More than 25 years ago society was introduced to William Ellis Foy. Foy was an African-American minister of the nineteenth century whom historical records had generally overlooked. The popular book *The Unknown Prophet* demonstrated that Foy received powerful revelations from God about coming tribulation, judgment, and heaven awaiting those who were faithful to God. Foy's message was straightforward—be faithful, because Jesus is coming again! The groundbreaking research in *The Unknown Prophet* did much to clear up misconceptions and set the record straight about William Foy. It told the largely unknown story of this sensitive young man of color. Furthermore, he faced incredible trials and struggles yet faithfully fulfilled his time-specific prophetic commission during the height of the Millerite movement and went on to maintain a quiet and productive ministry until his death in the late 1800s. William Foy's story, his ministry and message, still speaks today. This second edition is the response to a desire for an updated version, providing hope and encouragement for the twenty-first-century reader. It contains new and valuable documents and images, including the only known photo of William Foy's son. Your faith will be enriched as you read these pages.

Addressing low church member retention is long overdue. One of the initiatives of the General Conference of Seventh-day Adventists(R) to address this matter is to hold Nurture and Retention Global Summits. The first one met in November 18-20, 2013 and the second one in April 5-7, 2019. The primary purpose of this publication is to preserve and disseminate the content of the seminars and workshops offered during the 2019 Nurture and Retention Summit. It covers three important related areas: Discipling, Nurturing, and Reclaiming. The secondary, and probably most important, long-term goal is to keep the conversation running and to continue to share and develop best practices to be more effective and efficient in God's mission. We believe this book will give you enough insight about the need to develop more efficient ways to attract and equip new members, as well as sending them to fulfill God's work to "make disciples of all nations" (Matt. 28:19, NIV).
