Before WATCHMEN, Alan Moore made his debut in the U.S. comic book industry with the revitalization of the horror comic book THE SWAMP THING. His deconstruction of the classic monster stretched the creative boundaries of the medium and became one of the most spectacular series in comic book history. With modern-day issues explored against a backdrop of horror, SWAMP THING's stories became commentaries on environmental, political and social issues, unflinching in their relevance. SAGA OF THE SWAMP THING Book One collects issues #20-27 of this seminal series including the never-before-reprinted SAGA OF THE SWAMP THING #20, where Moore takes over as writer and concludes the previous storyline. Book One begins with the story 'The Anatomy Lesson,' a haunting origin story that reshapes SWAMP THING mythology with terrifying revelations that begin a journey of discovery and adventure that will take him across the stars and beyond.

This is Vertigo's second Swamp Thing series, wherein writer Alan Moore reconfigures Swamp Thing's origin to make him a true monster as opposed to a human transformed into a monster.

Before the groundbreaking graphic novel *Watchmen*, Alan Moore made his debut in the U.S. comic book market with the revitalization of the horror comic book *Swamp Thing*. Moore's classic, critically acclaimed *Swamp Thing* stories are now collected with brand-new coloring in *Absolute Swamp Thing by Alan Moore Vol. 1*. In 1983, a revolutionary English writer joined a trio of trailblazing American artists to revitalize a longstanding comic book icon. By the time they'd finished their work four years later, *SWAMP THING* by Alan Moore, Stephen R. Bissette, John Totleben, and Rick Veitch was universally recognized as one of the handful of titles that defined a new era of complexity and depth in modern graphic storytelling, and their run on the series remains one of the medium's most enduring masterpieces. Now DC Comics and Vertigo are proud to present an all-new vision of this landmark achievement. Comprising three deluxe hardcover volumes, *ABSOLUTE SWAMP THING BY ALAN MOORE* debuts completely new coloring for every page, crafted exclusively for this definitive collector's edition by legendary color artist Steve Oliff (Akira, Miracleman). This first volume

This seminal horror series was given a whole new lease of life in the 1980s when a then unknown British writer named Alan Moore took it over... The creature that once thought itself to be murdered scientist Alec Holland says farewell to its dream of humanity, meets a crew of benevolent alien invaders, and finds a new connection to the human world in the form of a loving - if somewhat unconventional - relationship with Abigail Cable (formerly Alec Holland's wife).

Now that classic story, plus the first ten issues of SWAMP THING Volume One, are reprinted in a new edition of Swamp thing - Dark genesis. In 'Dark genesis', learn the astonishing secret of Swamp Thing's "birth"; share the forbidden passions of Anton Arcane and the measureless sorrow of the Patchwork Man; shiver to the timeless horror of the witch named Rebecca Ravenwind and of a tortured Scottish werewolf.
