501 Synonyms and Antonym Questions is designed to help students prepare for the verbal sections of most assessment and entrance exams. The book increases a student's vocabulary and refines their knowledge of words, bringing about higher standardized test scores and more effective verbal and written communication. Questions in this book prepare students for the synonym and antonym problems found on most standardized tests-including high school entrance exams, the SAT, civil service exams, and the GRE. The book increases in difficulty as students move through each exercise. All answers are explained, featuring short definitions and terms that clarify word meanings and their opposites for effective studying and positive reinforcement.

The Upside-Down Magic kids are back in another topsy-turvy adventure in the next installment of this New York Times bestselling series! It's Big Night in Dunwiddle . . . and that means the whole school has a sleepover like no other. For one night every year, magic students run through the halls, hunting for the objects that will win them a super special prize. Nory is super excited for the scavenger hunt. Not only because she likes winning, but also because if her team wins, she thinks there's a chance her best friend Elliott won't move away to attend super snobby Sage Academy. Sebastian is a little less excited once the hunt is on. Yes, he has magical powers that help his team -- like being able to see invisible things or anything that makes a sound. The problem is that the really loud sounds are hurting him . . . and nobody

seems to care. The kids in Upside-Down Magic know their five F's (Flares, Flyers, Fuzzies, Flickers, and Fluxers) -- but to win this night, a sixth F is the most important . . . Friendship.
