This curriculum for homeschooling brings together classic reading selections, fun activities and parent/teacher guides to help you develop lessons that boost your student's English and Language Arts learning. As with all levels of Reading Street, Grade 3 was created using educational research to ensure your child is guided through his or her work by age-appropriate and cutting-edge content. Each week, your child will work through a series of reading and writing activities that center around a Big Idea. This structure supports your child's critical thinking

skills and ensures he or she builds knowledge suitable for a child in third Grade. By the end of the year, children at this level in their homeschooling program should be able to: Read third-grade level material at a steady pace. Identify errors when reading aloud and know how to correct them. Answer questions using examples from the text. Comprehend and explain main ideas found in the reading. Develop a point of view different than those of characters in stories. Edit writing after completing it. Use transitions in writing, such as "therefore," "for example" and "also." Reading Street: Grade 3 will give you the tools you need to achieve these learning goals during your homeschool program. Grade 3 comes in a two-volume set that's packed with engaging reading materials and helpful teacher tools. You'll be able to keep tabs on your child's progress through this level by using the assessment materials.
