The esoteric knowledge presented here, represents what are in my belief, some of the most carefully guarded, heavily veiled, and least understood secrets of biblical wisdom traditions. Many have stumbled upon this knowledge without necessarily grasping just what the full implications this knowledge means for unlocking and deciphering the riddles of our Holy Bible as bestowed upon us by our Father Yahweh through the line of prophets and even His only begotten Son Yahushuah Savior Messiah. The secret that unlocks all things biblical is knowledge that Cain was a child of Eve and Lucifer and not the first born son of Adam. Understanding that there are two blood lines upon the planet and that these two bloodlines have been warring with one another since the inception and dawning of humanity upon this world will help one to decipher this critical theme as it plays out through the totality of all available scripture, from the fall to soon coming judgment.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Biblical END TIMES prophecy is one of the most influential and pervasive beliefs of human history. It has been with us for thousands of years, is delicately woven into society's fabric, and is the foundational basis for the belief in the divine right of kings and other civil authority. Religious institutions promote the divine right of kings concept, and the ruling elite are seldom shy about playing their expected roles, even if they may resent the inherent implication of being second best. Many of the ruling elite, whether operating in the public domain or behind the curtain, appear to be working diligently at dethroning God and elevating themselves to the position of being the all-wise and omnipotent benefactors of all things good and the honored recipients of our undivided loyalty. This book entices the reader to explore a nearly universal but rarely challenged belief and the implications it has had and continues to have on our liberty. The Wallaces are your average Joe and Jane, but they were blessed with an insatiable curiosity, a passion for the subject matter, and a skeptical view of secular and religious authority. They were both raised in very similar, conservative, church-going families during the '50s and '60s and embarked on their own lives in the '70s, taking their inherited core values and belief systems with them as they entered adulthood and assumed their places in the world. The authors don't have a portfolio of educational degrees or extensive writing credentials, but they are, nonetheless, eager to let their book speak for itself. The Wallaces live in southwestern Colorado.

Each chapter of this book will examine different aspects of the Antichrist, the seed of the serpent, using a steady foundation of biblical testimony with supporting evidence from non-canonical, historical, rabbinical, and occult sources.

Avoiding sensationalism and date-speculating, respected Bible teacher Amir Tsarfati uses his unique perspective as an Israeli Christian to lead you through a fascinating modern-day description of God's plan for the end of the world. Grounded from start to finish in Scripture, the book reveals how the Rapture, the imminent rise of the Antichrist, and the tragic horrors of the Great Tribulation will play out in our world today. He also helps you understand the roles--and fates--of Russia, Iran, Syria, Turkey, the European Union, the United States of America, and Israel in the end times, showing just how biblical prophecies are being fulfilled in our time. But above all, he offers hope that in the midst of chaos and horror, God is ultimately in control, and those who belong to him will be safe with him.

THE SERPENTS SEED expounds upon a Biblical doctrine that is essential for the proper understanding of both the Scriptures and the present day, but which has remained obscured for the past fifteen hundred years. And the doctrine is this: that since the creation of man we have been at war, not only against Satan and his corruptive influences, but against the literal offspring of fallen angels and mortal women. These hybrid creatures reigned during the days of Noah and Abraham, battled Joshua and King David for control of Israel, tormented the Jews during the time of Jesus, and continue to roam the earth even today. Our society, even our church, has fallen under the sway of these ancient and terrible beings. Thus The Serpents Seed was written so that we might not depart from the faith, giving heed to seducing spirits, and doctrines of devils (1st Timothy 4:1).

George Whitefield was a man of God who helped to usher in massive revival throughout young America. A fiery preacher who would weep for his hearers while preaching to them, was one who sought after truth and proclaimed the way of life till the end of his life. Though some may disagree with his stance on calvinism, little to none can deny his passion for his Lord Jesus Christ. May this book provoke you unto deeper righteousness as "deep calls unto deep".

Joel Rufus Moseley (1870–1954) is one of the forgotten twentieth-century champions of American Pentecostalism. A brilliant scholar and university professor, he left the accolades of academia and searched a number of spiritual paths until he embraced Pentecostalism in 1910. Thereafter he began a lay ministry to the down-and-outs of society, openly campaigning against capital punishment, for racial desegregation, and above all else for living a life in the Holy Spirit he described as "Life as Love." He blazed a path that was to influence (and confound) many Pentecostal leaders of his time, provided an example to those who would lead what become known as the Charismatic Renewal, and enjoyed a life of joy one rarely encounters. A contemporary version of St. Francis of Assisi, Rufus Moseley shunned position, power, politics, religious titles, and seeking after wealth in favor of following simplicity and depth of spiritual life. Like his thirteenth-century counterpart, he lived a life of gratitude, of "littleness," and above all, love. Moseley offers encouragement as well as reproof to the contemporary charismatic movement to again seek the simplicity that is in Christ.

Will Israel and the U.S. be destroyed or partially destroyed in 2012-2019 or 2026-2030 and beyond and Muslims, Catholics and communism take over most of the world? Were there strange things going around the sun, the moon changing degrees and phases, stars that aren't where there suppose to be and the magnetic poles changing mostly reported secretly in 2001-2011? Did NASA or scientists and astronomers brush the pictures of them away so not to scare people? Did the Bible Code predict strange behavior of the moon in 2011? Will a great tidal wave hit the U.S. East Coast in 2012-2019 and Yellowstone Park super volcano erupt or a comet or asteroid hits the earth or Ocean in 2026-2030 and utterly destroy the entire United States if it still around after the war of 2012-2019? Will the Muslims, communism and Catholics persecute Christians, Americans and Jews all over the world bringing them before Kings and have them sent to prisons and torture and killed if they don't deny Christ and convert to Islam? Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U.S. are destroyed and no Rapture or end or Second Coming of Christ happened? Several of the Bible prophecies predict God will not make a full end of the U.S., Israel and the world at this time and pockets of people and nations may or may not survive. God may save the U.S., Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers. But if they don't then these events may start to happen. This book was written by June 12, 2012.

Through the unique format of this text, David has given the answers to nearly six hundred questions that have plagued many regarding the book of Revelation. The product of his work is a book that addresses these concerns and amplifies the need for one to have a personal relationship with God. The following is just a sample. If Babylon was destroyed by the Persians, how can it be destroyed again? How important are truth and justice today? But what is justice when it comes to God and us? Just what does it mean to fear God? Exactly who are the beast and false prophet? When one thinks of heaven, what is the picture that comes to mind? How many people can heaven hold? If over 2,000 years have passed without Christ's return, what assurance is there that He will return?

This latest contribution to the understanding of the Bible's final book will be a welcomed addition to anyone's personal library. The author is quick to admit that Revelation has many strange images and perplexing elements. However, he is just as quick to stress that these images and elements are not the focus. The Apostle John, in writing this apocalyptic volume, centers the attention on Jesus Christ, the only hope for those who have accepted Him as Lord and Savior, as well as those who still need to. Many people know Revelation for its striking, confusing symbolism. Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible. Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament, especially the book of Daniel, as the foundation for decoding Revelation's "mysteries." As Bible prophecy continues to unfold, and this world continues to unravel like a cheap sweater, the frustration and turmoil that ensues will dissipate by the encouraging tone of this book. Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb/King around whom its messages revolve.

Something ominous is coming upon the world: it is Satan's final effort in the battle to destroy the image that man was created in, which has been raging since the beginning of time. If Satan can destroy the image, then he can avert his own destruction. The prophecy of Genesis 3:15 states the serpent will one day mix his seed with humanity as a counterfeit of the Messiah. Jesus told us that the last days will be like the days of Noah when fallen angels mixed their seed with humanity. In the Book of Daniel we read that "they" will again mingle with the seed of men. How so? Satan will use man's desire to be his own god to deceive him into believing the ultimate lie - that his fallen messengers are both the creators and saviors of man. He will not do this openly but will deceive mankind through demons which are masquerading as "aliens" who are spreading the message that the inhabitants of the earth can evolve to be like them and obtain transcendent powers. Finally, the seed of the Serpent will come; he will be a man who will be greater than his fellows, who will understand sinister schemes and shall rise up and become the Antichrist. That day of fulfillment is nearly upon us!

The legend of Lilith is undoubtedly the most fantastic of all ancient rabbinic myths. According to lore, God created her from dust alongside Adam. However, Lilith was a failed mate. She was not animated by the breath of God like Adam. Rather she was preemptively animated by a Satanic mist which erupted from the ground. Lilith rebelled against Adam and became the infamous Serpent who deceived Eve and caused Adam to fall. Therefore, God established eternal enmity between the Serpent Lilith and Eve and between their seed. Lilith's seed would bruise the heel of Eve's promised seed, Messiah, but Eve's seed would revive to crush Lilith's head. This book reveals 23 Biblical evidences that prompted ancient rabbis to conclude the various elements of Lilith's legend. It also explains how her legend is completely consistent with traditional Judaic / Christian teachings on the Bible's redemptive message. Her legend solves many ancient Biblical mysteries, such as why the Serpent bears seed like Eve.

Perhaps no Christian prophecy carries with it the drama and intrigue than that of the coming of the Antichrist, history's quintessential demonic tyrant. His brief but terrible reign is to come at the climax of a spiritually dark age in man's history. Indeed, the 20th century alone saw three popes comment on the appearance and rise of the Antichrist—Pius X, Paul VI and John Paul II—fueling speculation that his reign was near. Today, as the world sinks deeper into moral depravity and intellectual confusion, talk of the Antichrist's rise again fills the air. Christian leaders believe this is because the signs of his coming—heresy, apostasy, and iniquity—have reached unparalleled levels. So is the coming of the Antichrist right around the corner? In this powerful

book, Antichrist and the End Times, Fr. Joseph Iannuzzi takes a hard look at this prophecy, its history, and the conditions necessary to bring about its fulfillment, offering readers a unique glimpse at an eschatological mystery rooted in the Book of Revelation. This is a book you won't be able to put down!

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

The Bible says that there was a beginning of things, and that there will be an end. Near the end we will see a hero and a villain arise, the son of God will battle the son of Satan. The prophecies in the Bible have a great deal to say about this, but one prophecy has been overlooked... until now. "I will explain to you the mystery of the beast who once was, now is not, and yet will come. This calls for a mind with wisdom (Revelation 17: 7- 9)." Here we are told that the Beast, the son of Satan, once lived, but at one time he was not alive, and that he would live again. The Beast will seem to recover from a fatal wound (Revelation 13: 3). Not a nearly fatal wound. He will seem to recover from death! In the end times he will be seen to rise from the grave in imitation of Jesus Christ. Who was the Beast? But more importantly, why is that mysterious fraternity of Freemasons preparing to come to his aid? We will examine their own writings and rituals to confirm that they are devoted to the Beast who once was.

Volume seven of the Antichrist Septenate takes up issues crucial to our understanding of the final events preceding the return of our Lord and Savior Jesus Christ

It is critical in this day of discovery and augmented scientific knowledge that we come to an accurate balance of understanding between foundational science and foundational religion. We are facing a technology that is moving at enormous speed. We need to understand the precarious status of humans as we enter and live through the future technology era that is upon us. Humanity could be negatively affected by technology either unintentionally or by design. As we move forward, ethical and moral decisions will be confronted as to how we manage AI (artificial intelligence) robots, avatars, and the huge data-gathering process associated with the tech industries being formulated at this moment. Controversy will rage, but solutions will percolate. The truth is, you and I are "the product" in the new global technology paradigm, and our information will feed AI, "the data-eating beast." Pandora's box is open. Science and technology are leapfrogging forward at an exponential pace. There is no mechanism to stop it...except God! God's

children are weighted and wired for spiritual success. True doctrines and ordinances of the Gospel of Christ fortify faith and give Christians hope in His return. Spiritual development and power comes to those who are prepared and willing to stand with Christ. The fuller blessings may be ours in spite of the underlying challenges. Perhaps it is fortunate that we live in the fullness of time and the fast-approaching premillennial era. The righteous will be saved in life or death. Some may be blessed to witness the glorious Second Coming of the Savior.

Of the many signs suggesting that the Lord's return is near, two in particular are of great interest and have major implications for American Christians. (Social Issues)

This book reveals the mystery that was hidden in God before he created heaven and earth. It is the mystery of Gods kingdom coming to earth as he has declared to his servants, the prophets. Because Father God loved the world, he sent his firstborn Son, Jesus Christ, to reveal this mystery of Gods kingdom exclusively to his apostles who he chose to preach the gospel (good news) of Gods kingdom throughout the earth. Jesus said this gospel would be preached during the end-times of Gods cleansing salvation work to cleanse and save the world from the corrupt workings of the devil that have polluted and corrupted the world with violence and wars and all manners of wickedness. The good news of Gods kingdom is Gods message of universal salvation for all mankind regardless of what men may believe or think. Gods kingdom is the ultimate new world that will appear on earth.

Jesus left the infant Church with a Commission to make disciples of all the nations, and a promise that the Holy Spirit would guide us into all truth and show us things to come. As the Pillar of Cloud and Fire led the Israelites to the Promised Land, so the Holy Spirit has led the Church into an unfolding revelation of Truth. Looking back on Church history and the history of Israel in the Bible we can see that God is guiding us according to the pattern He established in Israel. This shows that the Church is soon to move into times of Victory and Glory as we follow the Cloud of the Spirit.

I was asked recently why I decided to write this book when there are numerous "famous" authors on the subject? The question took me by surprise, but as I pondered my reasons, my response was two-fold: - I wanted to write a book that the general public (lay persons) could read with a high degree of comprehension, using word structure that is common in everyday language. - I wanted the book to lend itself to being used as the material for a detailed Bible study on the end-times. I am currently working on a journal to complement the book. As the reader works through the chapters of this book, he/she will discover: - how Daniel's prophecies predict the seven years of Tribulation. These prophecies serve as the backbone of this book; - why Christ chose the seven churches in chapters 2 and 3; - details about the rapture . . . when it will occur, who is involved" "Don't be left behind; - details of the Judgment Seat of Christ; - details of the Four Horsemen of the Apocalypse; - description of the Seven Seals, Seven Trumpets, and Seven Bowls" "when they occur, their devastation and purpose; - the Antichrist" "discussed in detail; - details about the great revival during the first months of Tribulation; - who the two witnesses are and their purpose during the first half of Tribulation; - details regarding the Marriage Supper of the Lamb; - fascinating details of the Glorious Appearing and Armageddon; - surprising revelations about Satan; - details of the Judgment of the Sheep and Goats and the Great White Throne Judgment; - fascinating details about the

Millennial Reign of Christ; - how many Books of Life exist. Are there more than one? - a full discussion of the New Heaven and New Earth; - the author's "time line" of events that happened during the seven-year Tribulation Period and beyond.

The Christian world is awaiting the Second Coming of Christ to take the Bride of Christ with him in glory, which we call Rapture. There are many explanations from various quarters. The First Coming of Christ is past. The Third Coming will take place when Christ, the son of David comes down on the Mount of Olives to rule the earth for a millennium. The Second Coming is on. The author Bro. Deva Evu Lawrie had had an experience of peace with God early in life at the age of eight. He had been a keen observer in the ministry of his father. He was a student of the famous Madras Christian College, Tambaram, Chennai. He became a full-time minister of religion when he was eighteen. He had been working with his dad since then. There was a great turning point when his dad, Bro. Paulaseer Lawrie, was preaching at Chicago, USA. He had a great experience of God coming down into him when man first landed on the moon on July 20, 1969. The sky opened, and he could see and feel a great and terrific power enter into his life (Luke 3: 21-22). In these pages, Bro. Deva Evu Lawrie, the author, shows that most of the prophecies and things concerning the Second Coming have been fulfilled in the ministry of Bro. Paulaseer Lawrie of India. He cites mostly from the Holy Scriptures. He wants the readers to go through the book carefully so that they do not miss the glory that God had foreordained for us in this generation.
