Evangelistic Preaching Ozora Stearns Davis, 2016-10-05 Excerpt from *Evangelistic Preaching: With Sermon Outlines and Talks to Children and Young People* Been, with one supreme task, publishing a message which is concerned with nothing less than a new life for the individual and society. There are many ways by which this message may be made known; but from the beginning it has been chiefly through the oral delivery of the evangel that it has been proclaimed. Christian preaching is still the compelling engagement of the Church. The preacher is still the messenger of life to his generation. Preaching is difficult, highly technical and glorious business. There seems to be need of a brief manual which will define again the unchanged task of the preacher in the light of our exacting and bewildered world, bring out the encouragements in the preacher's task, and offer practical suggestions for the prosecution of that distinct kind of preaching commonly known as evangelistic. This book is offered as a word of encouragement and specific counsel to all those who are. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
