Sri Narasimha Swamiji was a lively, energetic and studious child brought up in a deeply religious and generous atmosphere. Later, he became a leading lawyer, politician and a person of social eminence. A tragedy in the family acted as a turning point, as he left the warmth and security of his home. His quest lasted for more than eleven years until he went to Shirdi to obtain a 'darshan' of Sai Baba's samadhi. It was that historic day, 29th August 1936, which changed the course of his life. Sai Baba took possession of Narasimha Swamiji. He became an evangelist and spread the message of Sai Baba all over the country. As long as Sai Baba's name is there in this universe, Narasimha Swamiji will be remembered, with reverence and faith.

Sri Sai Baba, 1836-1918, spiritual leader from India.

Sai Baba of Shirdi is a phenomenon. In all of India s history, there has never been another like him. He is no conventional saint, he wrote no critique of any holy work, made no ashram or peetham, yet he had profound insight into both Hindu and Islamic scriptures. He performed miracles but in no manner or means to impress anyone, devotees or otherwise. Sai Baba in every way remains unique. He came in his late twenties to Shirdi, an insignificant Hamlet in Ahmednagar District where he spent fifty years of his remaining life. Shirdi is no longer an obscure village. Today it is a centre of pilgrimage for lakhs of Sai Baba s devotees. This book translated into Hindi is a complete account of his life and mission. Hindi Rs. 95 / Telugu Rs. 125

A compilation of expressions, questions and answers that came about in response to Leo's highly praised first book *Awakening to the Dream*. Leo writes with characteristic insight and uses metaphor to illuminate the paradoxical and apparently confusing nature of non-dual reality. His original writing is reinforced by a vast knowledge of non-duality in other spiritual traditions and he weaves these together with his own direct path to present clear pointers to contemporary seekers. An appropriately chosen quotation taken from various sources appears at the end of each short chapter. Also included at the end of the book is the full text of the Hsin-hsin Ming by the third Chan patriarch Seng-ts'an. "The words in this book repeatedly point to the essence which knows the reading as it takes place. Rather than an encouragement to follow a lengthy path, it is an invitation to step off the path. It does not point to 'your' awareness, but to Awareness itself in which the idea of 'you' appears. It does not point to 'your' beingness, but to the undeniable Beingness that appears as you."

Bhagavan Sathya Sai Baba has been a name to conjure with in different parts of the world. An enchanting bhajan composer and singer, a world teacher, and unexcelled educator of the vital, a Yogishwara pressing an amazing variety of talent and capacity into service for the fulfillment of his mission, a kalpataru or a wish-fulfilling tree for his devotees, the very avatar of Love, the voice of one's own innermost heart speaking to each individual externally, a universal presence to be felt and known, a promoter of the unity of world religions and of a philosophy that embraces Matter and Spirit and the inaugurator of a new social order, he is easily the most colourful and many faceted prophet that modern India has produced. Several antinomies meet and mingle and are reconciled in his personality - the most significant pair being one of Solitude and Multitude. Thousands of Sathya Sai Baba Samitis function in all parts of India and there are

hundreds of them in the U.S.A., U.K., and several other parts of the world. Crowds collect in their lakhs to hear him in India. What is the secret of this charismatic power that Bhagavan Baba wields wherever he goes? Baba declared in the Sri Sathya Sai World Conference held in Bombay in 1968 that the mission for which he has come is the spiritual regeneration of India and of the mankind through her. And he has said that he will not cease from his labours till his mission is fulfilled.

"Tulasi Srinivas shows a superb ability to juxtapose contemporary theoretical concerns among scholars of globalization and transnational theory with ethnographic work done on a growing Indian tradition. Adept at negotiating the intricacies of many academic dialogues. Srinivas shows she is a polyglot intellectual."---Deepak Sarma, Case Western University The Sathya Sai global civil religious movement incorporates Hindu and Muslim practices, Buddhist, Christian, and Zoroastrian influences, and "New Age"-style rituals and beliefs. Shirdi Sai Baba, its charismatic and controversial leader, attracts several million adherents from various national, ethnic, and religious backgrounds. In a dynamic account of the Sathya Sai movement's explosive growth. Winged Faith argues for a rethinking of globalization and the politics of identity in a religiously plural world. This study considers a new kind of cosmopolitanism located in an alternate understanding of difference and contestation. It considers how acts of "sacred spectating" and illusion, "moral stake-holding" and the problems of community are debated and experienced. A thrilling study of a transcultural and transurban phenomenon that questions narratives of self and being circuits of sacred mobility, and the politics of affect. Winged Faith suggests new methods for discussing religion in a globalizing world and introduces an easily critiqued yet not fully understood community. "This is a wonderful book that can be read on two levels. One: as the fascinating story of how a religious movement spread from India throughout the world, with many vignettes that will stay in one's mind. And two: as a very instructive demonstration that cultural globalization is not a oneway process dominated by the West, but an interaction between cultures, with some processes going from East to West."---Peter L. Berger. Boston University This is the true story of encounters with enlightened beings known in the East as Bodhisattvas, who have attained the Rainbow Body, yet who can and do appear in whatever form they are needed to assist humanity. These are the Gods of ancient myth, known in the West as Ascended Masters. Here are the adventures of one individual as the Masters bring him face to face with his own Higher Self-the I AM Presence.

The spread of the name and fame of Shri Sai Baba of Shirdi within the last two decades is a phenomenon by itself. From 1999 onwards a number of websites were created in the name of Baba, the world over. In the year 2000, I visited Chicago to inaugurate the Sai Utsav in the month of November. This event attracted a lot of devotees from all over the world including hundreds of families from the US, Latin America, Canada and UK, and by His grace acted as the seed of the creation of an effective world forum of Sai devotees. It was followed by similar events and conferences in Sydney, Australia in 2001, Johannesburg and Nairobi in Africa in 2003 where an increasing number of devotees asked me questions regarding Sai Baba and his message. This trend continued over the years through the internet, till I decided to come up with a publication that would lend greater clarity about His message to His devotees as well as to those with a religious bent of mind. This book is a compilation of the questions he has received over the years, and answers to them in a structured manner in a style and language which is easy to understand. His messages circulated on various festivals between 2004 and 2009 through different magazines and websites are also included.

Prashna means "question". Uttara means "answer" and Vahini indicates "a stream". This book is the stream of the questions that have evoked answers from Bhagawan Sri Sathya Sai Baba. Among the tasks that Bhagawan has assumed while incarnating, He has declared as basic the one, which He calls, "The clarification and purification of the religious scriptures of mankind." Every Vahini emanating from Him has done this service to some aspect or other of the spiritual uplift of man. This Vahini is one of the earliest in the series, since it seeks to elucidate the fundamental concepts and precepts of religion, especially the technical words and expressions that seek to concretise them. Hitherto published as an Appendix to a single Vahini, the Gita Vahini, it is now placed in the hands of seekers as a key publication, helpful for readers of all the Vahinis. The Ancient Wisdom (Sanathana Dharma), the Perennial Path, has been communicated to posterity in words that have suffered distortion, devaluation, dilution, and denigration through the efflux of time and the controversies among commentators. Varna, Ashrama, Yoga, Sanyasa, Yagnya, Karma—these are interpreted by dialecticians and practitioners of varied schools and sects, in confusing and contradictory versions. Bhagawan has resolved these tangles. His exemplary love and patience sweeten not only every answer, but every question too, for He has, by posturing as the interrogator, made the clarifications full and fruitful.

The Buddhist Answers contains detailed answers for the critical philosophical questions asked about Buddhism. This book is a result of extreme hard work of the author, researching into the lengthy Tripitaka, the doctrine of Lord Buddha. This book intends to establish a rational basis to the Buddhist beliefs. Lord Buddha preached in 'Jnanasaara Samuccaya' that, 'As the wise test gold by burning, cutting and rubbing it (on a piece of touchstone), so are you to accept my words after examining them and not merely out of regard to me.' The author did his level best to avoid personal opinions but to provide coherent answers by directly referring to various discourses by Lord Buddha in Tripitaka. This book can play a vital role in the international propagation of Buddhism. Buddhist missionaries can use this book as a handbook to answer the various philosophical questions which they encounter.

Sri Shirdi Sai Baba (1838-1918), the first one in the trinity of Sai Baba Avatars (incarnations), was the incarnation of Lord Shiva. He led the life of an ideal Sufi saint begging for

Millions of readers have come to value the Conversations with God series by Neale Donald Walsch, which has now been translated into twenty-six languages. Many thousands of those readers have had questions for him--questions about religion, good and evil, physical and mental health, death, prophecy, the nature of God and the universe, prayer, angels and devils, spiritual paths, relationships, and much more. In Questions and Answers on Conversations with God, Neale, with characteristic wit and wisdom, responds to the most compelling and provocative of these letters; and the result is a book that is profoundly enlightening and inspiring. By relating the messages in the dialogues of CWG to the personal issues and everyday experience of individuals, Neale's answers illustrate the direct link between

spiritual and physical reality, clearly demonstrating how what we do and who we are in our lives is a result of how we think and what we believe. This book gives us all the opportunity to look at ourselves, to change ourselves, and thus, perhaps, to change the world.
