-12, the government's alleged secret team of UFO investigators.

The truth about what happened to the World Trade Centre on 11 September 2001 was discovered by Dr Judy Wood, through careful research between 2001 and 2008. The author of this book, Andrew Johnson, had a "good view" of how later parts of Dr Wood's research "came together." Not only that, he was also involved in activities, correspondence and research which illustrated that this truth was being deliberately covered up. This book is a companion and follow-up volume to "9/11 Finding The Truth" – and documents ongoing (and successful) efforts to keep the truth out of the reach of most of the population. Evidence in this book, gathered over a period of 12 years, shows that the cover up is "micro-managed," internationally and even globally. The book names people who are involved in the cover up. It is shown that the secrets revealed contain the knowledge for positively transforming the world we live in.

Part conspiracy theory, part popular science, *Genes, Giants, Monsters and Men* explores the

possibility that the history of the human race is not as simple as has been taught in textbooks. Farrell considers how the religious stories that have often been the core basis for mankind's understanding of where it belongs in the history of creation may actually reveal a planet occupied with tyrannical giants and an elite race bent on genetic mutation.

Pursuing his investigations of high financial fraud, international banking, hidden systems of finance, black budgets and breakaway civilizations, author and researcher Joseph P. Farrell continues his examination of the post-war Nazi International, an "extra-territorial state" without borders or capitals, a network of terrorists, drug runners, and people in the very heights of financial power willing to commit financial fraud in amounts totaling trillions of dollars. Breakaway civilizations, black budgets, secret technology, occult rituals, international terrorism, giant corporate cartels, patent law and the hijacking of nature: it's all in this book where Farrell explores what he calls 'the business model' of the post-war Axis elite. It is Farrell at his best—uncovering the gargantuan financial fraud and hidden technology of the breakaway civilization.

Pursuing his investigations of high financial fraud, international banking, hidden systems of finance, black budgets and breakaway civilizations, author and researcher Joseph P. Farrell investigates the theory that there were not two levels to the 9/11 event, but three. He says that the twin towers were downed by the force of an exotic energy weapon, one similar to the Tesla energy weapon suggested by Dr. Judy Wood, and ties together the tangled web of missing money, secret technology and involvement of portions of the Saudi royal family. Farrell unravels the many layers behind the 9-11 attack, layers that include the Deutschebank, the Bush family, the German industrialist Carl Duisberg, Saudi Arabian princes and the energy weapons developed by Nikola Tesla before WWII. It is Farrell at his best—uncovering the massive financial fraud, special operations and hidden technology of the breakaway civilization.

By Joseph P. Farrell with Scott D. de Hart Physicist and Oxford-educated historian Farrell continues his best-selling book series on ancient planetary warfare, technology and the energy grid that surrounds the earth. Farrell looks at Ashlars and Engineering; Anomalies at the Temples of Angkor; The Ancient Prime Meridian: Giza; Transmitters, Temples, Sacred Sites and Nazis; Nazis and Geomancy; the Lithium-7 Mystery; Nazi Transmitters and the Earth Grid; The Grid and Hitler's East Prussia Headquarters; Grid Geopolitical Geomancy; The Astronomical Correlation and the 10,500 BC Mystery; The Master Plan of a Hidden Elite; Moving and Immovable Stones; Uncountable Stones and Stones of the Giants and Gods; Desecration, Inhabitation and Treasure Traditions; Divination, Animation, Healing and Numerical Traditions; Gateway Traditions; The Grid and the Ancient Elite; Finding the Center of the Land; The Ancient Catastrophe, the Very High Civilization, and the Post-Catastrophe Elite; The Meso- and South-American "Pyramid Peoples"; Tiahuanaco and the Puma Punkhu Paradox: Ancient Machining; The Mayans, Their Myths and the Mounds; The Aztec Anomaly: The Black Brotherhood and Blood Sacrifices; The Mesopotamian "Pyramid Peoples": The Pythagorean and Platonic Principles of Sumer, Babylonia and Greece; The Gears of Giza: the Center of the Machine; Alchemical Cosmology and Quantum Mechanics in Stone: The Mysterious Megalith of Nabta Playa; The Physics of the "Pyramid Peoples"; tons more.

Pursuing his investigations of WWII machinations, secret international agreements, breakaway civilizations and hidden wars in Antarctica, author and researcher Joseph P. Farrell examines the continuing mystery of Rudolf Hess, his sudden flight to Scotland, his supposed imprisonment at Spandau Prison in Berlin and how his flight affected affairs in Europe, Israel, Antarctica and elsewhere. Farrell looks at Hess' mission to make peace with Britain and get rid of Hitler—even a plot to fly Hitler to Britain for capture! How much did Gáoring and Hitler know of Rudolf Hess' subversive plot, and what happened to Hess? Why was a doppelganger put in Spandau Prison and then "suicided"? Did the British use an early form of mind control on Hess'

double? John Foster Dulles of the OSS and CIA suspected as much. Farrell also uncovers the strange death of Admiral Richard Byrd's son in 1988, about the same time of the death of Hess. What was Hess' connection to Antarctica? It is Farrell at his best—uncovering the special operations and still-secret activities of WWII and the breakaway civilization.

This compelling volume tackles the topic of the classified files that government agencies choose not to release under the terms of the Freedom of Information Act. Many of these documents supposedly cannot be found or are Top Secret files that the agencies admit exist but that they have decided to keep the public from seeing. The reason for the "missing" files is to stop the truth about some of the world's greatest conspiracies from ever becoming known, such as the Roswell UFO crash, the JFK assassination, Project MKUltra (the CIA's mind control operation), and a secret U.S. base on the moon.

"A fascinating expose proving that Nazi Germany won the race for the atom bomb in late 1944. Were the Nazis secretly researching the occult, alternative physics and new energy sources? This scientific-historical journey tracks down the proof and answers these fascinating questions: What were the Nazis developing in Czechoslovakia? Why did the US Army test the atom bomb on Hiroshima? Why did the Luftwaffe fly a non-stop round-trip mission within twenty miles of New York City in 1944?"--Publisher's description.

Oxford-educated historian Joseph P. Farrell really delivers in this latest addition to his best-selling book series on suppressed technology, Nazi survival and postwar hidden conflicts. His customary meticulous research and sharp analysis blow the lid off of a worldwide web of nefarious financial and technological control few people even suspect exists. Farrell delves into the creation of a breakaway civilization by the Nazis in South America and other parts of the world. He discusses the advanced technology that they took with them at the "end" of World War II and the psychological war that they waged for decades against America and NATO. He shows how the breakaway civilization has created a huge system of hidden finance with the involvement of the Vatican Bank (among others), and how NATO established a large covert warfare network and political slush fund. He investigates the secret space programs currently sponsored by the breakaway civilization and the current militaries in control of planet Earth. Farrell includes a fascinating discussion of "emulational" technologies (those that can manipulate acts of god/nature, like earthquakes and storms) from the standpoint of the culture of "full spectrum dominance" and the culture of "plausible deniability"—yes, there are plans for mass destruction that can never be traced back to their real source. Farrell also discusses the historical origin of the breakaway civilization with the continuing airship mystery; incredibly bold counterfeiting operations; and the nexus of spy satellites, nuclear weapons and UFOs. He includes plenty of astounding accounts, documents and speculation on the amazing alternative history of hidden conflicts, secret super-finance and technology.

What do the Fourth Crusade, the exploration of the New World, secret excavations of the Holy Land, and the pontificate of Innocent the Third all have in common? Answer: Venice and the Templars. What do they have in common with Jesus, Gottfried Leibniz, Sir Isaac Newton, Rene Descartes, and the Earl of Oxford? Answer: Egypt and a body of doctrine known as Hermeticism. In this book, noted author and researcher Joseph P. Farrell takes the reader on a journey through the hidden history of the Middle Ages, the Renaissance and early Enlightenment, connecting the dots between Venice, international banking, the Templars, and hidden knowledge. He draws out the connections between the notorious Venetian "Council of Ten," little known Venetian voyages to the New World, and the sack of Constantinople during the Fourth Crusade. The hidden role of Venice and Hermeticism reached far and wide, into the plays of Shakespeare (a.k.a. Edward De Vere, Earl of Oxford), into the quest of the three great mathematicians of the Early Enlightenment for a lost form of analysis, and back into the end of the classical era, to little known Egyptian influences at work during the time of Jesus.

History is written by the winners—and the powerful—but how much of it is fiction? And who is

really in control today? From the dawn of civilization to the 21st century, from ancient aliens to the New World Order, *Secret History: Conspiracies from Ancient Aliens to the New World Order* examines, explores, and uncovers the hidden, overlooked, and buried history of mankind. The book moves from biblical, Egyptian, Mayan, Greek, and early mysteries of antiquity to the clandestine doings of the Nazis and the Masons and assassination plots of the more recent past to the surveillance, monitoring, mind-control, and secret schemes of today. Researcher Nick Redfern investigates the stories, mythologies, lore behind incredible events and clandestine groups of yesterday and today. More than 60 entries dig deep into the manipulation of events by influential groups, including ... • Historical riddles—alien visitations, space gods, and human–alien crossbreeding. • Government cover ups—mind control, murders, scientists, and secret agents. • Powerful groups and intended consequences—9-11, new world order, bird-flu, and chemtrails. Tracing the chilling and lasting effects of conspiracies, cabals, and plots, *Secret History: Conspiracies from Ancient Aliens to the New World Order* exposes their deep reach in shaping today's world.

Already well-known for his bestselling series of exposés on secret Nazi technology and the survival of the Third Reich after the end of World War II, Oxford-educated historian and physicist Joseph P. Farrell here delves ever deeper into the activities of this nefarious group. In his previous works, Farrell has clearly demonstrated that the Nazis were clandestinely developing new and amazing technologies toward the end of WWII, and that the key scientists involved in these experiments were exported to the Allied countries at the end of the conflict, mainly the United States, in a move called Operation Paperclip. NASA director and developer of the Saturn V rocket that sent Americans to the moon, Werner von Braun, was one of these scientists. Farrell has traced the links between ongoing Reich activities and the newly-formed CIA and other defense/ military/ industrial establishments. Now, Farrell has meticulously reviewed the best-known Roswell research from UFO-ET advocates and skeptics alike, as well as some little-known source material, and comes to a radically different scenario of what happened in Roswell, New Mexico in July 1947, and why the US military has continued to cover it up to this day. Farrell presents a fascinating case sure to disturb both ET believers and disbelievers, namely, that what crashed may have been representative of an independent postwar Nazi power—an extraterritorial Reich monitoring its old enemy, America, and the continuing development of the very technologies confiscated from Germany at the end of the War.

Fact or fiction? Real or impossible? Movement through time explored, examined and explained! Albert Einstein's theory of relativity postulates, and scientists have proven, that the faster you travel, the slower time moves. Clocks on airplanes, satellites and rockets are slower than clocks on Earth, and time travel is indeed real. Can time machines, time-tunnel wormholes or tales of fictional time-traveling heroes be so far-fetched? Covering the history of time travel in both reality and fiction, *Time Travel: The Science and Science Fiction* investigates the long history, myths, science and stories of movement from the present to the past and into the future. Timely in its telling, *Time Travel* chronicles more than 30 instances, accounts, stories and famous examples of time slips, such as ... The theory of relativity showing the link between time and space H.G. Wells' epic novel of 1895: *The Time Machine* British physicist Stephen Hawking's famous paradoxes surrounding time travel Charlton Heston's character Taylor in the *Planet of the Apes* discovering that he is home, 2,000 years in the future Wormholes, the shortcuts through both space and time And many more! The idea of time travel fascinates because it offers the possibility, however remote, of revisiting and recapturing moments from our youth. And if travelers of the future have secretly visited us—well, that proves that our future is secure. Stories of time travel abound in books and film, and it's been a source of endless fascination—and speculation—surrounding UFO sightings and conspiracy theories. This richly researched reference ripples with fascinating information. With

more than 120 photos and graphics, this tome is nicely illustrated. Time Travel also includes a helpful bibliography and an extensive index, adding to its usefulness. Time will fly by as you ponder the possibilities. Don't hesitate. There's no time like the present. Get your copy today. The future is waiting!

Oxford-educated historian Joseph P. Farrell delivers the sequel to his best-selling *Cover Wars* and *Breakaway Civilization*, part of his book series on suppressed technology, Nazi survival, secret finance and postwar hidden conflicts. His customary meticulous research and sharp analysis blow the lid off of a worldwide web of nefarious financial and technological control that very few people even suspect exists. Farrell continues to delve into the creation of a breakaway civilization by the Nazis in South America and other parts of the world. He elaborates on the advanced technology that they took with them at the "end" of World War II and shows how the breakaway civilization has created a huge system of hidden finance with the involvement various banks and financial institutions around the world. He continues to look into the secret space programs used by the breakaway civilization and the clash of civilizations—a virtual secret war going on around us—and the current space secrecy that involves UFOs, suppressed technologies and the hidden oligarchs who control planet earth for their own gain and profit. Farrell includes plenty of astounding accounts, documents and speculation on the amazing alternative history of hidden conflicts, secret super-finance and technology.

The author offers a hidden history that draws connections between Venice, international banking, the Templars, the "Council of Ten," Venetian voyages to the New World, and the Fourth Crusade.

"We have been told that the U.S. Air Force investigated UFOs for more than twenty years and never found any information to suggest they were real, that they posed a threat to the United States, or that they were from other solar systems. That is what we were told. But such is not the case." In 1953, a classified government was proposed that would deal with the recovery of "returning space debris" launched from other nations. But why did the Air Force consider such a program necessary when Sputnik—the first Soviet satellite—would not be launched until four years later? Since the initiation of the top secret Project Moon Dust, the government—and specifically the USAF—has engaged in continuous covert yet highly documented official investigations into UFO phenomena, which have included often dangerous interfaces with extraterrestrial crafts in the skies above our nation, and supersonic pursuits that have put pilots' lives at risk; pursuits that were observed by many reliable eyewitnesses. The co-author of *UFO Crash at Roswell*—the definitive account of America's most famous extraterrestrial encounter—Air Force Reserve Captain Kevin D. Randle uses his unique access to classified military documents to go deep inside the continuing cover-up and bring out the facts: The real contents of the infamous Project Blue Book files The recorded truth about the fateful summer of 1952—when a record number of unexplained sightings led to the government's creation of Moon Dust The Belgium sightings of 1990—one of the most extraordinary events of our age The covert role of the CIA in UFO research The truth vs. the official lies about the Kelly-Hopkinville creature report, the Cash-Landrum injury case, the Benwaters encounter, and, of course, Roswell. From the Kennedy assassination to 9/11, Thomas examines the underlying parapolitics that animate the secret elites and the war-ravaged planet they manipulate. This volume

is a compilation of his lecture remarks, interviews, correspondence and articles printed in the underground press from around the world.

Best-selling, Oxford-educated investigative author Joseph P. Farrell takes on the Kennedy assassination and the involvement of Lyndon Baines Johnson and the Texas "machine" that he controlled. Farrell says that a coalescence of interests in the military industrial complex, the CIA, and Lyndon Baines Johnson's powerful and corrupt political machine in Texas led to the events culminating in the assassination of JFK. Without the help of the Dallas police chief and others of the Texas underworld, including Jack Ruby, the Kennedy assassination could not have taken place. Farrell analyzes the data as only he can, and comes to some astonishing conclusions. Chapters include: Oswald, the FBI, and the CIA: Hoover's Concern of a Second Oswald; Oswald and the Anti-Castro Cubans; The Mafia; Hoover, Johnson, and the Mob; The FBI, the Secret Service, Hoover, and Johnson; The CIA and "Murder Incorporated"; Ruby's Bizarre Behavior; The French Connection and Permindex; Big Oil; The Military; Disturbing Datasets, Doppelgängers, Duplicates and Discrepancies; Two Caskets, Two (or was that Three?) Ambulances, One Body: The Case of David S. Lifton; Two (or is that Three?) Faces of Oswald; Too Many (or Was That Too Few?) Bullets; Too Many Films, with Too Many, or Too Few, Frames; The Dead Witnesses: Jack Zangretti, Maurice Brooks Gatlin, John Garret "Gary" Underhill, Guy F. Bannister, Jr., Mary Pinchot Meyer, Rose Chermie, Dorothy Mae Killgallen, Congressman Hale Boggs; The Alchemy of the Assassination: Ritual Magic and Murder, Masonic Symbolism, and the Darkest Players in the Death of JFK; LBJ and the Planning of the Texas Trip; LBJ: A Study in Character, Connections, and Cabals; LBJ and the Aftermath: Accessory After the Fact; The Requirements of Coups D'État; more.

This "compellingly hard-hitting" bestseller from a Pulitzer Prize finalist gives readers the complete untold story of the top-secret military base for the first time (New York Times). It is the most famous military installation in the world. And it doesn't exist. Located a mere seventy-five miles outside of Las Vegas in Nevada's desert, the base has never been acknowledged by the U.S. government — but Area 51 has captivated imaginations for decades. Myths and hypotheses about Area 51 have long abounded, thanks to the intense secrecy enveloping it. Some claim it is home to aliens, underground tunnel systems, and nuclear facilities. Others believe that the lunar landing itself was filmed there. The prevalence of these rumors stems from the fact that no credible insider has ever divulged the truth about his time inside the base. Until now. Annie Jacobsen had exclusive access to nineteen men who served the base proudly and secretly for decades and are now aged 75-92, and unprecedented access to fifty-five additional military and intelligence personnel, scientists, pilots, and engineers linked to the secret base, thirty-two of whom lived and worked there for extended periods. In Area 51, Jacobsen shows us what has really gone on in the Nevada desert, from testing nuclear weapons to building super-secret, supersonic jets to pursuing the War on Terror. This is the first book based on interviews with eye witnesses to Area 51 history, which makes it the seminal work on the subject. Filled with formerly classified information that has never been accurately decoded for the public, Area 51 weaves the mysterious activities of the top-secret base into a gripping narrative, showing that facts are often more fantastic than fiction, especially when the distinction is almost impossible to make. For many years, conspiracy theories have been among the most popular story

elements in Hollywood films. According to the “conspiracy culture,” Government, Big Business, the Church, even aliens—all of which, bundled together, comprise the ubiquitous “Them”—are concealing some of the biggest secrets in American and world history. From *The Manchurian Candidate* (1962) to *JFK* (1991), *The Matrix* (1999) to *The Da Vinci Code* (2006), this decade-by-decade history explores our fascination with paranoia. The work paints a vivid picture of several of the more prevalent conspiracy theories and the entertainment they have inspired, not only in theatrical films but also in such television series as *The X-Files*, *Lost* and *V*.

Hitler wants to rule the future by changing the past. In the twenty first century a man wants to cure disease, but inadvertently discovers a portal to another world. A group of people want to escape the draconian rule of the modern Nazi empire. *The Thousand Year Reich* does not allow escape. There will be.....trouble.

In 2007, after being laid off from my job, I felt compelled to write what I knew the LORD was opening my eyes to the subject of UFO's. This all started in 1996 at a movie I had taken my two sons to called *Independence Day*. I truly believe I heard the voice of the LORD. Obviously, the voice was in my head but, so real I did turn my head to see who had spoken my name. The voice simply said; "Kevin, this is how it will happen!" The scene was two fighter pilots an Israeli and an Iranian standing shoulder to shoulder waiting for word from the US on when to attack the Alien ships. I knew it was an answer to a question that I wasn't even thinking of at the time. One I had given up hope that the LORD would give me an answer. Long ago I had asked the LORD if possible, could He show me how there would be a time of peace? Even though short, could this planet have peace with all the divisions that cause conflict? The answer was an attack or invasion from above. Satan has tried very hard to prevent me from telling what the Lord has shown me concerning Advanced Extraterrestrial Intervention. I got very ill and during the writing of this book had to have my 2nd heart transplant. Kevin Spencer is a native Houstonian and was born with a heart defect. He had five surgeries on his original heart from ages 5 to 23. In 1992 he received his first heart transplant and his 2nd heart transplant 3/27/11. Kevin, his wife Kelly and daughter Christina live in Kingwood, Texas.

In Western religious traditions, God is conventionally conceived as a humanlike creator, lawgiver, and king, a being both accessible and actively present in history. Yet there is a concurrent and strong tradition of a God who actively hides. The two traditions have led to a tension between a God who is simultaneously accessible to humanity and yet inaccessible, a God who is both immanent and transcendent, present and absent. Western Gnostic, esoteric, and mystical thinking capitalizes on the hidden and hiding God. He becomes the hallmark of the mystics, Gnostics, sages, and artists who attempt to make accessible to humans the God who is secreted away. 'Histories of the Hidden God' explores this tradition from antiquity to today. The essays focus on three essential themes: the concealment of the hidden God; the human quest for the hidden God, and revelations of the hidden God.

Throw out everything you think you know about history. Close the approved textbooks, turn off the corporate mass media, and whatever you do, don't believe anything you hear from the government—*The Rise of the Fourth Reich* reveals the truth about American power. In this explosive new book, the legendary Jim Marrs, author of the underground bestseller *Rule by Secrecy*, reveals the frighteningly real possibility that today the United States is becoming the Fourth Reich, the continuation of an ideology thought to have been vanquished more than a half century ago. This concept may seem absurd to those who cannot see past the rose-colored spin, hype, and disinformation poured out daily by the media conglomerates—most of which are owned by the very same families and corporations who supported the Nazis before World War II. But as Marrs precisely explains, National Socialism never died, but rather its hideous philosophy is alive and active in modern America. Unfortunately, most people cannot

understand the shadowy links between fascism and corporate power, the military, and our elected leaders. While the United States helped defeat the Germans in World War II, we failed to defeat the Nazis. At the end of the war, ranking Nazis, along with their young and fanatical protégés, used the loot of Europe to create corporate front companies in many countries, including the United States of America. Utilizing their stolen wealth, men with Nazi backgrounds and mentalities wormed their way into corporate America, slowly buying up and consolidating companies into giant multinational conglomerates. Many thousands of other Nazis came to the United States under classified programs such as Project Paperclip. They brought with them miraculous weapon technology that helped win the space race but they also brought their insidious Nazi philosophy within our borders. This ideology based on the authoritarian premise that the end justifies the means—including unprovoked wars of aggression and curtailment of individual liberties—has gained an iron hold in the "land of the free and the home of the brave." For the first time Jim Marrs has gathered compelling evidence that an effort has been underway for the past sixty years to bring a form of National Socialism to modern America, creating in essence a modern empire—or "Fourth Reich"!

Both Jesse Owens and Adolf Hitler grew up in poverty, and each of the two men struggled to find their footing later in life. Owens represented the United States in the 1936 Olympics, after which he found it difficult to sustain a well-paying job. In turn, Adolf Hitler moved to Vienna as a teenager, following his parents' death, but he never found the financial success he so desperately craved as an artist. He spent most of his time in the city penniless, unemployed young man. The similarities between the two men end there. While Adolf Hitler became angered and enraged by his circumstances, and by the fate of Germany following the First World War, Jesse Owens went out of his way to help people. Even when he faced the cruelty of racism in the United States, Owens saw the best in others. He spent most of his days working with children and teenagers, making a conscious effort to give them the guidance and support they needed to enact positive change in the world. In contrast, Hitler turned to hatred, divisiveness, and conflict in his attempts to change the world in his image. Owens was an open-minded man who spent his life bettering the lives of his family and the community at large. Even when others asked him to denounce the racist tendencies of Adolf Hitler, he chose to grudgingly respect the German leader. Meanwhile, Hitler's experiences only fuelled his hatred of anyone who was not Aryan and German. In this book, we will explore the lives of both men leading up to the 1936 Berlin Olympics. Then, we will take a closer look at the effects of that summer on the rest of their years. 30 Minute Book Series Welcome to the ninth book in the 30-Minute Book Series. Each book in the series is fast-paced, well-written and accurate, covering the story in as much detail as a short book allows. In less than an hour, you can read or listen to the full book. The text is a perfect companion for your lunch hour, or perhaps a nice distraction on your train ride home from work. About the Author Doug West is a retired engineer, small business owner, and an experienced non-fiction writer with several books to his credit. His writing interests are general, with special expertise in science, biographies, and "How-To" topics. Doug has a Ph.D. in General Engineering from Oklahoma State University. Farrell examines how the Nazi survivors in South America are using advanced technology to create secret space programs to control the planet Earth. He explains how their use of UFOs has helped create a vast, and almost complete hidden, system of finance within the world which is funding covert operations both on this planet and off. From engineering earthquakes to 9/11, these technologies have had profound repercussions for the world.

Physicist Joseph Farrell is amazing sequel to 'The Giza Death Star' which takes us from the Great Pyramid of Giza to the asteroid belt and the so-called Pyramids of Mars. Farrell expands on his thesis that the Great Pyramid was a chemical maser, designed as a weapon and eventually deployed with disastrous results to the solar system. The Great Pyramid as a weapon! Evidence of the Use of Weapons of Mass Destruction in Ancient Times! The

Astonishing Technology used in the Giza Death Star! Evidence of a similar Death Star-Pyramid built on Mars! The mystery of the Asteroid Belt solved! Topics in this amazing book include: Exploding Planets: The Movie, the Mirro, and the Model; Dating the Catastrophe and the Compound; A Brief History of the Exoteric and Esoteric Investigations of the Great Pyramid; No Machines, Please!; The Stargate Conspiracy; The Scalar Weapons; Message or Machine?; A Tesla Analysis of the Putative Physics and Engineering of the Giza Death Star; Cohering the Zero Point, Vacuum Energy, Flux: Synopsis of Scalar Physics and Paleophysics; Configuring the Scalar Pulse Wave; Inferred Applications in the Great Pyramid; Quantum Numerology, Feedback Loops and Tetrahedral Physic
