An outrageously funny novel of adventure, sex, corruption, and crime from one of the greatest British authors of the twentieth century. Michael Cullen is proud to be a bastard. His first memories are of the war, when his mother welcomed every soldier in Britain into her house, and young Michael hid beneath her bed to let the rocking of the springs lull him to sleep. By the time he's eighteen, he's got a pregnant girlfriend, and is staring down a long life of working-class respectability that simply makes him sick. So Michael says goodbye to his girlfriend and his home in Nottingham, and hits the road for London, where he will make his fortune—or die trying. From the nightclubs of Soho to the depths of London's underworld, Michael can't help but get into trouble. But whether he's chauffeuring a vicious gangster or smuggling gold bullion across the channel, he never stops having a wonderful time. Indeed, Michael is something else entirely: a happy bastard with nothing to lose. A rollicking picaresque novel by the legendary author of such classics of kitchen sink realism as *The Loneliness of the Long-Distance Runner* and *Saturday Night and Sunday Morning*, *A Start in Life* is one of the funniest British novels of the twentieth century. *A Start in Life* is the 1st book in the Michael Cullen Novels, but you may enjoy reading the series in any order. "A Start in Life is, for my money, the best novel that Sillitoe has yet written." —New Statesman "The kind of hilarious nonsense that keeps you riveted to deck-chair or arm-chair, depending on the season." —The Daily Telegraph Praise for Alan Sillitoe "The master of British verbal architecture." —Rolling Stone Alan Sillitoe (1928–2010) was a British novelist, poet, essayist, and playwright, known for his honest, humorous, and acerbic accounts of working-class life. Sillitoe served four years in the Royal Air Force and lived for six years in France and Spain, before returning to England. His first novel, *Saturday Night and Sunday Morning*, was published in 1958 and was followed by a collection of short stories, *The Loneliness of the Long-Distance Runner*, which won the Hawthornden Prize for Literature. With over fifty volumes to his name, Sillitoe was elected a Fellow of the Royal Society of Literature in 1997.

NEW YORK TIMES BESTSELLER "A beautiful book." - Jo Good, BBC Radio London "When Harry Met Minnie made me cry and made me dance with joy. It's an exquisite tale about heartbreak and healing, critters and humans, and the little miracles life hands us when we need them the most." - Jeannette Walls, New York Times bestselling author of *The Glass Castle* and *Half Broke Horses* There are true fairy tales. Stories that exist because impossible-to-explain coincidences change everything. Except in real life, not all of them have conventional, happily-ever-after endings... This Manhattan tale of laughter and tears charts the Nora Ephron-esque love story between two "complicated" dogs, Harry and Minnie, and the gift of unexpected friendship they gave to their owners, Carol and Martha. Carol, who is dying of cancer caused by the toxic pollution in New York in the aftermath of 9/11, needs someone to take care of Harry, who is a 'great listener but does have a problem with large dogs. He is great with smaller dogs. If he sees a hose he will destroy it to protect you. He will figure out ways to let you know exactly how he feels'. When Martha has a chance encounter with Carol's friend, he can't help but notice Minnie, 'oh those chunky little legs', and so the matchmaking begins. After a disastrous first meeting, when Minnie doesn't appear to think much of Harry (who is super keen), things improve and soon they are inseparable. As Carol's illness progresses, so a new friendship and community blossoms, Carol's Club. The bonds that grew changed Martha's life, Carol's life, Minnie's life and Harry's life. And they changed Carol's death as well. In this rich and touching narrative, Martha considers the ways our stories are shaped by the people we meet, and the profound love we can find by opening our hearts to unexpected encounters.

Clara Lugo has escaped her difficult and tumultuous childhood in a Dominican neighborhood in the northern reaches of Manhattan. Now she tries to live a settled professional life with her American husband and son in the suburbs of New Jersey—often thwarted by Clara's constellation of relatives who don't understand her gringa ways. Their reunion will set in motion an unraveling of both of their lives—and reveal what assimilation, or the absence of it, has cost them both . . . "Michaud's quiet account of a foundering marriage and his forays into the mind of an abused child and her adult self are perfectly done." —Booklist

After injuring his hand, a silversmith's apprentice in Boston becomes a messenger for the Sons of Liberty in the days before the American Revolution.

Exploring the blurred boundary between religion and pop culture, *God in the Details* offers a provocative look at the breadth and persistence of religious themes in the American consciousness. This new edition reflects the explosion of online activity since the first edition, including chapters on the spiritual implications of social networking sites, and the hazy line between real and virtual religious life in the online community *Second Life*. Also new to this edition are chapters on the migration of black male expression from churches to athletic stadiums, new configurations of the sacred and the commercial, and post 9/11 spirituality and religious redemption through an analysis of vampire drama, *True Blood*. Winner of the Olivier Award for Best New Play 2009, *The Mountaintop* is a historical-fantastical two hander and portrays the penultimate days in the life of Martin Luther King. The night before his assassination King retires to room 306 in the now famous motel after giving an acclaimed speech to a massive church congregation. When a mysterious young maid visits him to deliver a cup of coffee, King is forced to confront his past and the future of his people. Katori Hall's award-winning play is heartbreaking, humourous and breathtakingly powerful. A lively mood and hints of surrealism and fantasy is combined with a clear-eyed view of the man behind the legend. She depicts King as a real and at times flawed man, but nevertheless inspirational and capable of effecting momentous societal shifts. This is a story which crosses continents, colour and generations, and remains as relevant today as it was in the midst of the civil rights movement in 1968. Portraying rhetoric, hope and ideals of social change, *The Mountaintop* also explores being human in the face of inevitable death. The play is a dramatic feat of daring originality, historical narration and triumphant compassion.

An existential saga of working-class life in a British factory town and military service in the torrid jungles of the Far East from award-winning, bestselling author Alan Sillitoe *Key to the Door* turns away from the

boisterous pursuits of Arthur Seaton made infamous in *Saturday Night and Sunday Morning*, and focuses instead on the quieter rebellions of his older brother, Brian. Brian's childhood and adolescence in the grimy streets of Nottingham are shaped by the Depression-era struggles of his family, the life and culture of the factory town, and the love and bullying of his iron-willed grandfather and erratic father. When Brian reaches adulthood, he frequents the local pubs, works hard at a cardboard factory, and runs into a sticky situation with a woman named Pauline that obliges him to marry her. Soon though, he is conscripted for the postwar occupation of Malaya, and his true colors begin to show. Brian declares that he only wears his uniform to collect his paycheck; he shows contempt for the soldiers who obey the rules; he pursues a relationship with an exotic Chinese dancer; and he sends poetry into the jungle in Morse code. At once a vivid family portrait and a study of "the desolate, companionless void of protest" prevalent in postwar England, *Key to the Door* establishes the Seaton Novels as a broad and sweeping saga of twentieth-century British life, set against the backdrop of Nottingham. This ebook features an illustrated biography of Alan Sillitoe including rare images from the author's estate.

The girls - Rube, Lily and Sylvie - work at McCrindle's sweet factory during the week and on Saturday they go up the Junction in their clattering stilettos, think about new frocks on H.P., drink tea in the cafe, and talk about their boyfriends. In these uninhibited, spirited vignettes of young women's lives in the shabby parts of South London in the sixties, money is scarce and enjoyment to be grabbed while it can.

**#1 NEW YORK TIMES BESTSELLER** • In this powerful new collection of oil paintings and stories, President George W. Bush spotlights the inspiring journeys of America's immigrants and the contributions they make to the life and prosperity of our nation. The issue of immigration stirs intense emotions today, as it has throughout much of American history. But what gets lost in the debates about policy are the stories of immigrants themselves, the people who are drawn to America by its promise of economic opportunity and political and religious freedom—and who strengthen our nation in countless ways. In the tradition of *Portraits of Courage*, President Bush's #1 New York Times bestseller, *Out of Many, One* brings together forty-three full-color portraits of men and women who have immigrated to the United States, alongside stirring stories of the unique ways all of them are pursuing the American Dream. Featuring men and women from thirty-five countries and nearly every region of the world, *Out of Many, One* shows how hard work, strong values, dreams, and determination know no borders or boundaries and how immigrants embody values that are often viewed as distinctly American: optimism and gratitude, a willingness to strive and to risk, a deep sense of patriotism, and a spirit of self-reliance that runs deep in our immigrant heritage. In these pages, we meet a North Korean refugee fighting for human rights, a Dallas-based CEO who crossed the Rio Grande from Mexico at age seventeen, and a NASA engineer who as a girl in Nigeria dreamed of coming to America, along with notable figures from business, the military, sports, and entertainment. President Bush captures their faces and stories in striking detail, bringing depth to our understanding of who immigrants are, the challenges they face on their paths to citizenship, and the lessons they can teach us about our country's character. As the stories unfold in this vibrant book, readers will gain a better appreciation for the humanity behind one of our most pressing policy issues and the countless ways in which America, through its tradition of welcoming newcomers, has been strengthened by those who have come here in search of a better life.

Alan Sillitoe's bestselling debut novel about debauchery, infidelity . . . and the morning after Arthur Seaton, a ladies' man and factory-worker extraordinaire, has just downed seven gins and eleven pints at his local pub. Thoroughly smashed, he proceeds to tumble down an entire flight of stairs, pass out, and wake up again only to vomit on a middle-aged couple. Luckily Arthur's lover, Brenda—a married woman with two kids—lets Arthur escape to her bed. Such are Saturdays in this bachelor's life. When Arthur is not romancing Brenda, evading her husband, or drinking himself silly, he is turning up his nose at authority, disparaging the army, and trying to avoid paying too much income tax. Moreover, Arthur's rascalion ways soon lead him into the bed of Brenda's younger sister—who is also married. But no matter how much fun there is to be had, every Saturday night has its Sunday morning, replete with hangovers and consequences: A local bigmouth starts gossiping about Arthur's affairs, Brenda gets pregnant, the husbands find out what's been going on, and Arthur suffers a terrible beating. Perhaps the time has come for this playboy to settle down and marry that third woman he has been seeing on the side . . . One of the first books to sell over a million copies in the UK when it was released in paperback, *Saturday Night and Sunday Morning* has since become a key literary reference of postwar British culture and society, as well as a classic British New Wave film. This ebook features an illustrated biography of Alan Sillitoe including rare images from the author's estate.

The long-anticipated sequel to Alan Sillitoe's bestselling classic 1950s novel *Saturday Night and Sunday Morning* Arthur and Brian Seaton are heading back to their hometown,

Nottingham, some forty-odd years after the close of Saturday Night and Sunday Morning. The brothers plan to surprise Brian's first love, Jenny Tuxford, on her seventieth birthday. Arthur, the notorious lothario, still has some of his old spark, but it has been hampered by domestic life and his wife's recent cancer diagnosis. Meanwhile, Brian, now a failed novelist but successful television writer living in London, is struggling with dissatisfaction and emotional regrets. He and Jenny had fooled around in their teenage years—a lot of heavy petting through complicated clothing on her parents' settee—but Jenny ended up marrying someone else. Now that Jenny's husband has passed away, will sparks fly between her and Brian again? It is clear that the Nottingham of their youth no longer exists. The trams are now buses; the collieries and ironmongers have been replaced by cell phone shops and halal grocers; new high-rise apartments have sprung up; and the idle young hang around the city pubs whining about the dole. Where Saturday Night and Sunday Morning portrayed the chaotic energy of youth, Birthday is an investigation of the other end of the spectrum: the contemplation of missed chances and terminal decline, and the awareness that "death's blackout could descend at any minute." This ebook features an illustrated biography of Alan Sillitoe including rare images from the author's estate.

An important new voice for African-American theatre, Katori Hall explores the lives of black and often invisible Americans with vivid language, dynamic narratives and richly textured characterisation. Hoodoo Love is Hall's debut play, a tale of love, magic, jealousy and secrets in 1930s Memphis, written in vivid language which captures the spirit of the Blues. Saturday Night/Sunday Morning is set in a Memphis beauty shop/boarding house during the final days of WWII. Rich with humor and history, it is a story about friendship and finding love in unexpected places. Winner of the Olivier Award for Best New Play 2009, The Mountaintop is a historical-fantastical two hander, portraying the penultimate day in the life of Martin Luther King. Hurt Village won the 2011 Susan Smith Blackburn Prize. Set in a real-life Memphis housing project, it explores in vivid and at times brutal detail a long-lasting legacy of drug abuse, child abuse, crime, and self-hatred within a poor, working-class, multi-generational Black family. This first collection of Katori Hall's dramatic works demonstrate her unique voice for the theatre, which is visceral, passionate and energetic. Hall portrays disenfranchised portions of society with fearless humanity and startling accomplishment.

Seminar paper from the year 2000 in the subject English Language and Literature Studies - Literature, grade: 1,7 (A-), University of Hamburg (Anglistics Seminar), course: Seminar 1b, 7 entries in the bibliography, language: English, abstract: The Short Story "On Saturday Afternoon" by Alan Sillitoe is a highly complex piece of literature. It does not merely represent the description of the experiences the narrator has made on one Saturday afternoon but it contains far more: It implies information about the social system the speaker lives in, his family background and his psychology. It would therefore not be very appropriate to make use of only one of the approaches that have so far been developed in order to interpret literature. Thus, in the case of this story it is not the question whether the reader "should" relate the author's biography to the text, consider its intertextuality or try to interpret the text on the basis of its words alone<sup>1</sup>. For some stories it may be possible to pose and answer this question clearly, but with respect to "On Saturday Afternoon" it is not. Here a mixture of different methods offers the best access to the text because it covers more aspects of the story than one single approach does. Consequently, in this term paper I am going to deal with the Short Story "On Saturday Afternoon" by Alan Sillitoe considering the following aspects: The contents of the story, its inner structure and its relation to Sillitoe's biography and some of his other works. In doing so I am aware of the fact that it is necessary and inevitable only to focus on certain aspects of the approaches - as the scope of this term paper is restricted- and therefore it is impossible to develop an interpretation which covers every aspect each one of these methods offers.

Nevertheless I am convinced that the way I have chosen gains by the interplay of the accesses what it lacks from completeness."

In this daily devotional, LP English provides a simple way to make God a part of your everyday life. LP was born in the South and is of the south. She is a mother, wife, sister, daughter, entrepreneur, friend and, most importantly, a child of God. She shows us that "Southern" isn't a geographic location as much as it is a state of mind. A place where love, family, friends and challenge all revolve around a belief in a power greater than all of us. A couple of years ago, LP noticed that many busy Christians tended to be caught up in three things: - A lack of time to devote to their spirituality - A wariness regarding the formality of "religion" - A longing to feel closer to God in a familial way "Happy Sunday Y'all," is an easy, comfortable way to untangle from these. It provides a short read for each day of the week, with a more in-depth thought each Sunday. Try it. No matter what part of the world you might be in, this book will bring you closer to God and the way God asks us to live our lives. And who knows, you might even feel just a little more southern! Happy Sunday Y'all.

In this accessible historical overview of Sunday, noted scholar Justo Gonzalez tells the story of how and why Christians have worshiped on Sunday from the earliest days of the church to the present. After discussing the views and practices relating to Sunday in the ancient church, Gonzalez turns to Constantine and how his policies affected Sunday observances. He then recounts the long process, beginning in the Middle Ages and culminating with Puritanism, whereby Christians came to think of and strictly observe Sunday as the Sabbath. Finally, Gonzalez looks at the current state of things, exploring especially how the explosive growth of the church in the Majority World has affected the observance of Sunday worldwide. Readers of this book will rediscover the joy and excitement of Sunday as early Christians celebrated it and will find fresh, inspiring perspectives on Sunday amid our current culture of indifference and even hostility to Christianity.
