Lots of books tell you how to buy and sell on eBay. But what if something goes horribly awry? Do you have to chalk it up to a "lesson learned," lick your wounds and move on? Not a chance. Don't Get Burned on eBay offers relevant lessons based on real-life stories posted on eBay's Answer Center. With sharp, witty rhetoric, veteran eBay user Shauna Wright (co-founder of the popular web site WhoWouldBuyThat.com, shows eBay veterans and newcomers alike how to avoid those nasty scenarios, and how to pull themselves out of the muck if they've already fallen in. Six entertaining (and hair-raising) chapters cover real problems that people have encountered with bidding, payment, shipping, packaging, dealing with other eBayers, and coping with the eBay system. This book is for anyone who's ever used eBay, because even veteran buyers and sellers often don't know the intricacies of eBay's and PayPal's rules. Don't Get Burned on eBay will leave you well-informed and better protected from potential pitfalls. The book's extensive glossary and numerous in-depth sidebars also make the book useful to people who haven't yet taken the plunge into eBay.

Selling on eBay isn't a game. You need to have a plan. eBay 2020 walks you through what it takes to sell on eBay. It answers all of your questions, and gives you ideas about how to get started and grow your eBay business. Do you ever wonder how some sellers can grow a strong thriving business, while others barely scrape by? Many times, I've watched two sellers as they are first starting out on eBay. Both sellers offer the exact same products and prices, yet one business skyrockets to the top of the charts selling thousands of items per month. The other business struggles to sell ten or fifteen items per month. They might even have the same basic look to their listings. On the face of it, it

doesn't make sense. Why does one eBay seller prosper, while another falls behind? Is it a matter of luck? Does one eBay seller catch all of the breaks, while another is stuck holding doo doo? Believe it or not, many struggling sellers believe this. They think it's all a matter of luck. But, you and I know better. Don't we? Sellers who succeed on eBay play by different rules. They don't leave anything to chance. They know that success requires a plan. You don't just move from Point A to Point B. You need to make it happen. And, that's what this book is all about. It gives you a strategy for selling on eBay. You will learn How to write titles that draw buyers into your listings and help them find what you are selling. How to take picture that show buyers what they need to know to say "This is the item I'm looking for!" The anatomy of a great listing. What you should say. How you should say it. What not to say. Why you need to stop guessing at prices for your items, and how to determine realistic prices that customers are willing to pay. The smart way to ship your items so you can get your packages to your customers safely and on time. How to rock customer service, and motivate your customers to leave five star feed-back every time. How to deal with eBay's constant string of updates and changes. Still not convinced? Consider this. There are over 149 million active buyers on eBay. Last year they spent over \$83 billion dollars on everything from paperclips to new cars and custom helicopters. Hundreds of thousands of small sellers are making \$500, a \$1000, even \$2500 every month working part time from their kitchen table or garage. How about you? Are you making your fair share? If not, this book will help you understand - selling on eBay isn't a game. You need to have a plan. Get serious about your eBay selling Order this book - TODAY! Make more sales tomorrow - and everyday

If you are looking for a way to make extra money or if you are looking for a real home based business, then this book is for you. EBay has teamed up with Pay Pal to become one of the most powerful, most trusted, most successful and most reputable online retail giants in the entire wide world; from America to Europe, from Africa to Asia, from Australia to Oceania and beyond. Miliions of people buy and sell on EBay, millions of dollars exchanged in transactions every day. EBay is producing more financially successful and stable sellers than any other business whether online or offline. The financial potentials with EBay is limitless. You have been dreaming of starting your own business or selling on EBay but don't know where and how start, you opportunity is here. There is no such thing as failure when you put the marketing power of such a world retail giant like EBay to work for you. It is so flooded by buyers from all accross the globe that literally any item with some sort of value to it listed on EBay, has a matching buyer waiting to bid and buy it. Too good to be true? Well, believe it because that's how and where I gained my financial independence and so many others too. Like I said before, literally anything with value you list on EBay sales, there is no magic or guess work about it. Best of all, there are tools in EBay you can use to find out the hottest selling items in any category, go find it, list it and make money. In this book, I personally broke the code, through my years of experience selling on EBay, on how you can rake up thousands upon thousands of dollars selling ordinary items on ebay everyday. It is entirely up to you how far you want to take because with the steps I show you in the book, not even the sky is you limit on the amount of money you can make with EBay. You don't think you have an item to sell? I will show you how to find the hottest selling items of your choice on any category on EBay, where to find them for pennies on a dollar and sell them for huge profits on EBay. May be you don't even have the pennies to buy these items to sell, well don't worry because in this book I teach you how to do 'drop-shipping' business. You will never have to touch any items, package or ship anything. All you need to do is simply list the items on EBay, once it's sold, follow the drop-ship process I clearly explained in this book to complete the transactions and keep you profits, no questions asked. It is the easiest and simplest way to build a business of your own with absolutely no financial risk as long as you follow the process and the instructions. 'Everything About EBay Selling' is a book that takes you by hand and walks you by step on how you can become a financially successful person by simply selling on Ebay, no matter who you are, where you come from or which part of the world you live. It is an EBay selling success niche decoded in the simplest form possible, so comprehensible, anyone can do it. I show you where and how to find items to sell, drop-shipping (this niche will blow your mind), listing your items, opening multiple accounts, choosing category, the killer description that will beat your competitors and get your items sold any time, all about bids and bidding, accepting and canceling bids, how to build your seller reputation, how to write your rules and policies, what to and not to include and understanding EBay seller fees (one of the most important aspect of EBay business you have to know and understand, the ignorance of how EBay fees are charged on sellers has dampened the effort of many sellers in making substantial profit as they suppose to). I will teach you how EBay charge their fees on what, when and why. Your knowledge and understanding of this will help you avoid paying unnecessary EBay seller fees thereby keeping the large portion of the profit in your own pocket. Stop living from pay check to pay check wishing that things will get better tomorrow. The opportunity is here for you, cease it for yourself, your future and your family. Goodluck!!!

Unique insights from an atheist's Sunday-morning odyssey When Hemant Mehta was a teenager he stopped believing in God, but he never lost his interest in religion. Mehta is "the eBay atheist," the nonbeliever who auctioned off the opportunity for the winning bidder to send him to church. The auction winner was Jim Henderson, a former pastor and author of Evangelism Without Additives. Since then, Mehta has visited a variety of church services—posting his insightful critiques on the Internet and spawning a positive, ongoing dialogue between atheists and believers. I Sold My Soul on eBay tells how and why Mehta became an atheist and features his latest church critiques, including descriptions of his visits to some of the best-known churches in the country. His observations will surprise and challenge you, revealing how the church comes across to those outside the faith. Who better than a nonbeliever to offer an eye-opening assessment of how the gospel is being presented—and the elements that enhance or detract from the presentation. Mehta announced prior to his churchgoing odyssey that he would watch for any signs of God's existence. After spending Sunday mornings in some of the nation's leading churches, what happened to the man who sold his soul on eBay? Did attending church change his lack of belief? The answers can be found inside.

eBay, Amazon, Etsy, & Fiverr So many choices How do you decide? Which site is right for your online business? Many books promise to share the secrets to getting wealthy selling online. They tell you to sell this or that product, or to try this top secret listing method, or to sign up for this course. But, that's all they are - promises. Sell It Online is different. It's written by a real eBay Power Seller and Top Rated Seller. One who's been selling on eBay and Amazon for over fifteen years. Most importantly, Sell It Online doesn't make any crazy promises that you'll make a million dollars overnight selling on any of these sites. It's not going to happen. It also doesn't tell you that you can make three thousand dollars a month following my method, because those kinds of promises don't make sense. Anyone can make money selling online. But, you aren't going to make a fortune following someone else's plan.

The phrase "selling item on eBay" can be understood from two different angles. Since I don't know from which angle you are viewing it, I will talk about both. One can understand selling item on eBay as, "I want to sell an item on eBay." On the other hand, one can also understand selling item on eBay as, "What are the items that are selling on eBay?" Discover everything you need to know by grabbing a copy of this ebook today.
