Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that "after nourishment, shelter, and companionship, stories are the thing we need most in the world." This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the Masnavi.

The bestselling poet in America today, thirteenth-century Sufi mystic Jalalu'ddin Rumi has inspired and enlightened thousands with his playful, passionate work celebrating the sacred in everyday life. Now the spiritual wealth of Rumi's stories and poetry in translation are accompanied by rare and wonderful art in the Sufi tradition. This fresh rendering brings new life to these incomparable parables, which have transcended time, place, culture, and religion to speak directly to the hearts and souls of contemporary readers. With a foreword by Huston Smith, these selections of the inimitable mystic's prose and poetry have been taken from all of the master's works. Each parable, such as The King and the Handmaiden, The Grocer and the Parrot, The Ugly Old Woman, and The Man Who Was Always Being Swindled, is related as Rumi might have presented it to his fascinated audiences, as he whirled in meditation and trance. But each story also has a spiritual message, a holy essence that applies across all faiths, uttered from the heart of Islam. Each of these messages is provided here in a modern rendering that keeps the flavor of this unique period of history, of culture, and of inspired, passionate beauty.

From the premier interpreter of Rumi comes the first definitive one-volume collection of the enduringly popular spiritual poetry by the extraordinary thirteenth-century Sufi mystic.

A powerful personal journey to find meaning and life lessons in the words of a wildly popular 13th century poet. Rumi's inspiring and deceptively simple poems have been called ecstatic, mystical, and devotional. To writer and activist Melody Moezzi, they became a lifeline. In *The Rumi Prescription*, we follow her path of discovery as she translates Rumi's works for herself - to gain wisdom and insight in the face of a creative and spiritual roadblock. With the help of her father, who is a lifelong fan of Rumi's poetry, she immerses herself in this rich body of work, and discovers a 13th-century prescription for modern life. Addressing isolation, distraction, depression, fear, and other everyday challenges we face, the book offers a roadmap for living with intention and ease, and embracing love at every turn--despite our deeply divided and chaotic times. Most of all, it presents a vivid reminder that we already have the answers we seek, if we can just slow down to honor them. * You went out in search of gold far and wide, but all along you were gold on the inside. * Become the sky and the clouds that create the rain, not the gutter that carries it to the drain. * You already own all the sustenance you seek. If only you'd wake up and take a peek. * Quit being a drop. Make yourself an ocean.

My verse resembles the bread of Egypt—night passes over it, and you cannot eat it any more. Devour it the moment it is fresh, before the dust settles upon it. Its place is the warm climate of the heart; in this world it dies of cold. Like a fish it quivered for an instant on dry land, another moment and you see it is cold. Even if you eat it imagining it is fresh, it is necessary to conjure up many images. What you drink is really your own imagination; it is no old tale, my good man. Jalal al-Din Rumi (1207–73), legendary Persian Muslim poet, theologian, and mystic, wrote poems acclaimed through the centuries for their powerful spiritual images and provocative content, which often described Rumi's love for God in romantic or erotic terms. His vast body of work includes more than three thousand lyrics and odes. This volume includes four hundred poems selected by renowned Rumi scholar A. J. Arberry, who provides here one of the most comprehensive and adept English translations of this enigmatic genius. *Mystical Poems* is the definitive resource for anyone seeking an introduction to or an enriched understanding of one of the world's greatest poets. "Rumi is one of the world's greatest lyrical poets in any language—as well as probably the most accessible and approachable representative of Islamic civilization for Western students."—James W. Morris, Oberlin College

thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, Rumi's Secret reveals the unfolding of Rumi's devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.

Rumi's message is universal and his call is for the whole of humanity. Today, in our world which turned into a global village, problems such as epidemic coronavirus, conflicts, clashes and transboundary crimes also became global and they had more serious and quick effects at both national and international levels. Rumi's timeless wisdom can guide us in individual, social and global contexts. We should not forget that as the family of humanity we are organs of one single body and passengers on the same vessel. When an organ of the body is hurt or a part of the vessel is damaged, the results will affect all of us. Therefore we can provide efficient service both to humanity and to the society in which we grew up by pursuing and internalizing the wisdom of Rumi, which will be the cement of unity among differences. If you are also in search of something, you will certainly find what you are looking for, as announced by that great guide. So, how about turning a page of his work on love, right now? Welcome all, to the eternal world of the pearls of wisdom.

Born Jalal ad-Din Mohammed Balkhi in Persia early in the thirteenth century, the poet known as Rumi expressed the deepest feelings of the heart through his poetry. This volume consists of new translations edited by Deepak Chopra to evoke the rich mood and music of Rumi's love poems. Exalted yearning, ravishing ecstasy, and consuming desire emerge from these poems as powerfully today as they did on their creation more than 700 years ago. 'These poems reflect the deepest longings of the human heart as it searches for the divine. They celebrate love. Each poetic whisper is urgent, expressing the desire that penetrates human relationships and inspires intimacy with the self, silently nurturing an affinity for the Beloved. Both Fereydoun Kia, the translator, and I hope that you will share the experience of ravishing ecstasy that the poems of Rumi evoked in us. In this volume we have sought to capture in English the dreams, wishes, hopes, desires, and feelings of a Persian poet who continues to amaze, bewilder, confound, and teach, one thousand years after he walked on this earth' - Deepak Chopra

The author of international bestseller, Shantaram, takes us on a gripping personal journey of wonder and insight into science, belief, faith and devotion. Drawing on common-sense logic, sacred traditions, inspirations from the natural world and the iconoclastic instruction of his spiritual teacher, Roberts describes the step by step path he followed in search of spiritual connection, one that anyone, of any belief or none, can apply in their own lives. This gripping personal account of the Leap of Faith is a compellingly fresh, new addition to such enduring, spiritually inspiring works as Zen and The Art of Motorcycle Maintenance, The Road Less Travelled and The Celestine Prophecy. From the Author: "The Spiritual Path is for anyone searching for meaning and connection, for more answers than questions, and for practical help in resetting the spiritual compass." A breathtaking new collection of translations of poems by Rumi, one of the world's most loved mystical teachers. Beautifully illustrated with Persian calligraphy, this is an ideal ebook for every MBS reader.

Jelalludin Rumi (1207-1273) led the quiet life of an Islamic teacher in the central Anatolia (modern Turkey) until the age of thirty-seven, when he met a wandering dervish named Shams Tabriz—through whom he encountered the Divine Presence in a way that utterly transformed him. The result of this epiphany was the greatest body of mystical poetry the world has ever seen, and the establishment of a spiritual movement that would eventually stretch from Africa to China, enduring to our own day. This collection of versions of Rumi by Andrew Harvey contains some of the master's most luminous verse, along with selections from his lesser-read prose works, with the aim of presenting a balanced view of his teaching that includes both the high-flying love of God and the rigorous path of discipline essential for those who seek it.

At long last, an accessible little book that focuses on the teachings of Rumi's teacher and inspiration, Shams of Tabriz. Included in this slim, charming volume is a biographical sketch of the great Sufi teacher and mystic and a new translation of 500 of his core teachings that bring into fresh focus the meaning and mysteries of life and love. There are many books on Rumi and many translations of his works and yet most readers are unaware of how Rumi became a mystic. Shams, an Arabic word that means the sun, was the catalyst that converted the rather resolute and ascetic Rumi, the cleric and teacher, into Rumi, the passionate disciple of the religion of love. He was the agent of the propulsive mystical energy that transformed Rumi the reticent into Rumi the ecstatic poet. Rumi lovers, spiritual seekers, and devotees of the mystical path will meet this little book of wisdom and mystical secrets with enthusiasm. I shall not place you in my heart For you may get hurt by its wounds. I won't keep you in my eyes For I may belittle you and expose you to the ridicule of common men. I will hide you inside my soul, not in my heart or in my eyes, so that you may become one with my breath.

In this lyrical, exuberant follow-up to her novel *The Bastard of Istanbul*, acclaimed Turkish author Elif Shafak incarnates Rumi's timeless message of love *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

On his way from Tangiers to China, the medieval Moorish traveller Ibn Battuta arrives in Konya, Turkey where the legendary dervish Rumi had lived, danced and died. More than half a century may have passed since his death, but his poetry remains alive, inscribed in every stone and tree and pathway. Rumi's followers entrust Ibn Battuta with a manuscript of his life stories to spread word of the mystic on his travels. As Battuta reads and recites these tales, his listeners discover their own lives reflected in these stories—fate has bound them, and perhaps you, to Rumi. *A Mirrored Life* reaffirms the magical powers of storytelling, making us find Rumi in each of our hearts.
