It is here I learn the truth -- that women like me aren't taken away to be devoured, but to be mated. My mates, four sons of a dragon knight slain in the last battle of the ShadowFell, are unique both in personality and carnal abilities. They introduce me to the world of pleasure. In their bed chambers, they prepare me with masterful skill for the final, ultimate bond that will make me truly theirs. But I am no passive mate, and the secret they keep from me threatens not only our bond, but the role I am prophesied to play in stopping a lurking danger that threatens the Drakoryan and human world alike.

**Succubus Sins** J. R. Thorn,2019-01-22 I'm about to make the seven deadly sins my bitch. See this tattoo across my stomach? Yeah, the one with seven crazy runes. Ignore the pink one on the far right, that's Sarah. I love her, but she's not one of my four. That was a hard lesson to learn. I tried being loyal to her. Even went to a stinky Succubi Den to get a snack or two just to stay alive. Well, that didn't work out, and now I'm stuck trying to charge some dusty old relic my mother left behind. Turns out there's some crazy destiny tied to my tattoo, which is actually a birthmark and all about the end of the world. Sounds fun, sort of, not really. I've met rune #1, and he wasn't at all what I'd expected. It wasn't love at first sight. Maybe hate at first sight. Pretty sure he hates my guts. But that's okay, maybe rune #2 will bring him around. This end of the world stuff is just getting started, and I have a feeling one of my very own sins is the one stirring the pot. The Incubus King, what sin might he be? Lust... my favorite one. Bring it on. Author's Note: This is a fast-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.

**Blood Demand** Kaylin Peyer, 2020-11-04 Every one hundred and twenty-five years the four sinfully sexy ruling coven lords choose a new concubine from the human population. They hand pick a woman based on blood type, often looking for one with the rarest blood type in the world: AB-negative. Only .06 percent of the population carries it. To vampires it's the holy grail, the city of gold. To human women, it's a secret to be coveted, for the lords are known for their cruelty above all else. To bad I was born with it. . . My blood is both gold and poison. It was easy to stay hidden until my twenty-fifth birthday, but from that year forward every human on the planet is required to donate blood once per month. For me, that dreadful date is in two days. From that moment on I will be a helpless fool in their cruel game of cat and mouse. All I can do is resist their pull by fighting against them with everything I have. . . Because as soon as the coven leaders have me locked between their bloodied hands, I know they'll never let me go.

Playing with Hellfire Mila Young, Harper A. Brooks, 2021-03-25 The devils aren't in the details. They're in my bed...When my warlock foster father trades me to demons for his outstanding debts, I find myself in Hell on Earth. I'm thrust into a supernatural underground crime ring I can't get out of, eternally bound in a contract I never made. Three hot-as-hell demons stand in between me and my freedom. A tattooed, brutish Hellhound shifter. An incubus with the power to bend wills on command. And the heir to Lucifer's throne-the original sin demon, Pride, himself. I have to find a way out of the deal before they devour me, body and soul. But I'm no angel. There's something inside me, something that craves the chaotic darkness these demons possess. Escaping may mean giving in to Hell's more sinful temptations. But playing with fire only hurts if you get burned...

Siren Sins J. R. Thorn, 2019-01-30 Sirens... They Make Sin Look Good I've found my third, and he's definitely the sin of anger. Jet has some damn rage problems, but I guess that's to be expected from a dragon shifter. Am I ready to play with fire? You bet your ass I am. Derek, one of my sins, is making good work on stirring the pot. He's trying to rip open a hole to hell and he's gotten Luke on a leash to do just that. Don't worry, I have a plan. I just hope it doesn't get everybody killed. Meanwhile I hear Sarah's gotten herself into some shit. By the time I get to her (gotta keep those sins in line) I find out that she has a new girlfriend. A muse and a siren sound like trouble to me, and I decide I don't like this Vikki character, even if there's something about her that makes one of my runes itch... Author's Note: This is a fast-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.
