A portal is rarely a standalone solution, so what happens if you have to manage multiple portal solutions in global, distributed SAP system landscapes? There are many questions that arise, including: Which location is best suited to store the data? Where and how should users be managed? How can you ensure access control to different portal contents? How can the system's multi-lingual capability be guaranteed? All of these important questions as well as many others are diligently answered in this comprehensive and highly-detailed technical guide, which systematically introduces you to central topics concerning the structure and operation of a global SAP portal solution. With hands-on, technical descriptions and a common sense, case-study focused approach, the authors ensure that no stone is left unturned.

SAP S/4 HANA Production Planning and Manufacturing Certification Questions These questions are similar to the ones asked in the actual Test. How should I know? I know, because although I have been working as an SAP HANA & SAP PP Consultant for many years, I have myself recently certified with the latest version of the Associate Certification test. Before you start here are some Key features of the SAP Certified Application Associate - SAP S/4 HANA Production Planning and Manufacturing Certification Exam. This certification exam verifies that the candidate has the knowledge required in the area of SAP S/4 HANA Production Planning and Manufacturing. This certificate builds on the basic knowledge gained through related SAP HANA and SAP Production Planning and Manufacturing training and preferably refined by practical experience within an SAP HANA Production Planning and Manufacturing project team, whereby the consultant applies acquired knowledge in this specialist area practically in projects.. The exam is Computer based and you have three Hours to answer 80 Questions. The Questions are (mostly) multiple choice type and there is NO penalty for an incorrect answer. Some of the Questions have more than one correct answer. You must get ALL the options correct for you to be awarded points. For questions with a single answer, the answers will have a button next to them. You will be able to select only one button. For questions with multiple answers, the answers will have a 'tick box' next to them. This allows you to select multiple answers. You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system). Clearing the Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you. So if you have little or no experience, you should get yourself certified, get some project experience, and then the whole of the SAP World open for you to explore. Helping you with the first step on you

ladder to success is this book! Some UNIQUE features of this Book: - There is NO Other material in the market for the SAP Certified Application Associate - SAP S/4 HANA Production Planning and Manufacturing exam. - The author has himself cleared the exam. - All questions are multiple choice format, similar the questions you will get in the actual exam. - Over 125 authentic questions, testing the exact same concepts that will be tested in Your exam!

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when •

coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together
