Sandokán, un joven príncipe malayo, subió al trono de Mulder, en la isla asiática de Borneo, cuando apenas tenía veinte años. Pronto comenzó a hacerse fuerte y a conquistar los reinos cercanos. Entonces, viendo amenazado su poder, los hombres blancos, principalmente ingleses y holandeses, se aliaron con el sultán de Varauni para derrotarlo. Las traiciones se sucedían y pronto se asesinó a toda la familia del joven soberano. Sandokán resistió todo lo que pudo, pero acabó siendo vencido por sus enemigos. Entonces, se dedicó a piratear por Borneo al mando de un puñado de valientes que no le habían abandonado. Era perseguido, y, con el paso de los años, se embarcó con sus "cachorros", como él cariñosamente les llamaba, hasta Mompracem, isla que convirtió en su hogar y que pronto se convertiría en el terror del mar de Malasia.

“The innocence of childhood collides with the stark aftermath of war in this wrenching and ultimately redemptive tale of family, seemingly impossible choices, and the winding paths to destiny, which sometimes take us to places far beyond our imaginings.” – Lisa Wingate, #1 New York Times Bestselling Author of Before We Were Yours and The Book of Lost Friends "Ardone's beautifully crafted story explores the meaning of identity and belonging...recommended to fans of Elena Ferrante's Neapolitan novels." – The Library Journal “[The Children's Train] leaves you with a great sense of the importance of family and the tough decisions that must be faced as a result of that love.” – Shelf Awareness Based on true events, a heartbreaking story of love, family, hope, and survival set in post-World War II Italy—written with the heart of Orphan Train and Before We Were Yours—about poor children from the south sent to live with families in the north to survive deprivation and the harsh winters. Though Mussolini and the fascists have been defeated, the war has devastated Italy,

especially the south. Seven-year-old Amerigo lives with his mother Antonietta in Naples, surviving on odd jobs and his wits like the rest of the poor in his neighborhood. But one day, Amerigo learns that a train will take him away from the rubble-strewn streets of the city to spend the winter with a family in the north, where he will be safe and have warm clothes and food to eat. Together with thousands of other southern children, Amerigo will cross the entire peninsula to a new life. Through his curious, innocent eyes, we see a nation rising from the ashes of war, reborn. As he comes to enjoy his new surroundings and the possibilities for a better future, Amerigo will make the heartbreaking choice to leave his mother and become a member of his adoptive family. Amerigo's journey is a moving story of memory, indelible bonds, artistry, and self-exploration, and a soaring examination of what family can truly mean. Ultimately Amerigo comes to understand that sometimes we must give up everything, even a mother's love, to find our destiny. Translated from the Italian by Clarissa Botsford

With the Christmas season upon him, Detective Sergeant Bruce Robertson of Edinburgh's finest is gearing up socially—kicking things off with a week of sex and drugs in Amsterdam. There are some sizable flies in the ointment, though: a missing wife and child, a nagging cocaine habit, some painful below-the-belt eczema, and a string of demanding extramarital affairs. The last thing Robertson needs is a messy, racially fraught murder, even if it means overtime—and the opportunity to clinch the promotion he craves. Then there's that nutritionally demanding (and psychologically acute) intestinal parasite in his gut. Yes, things are going badly for this utterly corrupt tribune of the law, but in an Irvine Welsh novel nothing is ever so bad that it can't get a whole lot worse. . . . In Bruce Robertson Welsh has created one of the most compellingly misanthropic characters in contemporary fiction, in a dark and disturbing and often scabrously funny novel about the abuse of everything and everybody. "Welsh writes with a skill, wit and compassion that amounts to genius. He is the best thing that has happened to British writing in decades."—Sunday Times [London] "[O]ne of the most significant writers in Britain. He writes with style, imagination, wit, and force, and in a

voice which those alienated by much current fiction clearly want to hear."—Times Literary Supplement "Welsh writes with such vile, relentless intensity that he makes Louis-Ferdinand Céline, the French master of defilement, look like Little Miss Muffet. "—Courtney Weaver, The New York Times Book Review "The corrupt Edinburgh cop-antihero of Irvine Welsh's best novel since Trainspotting is an addictive personality in another sense: so appallingly powerful is his character that it's hard to put the book down....[T]he rapid-fire rhythm and pungent dialect of the dialogue carry the reader relentlessly toward the literally filthy denouement. "—Village Voice Literary Supplement, "Our 25 Favorite Books of 1998" "Welsh excels at making his trash-spewing bluecoat peculiarly funny and vulnerable—and you will never think of the words 'Dame Judi Dench' in the same way ever again. [Grade:] A-. "—Charles Winecoff, Entertainment Weekly

A new series about mind readers from a New York Times and USA Today bestselling author... Everyone thinks I'm a genius. Everyone is wrong. Sure, I finished Harvard at eighteen and now make crazy money at a hedge fund. But that's not because I'm unusually smart or hard-working. It's because I cheat. You see, I have a unique ability. I can go outside time into my own personal version of reality—the place I call “the Quiet”—where I can explore my surroundings while the rest of the world stands still. I thought I was the only one who could do this—until I met her. My name is Darren, and this is how I became entangled with all the Russians and learned that I'm a Reader.

“A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan,

Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of *SAVED* From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. *A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING)* revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship

blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, *A QUEST OF HEROES* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Aram Raythe has the power to challenge the gods. He just doesn't know it yet. Aram thinks he's nothing but a misfit from a small fishing village in a dark corner of the world. As far as Aram knows, he has nothing, with hardly a possession to his name other than a desire to make friends and be accepted by those around him, which is something he's never known. But Aram is more. Much, much more. Unknown to him, Aram bears within him a gift so old and rare that many people would kill him for it, and there are others who would twist him to use for their own sinister purposes. These magics are so potent that Aram earns a place at an academy for warrior mages training to earn for themselves the greatest place of honor among the armies of men: dragon riders. Aram will have to fight for respect by becoming not just a dragon rider, but a Champion, the caliber of mage that hasn't existed in the world for hundreds of years. And the land needs a Champion. Because when a dark god out of ancient myth arises to threaten the world of magic, it is Aram the world will turn to in its hour of need.

« Ces livres m'ont époustouflée ! La meilleure histoire d'amour paranormale que j'ai jamais lue ! » Anna Zaires, auteure de best-sellers du New York Times J'ai la pire des colocataires de fac. Cécile me vole ma nourriture, amène des hommes à toute heure et fait la fête au lieu d'étudier. Mais ces excentricités ne sont rien en comparaison de ce qu'elle a fait ensuite. Elle m'a droguée, et je me suis réveillée emprisonnée dans un univers parallèle rempli de créatures terrifiantes. Maintenant, la créature la plus grande et la plus effrayante de toutes, un roi des Faes, croit que je suis son amie. Il m'a libérée du donjon, mais il me garde près de lui. Si proche, en fait, que je commence à aimer son regard glacial et son corps ciselé par la glace. Mais les secrets et les méchants rôdent dans ce nouveau monde, et je ne sais pas si je

survivrai assez longtemps pour arriver à rentrer chez moi. Note de l'auteur : La Prisonnière des Faes est le premier livre d'une série qui mettra le feu à votre imagination – et ailleurs... “MESSAGGI DALLO SPAZIO è avvincente, inaspettato e fermamente radicato in forti profili psicologici supportati da elementi fantascientifici e pregni di suspense: cos'altro potrebbero desiderare i lettori?
