Excerpt: This is a list of protagonists and antagonists from British author Anthony Horowitz's Alex Rider series. This includes characters from the novels, the film, the graphic novels, and the short stories. The following is a list of antagonists, major and minor, from Anthony Horowitz's Alex Rider series, listed alphabetically. Anthony Sean Howell, more commonly referred to by his initials, ASH, is a major character in Snakehead. Ash was born in England and worked for MI6 with John Rider. On a mission to capture Yassen Gregorovich, he was badly injured and demoted. He eventually quit his job because he was jealous of his best friend John Rider, Alex's father, who was considered one of MI6's best operatives. He then went to work for ASIS in Australia. Alex Rider first meets him in Snakehead when he wanders into a minefield. Ash tells him not to move and leaves, claiming he will get help. This was later found to be a test, to see how Alex would react. Alex discovers that Ash is his godfather after meeting with Ethan Brooke, head of Covert Action for ASIS. The idea of learning more about his past lures Alex into working for ASIS, alongside Ash, investigating the ruthless Snakehead. They are sent on a mission together to infiltrate the Snakehead by posing as Afghan refugees trying to gain the Snakehead's help in illegally immigrating to Australia. At the end of Snakehead, when Major Yu's oil rig is attacked by...

Teen superspy Alex Rider faces a pop star bent on world destruction and a lethal group of assassins in graphic novel adaptations of two of his thrilling adventures. After learning a terrible secret about his father, teen spy Alex Rider travels to Ven

In 2001, audiences first met and fell in love with a twelve-year-old criminal mastermind named Artemis Fowl. Since then, the eight-book series about his adventures has sold over twenty-five million copies throughout the world. To coincide with the major motion picture coming from the Walt Disney Studios in August 2019, here is an all-new graphic novel adaptation of the book with crisp, accessible storytelling and clear, cinematic perspectives. Readers of all ages can now follow the siege at Fowl Manor between Artemis and the fairies in action-packed, full-color panels. Alex Rider's eighth, adrenaline fueled adventure in the number one bestselling series. In the eighth book in the number one bestselling Alex Rider series by Anthony Horowitz, Alex meets international do-gooder Desmond McCain. But a simple card game between them rapidly leads to a duel to the death – one that could result in the destruction of an entire country.

After recovering from a near fatal gunshot wound, teenage spy Alex Rider embarks on a new mission to stop a group of eco-terrorists from sabotaging the launch of the first outer space hotel. Reprint.

A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald's great American novel in a vivid new format. From the green light across the bay to the billboard with spectacled eyes, F. Scott Fitzgerald's 1925 American masterpiece roars to life in K. Woodman-Maynard's exquisite graphic novel—among the first adaptations of the book in this genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway's unreliable narration. Excerpts from the original text wend through the illustrations, and imagery and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes Gatsby across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, The Great Gatsby Graphic Novel captures the energy of an era and the enduring resonance of one of the world's most beloved books.

What goes up must come down, and when we last saw Alex Rider, he was as up as can be—in outer space. When he crash lands off the coast of Australia, the Australian Secret Service recruits him to infiltrate one of the ruthless gangs operating across South East Asia. Known as snakeheads, the gangs smuggle drugs, weapons, and worst of all, people. Alex accepts the assignment, in part for the chance to work with his godfather and learn more about his parents. What he uncovers, however, is a secret that will make this his darkest and most dangerous mission yet . . . and that his old nemesis, Scorpia, is anything but out of his life. From the slums of Bangkok to the Australian Outback to the middle of the Timor Sea, Snakehead is Alex Rider's most action-packed adventure yet. Watch a QuickTime trailer for this book.

Presents the script, behind-the-scenes interviews with people involved with the film, insider information on stunts, and other features about the making of the film "Stormbreaker." Alex Rider does battle with a charity broker con artist who has invested millions of dollars in a form of genetically modified corn that can release an airborne strain of virus capable of knocking out an entire country in one day.

Award-winning and bestselling author Antony Johnston introduces a major new techno-thriller series featuring an MI6 cyber-espionage specialist. Brigitte Sharp is a brilliant but haunted young MI6 hacker who has been deskbound and in therapy for three years after her first field mission in Syria went disastrously wrong. Despite her boss's encouragement, Bridge isn't ready to go back in the field. But now one of her best friends has been murdered, and Bridge believes his death is connected to strange "ASCII art"

posts appearing on the internet that carry encrypted hidden messages. On decoding the messages, she discovers evidence of a mole inside a top-secret Anglo-French military drone project—an enemy who may also be her friend's killer. Her MI6 bosses force her back into the field, sending her undercover in France to find and expose the mole. But the truth behind the Exphoria code is worse than anyone imagined, and soon Bridge is on the run, desperate and alone, as a terrorist plot unfolds and threatens everything she has left to live for. Drawing on cutting edge technology and modern global threats, Brigitte Sharp is a highly credible female spy in a truly original and contemporary story.
