Announcing the completely revised and updated edition of *The Wine Bible*, the perennial bestselling wine book praised as "The most informative and entertaining book I've ever seen on the subject" (Danny Meyer), "A guide that has all the answers" (Bobby Flay), "Astounding" (Thomas Keller), and "A magnificent masterpiece of wine writing" (Kevin Zraly). Like a lively course from an expert teacher, *The Wine Bible* grounds the reader deeply in the fundamentals while layering on informative asides, tips, amusing anecdotes, definitions, glossaries, photos (all new for this edition), maps, labels, and recommended bottles. Karen MacNeil's information comes directly through primary research; for this second edition she has tasted more than 10,000 wines and visited dozens of wine regions around the world. New to the book are wines of China, Japan, Mexico, and Slovenia. And through it all the reader becomes ever more informed—and, because of the author's unique voice, always entertained: "In great years Pétrus is ravishing, elegant, and rich—Ingrid Bergman in red satin." Or, describing a Riesling: "A laser beam. A sheet of ice. A great crackling bolt of lightning."

31 meditations from the founder of *Desiring God* that will connect you to a fresh understanding of God and renew your faith. "You do not know what will happen tomorrow. For what is your life? It is even a vapor that appears for a little time and then vanishes away" (James 4:14). Living knowing that your life is a vapor is different than just living. Things here are passing away. You've got to hold on to what will stand. Savor what matters. This collection of thirty-one articles is full

of that heart-longing after Christ that distinguishes Piper's preaching ministry. You will feel as though you have stumbled into a garden as you enter these pages. The Scripture cuts, Christ is exalted in God, and we worship Him. Life Is Short. Eternity Is Long. Live Like It. You will exist forever. You and God are both in the universe to stay—either as friends on His terms, or enemies on yours—which it will be is proven in this life. And this life is a vapor. Two seconds, and we will be gone. In these thirty-one meditations, John Piper will connect you to a fresh understanding of God and a renewed relationship with Him. You'll find your faith stirred to make every day count for Christ when you consider life as a vapor. Story Behind the Book Time is precious. We are fragile. Life is short. Eternity is long. Every minute counts. Oh, to be a faithful steward of the breath God has given me. Three texts resound in my ears: "Redeem the time" (Ephesians 5:16); "It is required of stewards that one be found trustworthy" (1 Corinthians 4:2); "His grace toward me was not in vain; but I labored even more than all of them, yet not I, but the grace of God with me" (1 Corinthians 15:10). Surely God means for our minutes on earth to count for something significant. Paul said, "In the day of Christ I will have reason to glory because I did not run in vain nor toil in vain" (Philippians 2:16). In the same way, I have good hope from the Lord that my "labor is not in vain in the Lord" (1 Corinthians 15:58).

Jesus spoke words of life and truth. How well are you listening? True listening isn't simply hearing the words of Jesus; it involves belief that results in active commitment. Throughout His earthly ministry, Jesus interacted with people from all walks of life. In every case, those individuals could choose to believe His words and reap the rewards of faith--or resist the truth and miss out on everything that truly matters. This same choice is yours today. In this second book in a three-part study of the gospel of Mark, you can read for yourself the words of Jesus in Mark 7-13. If you then align yourself with the One who is truth, you'll experience for yourself the freedom that comes from truly listening for and following the voice of the Savior.

Wine serves an important role both in Scripture and in the Christian church, but its significance has received relatively little theological attention in modern times. This book fills that gap. Viewing wine as a gift of God's created bounty and as a special symbol used pervasively throughout Scripture, Kreglinger canvasses the history of wine in the church,

particularly its use in the Lord's Supper, discusses the fascinating process of winemaking, and considers both the health benefits of wine and the dangers of alcohol abuse. Offering a vision of the Christian life that sees God in all things - including the work of a vintner and the enjoyment of a well crafted glass of wine.

His New York Times phenomenon The Prayer of Jabez changed how millions pray. Now Bruce Wilkinson wants to change what they do next. Anyone can do a good deed, but some good works can only happen by an act of God. Around the world these acts are called miracles—not that even religious people expect to see one any time soon. But what would happen if millions of ordinary people walked out each morning expecting God to deliver a miracle through them to a person in need? You Were Born for This starts with the dramatic premise that everyone at all times is in need of a miracle, and that God is ready to meet those needs supernaturally through ordinary people who are willing to learn the "protocol of heaven." In the straightforward, story-driven, highly motivating style for which he is known, Wilkinson describes how anyone can be a 'Delivery Guy' from heaven in such universally significant arenas of life as finances, practical help, relationships, purpose and spiritual growth. You Were Born for This will change how you see your world and show you what you can expect God to do through you to meet real needs. You will master seven simple tools of service, and come to say with confidence, "I want to deliver a supernatural gift from God to someone in need today—and I expect to!" From the Hardcover edition.

A leading voice in the Christian men's movement addresses a man's seven, often destructive primal needs, then helps readers experience personal transformation in each area.

The Apostle Paul taught us that our bodies are the temples of the Holy Spirit. As such we should seek to glorify God with our body and spirit--both of which belong to Him. Joyce Rogers introduces a healthy way to eat by discussing the nutritional and spiritual value of the seven foods that abounded in the land of Canaan in Bible times. Filled with recipes and tips, this book will encourage readers to evaluate their own eating habits and form new ones so that whatever they eat and drink honors the Lord.

Break Through to Abundance with inspiring Bible teacher Bruce Wilkinson, author of the top two New York Times bestsellers The

Prayer of Jabez and Secrets of the Vine.

“This volume, by Biblical scholar Yochi Brandes, is a riveting novel based on textual sources about the experiences of David and Solomon. Its lessons are also relevant for our turbulent time.” —Elie Wiesel, #1 New York Times and internationally bestselling author of *Night* In the tradition of *The Red Tent* from internationally bestselling author Yochi Brandes comes the stories of the struggles of King David and King Saul in the early days of the Kingdom of Israel, seen through the eyes of Michal, Saul’s daughter and David’s abandoned queen Stories are deadlier than swords. Swords kill only those who stand before them, stories decide who will live and die in generations to come. Shelomoam, a young man from the tribe of Ephraim, has grown up in the shadow of dark secrets. He wonders why his father is deathly afraid of the King’s soldiers and why his mother has lied about the identities of those closest to him. Shelomoam is determined to unearth his mysterious past, never imagining where his quest will ultimately lead him. *The Secret Book of Kings* upends conventions of biblical novels, engaging with the canonized stories of the founding of the Kingdom of Israel and turning them on their heads. Presented for the first time are the heretofore unknown stories of the House of Saul and of the northern Kingdom of Israel, stories that were artfully concealed by the House of David and the scribes of the southern Kingdom of Judah. Yochi Brandes, one of Israel’s all-time bestselling novelists, enlists her unique background in both academic Jewish scholarship and traditional religious commentaries to read the Bible in an utterly new way. In this book, a major publishing phenomenon in Israel and one of the bestselling novels in the history of the country, she uncovers vibrant characters, especially women, buried deep within the scriptures, and asks the loaded question: to what extent can we really know our past when history is written by the victors?

In the *Secrets of the Vine Bible Study*, Bruce Wilkinson shows groups or individual readers how the three *Secrets of the Vine* introduced in the bestselling book are supported throughout Scripture, applying sound biblical insight to help them move toward making maximum impact for God. This Bible study provides a personal encounter with the life-changing teaching of Jesus in John 15, an inspiring look at God's intervention in His children's lives from Bible times to the present, a practical approach to a meaningful relationship with Him, and a visual and interactive learning tool for individual or group use.

Enjoy J. Vernon McGee’s personable, yet scholarly, style in a 60-volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight. A great choice for pastors, the average Bible reader, and students!"

Every woman can accentuate her God-given beauty using the hidden treasures of the ancient Scriptures. Ginger Garrett reveals how every woman can accent her God-given beauty using the hidden treasures of the ancient Scriptures—where every scent and every act of beautification had spiritual and emotional significance. A woman's longing to present herself as physically beautiful is universal. Beauty is extolled throughout the Bible as complementing God's plan for women's lives. There are currently no books that examine the beauty practices of biblical women, the plants and products God created to accent their beauty, and the spiritual roots of feminine rituals. Beautiful women abound in the Bible: Queen Esther, the bride of Solomon, Delilah, Rachel, Sarah, and more. Their beauty was a gift from God, and God also supplied the many foods, spices, and oils that perfected each woman's

appearance. In *Beauty Secrets of the Bible*, Ginger Garrett helps readers accent their God-given beauty using these secrets. Women who read the book will understand the essential oils and fragrances mentioned in Scripture (and why they are making a comeback) and will be able to create a regimen based on all-natural ancient products and techniques. *Beauty Secrets of the Bible* gives readers what other beauty books lack: the knowledge that a woman's unique earthly beauty is indeed a blessing from God that can be cultivated.
