

Salad Days Oh So Fresh Ideas For Fabulous Salads

Discover the Way of the Salad Award-winning chef and Veganomicon coauthor Terry Hope Romero knows her veggies. In Salad Samurai, she's back to teach you the way of the veggie warrior, rescuing salads from their bland, boring reputation and "side" status with more than 100 vibrant, filling entrees. This is your guide to real salad bushido: a hearty base, a zesty dressing, and loads of seriously tasty toppings. Based on whole food ingredients and seasonal produce, these versatile meatless, dairy-free dishes are organized by season for a full year of memorable meals (yes, salad can rock even the coldest days of winter). Dig in to: Spring Herb Salad with Maple Orange Tempeh Deviled Kale Caesar Salad Seared Garlic Chickpeas, Spinach, and Farro Seitan Steak Salad with Green Peppercorn Dressing Herbed Pea Ricotta, Tomatoes, and Basil Mushroom, Barley, and Brussels Harvest Bowl Tempeh Rubenesque Salad Pomegranate Quinoa Holiday Tabouli Seitan Bacon Wedge Salad and many more! With designations for gluten-free and raw-ready options and recipes that are work-friendly, weeknight-ready, high-protein, and loaded with superfoods, Salad Samurai shows you the way of the salad: killer dishes that are satisfying, healthy, and scrumptious. Praise for Terry Hope Romero "This is exceptionally good food for vegans, vegetarians, and the rest of us who are trying to eat a more sustainable, healthy, plant-based diet." - Christian Science Monitor on Vegan Eats World "Exuberant and unapologetic...Moskowitz and Romero's recipes don't skimp on fat or flavor, and the eclectic collection of dishes is testament to the authors' sincere love of cooking and culinary exploration." - Saveur on Veganomicon

Witty, wise, and hope-filled, Five Fortunes is a large-hearted tale of five vivid and unforgettable women who know where they've been but have no idea where they're going. A lively octogenarian, a private investigator, a mother and daughter with an unresolved past, and a recently widowed politician's wife share little else except a thirst for new dreams, but after a week at the luxurious health spa known as "Fat Chance" their lives will be intertwined in ways they couldn't have imagined. At a place where doctors, lawyers, spoiled housewives, movie stars, and captains of industry are stripped of the social markers that keep them from really seeing one another, unexpected friendships emerge, reminding us of the close links between the rich and the poor, fortune and misfortune, and the magic of chance.

This book situates the production of The Boy Friend and the Players' Theatre in the context of a post-war London and reads The Boy Friend, and Wilson's later work, as exercises in contemporary camp. It argues for Wilson as a significant and transitional figure both for musical theatre and for modes of homosexuality in the context of the pre-Wolfenden 1950s. Sandy Wilson's The Boy Friend is one of the most successful British musicals ever written. First produced at the Players' Theatre Club in London in 1953 it transferred to the West End and Broadway, making a star out of Julie Andrews and gave Twiggy a leading role in Ken Russell's 1971 film adaptation. Despite this success, little is known about Wilson, a gay writer working in Britain in the 1950s at a time when homosexuality was illegal. Drawing on original research assembled from the Wilson archives at the Harry Ransom Center, this is the first critical study of Wilson as a key figure of 1950s British theatre. Beginning with the often overlooked context of the Players' Theatre Club through to Wilson's relationship to industry figures such as Binkie Beaumont, Noël Coward and Ivor Novello, this study explores the work in the broader history of Soho gay culture. As well as a critical perspective on The Boy Friend, later works such as Divorce Me, Darling!, The Buccaneer and Valmouth are examined as well as uncompleted

musical versions of Pygmalion and Goodbye to Berlin to give a comprehensive and original perspective on one of British theatre's most celebrated yet overlooked talents.

The Lettuce Diaries is a revealing and humorous memoir of being an entrepreneur in China, doubling as a primer for all seeking to do business there.

Molly O'Hara's young sister Nell is beautiful, spirited, and sweet, and the fact that she hasn't spoken for the last seventeen years--since she was eight--certainly doesn't reflect on her intelligence. After all, it's Nell who does the books for Enchanted Cottage Antiques, which she and her sister operate jointly. Truth is, Nell was home alone with their mother when the woman was murdered, and from that day forward Nell hasn't spoken. She understands, she can make herself understood; it's just that she doesn't utter a word. Rummaging in boxes at a tag sale, Nell comes across an old New York theater Playbill that will change the girls' lives. It will break the monotony of their rather lonely existence in the small North Carolina town from which they have never ventured--and will also shatter the peace they've managed to achieve there. It will send them rocketing to New York, to England, and to New England, in search of a family they didn't know they had. And it will introduce them--and the reader--to as zany a group of relatives as ever bickered over a dog show or a fortune. The cover of the program bears a photo of a lovely young actress in her first big part on the New York stage. And amazingly, the woman is their crusty old grandmother. But when they rush to question the old woman, they arrive to find that she has baffled the medical staff, who saw no reason to expect it, by dying in her bed. The sisters, and especially Molly, who is more stubborn and "goal-oriented" by nature, realize that somewhere they have a family. But in their town, the only sources of information are their stepfather, whom they almost never see--and he can't, or won't tell them much--and their natural father, who is married to a wealthy society woman and is embarrassed by his somewhat unconventional offspring and eager to shoo them away. So they determine to go off on a search of their own. Their travels bring adventure and exhilaration as they have the new and wonderful experience of seeing New York and London and meeting such exotic fauna as professional actors. But it also brings tragedy as "accidents" occur around them, starting with a fatal explosion in their house when they are away. These are dauntless young women, though, and charming ones, and the reader will very much enjoy going along with them on their eye-opening journeys, and will root for them all along the way.

"New Uncommercial Samples" by Charles Dickens. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

For fans of Veronica Mars and Nancy Drew! Jane Day's a twenty-something temp-by-day, detective-by-night...and also sometimes during the day (don't tell Chad). Jane straddles two worlds: Reality - in boring grayscale - and her Imagination - in full, vibrant color. Jane uses the fantasy to cut through the tedium, living as much inside her head as out. Her wheelhouse is the weird. Not necessarily the macabre, but just the...strange. Collecting the first two volumes, several years of the P.I. Jane webcomic, into a mighty voltron of pop culture references and pro-am investigation, The Salad Days takes you for a ride--along on such cases as bootlegger minors, fun at the roller derby, a trip to River Heights to get Jane's Nancy Drew on, plus visits from favorites Pie and Cake. All the bonus stuff from volumes one and two are here - commentary, pencils 'n inks, pop culture glossaries, character design, Pie v. Cake a-plenty, guest contributors and more! So re-meet Jane Day...again...for the first time with The Salad Days.

"Fans of The Venture Bros. or Buffy will enjoy the humor of this comic and will want to catch up on the fun that is P.I. Jane!" - Crisp Comics "A sassy webcomic with plenty of pop." – Comic Book and Movie Reviews.com A Caliber Comics release.

New Stories from the Midwest presents a collection of stories that celebrate an American region too often ignored in discussions about distinctive regional literature. The editors solicited nominations from more than 300 magazines, literary journals, and small presses and narrowed the selection to 19 authors. The stories, written by Midwestern writers or focusing on the Midwest, demonstrate that the quality of fiction from and about the heart of the country rivals that of any other region. Guest editor John McNally introduces the anthology, which features short fiction by Charles Baxter, Dan Chaon, Christopher Mohar, Rebecca Makkai, Lee Martin, and others.

Beautiful Salads presents 70+ recipes for healthy, organic, seasonal salads and dressings to make and enjoy year round.

Goodbye Salad Days tells the story of Kevin, a regular hamster in a familiar quarter-life crisis. Kevin's got his own hamster-sized home, hamster-sized furniture, and the soul-crushing societal expectation to do adulthood right. Both adorable and painfully relatable, this book is sure to hit a soft spot in any reader trying to make the best of growing up and facing adulthood. • Features 25 scenarios with short captions • Filled with full color photographs of Kevin in handmade dioramas • At once perfectly weird and very relatable, making it a great gift Life for Kevin means enduring the grind of work responsibilities, an aching body, and mounting pressure from his parents to start a family, among other things. This sweet and funny book is a great gift or self-purchase for anyone hitting their quarter-life crisis and in need of some relatable laughs. • This hilarious and cute book is for anyone who has experienced (or is about to experience) these moments of loss and despair, and need a good laugh or a pick-me-up • Also a great gift for anyone who loves hamsters—especially funny photos of them • Author Traer Scott is a celebrated animal photographer and has had work featured in National Geographic • Add it to the shelf with books like Henri, le Chat Noir: The Existential Musings of an Angst-Filled Cat by William Braden, The Secret Life of Squirrels by Nancy Rose, and Awkward Family Pet Photos by Mike Bender and Doug Chernack.

This collection of poems is meant to be read over a cup of coffee on a table for two. But really they can be read anywhere and anytime if only you would read them. They speak of have-not times when words refuse to brew. They speak of love and sorrow, raindrops and the memory trail – and the dreams forever taboo. But remember – the poems are not for everyone; they are for friends alone.
