**Sentence Composing for Elementary School** Don Killgallon,Jenny Killgallon,2000 Don Killgallon's signature sentence composing approach to writing is rapidly becoming a part of every effective teacher's repertoire, in middle schools, high schools, and colleges across the country. Thousands of teachers have achieved astonishing results - with students readily writing sentences remarkably similar to those of professional writers. What's more they've discovered that this approach is easy to teach and easy to learn. Now, Don and Jenny Killgallon make these techniques available to elementary teachers with the first-ever worktext in which children learn to write sentences like their favorite authors. Using sentences from more than one hundred popular stories and novels as models, Sentence Composing for Elementary School offers extensive practice in four sentence-manipulating techniques: sentence unscrambling, sentence imitating, sentence combining, and sentence expanding. By playing with hundreds of sentences from selections like Charlotte's Web and the Harry Potter series, children learn to write their own sentences in more effective and interesting ways. At the same time, they improve their reading skills by discovering the story in the sentence. Teachers and students will find this textbook an innovative, creative, and enjoyable alternative to traditional grammar texts aimed at dissecting sentences. Instead, Sentence Composing for Elementary School engages children in learning how to build better sentences.

*Indian Horse* Richard Wagamese, 2018-04-10 A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of *Dream Wheels*. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul's victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, *Indian Horse* is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. “Shocking and alien, valuable and true... A master of empathy.”—Jane Smiley, Pulitzer Prize-winning author of *Golden Age* “A severe yet beautiful novel.... *Indian Horse* finds the granite solidity of Wagamese's prose polished to a lustrous sheen; brisk, brief, sharp chapters propel the reader forward.”—Donna Bailey Nurse, *National Post* (Toronto)
