Each of the twenty-two tales in this enchanting collection is a surprise and a delight, melding the poignant and the possible with the outrageous, the magical, and, sometimes, the eerily haunting. Wolf men, dolphin women, defiant old ladies, and middle-aged manufacturers of erotic leatherwear -- in *Jigs & Reels* the miraculous goes hand in hand with the mundane, the sour with the sweet, and the beautiful, the grotesque, the seductive, and the disturbing are never more than one step away. Whether she's exploring the myth of beauty, the pain of infidelity, or the wonder of late-life romance, Joanne Harris once again proves herself a master of the storyteller's trade.

The 2012 GCSE English results prompted significant controversy, which ultimately resulted in an application for judicial review. This report sets out the background to these events and identifies lessons to be learned. The problems with GCSE English can be traced back to the 2007-09 development phase of the qualification- in particular the turbulence which resulted from the shift away from a mostly linear to a modular system, combined with a high proportion of controlled assessment and generous marking tolerances. Exam board experts raised concerns at the time, but these were not acted upon by the regulator (the then-interim

Ofqual). Further difficulties arose because of pressures from the school accountability system. The problems experienced with GCSE English in 2012 highlighted serious weaknesses in the moderation of speaking and listening, with consequences for grade awarding. The current status of Ofqual, as an independent regulator accountable to Parliament, is the right one. However, the Coalition Government is bringing in wholesale changes to GCSEs and A levels, to a tight timetable and at the same time. Ofqual must have systems in place. The Committee is also concerned that there is a rush towards separate exam systems for England, Wales and Northern Ireland, without careful reflection on what might be lost, or consensus that this is the right thing to do.

What does it mean to be a sporty woman in the 21st century? From the launch of Net-A-Sporter, serving up sports clothing for fashionistas, to the introduction of #plankie as the new Instagram selfie for yoga bunnies; exercise for women has finally gone mainstream. But if sweating has never been so hot for female celebrities, then why are there still so many obstacles for girls and women when it comes to sport? Why do girls still hate school sports lessons? Why is sport consistently defined as male territory, with TV cameras replicating the male gaze as they search out the most beautiful women in the crowd? Will women ever flock to watch football, rugby and boxing in their millions? Or turn up to the park with friends for a Sunday morning kickabout? How long do we have to wait to see the first multi-millionaire female footballer or basketball player? Eat. Sweat. Play is an engaging and inspirational work by sports writer Anna Kessel. PRAISE FOR EAT. SWEAT. PLAY "Anna Kessel's book should inspire a whole generation of women. It ought to be on the school curriculum." Hadley Freeman "Fascinating, compelling and thought-provoking" The Pool "A piercing call to arms, [Anna] argues that if women and girls embrace being active, it will lead to a sea change for women's bodies, self-image and outlook. It is brilliant." The Stylist

As if by Devil's fingers
And the wind that never ceases,
Like a chorus from the dead.
Those who lived here it's for certain,
would grow dark and tortured too'

young Mary Yellen soon discovers mysterious goings-on in the dead of night. But worse is yet to come as Mary finds herself helplessly ensnared in the deadly activities taking place around her. The Guide has been written primarily for students of GCSE English Literature as specified by AQA in the post-2015 syllabus (8702). It addresses the requirement to study one cluster of poems taken from the AQA poetry anthology: Past and Present and the requirement to analyse and compare Unseen Poetry. The Guide covers all the poems in both the "Love and Relationships" and the "Power and Conflict" clusters in the Anthology. The poems are explored individually, and links and connections between them are drawn as appropriate. The format of each exploration is similar: * An explanation of key features of the poem that require contextual knowledge or illustration and the relationship between the text and its context. * A summary of the key themes of the poems, with a note on possible connections and links to other poems in the cluster* A brief summary of the metric form, rhyme scheme or other structural features* A "walk-through" (or explication) of the poem, ensuring that what is happening in the poem is understood, how the rhythm and rhyme contribute to meaning, an explanation of the meaning of words which may be unfamiliar, an exploration of language and imagery and a comment on main themes.
