(Combined Edition) Original 2 books combined into a large page edition! Beyond the Mask: The Rising Sign Parts 1 & 2 by Kathleen Burt "Beyond the Mask will speak deeply to many—to astrologers and lovers of astrology at every level, archetypally minded people, depth psychologists and seekers from many walks of life." —Monika Wikman Ph.D., Jungian Analyst and author of Pregnant Darkness: Alchemy and the Rebirth of Consciousness Well known and respected internationally for her ground breaking work in Archetypes of the Zodiac, Kathleen Burt now offers us a phenomenal distillation of her life work in: Beyond the Mask: The Rising Sign – Part 1 & Part 2. Midlife urgings bring forth cycles of death and rebirth. Antiquated identities and roles must die, old 'masks' must be peeled away before we can discover a new path in life. Kathleen Burt addresses specifically how the twelve rising sign patterns guide us into new life and fresh experiences. With the keen eye of an astrologer examining the biography of creative writers and inspired people, Kathleen Burt brings a depth of understanding to the Rising Sign. This unique volume of wisdom offers decades of scholarly study and practical experience in esoteric astrology, psychology, mythology, and biography and examines the underlying archetypal patterns inherent in our lives.

By a well-known psychic and astrologer, a revealing psychological/astrological exploration of the masks we wear and the many ways our rising signs affect our personalities.

Everyone knows their astrological sign, but how many of us know what monsters lurk within the zodiac? You may have your suspicions: the glowing red eyes after a night on the town, an irresistible attraction to a white neck, a few lost days every month, a feeling of supernatural superiority, but what you probably don't know is that your star sign influences your evil incarnation of choice. Let Horrorscopes explain why you are what you are, how your ruling planet forces you into evil ways, how your rising sign can mask your true monstrous reality, what you would do on a really bad day, and how you can fight your evil twin and exorcise your monster within—that is, if you really want to. Bestselling author Stella Hyde reveals the dark side of the 12 sun signs, from Aries the Fire Demon to Pisces the Sea Wolf. For each sign the Jekyll and Hyde traits are revealed along with aspects like "Your Deadliest Sin" and how your monstrous side manifests itself at work, at home and at play. Horrorscopes is something new under the astrology sun—fun and a bit scary!

"In our imaginations, war is the name we give to the extremes of violence in our lives, the dark dividing opposite of the connecting myth, which we call love. War enacts the great antagonisms of history, the agonies of nations; but it also offers metaphors for those other antagonisms, the private battles of our private lives, our conflicts with one another and with the world, and with ourselves." Samuel Hynes knows war personally: he served as a Marine Corps pilot in the Pacific Theater during World War II, receiving the Distinguished Flying Cross. He has spent his life balancing two careers: pilot and professor of literature. Hynes has written a number of major works of literary criticism, as well as a war-memoir, *Flights of Passage*, and several books about the World Wars. His writing is sharp, lucid, and has provided some of the most expert, detailed, and empathetic accounts of a disappearing generation of fighters and writers. *On War and Writing* offers for the first time a selection of Hynes's essays and introductions that explore the traditions of war writing from the twentieth century to the present. Hynes takes as a given that war itself—the battlefield uproar of actual combat—is unimaginable for those who weren't there, yet we have never been able to turn away from it. We want to know what war is really like: for a soldier on the Somme; a submariner in the Pacific; a bomber pilot over Germany; a tank commander in the Libyan desert. To learn, we turn again and again to the memories of those who were there, and to the imaginations of those who weren't, but are poets, or filmmakers, or painters, who give us a sense of these experiences that we can't possibly know. The essays in this book range from the personal (Hynes's experience working with documentary master Ken Burns, his recollections of his own days as a combat pilot) to the critical (explorations of the works of writers and artists such as Thomas Hardy, E. E. Cummings, and Cecil Day-Lewis). What we ultimately see in *On War and Writing* is not military history, not the plans of generals, but the feelings of war, as young men expressed them in journals and poems, and old men remembered them in later years—men like Samuel Hynes.

Esoteric Astrology – Vol. 5 Rising Signs - Libra through Pisces The Theory, Interpretation and Practice. This publication takes a new and revitalised look at astrology. It is simple to understand, yet remains a powerful tool, capable of providing a solid foundation for the comprehension of this broad and magnificent subject. This textbook, like most of Dr. Baker's printed books, eBooks and DVDs, enhances your studies via many charts, lists, tables and images (over 100 in this one). This major work is a very comprehensive introduction for those who want to study this subject in earnest, and for the more advanced student it will serve as an essential reference manual. In today's computer-based world it is no longer necessary to spend hours calculating a horoscope when the most modest PCs can do it in seconds, and with 100% accuracy! Consequently the needless paraphernalia, usually associated with learning astrology, has been stripped away. Emphasis is placed on the application of astrology to the unique problems of the modern world, its use as a method of revealing purpose and meaning in life, and ultimately as a key to the psychosynthesis of personality. The horoscope is described in comprehensive detail, with special attention given to the esoteric ruling planets of the zodiac signs, which are more relevant than orthodox rulers in the charts of spiritually-minded people. The new rulers also accommodate the immense changes in external conditions and inner consciousness that have occurred in the last hundred years and are related to a new range of experience which the brain registers as the externa of the modern world. The significance of karma is represented for it gives dramatic effect to our daily actions, and the third factor of esoteric psychology, lying beyond our understanding of heredity and environment, is given full prominence. This integrative and enriching work can be read alone, as a fascinating introduction and foundation to the New Astrology, or can be followed up with the author's extensive range of astrological books and video tapes, audio lectures and the all-embracing Dictionary of Astrology for the 21st Century. Together they provide a complete system for the professional and novice alike, containing efficient and extraordinary techniques of interpretation which have never been used before and which halve the time required to assimilate and practise astrology.

Astrologically Incorrect is an entertaining and edgy guide to people management. Unlike other books, which just skim the surface of the twelve sun signs, Astrologically Incorrect exposes the fetishes, neuroses, and hang-ups of each and every member of the zodiac. Astrology is the easiest way to find out how another person's mind works--and get that mind to work in your best interests. Aimed at cosmic novices and astrologers alike, Astrologically Incorrect shows you how to wield power by using sun and rising signs to take charge in personal relationships. Astrologer Terry Marlowe gives you all the insight you need to manipulate friends, lovers, and bosses into doing favors, screwing the cap back on the toothpaste, and giving you a raise!

Have you ever felt that there was more to you than your Sun sign suggests? The Sun, Moon and Rising Sign (Ascendant) are the three major placements in your birth chart and together they give you 'the big picture' of who you truly are. Together, they are known as The Primal Triad because the 'big three' placements in your birth chart form the basic structure of your entire personality. In this book, Sara Shipman examines The Primal Triad from a uniquely Scorpio perspective. The Sun will always be the dominant member of The Primal Triad, so to understand how the synthesis between your Scorpio Sun, your Moon sign and your Rising sign affects you, Sara looks at how the Sun functions in your birth chart and how it blends with your Moon sign and Rising sign to produce the blueprint for the person you are. This book provides you with a full analysis of your Scorpio Sun sign, together with an analysis of every combination of your Sun sign, Moon sign and Rising sign to give you a clear and detailed insights into what makes you the complex person you know yourself to be. So Scorpio, if you want to know how astrology can help you to know more about yourself, your potentials, motivation, sense of purpose, emotional needs and approach to life, this is a must read for you. Sara Shipman is a writer and astrologer based in Oxford UK.

Discusses the basic elements of astrology and astrological chart-making, with tables of signs and houses, and an overview of rising signs

A memoir by a WWI fighter pilot, with the adventurous spirit of War Horse and the charm of The Little Prince A singular, lyrical book, Sagittarius Rising is at once an exuberant memoir from the Lost Generation and a riveting tale of the early days of flight during World War I. Cecil Lewis lied his way into the British Army's Royal Flying Corps at age sixteen and was ordered to a squadron on the Western Front only a year later. At the time, flying was so new that designers hadn't even decided on basic mechanics such as how many wings a plane should have. Despite this, Lewis mastered virtually every kind of single-engine plane in the RFC, going on to excel in active duty and even to dogfight the Red Baron—and live to tell the tale. Full of infectious charm and written with the prose and pacing of a novel, Sagittarius Rising beautifully recounts Lewis's harrowing exploits in the sky alongside his wild times of partying and chasing girls while on leave in London. His coming-of-age story is unlike any other WWI memoir you've read before. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. Revised and updated edition of the classic astrology text on predicting and navigating life crises • Provides charts for the transits of Saturn, Uranus, and Chiron--now updated through 2050--to predict your personal growth cycles and timing of kundalini rising • Shares tools to cope with the intensity of spiritual emergency and direct the kundalini energy released during planetary passages • Includes a new preface by the author reflecting on 20 years of success stories since the book's initial publication • No astrological chart needed to use this book In this updated edition of Liquid Light of Sex, renowned astrologer and spiritual teacher Barbara Hand Clow explores the connection between life crises in your 30s, 40s, and 50s and the key astrological passages of Saturn, Uranus, and Chiron in your birth chart. She explains how kundalini energy--the "liquid light of sex" that lies at the base of the spine--is activated during these planetary transits, rising through the chakras and triggering the process of spiritual emergency, and in many cases, a cascade of health, emotional, and relationship problems as well as extreme anxiety. She shows that by understanding these astrological transits, you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini. Clow provides astrological charts--now updated through 2050 for those born between 1930 and 2000--detailing the cycles of Saturn, Uranus, and Chiron, so you do not need your birth chart to use this book. She explains how to use the charts to predict the onset and completion of each kundalini activation and corresponding crisis. She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy, unblock the chakras, and integrate the power of kundalini for physical, emotional, and spiritual growth. Reflecting on 20 years of success stories since the book's initial publication, Clow presents a road map for using celestial cycles to navigate positively and productively in times of great life change. This book contains a series of my blog posts on the twelve ascendants, together with celebrity pictures to help illustrate the appearance and character traits of each zodiac sign. It's based on my personal experience of doing life assessments and on the knowledge I've gained through books and astrology teachers.

There are times when people just can't identify with the attributes of their Sun or Moon sign. In fact, they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn

ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional and spiritual attributes more with rising sign at times.

It is poems, short stories, and other writings about topics that either pertain to me, my feelings, or thoughts, or that I was inspired to write. There are plenty of books about astrology, and there are plenty of books about the Enneagram. However, there is very little known about how both astrology and the Enneagram can be tied together which can provide extra insight about why people are the way they are. It can show a lot more about their personalities than they are aware of so they can take the opportunity to explore who they are on a deeper level. This can provide the insight that many people need so they understand themselves better which can lead to healing and self-acceptance. There is nothing woo-woo about this book because Miriam doesn't go for woo-woo. Just down-to-earth spirituality.
