Though left uncompleted, "Kubla Khan" is one of the most famous examples of Romantic era poetry. In it, Samuel Coleridge provides a stunning and detailed example of the power of the poet's imagination through his whimsical description of Xanadu, the capital city of Kublai Khan's empire. Samuel Coleridge penned "Kubla Khan" after waking up from an opium-induced dream in which he experienced and imagined the realities of the great Mongol ruler's capital city. Coleridge began writing what he remembered of his dream immediately upon waking from it, and intended to write two to three hundred lines. However, Coleridge was interrupted soon after and, his memory of the dream dimming, was ultimately unable to complete the poem. He fasts for 40 days and nights, after which Satan tempts him with food, power, and riches. But Jesus refuses all these things, and Satan is defeated by the glory of God. A groundbreaking biography of Milton's formative years that provides a new account of the poet's political radicalization John Milton (1608–1674) has a unique claim on literary and intellectual history as the author of both *Paradise Lost*, the greatest narrative poem in English, and prose defences of the execution of Charles I that influenced the French and American

revolutions. Tracing Milton's literary, intellectual, and political development with unprecedented depth and understanding, *Poet of Revolution* is an unmatched biographical account of the formation of the mind that would go on to create *Paradise Lost*—but would first justify the killing of a king. Biographers of Milton have always struggled to explain how the young poet became a notorious defender of regicide and other radical ideas such as freedom of the press, religious toleration, and republicanism. In this groundbreaking intellectual biography of Milton's formative years, Nicholas McDowell draws on recent archival discoveries to reconcile at last the poet and polemicist. He charts Milton's development from his earliest days as a London schoolboy, through his university life and travels in Italy, to his emergence as a public writer during the English Civil War. At the same time, McDowell presents fresh, richly contextual readings of Milton's best-known works from this period, including the "Nativity Ode," "L'Allegro" and "Il Penseroso," *Comus*, and "Lycidas." Challenging biographers who claim that Milton was always a secret radical, *Poet of Revolution* shows how the events that provoked civil war in England combined with Milton's astonishing programme of self-education to instil the beliefs that would shape not only his political prose but also his later epic masterpiece.

Inside "Paradise Lost" opens up new readings and ways of reading Milton's epic poem by mapping out the intricacies of its narrative and symbolic designs and by revealing and exploring the deeply allusive texture of its verse. David Quint's comprehensive study demonstrates how systematic patterns of allusion and keywords give structure and coherence both to individual books of *Paradise Lost* and to the overarching relationship among its books and episodes. Looking at poems within the poem, Quint provides new interpretations as he takes readers through the major subjects of *Paradise Lost*—its relationship to epic tradition and the Bible, its cosmology and politics, and its dramas of human choice. Quint shows how Milton radically revises the epic tradition and the Genesis story itself by arguing that it is better to create than destroy, by telling the reader to make love, not war, and by appearing to ratify Adam's decision to fall and die with his wife. The Milton of this *Paradise Lost* is a Christian humanist who believes in the power and freedom of human moral agency. As this indispensable guide and reference takes us inside the poetry of Milton's masterpiece, *Paradise Lost* reveals itself in new formal configurations and unsuspected levels of meaning and design.

path to manhood. (The path, it seems, could be a rather long road.) Armed with only his wits and his diary, Spud takes us from illegal night swimming to the red-hot furnace of the cricket pitch, from ghostbusting to a catastrophic family vacation. He also invites us into the mind of a boy struggling to come to terms with a strange new world; a boy whose eyes are being opened to love, friendship and complete insanity.
