

Secret Societies A Sinister Agenda Exposed

History is replete with whispers of secret societies. Accounts of elders or priests who guarded the forbidden knowledge of ancient peoples. Prominent men, meeting in secret, who directed the course of civilization are recorded in the writings of all people. The oldest is the Brotherhood of the Snake, also called the Brotherhood of the Dragon, and it still exists under many different names. It is clear that religion has always played a significant role in the course of these organizations. Communication with a higher source, often divine, is a familiar claim in all but a few. The secrets of these groups are thought to be so profound that only a chosen, well-educated few are able to understand and use them. These men use their special knowledge for the benefit of all mankind. At least that is what they claim. How are we to know, since their knowledge and actions have been secret? Fortunately, some of it has become public knowledge. Most, if not all, primitive tribal societies all of the adults are members. They are usually separated into male and female groups. The male usually dominates the culture. Surprisingly, this exactly resembles many civilized secret societies. This can only mean that the society is working not against established authority, but for it. In fact, could be said to actually be the established authority. This would tend to remove the validity of any argument that all secret associations are dedicated to the "destruction of properly constituted authority." This can only apply, of course, where the secret society makes up the majority or entirety of any people which it affects. Only a very few fall into this category. Secret societies mirror many facets of ordinary life. There is always an exclusivity of membership, with the resultant importance attached to being or becoming a member. This is found in all human endeavors, even those which are not secret, such as football teams or country clubs. This exclusivity of membership is actually one of the secret societies' most powerful weapons. There is the use of signs, passwords and other tools. These have always performed valuable functions in man's organizations everywhere. The stated reason, however, is almost always different from the real reason.

A deep dive into the origins, history, members, and workings of the Illuminati from a well-known and respected expert. Chilling initiations. Big banks and money manipulations. Possible links to the Rockefellers, Rothschilds, Adamses, and Bushes. Reviewing the evidence, documents, and connections, *The Illuminati: The Secret Society That Hijacked the World* by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government's accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. He investigates their origin as "The Ancient and Illuminated Seers of Bavaria," the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, the Protocols—or procedures—for usurping national governments and gaining world domination, the symbolism found in today's international corporate logos, Knights Templar, assassins, Skull and Bones, whistle blowers, the revolutions in France, Russia, and America, and much, much more. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to powerful people, and their place in modern America.

Want to learn the secrets of secret societies? Have you or a family member been trapped in a secret society? Are secret societies really dangerous or just a group of like-minded people trying to accomplish something important for the betterment of the world? In this book, *Notorious Secret Societies*, you'll everything you want and need to know! Things aren't always what they seem to be. Looks can be deceiving and just because you don't see something doesn't mean it doesn't exist. Take for example the air we breathe. If seeing is believing, then it means oxygen, as we know it, doesn't exist. But it does exist and the fact that we're alive is living proof of such. Or how about carbon monoxide? It's not something that we can see but many people all over the world are killed by it. Because they don't see it, they unknowingly breathe it and fall victim to its poisonous power. Secrecy can be a lethal weapon! And so it is with *The Worlds' Most Notorious Secret Societies*. Their power and ability to do what they want is highly contingent on being able to keep their supposed secret agendas secret. The day they're purported sinister agendas get exposed is the day they fail to achieve their grand agendas. That's why more than ever, it's important to know who these secret societies are and the reason why they're very controversial. In this book, you'll discover secrets from some of the world's most notorious secret societies. The Free and Accepted Masons (Freemasons) The Order of the Illuminati, The Knights Templar The Bilderberg Group The Order of the Skulls and Bones The Society of Jesus (Jesuits) The Church of Scientology

Throughout history secret societies and cults have existed on the fringes and seething underbelly of society. Some with a sinister agenda, others with a personal quest for power and the highest form of pleasure. This is a comprehensive pictorial study of some of the infamous cults, black magicians, writers and bloodthirsty killers that have had a profound impact on history, literature and popular culture.

Bored with their work, three Milanese editors cook up "the Plan," a hoax that connects the medieval Knights Templar with other occult groups from ancient to modern times. This produces a map indicating the geographical point from which all the powers of

the earth can be controlled—a point located in Paris, France, at Foucault's Pendulum. But in a fateful turn the joke becomes all too real, and when occult groups, including Satanists, get wind of the Plan, they go so far as to kill one of the editors in their quest to gain control of the earth. Orchestrating these and other diverse characters into his multilayered semiotic adventure, Eco has created a superb cerebral entertainment.

Argues that secret societies are behind the major events of twentieth century and seeks to expose these hidden groups and their agendas.

From "Birthers" who claim that Barack Obama was not born in the United States to counter-jihadists who believe that the Constitution is in imminent danger of being replaced with Sharia law, conspiratorial beliefs have become an increasingly common feature of our public discourse. In this deeply researched, fascinating exploration of the ideas and rhetoric that have animated extreme, mostly right-wing movements throughout American history, Arthur Goldwag reveals the disturbing pattern of fear-mongering and demagoguery that runs through the American grain. The New Hate takes readers on a surprising, often shocking, sometimes bizarrely amusing tour through the swamps of nativism, racism, and paranoid speculations about money that have long thrived on the American fringe. Goldwag shows us the parallels between the hysteria about the Illuminati that wracked the new American Republic in the 1790s and the McCarthyism that roiled the 1950s, and he discusses the similarities between the anti-New Deal forces of the 1930s and the Tea Party movement today. He traces Henry Ford's anti-Semitism and the John Birch Society's "Insiders" back to the notorious Protocols of the Elders of Zion, and he relates white supremacist nightmares about racial pollution to nineteenth-century fears of papal plots. "The most salient feature of what I have come to call the New Hate," Goldwag writes, "is its sameness across time and space. The most depressing thing about the demagogues who tirelessly exploit it—in pamphlets and books and partisan newspapers two centuries ago, on Web sites, electronic social networks, and twenty-four-hour cable news today—is how much alike they all turn out to be."

Jonathan Gates finds himself on an unwitting quest to discover the secret life of a forgotten director of silent movies, only to discover that the truth behind the director's strange films may be more sinister than he could ever imagine. Reprint.

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

"Lee Cuddy is 17 years old and on the run, alone on the streets of Philadelphia. After taking the fall for a rich friend, Lee reluctantly accepts refuge in the Crystal Castle--a cooperative of homeless kids squatting in an austere, derelict building. But homeless kids are disappearing from the streets of Philadelphia in suspicious numbers, and Lee quickly discovers that the secret society's charitable facade is too good to be true"--

The roots of coincidence and conspiracy in American politics, crime, and culture are investigated in this analysis that exposes new connections between religion, political conspiracy, terrorism, and occultism. Readers are provided with strange parallels between supernatural forces such as shamanism, ritual magic, and cult practices, and contemporary interrogation techniques such as those used by the CIA under the general rubric of MK-ULTRA. Not a work of speculative history, this exposé is founded on primary source material and historical documents. Fascinating details on Nixon and the "Dark Tower," the Assassin cult and more recent Islamic terrorism, and the bizarre themes that run through American history from its discovery by Columbus to the political assassinations of the 1960s are revealed.

I will explain how I was led forward, through a series of mysterious co-incidents that began occurring after the death of my son; who died on 11 11. It was after my son's death that I began to be an observer of the 11 11 phenomena, otherwise known as the 11 11 awakening code. As I proceeded on my journey I realized that many others were experiencing the same phenomena. In this book, I will explain why I believe that the universe and the spirit world worked simultaneously to lead me in the direction of understanding the awakening code. There is a

universal message in the code which I feel I have deciphered and I must share with the world. I will give my interpretation of the unusual and very mysterious artwork at the Denver International airport. I will explain why I believe there are messages in the artwork, and how it plays into world events., including the 11 11 phenomena. I include six pictures that I took of the sinister looking artwork at the Denver International Airport.

Discover everything you ever wanted to know about secret societies like the Freemasons, the historical mystery of Atlantis, why King Arthur, Leonardo da Vinci and Hitler are key figures, plus conspiracy theories, forgotten sciences and ancient wisdom.

This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as "Above Top Secret" and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

Who can you trust when everything is secrets and lies? It's a new semester at the Chadwick School, and even with the ankh tattoos that brand them, Phoebe, Nick, Lauren, and Patch are hoping for a fresh start. Each day, however, they are reminded of their membership as new Conscripts in the Society. The secret group that promised to help them achieve their every dream has instead turned their lives into a nightmare. Exclusive membership lost its luster as the Society revealed its agenda to them and two of their classmates were found dead. Now they can't help but wonder: Who's next? While they search for the elusive truth about the Society, the Conscripts are forced to face their darkest fear—that they truly can't get out. Will Nick and Phoebe's new relationship endure this strain? Can Patch and Nick's longtime friendship survive the truth that will come to light? The deceptions of the group's leaders, once trusted friends, and family will test these four as they fight to leave the Society behind. The Trust, Tom Dolby's sequel to secret society, is an alluring glimpse behind the facade of a life of entitlement, where secrets aren't merely fun—they're deadly.

We are living in a time of unprecedented distrust in America... Faith in the government is at an all-time low, and political groups on both sides of the aisle are able to tout preposterous conspiracy theories as gospel, without much opposition. "Fake news" is the order of the day. This book is about a man to whom all of it points, the greatest conspiracist of this generation and a man you may not have heard of. A former U.S. naval intelligence worker, Milton William Cooper published his manifesto Behold a Pale Horse in 1991. Since then it has gone on to sell hundreds of thousands of copies, becoming the number-one bestseller in the American prison system. According to Behold a Pale Horse, JFK was assassinated—because he was about to reveal that extraterrestrials were about to take over the earth—by his driver, an alien himself; AIDS is a government conspiracy to decrease the population of blacks, Hispanics, and homosexuals; and the Illuminati are secretly involved with the U.S. government to manage relationships with extraterrestrials. Cooper died in a shootout with Apache County police in 2001, one month after September 11, in the year in which he had predicted catastrophe. In Pale Horse Rider, journalist Mark Jacobson not only tells the story of Cooper's fascinating life but also provides the social and political context for American paranoia. Indeed, with the present NSA situation and countless other shadowy government dealings often in the news, aren't we right to suspect that things may not be as they seem?

THE INSIDE STORY NO ONE ELSE DARES PUBLISH! NEWS FLASH -- EAGAR, ARIZONA On November 5, William Cooper was shot to death by sheriff deputies in an exchange of gunfire, fulfilling his often-stated wish to go out in a blaze of glory. News of Cooper's death spread quickly via the Internet, as friend and foe alike posted letters and tributes describing their past, often confrontational, encounters with an individual many consider to be the most controversial man in American history. But who was Bill Cooper Was he a true patriot? A tough survivalist? Or simply a fanatic? Some knew him as a UFO "expert" (having claimed insider information on the governments actual knowledge of extraterrestrials living amongst us)...A conspiracy theorist...a former Navy Intelligence operative...and the person the President once called "the most dangerous man on American airwaves." Here is the INSIDE STORY as told by a fellow patriot and government whistleblower. COMMANDER X claims close "ties" to various branches of the government and like Cooper sees himself as a foe of the New World Order. Commander X has collected together for the first time Cooper's thoughts and finds on such subjects as: * The Illuminati. * The Kennedy Assassination. * MJ 12 and the UFO Cover-UP. * Area 51. * The Anti Christ. * The World Trade Center Disaster. * Gun Control. * The Constitution. * Skull and Bones Society. Cooper always said he acted from his "conscience" and sought to warn all Americans of the dangers of the New World Order, creeping socialism and our own brand of Nazism. Was his death accidental -- or something more SINISTER? Perhaps you can judge better after reading DEATH OF A CONSPIRACY SALESMAN!

A teen girl, backed by a secret society of powerful women, competes to make an 18-year-old future President fall in love with her in Sheena Boekweg's compelling new YA novel, A Sisterhood of Secret Ambitions. Behind every powerful man is a trained woman, and behind every trained woman is the Society. It started with tea parties and matchmaking, but is now a countrywide secret. Gossips pass messages in recipes, Spinsters train to fight, and women work together to grant safety to abused women and children. The Society is more than oaths—it is sisterhood and purpose. In 1926, seventeen-year-old Elsie is dropped off in a new city with four other teenage girls. All of them have trained together since childhood to become the Wife of a powerful man. But when they learn that their next target is earmarked to become President, their mission becomes more than just an assignment; this is a chance at the most powerful position in the Society. A life more influential than they had ever before dared to dream possible. All they have to do is make one man fall in love with them first.

'A first class book' Sunday Times We're all conspiracy theorists. Some of us just hide it better than others. Conspiracy theorists do not wear tin-foil hats (for the most part). They are not just a few kooks lurking on the paranoid fringes of society with bizarre ideas about shape-shifting reptilian aliens running society in secret. They walk among us. They are us. Everyone loves a good conspiracy. Yet conspiracy theories are not a recent invention. And they are not always a harmless curiosity. In Suspicious Minds, Rob Brotherton explores the history and consequences of conspiracism, and delves into the research that offers insights into why so many of us are drawn to implausible, unproven and unprovable conspiracy theories. They resonate with some of our brain's built-in quirks and foibles, and tap into some of our deepest desires, fears, and assumptions about the world. The fascinating and often surprising psychology of conspiracy theories tells us a lot – not just why we are drawn to theories about sinister schemes, but about how our minds are wired and, indeed, why we believe anything at all. Conspiracy theories are not some psychological aberration – they're a predictable product of how brains work. This book will tell you why, and what it means. Of course, just because your brain's biased doesn't always mean you're wrong. Sometimes conspiracies are real. Sometimes, paranoia is prudent.

A journalist's twenty-year fascination with the Manson murders leads to shocking new revelations about the FBI's involvement in this riveting reassessment of an infamous case in American history. Over two grim nights in Los Angeles, the young followers of Charles Manson murdered seven people, including the actress Sharon Tate, then eight months pregnant. With no mercy and seemingly no motive, the Manson Family followed their leader's every order -- their crimes lit a flame of paranoia across the nation, spelling the end of the sixties. Manson became one of history's most infamous criminals, his name forever attached to an era when charlatans mixed with prodigies, free love was as possible as brainwashing, and utopia -- or dystopia -- was just an acid trip away. Twenty years ago, when journalist Tom O'Neill was reporting a magazine piece about the murders, he worried there was nothing new to say. Then he unearthed shocking evidence of a cover-up behind the "official" story, including police carelessness, legal misconduct, and potential surveillance by intelligence agents. When a tense interview with Vincent Bugliosi -- prosecutor of the Manson Family and author of *Helter Skelter* -- turned a friendly source into a nemesis, O'Neill knew he was onto something. But every discovery brought more questions: Who were Manson's real friends in Hollywood, and how far would they go to hide their ties? Why didn't law enforcement, including Manson's own parole officer, act on their many chances to stop him? And how did Manson -- an illiterate ex-con -- turn a group of peaceful hippies into remorseless killers? O'Neill's quest for the truth led him from reclusive celebrities to seasoned spies, from San Francisco's summer of love to the shadowy sites of the CIA's mind-control experiments, on a trail rife with shady cover-ups and suspicious coincidences. The product of two decades of reporting, hundreds of new interviews, and dozens of never-before-seen documents from the LAPD, the FBI, and the CIA, *Chaos* mounts an argument that could be, according to Los Angeles Deputy District Attorney Steven Kay, strong enough to overturn the verdicts on the Manson murders. This is a book that overturns our understanding of a pivotal time in American history.

The infamous Illuminati secret society represents the pinnacle of power in politics, banking, and the news media; but what about the entertainment industry? Do Hollywood's elite studios, producers, and celebrities have a secret agenda? Are they part of a covert conspiracy? Media analyst Mark Dice will show you exactly how Hollywood uses celebrities and entertainment as a powerful propaganda tool to shape our culture, attitudes, behaviors, and to promote corrupt government policies and programs. You will see how the CIA and the Pentagon work hand in hand with Hollywood to produce blockbuster movies and popular television shows crafted to paint positive portraits of war, Orwellian government surveillance, unconstitutional agendas, and more. You'll also learn the strange and secret spiritual beliefs of the stars that fuel their egos and appetites for fame and wealth, making them perfect puppets for the corporate controllers behind the scenes. And you will also discover the rare instances of anti-Illuminati celebrities who have dared to bite the hand that feeds them. Character Howard Beale once warned in the 1976 classic film *Network*, "This tube is the most awesome God-damned force in the whole godless world, and woe is us if it ever falls in to the hands of the wrong people," and unfortunately that is exactly what has happened.

This is the only exposé of one of the world's most secretive and feared organizations: Yale University's nearly 200-year-old secret society, Skull and Bones. Through society documents and interviews with dozens of members, Robbins explains why this old-boy product of another time still thrives today.

In "Beyond the Pale Horse: The Strange Case of Milton William Cooper," legendary conspiracy publisher Gray Barker continues his "Strange Case" series by looking at one of the most controversial conspiracy theorists of all time: William Cooper. Cooper was killed in a shootout with federal agents in 2001, thus enshrining him forever into whatever "Hall of Fame" exists for conspiracy theorists. Cooper's book, "Behold a Pale Horse," remains the top selling conspiracy and UFO book, on Amazon, almost 20 years after it was originally published. In this book, Barker, who knew Cooper before he died, analyzes some of the material sent to him by Cooper in the 1980s, offering his insight into the man and the legend. Chapter headings include: 1. "Operation Majority" 2. "The Secret Government: MJ-12" 3. "The New Man" 4. "Following the Money" 5. "Alternative This, Alternative That" 6. "Majesty 12" 7. The economic Day of Reckoning will arrive like a thief in the night. Who among us will be ready for this earth-shattering event? Volume II of the Age of Awakening Trilogy sets the stage for the ultimate confrontation. By 2024, Federal Reserve Chairman, King James, and a group of global ultra-wealthy billionaire secret societies had solidified their grip on the global economy. Their next move was to capture the White House and to bring about the total manifestation of plutocracy in America. With the Federal Reserve System (the Fed) under their control and the Wall Street Wizards rigging and manipulating the activities in the financial markets, the ultra-wealthy elites began making preparations to initiate the greatest transference of wealth in human history. For sixteen years, money printing, successive rounds of quantitative easing (QE), tax cuts for the wealthy, and trillions of dollars of asset purchases by the Fed had sustained the massive debt, credit and asset bubbles in the West. The Day of Reckoning - the final bursting of the colossal global bubbles - is the prelude to a much more sinister agenda. What the secret societies will unveil is their master plan to implement a new modern feudalistic economic system of serfs and peasants, taking their positions as the dominant global overlords. With the massive introduction of robots, artificial intelligence (AI), mind-altering drugs, media brainwashing and other new age technologies, a centralized system of domination will be complete. This is their End Game, a plan conceived and developed centuries ago! ??? The ancients will not be silent. They will bring fire, judgments, redemption and great power! An ancient African Kemetic priesthood, Father Destiny and The Gathering, vowed 7,000 years ago at Ipet Isut (Karnak Temple) to reincarnate during the African Spiritual Age of Darkness to combat the forces of evil and disorder. Their mission is to break the spell of the global Matrix Vortex of falsehoods, ignorance and economic injustices. For what is hard for many people to understand is the great worldwide deception of the invisibility and covert operations of demonic

forces that control the mental universe and actions of billions of people and their leaders. The sinister forces of wizards, warlocks, witches and others are moving aggressively to consolidate their power over this world for the next several thousand years. In Volume II of the Age of Awakening Trilogy, the opposing forces set the stage for the ultimate confrontation and the Day of Reckoning. Scroll up and grab a copy today.

Did you know? • Freemasonry's first American lodge included a young Benjamin Franklin among its members. • The Knights Templar began as impoverished warrior monks then evolved into bankers. • Groom Lake, Dreamland, Homey Airport, Paradise Ranch, The Farm, Watertown Strip, Red Square, "The Box," are all names for Area 51. An indispensable guide, *Cults, Conspiracies, and Secret Societies* connects the dots and sets the record straight on a host of greedy gurus and murderous messiahs, crepuscular cabals and suspicious coincidences. Some topics are familiar—the Kennedy assassinations, the Bilderberg Group, the Illuminati, the People's Temple and Heaven's Gate—and some surprising, like Oulipo, a select group of intellectuals who created wild formulas for creating literary masterpieces, and the Chauffeurs, an eighteenth-century society of French home invaders, who set fire to their victims' feet.

Spencer Collins thinks his life at Harvard will be all about basketball and pre-med; hard workouts and grinding work in class. The friends he's made when he hits the storied ivy-clad campus from a very different life in urban Chicago are a happy bonus. But Spencer is about to be introduced to the most mysterious inner sanctum of the inner sanctum: to his surprise, he's in the running to be "punched" for one of Harvard's elite final clubs. The Delphic Club is known as "the Gas" for its crest of three gas-lit flames, and as Spencer is considered for membership, he's plunged not only into the secret world of male privilege that the Gas represents, but also into a century-old club mystery. Because at the heart of the Delphic, secured deep inside its guarded mansion club, is another secret society: a shadowy group of powerful men known as The Ancient Nine. Who are The Ancient Nine? And why is Spencer—along with his best friend Dalton Winthrop—summoned to the deathbed of Dalton's uncle just as Spencer is being punched for the club? What does the lore about a missing page from one of Harvard's most historic books mean? And how does it connect to religion, murder, and to the King James Bible, if not to King James himself? The Ancient Nine is both a coming of age novel and a swiftly plotted story that lets readers into the ultimate of closed worlds with all of its dark historical secrets and unyielding power.

Another Sister Gone—You Can't Let Them Get Away With This Kate has heard of messages from beyond the grave, but she never expected to find one in a fortune cookie. Especially from her best friend, Grace—who's supposed to be dead. At the elite Pemberly Brown Academy, nothing is as it seems. A popular girl has gone missing, and Kate owes it to Grace's memory to find out what happened. But in a school ruled by secret societies, who can she trust? Definitely not Bradley (despite his hotness) — he's one of them. Still, she may just have to get closer to him if she wants to get some answers.

An overview of how esoteric brotherhoods have shaped history • Examines the secret chronology and clandestine causes of seminal world events • Shows how secret societies feed into one another, and how they have worked together For thousands of years secret societies--guardians of ancient esoteric wisdom--have exercised a strong and often crucial influence on the destiny of nations. Though largely ignored by orthodox historians, the Freemasons, Knights Templar, and Rosicrucians affected the course of the French and American Revolutions as well as the overthrow of the medieval feudal order. Inevitably, the true ideals and esoteric practices of these societies have, at times, been perverted by self-serving individuals. The Nazis and the Bolsheviks, British security forces, the founding fathers of America, and the Vatican have all justified their actions--for good or for ill--by claiming the mystic ideals of secret societies. Michael Howard explores these connections, tracing their effects in politics and statecraft from the time of ancient Egypt up to the present. He sheds light on the influence of secret societies on governments and in the lives of many well-known figures, including Frederick the Great, John Dee, Francis Bacon, Benjamin Franklin, Comte de Cagliostro, Helena Blavatsky, Rasputin, and Woodrow Wilson. He contends that the recent formation of the European Union was directed by an umbrella group of secret societies and reveals that though secret societies have been persecuted throughout history, they have survived and continue to operate powerfully in world affairs today.

Symbols have been used by secret societies since time immemorial; their power is used to control minds as they seek to transcend established laws and governments. The Illuminati is perhaps the largest secret organization in the world and while many have yet to come to terms with the reality that they are introducing a New World Order, those who have embraced the truth have made positive steps to inform others of what could mark the start of yet another dark age. Many theories have been postulated to create an illusion of a world under one government in which the Illuminati ideals form the fundamental principles of governance, application of laws and the administration of punishment. The little that is known of the Illuminati brings to the fore some commonalities. Including the fact that the Illuminati seeks to control the world by instilling fear and meting death on those perceived to be opposed to its ideals. This book illustrates how the Illuminati operates: * The mysterious circumstances under which the Illuminati was founded. * The symbols that define the Illuminati with special emphasis on meanings, and how they affect you. * An in-depth analysis of the founding families. * A new perspective of the New World Order. * Why the Illuminati prefers the media as a tool for executing its plans.

Yet again, Gardiner finds himself on a journey across the world to uncover the ancient secrets of the world's most powerful men.

"The Most Evil Secret Societies in History" examines fifteen of the most notorious organizations the world has ever seen. These are; The Illuminati, an ancient association dedicated to establishing a 'New World Order'; Argentum Astrum, a black magic order formed by Aleister Crowley in 1907; The Thule Society, an Aryan brotherhood behind the Nazis; Muti Magic, practitioners of ritual murder; Ku Klux Klan, an American white supremacist cadre; The Tongs, violent Chinese society linked to organized crime; Solar Temple, international suicide sect uncovered in the 1990s; The Hashishim, a murderous Muslim sect at the time of the Crusades; The Mau Mau, a ruthless tribal society in pre-Independence Kenya; Aum Shinrikyo - Japanese terrorist survivalists; Odessa, a Nazi organization perpetuating the vendetta against the Jews; SPK, an anarchist terrorist group active in the 1960s and 70s; The Thugees, Indian devotees of Kali, the Goddess of Death; Camorra, a clandestine Italian network with Mafia links; and The Hell Fire Club, 18th Century English aristocrats dabbling in sex and politics.

Shares new documents to expose the sinister alien influence in world governments, financial systems, and scientific institutions throughout history • Shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens authority to abduct humans for "research" • Reveals how Reptilian-influenced ex-Nazis infiltrated the U.S. government • Explains how the Reptilians have created alien-human hybrids under their control to replace the human population Long ago, the Galactic Federation sent the Atlans, a fierce group of humans from the Pleiades, to Earth to confront the newest colony of the combative ever-spreading alien race known as the

Reptilians. The ensuing battle sank the continent of Lemuria and drove the Reptilians underground beneath the Indian subcontinent as well as to Antarctica. Able to shapeshift to appear human, the Reptilians then infiltrated the Atlantean civilization, abducting humans and creating Reptilian hybrids. As Len Kasten shows, this technique of infiltration and hybridization prior to an all-out attack has been the hallmark of Reptilian conquest throughout the galaxy. Chronicling the history of the Reptilian Empire's influence on Earth and their conquest of 21 star systems, Kasten reveals how the human race is enmeshed in a skillfully concealed plot to enslave humanity and exploit our planet's physical and biological resources. Revealing Hitler's pact with extraterrestrials and the Reptilian influence on the Nazi state, he shares new documents that disclose the rescue and rehabilitation of Nazi war criminals to assist in the Cold War, which then corrupted many U.S. government institutions. Focusing on crucial events in the decade after World War II, he examines the Reptilians' human allies, the Illuminati, who control the levers of financial, technological, and military power throughout the world through various secret societies. He shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens permission to take humans up to their spaceships, ostensibly for genetic study--in return for alien technology--and how these abductions led to the creation of a hybrid race under Reptilian mind control. He also explains how Kennedy was assassinated by the CIA because of his plans to rout out this Nazi-Reptilian presence. Contrasting the Reptilians with the benevolent Ebens, the aliens from Zeta Reticuli who crashed at Roswell, Kasten exposes the stealthy tactics of the Reptilians, their relationship with the Greys, and their advanced genetic bio-technology and teleportation abilities--as well as what we need to do to defeat their plans.
