The Best of Sally Wentworth Sally Wentworth,1984

Mornings in Jenin Susan Abulhawa,2010-02-15 A heart-wrenching novel explores how several generations of one Palestinian family cope with the loss of their land after the 1948 creation of Israel and their subsequent life in Palestine, which is often marred by war and violence. A first novel. Reprint. Reading-group guide included.

Eve of the Fae E. Menozzi,2018-10-02 When faerie tale dreams come true, nightmare creatures can be deadly. Eve doesn't believe in magic or fate. But when her carefully ordered life begins to unravel, she starts dreaming about the Faerie Queen depicted in a tapestry that hangs at her uncle's family estate in England. The dreams rekindle her passion for history and give her a new plan for her future. Step one in that plan is a Christmas visit with her aunt and uncle at Lydbury Manor that she hopes will earn her an internship with her uncle. Unfortunately, a mysterious handsome stranger is also living at the manor and says he's her uncle's secretary. Liam has been cooped up in Lydbury Manor masquerading as a human for far too long, at least as far as the Fae High Court is concerned. He knows he's close to locating the magical artifacts that will help the Fae destroy the leader of the Wild Hunt. He just needs a little more time. What he doesn't need is Oscar's niece showing

up, asking questions he isn't allowed to answer. If he allows her to distract him, the Hunt will ride again at the winter solstice, laying waste to the remaining Fae. As Eve's suspicions about Liam bring her closer to discovering his secrets, the pair are forced to decide between fighting their mutual attraction, or surrendering to a forbidden love that will threaten both their lives. If you like fantasy worlds, adventure, and suspense, don't miss this award winning I Heart Indie Contest, Heart to Heart Contest, and Daphne du Maurier Award finalist!

Because They Wanted To Mary Gaitskill, 2012-03-13 A collection of startling and breathtaking stories about people struggling with the disparity between what they want and what they know. A New York Times Notable Book A man tells a story to a woman sitting beside him on a plane, little suspecting what it reveals about his capacity for cruelty and contempt. A callow runaway girl is stranded in a strange city with another woman's fractiously needy children. An uncomprehending father helplessly lashes out at the daughter he both loves and resents. In these raw, startling, and incandescently lovely stories, the author of *Veronica* yields twelve indelible portraits of people struggling with the disparity between what they want and what they know. *Because They Wanted To* is further evidence that Gaitskill is one of the fiercest, funniest, and most subversively compassionate writers at work today.

The Essential Whole Earth Catalog, 1986 Taking its place beside the instant classic bestseller *The Whole Earth Catalog*, this new, practical, comprehensive and profusely illustrated guide will prove invaluable to all consumers looking for a quick, efficient route to the very best information. Over 1,000 black-and-white illustrations.

To Have And To Hold Sally Wentworth, 2012-07-01 Wedlocked! A runaway wife Alix North had fallen in love with Rhys Stirling the first time she had met him. Now Alix's dream was about to come true Rhys had asked her to marry him. Rhys Stirling was an ambitious man, and the only thing that stood between him and a directorship was his single status. Of course, that was easily remedied. He'd known Alix all his life she was the perfect choice. Alix isn't going to accept anything less than his love. It's only after Alix leaves him that Rhys finds that he's fallen in love with his own wife! Ms. Wentworth's talented writing comes through *Romantic Times*

MARRIAGE BY ARRANGEMENT Sally Wentworth, 2011-07-15 In name only? Red McGee hadn't got her nickname for nothing. Her hair was as red-hot as her temper. Linus Hunt didn't particularly like her hair or her temper. He liked his life calm, orderly and businesslike. And Red was disorderly, chaotic and...well, just too passionate! She had a tendency to act on impulse—but when Red told her father that she was engaged to Linus Hunt, she never dreamed that fiction would eventually become fact! Linus, it seemed, had already decided that an engagement would be a very convenient arrangement for them both! Unforgettable reading.—*Romantic Times*

Steven Berkoff Plays 1 Steven Berkoff, 2014-09-04 Steven Berkoff is a phenomenon. Among the artists working in the theatre today he is probably the most theatrical - his special combination of speech, movement and spectacle is uniquely

powerful. This first collection of his plays includes *East*, described by Berkoff as 'an outburst or revolt against the sloth of my youth and a desire to turn a welter of undirected passion and frustration into a positive form'. Also included in this collection are the plays *West* and *Sink the Belgrano!*

RUNAWAY FIANCEE Sally Wentworth, 2011-07-15 Bring back my bride! It should have been the wedding of the year.... Instead, his beautiful fiancée was in another country, celebrating her engagement to another man—and she had no memory of ever agreeing to marry Milo Caine! It had taken him a year to track her down. Now Milo just had to find out why Paige had run away one week before their wedding—and to convince her that he was the man who should be exchanging vows and cutting the cake with her! **THE BIG EVENT** One special occasion—that changes your life, forever!

Tempestuous Reunion Lynne Graham, 2014-04-15 In this classic contemporary romance by a USA Today-bestseller, an arrogant tycoon's former mistress struggles to keep him out her life—and their son's. Once, Luc Santini's inherent sensuality had been Catherine Parrish's downfall. For two years she had loved him unconditionally, until she realized that this impossibly rich, and infuriatingly powerful man regarded her as a possession! Catherine fled her gilded cage, keeping her pregnancy a secret . . . until now. Fate has placed Luc back into her life. He doesn't know about their child . . . and Catherine intends to keep it that way. But will she surrender to his erotic demands—and risk losing herself in a whirl of desire—to protect her son? Originally published in 1991.

East Steven Berkoff, 1977

Rightful Possession Sally Wentworth, 1986 To get her young brother out of serious trouble Genista needed a lot of money - and the one person who could help her was the enormously wealthy tycoon Marc Kiriakos. He agreed to help - but of course he wanted something in exchange, and what he wanted was Genista for his wife. He explained that it was a matter of convenience: he needed someone who would act as his hostess and also protect him from all the other women who were pursuing him. Genista had taken it for granted that he meant the marriage to be in name only, but it seemed she had been over-optimistic ...
