Big Cats opens with "Charlotte," in which a young girl with a broken pelvis spies on her voluptuous neighbor during a long, hot summer night, setting the tone of irrepressible curiosity and yearning that is evident throughout the collection. In "Get Away from Me, David," a bank manager tries to overcome his haunted past as he deals with the aftermath of a minor earthquake and the body of a customer who died in the lobby. "Big Cats" pits two teenage girls against each other in an escalating catfight at the zoo where they work, culminating in a blowout in front of the lion cage.

Most startups end in failure. Almost every failed startup has a product. What failed startups don't have are enough customers. Traction Book changes that. We provide startup founders and employees with the framework successful companies use to get traction. It helps you determine which marketing channel will be your key to growth. "If you can get even a single distribution channel to work, you have a great business." -- Peter Thiel, billionaire PayPal founder The number one traction mistake founders and employees make is not dedicating as much time to traction as they do to developing a product. This shortsighted approach has startups trying random tactics -- some ads, a blog post or two -- in an unstructured way that will likely fail. We developed our traction framework called Bullseye with the help of the founders behind several of the biggest companies and organizations in the world like Jimmy Wales (Wikipedia), Alexis Ohanian (Reddit), Paul English (Kayak.com), Alex Pachikov (Evernote) and more. We interviewed over forty successful founders and researched countless more traction stories -- pulling out the repeatable tactics and strategies they used to get traction. "Many entrepreneurs who build great products simply don't have a good distribution strategy." -- Mark Andreessen, venture capitalist Traction will show you how some of the biggest internet companies have grown, and give you the same tools and framework to get traction.

'It is not our struggle to be happy that is mistaken; it is our false idea that we can find happiness anywhere but in ourselves... happiness does not depend on outward things. It is born of the mind, it is nourished by the mind, it is what rises, like breath in a frosty air, from the mind's wrestling with its fate...' The Art of Happiness (first published in 1935) belongs to John Cowper Powys's sequence of philosophical writings, and finds him exploring the problem of how man lives with his fellow man, and also with woman - that is to say, here, as opposed to the abstract arguments concerning Man in the universe, Powys is concerned with the practical arguments such as arise between man and his neighbour, his wife, his lover - and also with man's arguments against himself, all in the pursuit of happiness. The careful reader will find herein hints, clues, intimations, as to how we all might become a little happier - an invitation few of us would feel so fortunate as to refuse.

Global Business: Positioning Ventures Ahead alerts every business to the new windows of opportunity open to those willing to explore global markets. Authors Czinkota and Ronkainen bring readers quickly up to speed on the essentials of international marketing, explaining all the strategic alternatives for going global—from exporting and licensing to distributorships and joint ventures. They illustrate how to present, promote, and price products and services to appeal to multiple world markets and how to strike back when world competitors move into one's territory. Each chapter concludes with "Food for Thought" questions that challenge the reader to think more deeply about entry into the global market, as well as further readings and online resources that provide useful references for continuing investigation. Global Business: Positioning Ventures Ahead equips readers with the skills to ride out the risks and reap the rewards of world-class engagement.

Fox News Channel anchor Bret Baier shares the New York Times bestselling story of his son Paul's ongoing battle with heart disease, and how it transformed his own life and family. This deeply touching personal story is told through the eyes of a journalist as he faces his life's greatest crisis: caring for his critically ill son. With the acute insight of a seasoned reporter, and the deep love of a husband and father, Baier shares behind-the-scenes stories and emotional narrative of young Paul's life thus far. Bret and his wife Amy emerge—just like their brave young son—scarred but infinitely stronger, and clearly understanding what matters most in life. Told by a loving father and master storyteller, this hope-filled account offers an inspirational glimpse into the family of a man who just happens to be someone millions turn to for the day's news. One hundred percent of what the author receives from the sale of this book is donated to various non-profit pediatric heart causes.

From the editor-in-chief and co-owner of the highly respected self-improvement site Pick the Brain comes an inspirational guide for overscheduled, overwhelmed women on how to do less so that they can achieve more. Women live in a state of constant guilt: that we're not doing enough, that we're not good enough, that we can't keep up. If we're not climbing the corporate ladder, building our side hustle, preparing home-cooked meals, tucking the kids in at night, meditating daily, and scheduling playdates, date nights, and girls' nights every week, we feel like we're not living our best lives. Yet traditional productivity books—written by men—barely touch on the tangle of cultural pressures that women feel when facing down a to-do list. Now, Erin Falconer will show you how to do less—a lot less. In fact, How to Get Sh*t Done will teach you how to zero in on the three areas of your life where you want to excel, and then it will show you how to off-load, outsource, or just stop giving a damn about the rest. As the founder of two technology start-ups and one of Refinery29's Top 10 Women Changing the Digital Landscape for Good, Erin has seen what happens when women chase an outdated, patriarchal model of productivity, and now she shows you how even the most intense perfectionist among us can tap into our inner free spirit and learn to feel like badasses. Packed with real-life advice, honest stories from Erin's successful career, and dozens of actionable resources, How to Get Sh*t Done will forever reframe productivity so that you can stop doing everything for everyone and start doing what matters to you.

Joe Dispenza draws on research conducted at his advanced workshops since 2012 to explore how common people are doing the uncommon to transform their lives. Readers will learn that we are, quite literally, beings of light; how we can

tune in to frequencies beyond our material experience to receive a more orderly stream of consciousness and energy; and how, if we do this enough, we can develop a more efficient, coherent, healthy body, mind and spirit

The only thing Avery Hood can remember about the night her parents died is that she saw silver - deadly silver, moving inhumanly fast. As much as she wants to remember who killed her parents, she can't, and there's nothing left to do but try to piece her life back together. Then Avery meets the new boy in school - Ben, mysterious and beautiful, with whom she feels a connection like nothing she's ever experienced before. When Ben reveals he's a werewolf, Avery still trusts him - at first. Then she sees that sometimes his eyes flash an inhuman silver. And she learns that she's not the only one who can't remember the night her parents died. Part murder mystery, part grief narrative and part heart-stopping, headlong romance, *Low Red Moon* is a must-read for teen paranormal fans. As breathless as *Twilight* and as spooky as *Shiver*, this is a book to be devoured in one sitting - by an acclaimed YA author making her paranormal debut under the pseudonym Ivy Devlin.

Enjoy the stress relief of coloring beautiful mandalas without the pressure or effort of choosing a color palette. All the colors you'll use are laid out on the pages, just pick the corresponding color and create a beautiful work of art. Bonus: Follow a link to an online PDF in the back of the book to print out the pages to share or color again.

From Ben and Erin Napier, the stars of the hit HGTV show *Home Town*, comes *Make Something Good Today*, a memoir that tells us all to seek out the good in life, celebrate the beauty of family and friends, and prosper within our communities because everything we need in life to be happy, is within our grasp. Long before their hugely popular TV show, an expanding family, or demolition day on their dream home, Erin began keeping a daily online journal to help her stay focused on the positive and count her blessings in life. She never expected that her depictions of small-town life in the tiny swath of Mississippi where she Ben call home would catch the eye of a television producer and set them off on the journey of a lifetime. *Make Something Good Today* offers a behind-the-scenes glimpse into the struggles and triumphs of a couple that America has come to know and love for their easy humor, adoring relationship, and ability to utterly transform a place into something beautiful and personal. This is the poignant story of how Erin and Ben took a small, tight-knit town into their own hands (literally) and used ingenuity, community, and authenticity to rebuild a once-thriving American Main Street. And how, by combining Ben's carpentry skills with Erin's design eye, *Home Town* is making it clear to us all that small-town living can feel as big as you make it. Complete with family photographs, Erin's hand-painted sketches, and never-before-heard personal stories, this inspirational memoir reminds us all not to give up hope that great love stories are possible, big things can bloom in small towns, and there is always magic in the ordinary if you know where to look for it.

Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of *Tax-Free Wealth*.

A science fiction epic from "the best writer in America" (Tom Clancy)—Hugo and Nebula award-winning author John Varley. Fleeing Earth after an alien invasion, the human race stands on the threshold of evolution. Their new home is Luna, a moon colony blessed with creature comforts, prolonged lifespans, digital memories, and instant sex changes. But the people of Luna are bored, restless, suicidal—and so is the computer that monitors their existence...

Let's get to the heart of the matter and end global loneliness. Unlock the mystery of who you are and what you offer the world as you relearn the meaning of life and love. This book guides you in the simple process to understand: How important love is to our human psyche (love is to our soul what food and water are to our bodies). How childhood wounding impacts our life path more than we thought. How to improve all your relationships in life, especially your relationship with yourself. How the world needs you and the gifts you provide now more than ever. How to attract more positive and supportive people in your life as your new confidence shines through. Together we can end global loneliness and restore love to its rightful place in the universe. Together we have hope and can build a brighter, kinder, warmer future for all of mankind. If it is your time to unlock the mystery of life and why you are here, this book is for you.

The blockbuster #1 national bestseller Bret Baier, the Chief Political Anchor for Fox News Channel and the Anchor and Executive Editor of *Special Report with Bret Baier*, illuminates the extraordinary yet underappreciated presidency of Dwight Eisenhower by taking readers into Ike's last days in power. "Magnificently rendered. ... Destined to take its place as not only one of the masterworks on Eisenhower, but as one of the classics of presidential history. ... Impeccably researched, the book is nothing short of extraordinary. What a triumph!"—JAY WINIK, *New York Times* bestselling author of *April 1865 and 1944 In Three Days in January*, Bret Baier masterfully casts the period between Eisenhower's now-prophetic farewell address on the evening of January 17, 1961, and Kennedy's inauguration on the afternoon of January 20 as the closing act of one of modern America's greatest leaders—during which Eisenhower urgently sought to prepare both the country and the next president for the challenges ahead. Those three days in January 1961, Baier shows, were the culmination of a lifetime of service that took Ike from rural Kansas to West Point, to the battlefields of World War II, and finally to the Oval Office. When he left the White House, Dwight Eisenhower had done more than perhaps any other modern American to set the nation, in his words, "on our charted course toward permanent peace and human betterment." On January 17, Eisenhower spoke to the nation in one of the most remarkable farewell speeches in U.S. history. Ike looked to the future, warning Americans against the dangers of elevating partisanship above national interest, excessive government budgets (particularly deficit spending), the expansion of the military-industrial complex, and the creeping political power of special interests. Seeking to ready a new generation for power, Eisenhower intensely advised the forty-three-year-old Kennedy before the inauguration. Baier also reveals how Eisenhower's two terms changed America forever for the better, and demonstrates how today Ike offers us the model of principled leadership that polls say is so missing in politics. *Three Days in January* forever makes clear that Eisenhower, an often forgotten giant of U.S. history, still offers vital lessons for our own time and stands as a lasting example of political leadership at its most effective and honorable.

What are YOU afraid of? What would you do if you played a virtual reality game that didn't stop when you took the headset off? How about if you watched your son die, but an exact replica appeared and asked to come home with you? Or you accidentally went on a tinder date with the Devil? We've got zombie books, demonic horror, ghosts and specters, angels and demons, gothic novels, and haunted houses and ghosts novels. We promise some of the top horror books 2018.

Is it possible to heal by thought alone—without drugs or surgery? The truth is that it happens more often than you might expect. In *You Are the Placebo*, Dr. Joe Dispenza shares numerous documented cases of those who reversed cancer, heart disease, depression, crippling arthritis, and even the tremors of Parkinson's disease by believing in a placebo. Similarly, Dr. Joe tells of how others have gotten sick and even died the victims of a hex or voodoo curse—or after being misdiagnosed with a fatal illness. Belief can be so strong that pharmaceutical companies use double- and triple-blind randomized studies to try to exclude the power of the mind over the body when evaluating new drugs. Dr. Joe does more than simply explore the history and the physiology of the placebo effect. He asks the question: "Is it possible to teach the principles of the placebo, and without relying on any external substance, produce the same internal changes in a person's health and ultimately in his or her life?" Then he shares scientific evidence (including color brain scans) of amazing healings from his workshops, in which participants learn his model of personal transformation, based on practical applications of the so-called placebo effect. The book ends with a "how-to" meditation for changing beliefs and perceptions that hold us back—the first step in healing. *You Are the Placebo* combines the latest research in neuroscience, biology, psychology, hypnosis, behavioral conditioning, and quantum physics to demystify the workings of the placebo effect . . . and show how the seemingly impossible can become possible.

You are not doomed by your genes and hardwired to be a certain way for the rest of your life. A new science is emerging that empowers all human beings to create the reality they choose. In *Breaking the Habit of Being Yourself*, renowned author, speaker, researcher, and chiropractor Dr. Joe Dispenza combines the fields of quantum physics, neuroscience, brain chemistry, biology, and genetics to show you what is truly possible. Not only will you be given the necessary knowledge to change any aspect of yourself, but you will be taught the step-by-step tools to apply what you learn in order to make measurable changes in any area of your life. Dr. Joe demystifies ancient understandings and bridges the gap between science and spirituality. Through his powerful workshops and lectures, thousands of people in 24 different countries have used these principles to change from the inside out. Once you break the habit of being yourself and truly change your mind, your life will never be the same!

Why do we keep getting the same jobs, taking on the same relationships, and finding ourselves in the same emotional traps? Dr. Joe Dispenza not only teaches why people tend to repeat the same negative behaviors, he shows how readers can release themselves from these patterns of disappointment. With the dynamic combination of science and accessible how-to, Dispenza teaches how to use the most important tool in one's body and life—the brain. Featured in the underground smash hit of 2004, "What the Bleep Do We Know!?", Dispenza touched upon the brain's ability to become addicted to negative emotions. Now, in his empowering book *Evolve Your Brain* he explains how new thinking and new beliefs can literally rewire one's brain to change behavior, emotional reactions, and habit forming patterns. Most people are unaware of how addicted they are to their emotions, and how the brain perpetuates those addictions automatically. In short, we become slaves to our emotional addictions without even realizing it. By observing our patterns of thought, and learning how to 're-wire the brain' with new thought patterns, we can break the cycles that keep us trapped and open ourselves to new possibilities for growth, happiness and emotional satisfaction. Key Features A radical approach to changing addictive patterns and bad habits. Based on more than twenty years of research. Bridges the gap between science, spirituality and self-help—a formula that has proven success. Easy to understand and written for the average reader.

Red wine on the carpet? Coffee stain on your white t-shirt? Candlewax on the tablecloth? This book will save you time and money on hundreds of everyday household problems, with advice on everything from unblocking a sink (if you own a tennis ball but not a plunger) to making your oven sparkle without any toxic chemicals. Teenagers left a tissue in the laundry? No need for yelling: The Country Women's Association of Victoria Inc. has a trick to deal with it effortlessly. Bothered by summer flies in your kitchen, mozzies at your outdoor dining table or moths in your wardrobe? The Country Women's Association of Victoria Inc. shows you how get rid of them naturally and make your home smell great at the same time. The advice is simple, the wisdom is tested and the tools are found in pretty much every kitchen, laundry, garage or shed: lemon juice, vinegar, essential oils, bicarbonate of soda, salt, methylated spirits. Most are environmentally friendly and all are thrifty. Over 1000 hints and tips for the kitchen, bathroom, laundry, car, Christmas, clothing, craft, creepy crawlies, DIY, gardening, floors, food, cleaning EVERYTHING, hair care, health and beauty remedies, ironing, home decorating, jewellery, knitting, pets, sewing, shoes, silver, storage and stain-removing.

You'll be able to bring your own Power Food lunch with you to work. Energetic in every way, from the design, to the recipes, to the beautiful food and lifestyle photography within, *Power Food On the Go* will inspire you to embrace the Rens Kroes enthusiasm for food, health, and life on the go.

What Would Buffy Do? explores the fascinating spiritual, religious, and mythological ideas of television's hit series *Buffy the Vampire Slayer*--from apocalypse and sacrifice to self-reliance, redemption, and the need for humor when fighting our spiritual battles.

David Hoffmeister uses seven mind-expanding movies as modern-day parables to guide you into an experience of Quantum Forgiveness. Take forgiveness as taught by Jesus 2,000 years ago, the science of the material universe as understood by Quantum Physics, and movie-watching as a spiritual tool. Combine that with the clarity of mystic David Hoffmeister, a world-renowned teacher of *A Course in Miracles*, and you have an insightful and original book for *Awakening to permanent Peace*. David's practical application of these non-dual teachings necessary to experience the Unified Mind and his clarity about the function of True Forgiveness in spiritual awakening, allow us to accept Rumi's invitation into a field of pure potential! "Out beyond ideas of wrongdoing and rightdoing there is a field. I'll meet you there." ~ The Essential Rumi "David Hoffmeister is a beautiful teacher of *A Course in Miracles*. In his new book, *Quantum Forgiveness: Physics, Meet Jesus*, he offers a unique and powerful pathway for transcending fear and strengthening your miracle mindset. I recommend this book to anyone on a committed spiritual path. I absolutely adore David and all of his work!" ~ Gabrielle Bernstein, New York Times best-selling author of *Miracles Now*

President Reagan's dramatic battle to win the Cold War is revealed as never before by the #1 bestselling author and award-winning anchor of the #1 rated Special Report with Bret Baier. "An instant classic, if not the finest book to date on Ronald Reagan." — Jay Winik Moscow, 1988: 1,000 miles behind the Iron Curtain, Ronald Reagan stood for freedom and confronted the Soviet empire. In his acclaimed bestseller *Three Days in January*, Bret Baier illuminated the extraordinary leadership of President Dwight Eisenhower at the dawn of the Cold War. Now in his highly anticipated new history, *Three Days in Moscow*, Baier explores the dramatic endgame of America's long struggle with the Soviet Union and President Ronald Reagan's central role in shaping the world we live in today. On May 31, 1988, Reagan stood on Russian soil and addressed a packed audience at Moscow State University, delivering a remarkable—yet now largely forgotten—speech that capped his

first visit to the Soviet capital. This fourth in a series of summits between Reagan and Soviet General Secretary Mikhail Gorbachev, was a dramatic coda to their tireless efforts to reduce the nuclear threat. More than that, Reagan viewed it as “a grand historical moment”: an opportunity to light a path for the Soviet people—toward freedom, human rights, and a future he told them they could embrace if they chose. It was the first time an American president had given an address about human rights on Russian soil. Reagan had once called the Soviet Union an “evil empire.” Now, saying that depiction was from “another time,” he beckoned the Soviets to join him in a new vision of the future. The importance of Reagan’s Moscow speech was largely overlooked at the time, but the new world he spoke of was fast approaching; the following year, in November 1989, the Berlin Wall fell and the Soviet Union began to disintegrate, leaving the United States the sole superpower on the world stage. Today, the end of the Cold War is perhaps the defining historical moment of the past half century, and must be understood if we are to make sense of America’s current place in the world, amid the re-emergence of US-Russian tensions during Vladimir Putin’s tenure. Using Reagan’s three days in Moscow to tell the larger story of the president’s critical and often misunderstood role in orchestrating a successful, peaceful ending to the Cold War, Baier illuminates the character of one of our nation’s most venerated leaders—and reveals the unique qualities that allowed him to succeed in forming an alliance for peace with the Soviet Union, when his predecessors had fallen short.

An encyclopedia with a twist, *The Route 66 Encyclopedia* presents alphabetical entries on Route 66 history, landmarks, personalities, and culture, from Bobby Troup’s anthem “Route 66” to *The Grapes of Wrath* to the Wigwam Motel, illustrated with over 1,000 old and new, color and black-and-white photos and memorabilia. You’ll learn about Jack Rittenhouse and Will Rogers as well as the contributions of lesser-known figures like Arthur Nelson and Angel Delgadillo. With references to the old (including the history of the U Drop Inn Café in Texas) and new (including a section about the recent *Cars* movie), *The Route 66 Encyclopedia* provides a sweeping look at a highway that has become more than just a road. These pages cover the history of Route 66 and the people who played a role in its transformation from highway to icon between 1926 and the present, but like the highway itself, this work does not fit within the traditional confines of generalities or terminology. Yes, this is an encyclopedia, a reference book for all things Route 66. However, it is also a time capsule, a travel guide, a history book, a memorial, a testimonial, and a chronicle of almost a century of societal evolution.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The Mystical Teachings of Jesus will illuminate the mind with a deeper understanding of the teachings of the Bible and *A Course in Miracles* (ACIM). The chapters in this book contain Bible verses, side-by-side with ACIM quotes, providing a dialogue of clarity, and directly answering questions from the heart, such as: “Jesus, what is my relationship to you? What is a miracle?” and, “How will the world end?”

As Lee was writing this book, he was asked time and time again: "Why Rich Soldier?" For, Lee is was very simple: When the mission is financial freedom, success is the only option. This book leverages the disciplines and mindset of the military into a straight-forward and actionable strategies to deliver financial victories in your life. While the principles and ideas in this book are shaped by Lee's military background, they can be applied to anyone--whether they serve in the military or in civilian life. It is Lee's mission to give readers a simple and attainable path to help them create wealth and enjoy the rewarding life they have always desired. *Rich Soldier* will teach you: - the strategies behind the 4 Es of Success - how to control and eliminate any old programming and the voices of indecision, procrastination and fear of failure that cripple your chances of financial victory - how to activate *The Wealth Ethics*-so that wealth and success pursue you as you work to attain them - the roadmap for avoiding the mistakes many entrepreneurs make in business and investing - the power of *The Success Triad*--a unique approach to securing, controlling and preserving your financial freedom - how to identify and use a *Courage Point*... so you can move past your inhibitions and accomplish the mission - a logical and analytical 7-step method for decision making in buying profitable assets with speed and confidence

An O, *The Oprah Magazine Summer Reading Pick*. A “brilliantly observed, heartrending” novel of a Buenos Aires boy in exile (*Financial Times*). In 1976 Buenos Aires, a ten-year-old boy lives in a world of school lessons and comic books, TV shows and games of Risk. But in his hometown, the military has just seized power, and amid a climate of increasing terror and intimidation, people begin to disappear without a trace. When his mother unexpectedly pulls him and his younger brother from school, she tells him they’re going on an impromptu family trip. But he soon realizes that this will be no ordinary holiday: his parents are known supporters of the opposition, and they are going into hiding. Holed up in a safe house in the remote hills outside the city, the family assumes new identities. The boy names himself Harry after his hero Houdini, and as tensions rise and the uncertain world around him descends into chaos, he spends his days of exile learning the secrets of escape. Told from the points of view of Harry as a grown man and as a boy, *Kamchatka* is an unforgettable story of courage and sacrifice, the tricks of time and memory, and the fragile yet resilient fabric of childhood. “[Figueras] vividly evokes a child’s reaction to a world beleaguered by violence . . . [A] hopeful message about the healing powers of imagination and love.” —*The New York Times*

The reimagined story of Anarcha, an enslaved Black woman, subjected to medical experiments by Dr. Marion Sims. Selected by Tyehimba Jess as a National Poetry Series winner. In this provocative collection by award-winning poet and artist Dominique Christina, the historical life of Anarcha is personally reenvisioned. Anarcha was an enslaved Black woman who endured experimentation and torture at the hands of Dr. Marion Sims, more commonly known as the father of modern gynecology. Christina enables Anarcha to tell her story without being relegated to the margins of history, as a footnote to Dr. Sims’s life. These poems are a reckoning, a resurrection, and a proper way to remember Anarcha . . . and grieve her.

Make sure you hit all the right notes. Playing the piano is much more than just learning notes and reading music; having good dexterity, building independent finger strength, and learning proper technique is absolutely essential to mastering the instrument. Packed with everything a player needs to become a great pianist, *The Complete Idiot’s Guide® to Piano Exercises* is the perfect companion to the best-selling *The Complete Idiot’s Guide® to Playing Piano, Third Edition*. ? More than 100 challenging exercises designed to improve playing skills, including pedaling, hand crossovers, virtuoso arpeggios, playing dynamics, and more ? The author owns and operates a very successful home studio, and is a virtuoso pianist

America is in the midst of a cultural and constitutional law crisis that began more than sixty years ago and was further exacerbated by the 2015 Supreme Court same-sex marriage decision. How did we become a culture that lacks objective morality and embraces secular ideas, hinging on the majority whim of nine justices? How do we get back to being a biblically moral, upright society and recognizing the U.S. Constitution as supreme law of the land? In *The Legal Basis for a Moral Constitution*, Jenna Ellis makes a compelling case for the true roots of America’s Founding Documents in objective morality and how our system of government is founded upon the Christian worldview and God’s unchanging law, not a secular humanist worldview. She provides a unique perspective of the Founding Fathers as lawyers and how they understood the legitimate authority of biblical truth and appealed directly to God’s law for the foundation of America. Weaving together the legal history and underpinning worldview shifts in American culture, Ellis advocates how Christians must change the basic reasoning of our appeal and effectively engage our culture. Finally, she proposes the solution to reclaim objective, biblical morality in law that the Founders themselves provided for through Article V of the U.S. Constitution. This book is for every Christian who seeks to understand the times and our constitutional and cultural crisis.

'Glubbslyme. You're magic!' When Rebecca wades into the witch's pond after a row with her best friend Sarah, she meets a very unusual new friend - a huge, warty toad! And Glubbslyme is no ordinary toad. Hundreds of years old, he can talk and - best of all - he can work magic. Maybe, just maybe, he can help Rebecca be best friends with Sarah again . . .

Thoroughly updated, the 9th edition of this bestselling textbook incorporates global trends and data, supported by an exemplary case selection based on firms from around the world. The internationally cited author team of Czinkota, Ronkainen, and Gupta balance conceptual understanding of business theory with the day-to-day realities of business practice, preparing students to become successful participants in the global business place. This edition brings greater focus on Asia and emerging markets, as well as Brexit, the impact of COVID-19 on business and the importance of technology and the digital space to international business practice. Through its discussion and analysis, the book guides students to a greater understanding of contemporary business issues and helps them to develop new tools of analysis. Covering all key aspects of international business, the authors emphasize a few key dimensions: international context, role of government in international business, small- and medium-sized firms, and social responsibility.
