The Catholic Church acted as a mediator during social and political change in several Latin American countries from the 1960s through the 1990s: the Dominican Republic, Bolivia, Guatemala, Nicaragua, and El Salvador. Although the Catholic clergy was called to mediate in political crises in all five countries, in the Dominican Republic the Church's role as mediator was eventually institutionalized. A historical examination of church-state relations and case study of the Dominican Republic leads into important regional comparisons that broaden our understanding of the Catholic Church in the whole of Latin America.

Intended as a parody of the most popular escapist fiction, the 'books of chivalry', this precursor of the modern novel broadened and deepened into a sophisticated, comic account of the contradictions of human nature.

Bestselling authors, sensational lecturers, documentary filmmakers, amateur archaeologists, spies for FDR—Dana and Ginger Lamb led the life of Indiana Jones long before the movie icon was ever scripted. "We blaze the trail," Ginger said, "and the scientists follow." The Enchanted Quest of Dana and Ginger Lamb is the first biography of this captivating, entrepreneurial couple. In southern California, they started married life in 1933 by building a canoe. With only \$4.10 in their pockets, they paddled to Central America and through the Panama Canal. Three years later they returned triumphant, bearing a photographic record of the amazing trek that made them famous. After releasing their bestselling book, Enchanted Vagabonds, the two became exactly that. They relentlessly lectured for the public and mooned for the media until they were able to fund more exotic voyages to remote jungles and rivers. So convincing were they on the circuit that their most powerful fan, President Franklin Roosevelt, coerced J. Edgar Hoover into hiring the Lambs as spies in Mexico. After World War II, they launched their Quest for the Lost City, which yielded another book and documentary. Drawing on historical records, the Lambs' books and letters, and recently declassified espionage documents, biographers Julie Huffman-Klinkowitz and Jerome Klinkowitz show how the Lambs succeeded in marketing their conquests and films to armchair explorers around the world and how they became, in popular imagination, the quintessential American adventurers.

There are many forms of witchcraft. In some cases, it involves conjuring up demons from hell and dispatching them to churches or individuals to cause envy, strife, and confusion. Spirits of delusion (which will cause a false belief or opinion, meant to mislead; deceive or trick) are a strong tool used in witchcraft. I've found in my fifteen years of

ministry, that a spirit of delusion can destroy a marriage. For example, it will cause suspicion and false accusations to be made by one spouse against the other. In the church, divisions between Pastors and members can result when this spirit is loosed to attack the pastor. Many pastors have been hurt, deceived, misused and had their churches split as a result. God gave me the assignment to write this book to enlighten the Church on the operation of witchcraft, so the body of Christ would not have to suffer these attacks any longer. We have the power through Christ Jesus to destroy these works and to stop them. If one can put a thousand to flight, and two can put ten thousand to flight, just think what the whole body of Christ can do.
