-- Captures the Santa Fe Railway, its operations, physical plant, and locomotives.-- Beautiful photography from the 1960s to 1990s from more than 90 contribution photographers-- Includes detailed equipment roster, maps, and single page mini-roster.-- No competing books on the Santa Fe.

Talsy and Chanter return to the peaceful vale, where she gives birth to his son - a creature of the chaos. Travain has stunted Mular powers and a Trueman personality, making him dangerous and unpredictable, and he is also angry at his father's apparent neglect. Mular, however, do not care for their children, who are born fully formed and independent. Travain grows quickly, and is everything Chanter warned Talsy he might be. Chanter finds the last piece of the broken Staff of Law and makes it whole, but the laws are lost. His first son is born on the eastern continent they left behind so long ago, but he is blinded by strange golden lights in his mind. He names himself Law, and finds shelter in a hive of semi-ants. The next generation are manants, and attack him, forcing Law to flee into the chaos. In his search for shelter, he travels to the western continent, where Truemen capture him. The wind informs Chanter of his plight, and Talsy insists that they save him. That means venturing into the chaos once more, and now it is far worse than it was before.

Greg Gilmore fought hard against returning to Hershey, PA. He has trouble breathing in a town with so many Morrisons running around. Janine Morris, a woman as deeply entrenched in secrets and special military skills as him, only adds to his discomfort. Keeping his family safe is his number one goal. So why do Janine's haunted amber eyes keep enticing him to throw away all his cares and concerns to join forces with a woman who could bring all his enemies right down on the Morrison Family?

Environmentalists worry about too much carbon dioxide, but what's too little? What if global financiers manipulated the global warming crisis to gain control over humanity's resources, freedoms, and population? What if someone with the financial and technical abilities decided mankind was a virus and used carbon dioxide trapping technology to plunge population levels by crashing life-essential CO2 to new lows? These are questions Anna Picard must face in *The Carbon Trap*, the first book in *The Carbon Series*. At the height of the global warming crisis, the United Nations attempts to control all carbon emissions, and authorizes a series of programs it deems necessary to save humanity. A progressive US government enthusiastically endorses the UN Carbon Trapping program, and to help pay for it, will impose carbon taxes, draconian regulations, and... it will secretly sell Alaska. Anna Picard is an amoral fixer, an employee of Agenda 21 member and global financier Alexis Swanson had trained to help recruit his corporate army and neutralize his enemies. It is her job to unleash a global hacker network to help destroy the carbon based industries and funnel insider-trading profits to Swanson. One of her recruits is Dr. Sven Johansson, a brilliant geneticist and President of Snath Biotechnology, who designs life forms to trap CO2. But Sven has more ambitious plans. At a UN conference in the Maldives held to impose draconian carbon regulations, not everyone is happy, some industrial executives realize data has been falsified. To protect her scheme, Anna frames one of the execs for murder. Her plans are complicated when she falls in love with Dr. Pete Heyward, the son of the man she framed for murder. Pete is a US Marine amputee who sees past her malevolent deeds and tries to rejuvenate the morality of her youth. After a series of genetically modified carbon trapping life forms is unleashed upon the Earth, Anna must confront the evils she helped unleash, and prevent an even bigger disaster from unfolding that would destroy most life on Earth. This is a high-tech ecological thriller that takes the reader from the Maldives, to the French Riviera, and the heartland of Texas. It introduces cutting edge technologies and concepts, used for the first time in a novel, that reveal striking implications for society.

Two people driven to win. Only one can claim the prize. She's a sprint car racer driven by secrets. He's the man who must uncover them on national TV. *Slide Job*: A dirty move in which a race driver skids his/her car sideways in front of another car to steal a position. Sprint car driver Morgan Blade is willing to do anything to help save her critically ill father, even become a contestant on a new TV racing reality show. But once the cameras start rolling, she realizes the cost of the prize money. If the show's sexy producer has his way, her most heartbreaking secrets will be revealed to a worldwide audience. Secrets are Tyler Dalton's business. Forced to produce one more reality show to fulfill his contract, he can't wait to get it over with and move on with his life. However, part of who he is means giving it his best. In reality TV, controversy drives ratings. So despite a combustible attraction to his star, Tyler must unveil the secrets beneath Morgan's fiery faade. But when she becomes more than just another contestant ... will he go for the slide job, even if it means losing her?

. Learn to Develop a Powerful Mindset for Complete Success and Fulfilment This 4 Book Bundle Contains Book 1: Millionaire Mindset Strategies Book 2: Best Wealth Magnet Activities Book 3: Ideal Steps to Business Success Book 4: Super Wealthy Mindset Habits Become unstoppable in the face of challenges and obstacles One of the most important features of our lives is our ability to live up to our full potential and this collection of wealth-oriented books have been designed specifically to identify the essential ingredients that can be used to create success. Based on a series of interviews and mentorships with groups of exceptionally successful individuals, the principles discussed within the four books reveal the fact that sustained success is not an accident. It's a product of consistently doing the right things. But what constitutes 'the right things'? And how important is the role of attitude in the creation of success? The good news is

that the attitudes, actions and behaviours of highly successful and fulfilled individuals can be learned and that means that all of us can benefit from the models and examples that others have set. This saves us an enormous amount of time and wasted effort and can catapult us into the upper levels of personal success and fulfilment. The books have been designed as an exploration of the underlying attitudes that will serve either to support or hinder our ambitions. Their purpose is to encourage us to dream and set goals that are truly worthy of our deeper potential. The first volume examines the attitudes and behaviours of super-successful individuals and reveals the principles that these people adopted to promote their efforts to live the lives of their dreams. It's an intoxicating message of hope, inspiration and practical principles for raising the quality of our lives to new levels of expression. The second volume explores the principles of developing a very positive attitude towards wealth and its resistance-free acquisition. The third volume focuses on the principles of creating success in business and the fourth book examines the essential attributes of the successful mind set. Amongst a treasure trove of powerful advice, insights, tips and principles, you can learn how to Identify the beliefs that previously held you back and banish all negative and restrictive attitudes and behaviours Set goals that will draw on your latent creativity and inspire you to grow Discover and channel the power of your unconscious and make firm friends with the concept of wealth and abundance Take control of your business and tune it towards new levels of success and profitability Create your own mental framework for positive expectations and design your own affirmations for driving you ever closer towards your dreams and goals Become comfortable with the concept of personal success and fulfilment This collection of the essential principles for success has been produced to share the message that our fate is very much in our own hands and that each of us has the potential to make our lives better than they are today. This profound message of hope is a wake-up call to seize the day and experience the power of your own potential. It's a message of power and practical wisdom, a set of guides for making the most of this precious gift we call life.

When a young peasant girl is injured while hunting, she meets a strange, magical man who is a member of a despised race - Mujar. Truemen scorn the shape-shifting unmen for their odd, humble ways, and envy their power over the elements. Mujar do not use their powers for good or evil, they simply exist, immortal and apparently purposeless. Now a scourge is sweeping the land, armies of mounted warriors who cannot be defeated are wiping out Truemankind without mercy. They are known as the Black Riders, but no one knows where they come from or why they seem bent on exterminating every man, woman and child. Talsy traps the Mujar with gold, which has an odd effect on them, to make him help her, but her father intends to throw him in a Pit, from which he will be unable to escape. Talsy does not believe the Mujar deserves such a fate, so she frees him and begs him to take her with him on his journey. He agrees, and they set off across Shamarese, continuing his quest to find an old hermit's lost son. There is far more at stake than Talsy realises, however, and she has innocently stumbled upon the last free Mujar, who has the power to decide the fate of her race.

A Spectacular Enhancement to the Skill System Mythic Skills introduces a system of skill exploits that take the basic tasks your skills allow you to perform and dials them up to amazing levels. In addition, every skill in the Pathfinder Roleplaying Game Core Rulebook also gets brand-new skill exploits, as well as greater exploits that only the most skilled masters would even attempt. This book contains rules for using these enhanced skills with mythic characters but also provides an alternative system for use in non-mythic Pathfinder campaigns! This system allows your characters to focus on their skills as a key part of their character construction and to invest more of their character's abilities in their character itself, rather than the character's gear or magical tools. You can use these rules generally with mythic characters, allowing them to attempt all manner of skill-based exploits, or you can limit the ability to pull off these amazing skill stunts to those mythic characters that have really invested in making their skills a key part of their character's identity. The mythic rules offer an opportunity to magnify what makes a character special, and the skills they choose to hone as part of their background narrative and throughout the course of the campaign should be just as important in defining them as their marvelous magic and fabulous feats. With Mythic Skills in your hands, your skills will be just as spectacular!"

"Great book! I can't put it down." "Complex characters, suspenseful plot with an unexpected ending." Tonight Marcus stepped back into the world of dating for the first time since his wife died three years ago. Things are going well. Interesting conversation with an attractive woman, first-rate food and even better wine. Life is good again. What Marcus doesn't know is that his nanny has just abducted his eleven-year-old daughter--to Russia. Marcus' nanny is his ex-sister-in-law, a survivor of war crimes in her homeland Chechnya. Kamila's lingering trauma and desire for revenge drive her dark thoughts and vengeful schemes. She's willing to eliminate anyone who gets in her way--including her niece. Stormy is Marcus' date the night his daughter disappears. They've been friends for years, just now reaching a new level in their relationship. Stormy knows she can help Marcus find his daughter. But first she has to push through his stubborn refusal to accept her help. Will Marcus and Stormy find Alyssa before Kamila gives in to her darkest thoughts? What drives Kamila's deep-seated hatred of Marcus? If you enjoy suspense-filled psychological thrillers that keep you guessing until the last page, you'll love Dark Sky Falling. Read Dark Sky Falling today! WHAT OTHERS ARE SAYING ABOUT DARK SKY FALLING "Dark Sky Falling has something for every reader- suspense, romance, mystery. A must read!" "A well written, action packed story that draws you in with characters that you can relate to." "Great read! Complex characters, suspenseful plot with an unexpected ending." "The book was fast-paced and thrilling and definitely worth a day's worth of reading. I will look forward to more books by this author."

Hannah Torrington has used her newfound training to seek revenge for her sister's death at the hands of the vampires. Her relationship with Will ruined and her abilities growing stronger each day, she is determined to graduate from the program and help end the vampire uprising. When the vampires continue to stalk her family and Will refuses to let her go, she must battle both her feelings for the Lycan and the vampires who wish to destroy her.

Daniel Nash struggles to reconcile his feelings of betrayal with his desire to understand his life. His hopes of uncovering

the secrets revealed in his father's journals are quickly dashed, and he works with a private investigator to discover the truth. Worry about his wife, Sarah, combines with his efforts to cope with his childhood trauma, an unexpected death, and the recent revelations. His obsession with the past threatens to destroy his stable life. Meanwhile, Sarah and her father, Tristan, continue to combat the lingering discord that developed between them years before but refuse to take their main focus from Daniel. As he reviews his biological father's efforts to be a good man, Daniel searches for a way to comprehend shocking disclosures. He questions his own goodness as he fights not to emotionally withdraw from those around him, especially the two people he knows will always love him, Sarah and Tristan.

So You Think You're Smart is an eclectic collection of word games, riddles and logic puzzles to tantalize, tease and boggle the brains of readers of all ages and educational levels. The brain teasers are about ordinary words and things that everybody knows about so only common sense and a bit of resourcefulness are needed to solve them. The book is in its 17th printing and has appeared on Saturday Night Live.

Amanda Fisher sees things in her dreams most people don't. Her world is turned upside down when she begins receiving messages through her dreams from her grandmother, who died recently. This leads thirteen-year-old Amanda and her younger brother, Danny, on an adventure where they learn an ancient family secret. They are the last in line of guardians of the mysterious Source Crystals, the most powerful stones in the world. Hunted by the Hraefn Corporation, and horrible, dark creatures who have been after their family for thousands of years, they are caught in a battle between light and dark forces. The guardians seek help from the wise Elders they meet in a mystical place inside the earth. They will be challenged far beyond the training they receive from the Elders. If they are not successful, millions of people will be in danger and the planet will return to the terror of the Dark Ages. A Book Club Discussion Guide is included in the book, perfect for Middle Readers reading groups and study guides. This is the first of a series.

Description: Many new games are from first-time designers or are self-published, so there is a tremendous thirst for information about the nuts and bolts of tabletop game design. While there are many books about the design process in terms of mechanisms and player experience, there are no books that cover the arts and crafts aspects of how to create a prototype, software and physical tools that can be used, graphic design and rules writing, and considerations for final production. *Gamecraft: Prototyping and Producing Your Board Game* presents this information in a single volume which will be invaluable for up-and-coming designers and publishers. Key Features: The text compiles information from many websites, blogs, Facebook groups, subreddits, and the author's extensive experience in an easy-to-read volume. The text illustrates how to lay out and assemble the physical aspects of an effective board game. The book is divided into two sections for readability and covers a large array of different techniques. Geoffrey Engelstein is the designer of many tabletop games, including *The Ares Project*, the *Space Cadets* series, *The Dragon & Flagon*, and *The Expanse*. He is the founder of *Ludology*, a bi-weekly podcast about game design, and a contributor to the *Dice Tower* podcast with his bi-weekly *GameTek* segments that discuss the math, science, and psychology of games. He has also published several books, including *GameTek: The Math and Science of Gaming*, *Achievement Relocked: Loss Aversion and Game Design*, and *Building Blocks of Tabletop Game Design*. He is on the faculty of the NYU Game Center as an adjunct professor for Board Game Design and has been invited to speak at PAX, GenCon, Metatopia, and the Game Developers Conference.

Jonah Ranger was restoring an antique 1955 Chevy when he heard a woman's voice on the car radio pleading for help. She said her name was Alice Davenport, and a man was holding her captive, forcing her into a grueling workout routine so she'd be a proper challenge when he hunted her like big game on his private estate. As they talked, her voice shifted from the radio to inside Jonah's head. Born with telepathic abilities, he'd helped Decorah Security rescue kidnap victims, but never had he felt this personal connection to one of them. Calling on psychic resources he didn't know he possessed, Jonah was able to project himself to Alice's location, where he could hold her in his arms, touch her, kiss her, and plan.

With the revelation and capture of the killer creature; Charles, Elsa and the other survivors anticipate leaving the island and putting their deadly and terrifying vacation behind them. In an unfortunate incidence, the cunning creature escapes, sets out for vengeance and blood. The group is once again thrown in to a frenzied fight for their lives. The killings resume, and it is left up to Charles to remove the deadly threat to them all once and for all. He and Elsa's relationship has escalated; and as he prepares for battle, he is determined to survive to be with his one true love. In a final confrontation between Charles and the creature, a startling secret is revealed about Elsa's past; one that will change the couples lives forever, if they survive. The final battle ensues. Will Charles be the hero? Or will he and Elsa's love affair end on the island, along with their lives?

Clay McGavran was stuck in hell. Otherwise known as Denson, Virginia - a small town in the shadows of the Blue Ridge Mountains - a town shrouded in the pain and tragedy of the past. As partner at one of Richmond's most successful construction and design firms, building someone else's dream home was his job. But when their dream brought him to the town of his nightmares, he was thrust into a past he'd worked diligently to forget. The only respite to his misery came from an unexpected - and inconvenient - source. His new assistant, Alison. To Clay, Alison was the woman whose perpetual smile and hauntingly familiar eyes were a balm to his scraped and bruised psyche. She was the antithesis of the type of woman he usually took to his bed but he found himself wanting her more than any woman before her. And, as his employee, she was the one woman he couldn't have. His company, friendships, and reputation were at stake. He couldn't cross that line again. He'd been reckless in the past and it had nearly cost him his company - and his life. But it's not so easy to walk away when, in the fires of his personal hell, he may have stumbled headlong into his salvation. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.***

Sammy, a 14-year-old fugitive, accidentally discovers he has the powers of a Psion. ... Plucked off the streets, he is thrust into the rigorously-disciplined environment of Psion Beta headquarters. As a new Beta, Sammy must hone his newfound abilities using holographic fighting simulations, stealth training missions, and complex war games. His fellow trainees are other kids competing to prove their worth so they can graduate and contribute to the war effort. But the stifling competition at headquarters isolates Sammy from his peers. Learning to use his incredible abilities powers is difficult enough, but when things go horribly wrong on a routine training mission, he must rely on the other Betas to stay alive. The Silent War is at a tipping point; even one boy can be the difference. But to do so, he must survive.

A family in pain, desperate to find out what is ripping apart their once tight-knit group, turns to therapy for answers... but, as the initial four-hour session moves ahead, more and more secrets are revealed. Will these secrets rip this family apart forever? Can therapist Victoria Fields lead them back to each other and the peace and happiness they once enjoyed as a family?

Both Jesse Owens and Adolf Hitler grew up in poverty, and each of the two men struggled to find their footing later in life. Owens represented the United States in the 1936 Olympics, after which he found it difficult to sustain a well-paying job. In turn, Adolf Hitler moved to Vienna as a teenager, following his parents' death, but he never found the financial success he so desperately craved as an artist. He spent most of his time in the city a penniless, unemployed young man. The similarities between the two men end there. While Adolf Hitler became angered and enraged by his circumstances, and by the fate of Germany following the First World War, Jesse Owens went out of his way to help people. Even when he faced the cruelty of racism in the United States, Owens saw the best in others. He spent most of his days working with children

and teenagers, making a conscious effort to give them the guidance and support they needed to enact positive change in the world. In contrast, Hitler turned to hatred, divisiveness, and conflict in his attempts to change the world in his image. Owens was an open-minded man who spent his life bettering the lives of his family and the community at large. Even when others asked him to denounce the racist tendencies of Adolf Hitler, he chose to grudgingly respect the German leader. Meanwhile, Hitler's experiences only fuelled his hatred of anyone who was not Aryan and German. In this book, we will explore the lives of both men leading up to the 1936 Berlin Olympics. Then, we will take a closer look at the effects of that summer on the rest of their years. 30 Minute Book Series Welcome to the ninth book in the 30-Minute Book Series. Each book in the series is fast-paced, well-written and accurate, covering the story in as much detail as a short book allows. In less than an hour, you can read or listen to the full book. The text is a perfect companion for your lunch hour, or perhaps a nice distraction on your train ride home from work. About the Author Doug West is a retired engineer, small business owner, and an experienced non-fiction writer with several books to his credit. His writing interests are general, with special expertise in science, biographies, and "How-To" topics. Doug has a Ph.D. in General Engineering from Oklahoma State University.

Want to be the next Buffett? Learning and understanding his rules to success is a good place to start. This book will reveal some of the most important rules that Warren Buffett abide to. All of which helped him achieved his tremendous success and attain his current status and popularity.

In the 28th century, a philanthropic entrepreneur owns a group of trade outposts on the edge of the Terran Alliance territory. Traders, travellers and wanderers pass through, spending vast amounts of money. The galaxy's foremost alliance of criminals covets the profit-making capacity of the company, so they have sent agents to the station where the company owner lives, intent on taking control one way or another. But a never-before-seen stellar phenomenon isolates the station, leaving the station's crew, the innocent travellers and the handful of agents stuck together in a crucible of attack and counter-attack – while a mischievous entity takes control of people indiscriminately, intent on wreaking further havoc.

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

Lily Gayle and the gang set out to find a killer after local baker Luxen Natolovich is found dead hours before the grand opening weekend at the new Bed and Breakfast in town, Midnight Dragonfly. As Lily Gayle deciphers the clues around Luxen's death she uncovers a conspiracy of lies and half-truths that could very well be tied to a refugee camp in Mississippi during World War II. The deeper Lily Gayle digs the deeper the conspiracy runs and the closer she comes to being the killers next victim. A 2017 Official Selection in mystery by New Apple Awards. This cozy mystery, Cherry Cake and a Cadaver, from Susan Boles is a new addition to the great southern cozy mystery tradition of Tonya Kappes, Miranda James and Larissa Reinhart.

Life is indeed a game that we all play to pass time; simply a series of days strung together, made up of how you planned or decided to spend the moments. Like any game how well it is played or whether life's circumstances are interpreted accurately, then used to the best advantage, makes losers and winners to varying degrees. Senseless insanity is alive and well within the world. The world is awash with unruly forces, that if not intent upon harming you do desire to become a destabilising force, either temporarily or over the long term. We are all participants in a charade, how life evolves and turns out all depend on how well the game is played. It is not wise or ideal to treat life like a game of chance, a random roll of the dice that can determine unpredictable outcomes. The cost of success is the careful application of well thought out concepts and ideas. Like any game preparation is critical; understanding the rules, knowing how to manipulate the dynamics at play efficiently to ones own advantage, understanding the intricacies of the rules and how to capitalise upon or create opportunities, pursuing whatever circumstances are present to maximise whatever potential exists to the best advantage. The potential opportunities in life are only limited by the inability to firstly comprehend them and secondly to fully utilise personal abilities to maximise the potential that is available. Don't wait for special times to evolve, rather create them in accordance with your true desires to experience what you wish to make real. Much like any game, the game of life has things that can be obtained, or things that can be lost. How the game is played, the value of the stakes, the opposing factions all come to dictate an outcome, be that favourable or lacking any resemblance of being lucky. A life lived based upon any reliance on luck or fate being favourable is tempting only to the over optimistic, or those extremely lucky ones or who were fortunate in the past and believe that good fortune will continue in the future. While it takes resources to control the world, the control of your own specific world environment is really within your potential to achieve. How you choose to control your world, as well as to what extent your desires are put into action, determine whether your life will meet your wishes or not. The amount of thought and energy you exhort, the persistence of that effort, all comes to determine whether and to what degree what you want is what you actually get. In life you may win or loose at times, it's basically just like playing a game; the right mentality is chancing the wheel of life by trusting and ensuring you will win just the same.

A comprehensive resource of physical education games designed to help children in grades K-8 develop the skills important to performing a wide variety of team and lifetime sports.

This book is uniquely original and can be personalized with any girl's name. How fun is that? Think of the possibilities: baby or shower gifts, birthdays, a special something from grandma, and more. You can purchase the book as shown, using Faith in the title, or personalize it to suit your specific needs. Simply contact us at eStoryTime.com BEFORE placing your Amazon order and we'll take care of the rest. After contacting us, you'll still need to order the book through Amazon, so we'll send you a direct link to use when placing your order. It will assure the book is personalized with the name you've requested. We've taken the worry out of the process and your child will be thrilled with the final

product. Who doesn't like to see their name on the cover or hear it related throughout the story? The author, Melissa Ryan, is the mother of five children and knows the importance of reading to your little ones. It instills a love of books and fosters an active imagination in the youngest of readers. Help start them on a path of discovery with Melissa's stories. The tale of Faith is perfect for bedtime, especially when unleashing the child's wonder by using her own name. This is a book that can be enjoyed over and over again, and will be remembered long after the last page is read and the lights turned out. Faith's Hiccup-ups Day is beautifully written and will hold your child's attention while you share this delightful tale. Tag along with Faith as she giggles, HIC's, and jumps her way through a day with the hiccup-ups. See the silly things her family suggests to solve her problem. It's a day filled with enough fun for everyone. Faith will capture your heart, and the moments spent reading it together will build fond memories that will be cherished throughout the years. Your little girls grow up all too fast; make lasting impressions while you can. This is just one of several books offered by Melissa in her ever-expanding children's book series. You'll learn to love and appreciate the extra attention that goes into each volume. Special care is taken to keep the child's heart at the center of each story, helping them build character and learn something along the way. Encourage that special child in your life to embrace what is truly unique, and sometimes funny, about their developing personalities. Spend a few minutes with Faith on her I-Didn't-Do-It kind of day and make bedtime special, while you create a binding relationship with the power of reading...you'll look back in awe at the foundations you've built. Please customize and purchase this book for a special little girl in your life today. The piston engines that powered Second World War fighters, the men who designed them, and the secret intelligence work carried out by both Britain and Germany would determine the outcome of the first global air war. Advanced jet engines may have been in development but every militarily significant air battle was fought by piston-engined fighters. Whoever designed the most powerful piston engines would win air superiority and with it the ability to dictate the course of the war as a whole. This is the never-before-told story of a high-tech race, hidden behind the closed doors of design offices and intelligence agencies, to create the war's best fighter engine. Using the fruits of extensive research in archives around the world together with the previously unpublished memoirs of fighter engine designers, author Calum E. Douglas tells the story of a desperate contest between the world's best engineers – the Secret Horsepower Race.

Kidnapped by the government and transported to a mysterious battleground, 50 high school students are forced to fight to the death in a brutal televised contest called Classroom Deathmatch! From the creators of Panty Explosion comes the Indie RPG Award winning role playing game inspired by the controversial novel Battle Royale . A game of trust, friendship, murder and betrayal. The biggest games, the best bowls, the greatest players and coaches to ever wear the orange and blue-- it's all here in this celebration of Auburn Football in the Modern Era. In its more than 300 pages of colorful memories, statistics, humor, Top Ten lists, and much more, DECADES OF DOMINANCE passionately argues for Auburn's greatness on the football field. Here are just a handful of the many chapter topics included: Dye Hard: The Pat Dye Era Top Ten Bowl Games Running Back U: Auburn's Top Rushers and their Statistics The Rise and Fall of the Bowden Empire Top Ten Greatest Games Played in Jordan-Hare The Tommy Tuberville Era Auburn's Records vs the Rest of the SEC and vs All Other Conferences The Future of Auburn Football AND MUCH MORE! As a special bonus, this book includes the Complete History of Jordan-Hare Stadium, as well as the scores from every season, every game, and every bowl game in Auburn's Modern Era, 1981-present. Van Allen Plexico and John Ringer, authors of the bestselling SEASON OF OUR DREAMS and "Wishbone" columnists and podcasters for The War Eagle Reader, poured every ounce of their passion for Auburn football into giving you DECADES OF DOMINANCE: AUBURN FOOTBALL IN THE MODERN ERA. "A compendium unapologetically celebrating the greatness of Auburn football. Every Auburn fan should own it." -- Michael Skotnicki, author of AUBURN'S UNCLAIMED NATIONAL CHAMPIONSHIPS

From the time of Ancient Sumeria, the heavy infantry phalanx dominated the battlefield. Armed with spears or pikes, standing shoulder to shoulder with shields interlocking, the men of the phalanx presented an impenetrable wall of wood and metal to the enemy. Until, that is, the Roman legion emerged to challenge them as masters of infantry battle. Covering the period in which the legion and phalanx clashed (280–168 BC), Myke Cole delves into their tactics, arms and equipment, organization and deployment. Drawing on original primary sources to examine six battles in which the legion fought the phalanx – Heraclea (280 BC), Asculum (279 BC), Beneventum (275 BC), Cynoscephalae (197 BC), Magnesia (190 BC), and Pydna (168 BC) – he shows how and why the Roman legion, with its flexible organization, versatile tactics and iron discipline, came to eclipse the hitherto untouchable Hellenistic phalanx and dominate the ancient battlefield.

Lock 'n Load Tactical system has set a new standard in Squad-level gaming. Its innovative gameplay mechanics, unparalleled artwork, historical scope, and accessibility have entertained veterans and new gamers alike.

Violent riots fomented by foreign agents are breaking out in South Korea. Seizing the opportunity, North Korea launches a lightning invasion, with heavy Soviet support, whose aim is to unite North and South under Communist rule. The second Korean War has begun and World War III may be imminent.
