Eight years ago Tony left Olivia at the altar. He was sure she didn't really want to marry him. Now he's back, and they're forced to work together. Coming home isn't easy for Tony, because his father wanted him to work at a trade instead of going off to college. Their relationship is still unsteady. Even before Tony's return, Olivia began questioning the depth of her love for her fiancé, a man she chose because he was safe and reliable. Yet the last thing she wants is a loveless, faithless marriage like the one her parents suffered through. When Tony, who never stopped loving her, insists her fiancé is the wrong man for her, Olivia sets out to prove him wrong. But the sexual chemistry between them is still strong, and so are her feelings for him. Even so, how can she break her engagement, hurt her fiancé as she was once hurt? And how can she trust Tony not to abandon her as he did before? If anyone does the jilting this time, she will.

Thirty years ago, a young Colorado ski racer falls in love with the freedom and sensuality of a remote Costa Rican rainforest. However, unlike most of us who return home from our tropical vacations, she sets out to make this sensation her life, and to help others experience it. With her own hands, and the help of a Costa Rican boyfriend, she builds an ecolodge in the remote rainforest of Costa Rica's Osa Peninsula. During her journey, a tractor trailer rolls over on her, breaking her leg in four places, her house burns to the ground, and she completely runs out of money. These calamities only strengthen her resolve. In the end, she succeeds in building a lodge praised by media ranging from Travel + Leisure to CNN, and in helping people from all over the world experience one of the most biologically diverse places on earth.

She also creates the nonprofit Whitehawk Foundation to save the Osa rainforest.

A provocative satire of love, sex, money, and politics that unfolds over four wild days in so-called "paradise"—the long-awaited first novel from the acclaimed author of *Sam the Cat* "I seriously, deeply love this book."—Michael Cunningham NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES AND THE WASHINGTON POST Every summer, a once-sort-of-famous cartoonist named Rich Fischer leaves his wife and two kids behind to teach a class at a weeklong arts conference in a charming New England beachside town. It's a place where, every year, students—nature poets and driftwood sculptors, widowed seniors, teenagers away from home for the first time—show up to study with an esteemed faculty made up of prizewinning playwrights, actors, and historians; drunkards and perverts; members of the cultural elite; unknown nobodies, midlist somebodies, and legitimate stars—a place where drum circles happen on the beach at midnight, clothing optional. Once more, Rich finds himself, in this seaside paradise, worrying about his family's nights without him and trying not to think about his book, now out of print, or his future as an illustrator at a glossy magazine about to go under, or his back taxes, or the shameless shenanigans of his colleagues at this summer make-out festival. He can't decide whether his own very real desire for love

and human contact is going to rescue or destroy him. A warped and exhilarating tale of love and lust, *Who Is Rich?* goes far beyond to address deeper questions: of family, monogamy, the intoxicating beauty of children, and the challenging interdependence of two soulful, sensitive creatures in a confusing domestic alliance. **LONGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE** “Funny, maddening . . . defiantly original . . . [Matthew] Klam’s prose is so clean, so self-assured, that it feels a little like a miracle.”—The New York Times “A dazzling meditation on monogamy [and] parenthood . . . full of sound and fury and signifying pretty much everything.”—The Boston Globe “Comic, wondrous, and sad.”—The New Yorker “Almost scarily astute.”—People “An electric amalgam of frustration and tenderness, wonder and rebellion: a paean to the obliterating power of parental love.”—Jennifer Egan “A contemporary masterpiece.”—Salon From the author of *Grace’s Guide* and the host of *The Grace Helbig Show* on E! comes an illustrated, tongue-in-cheek book about style that lampoons fashion and beauty guides while offering practical advice in her trademark sweet and irreverent voice.

The mystery of the body in motion. The surprise of seeing what seems impossible. And the pure, joyful optimism of it all. Dancers Among Us presents one thrilling photograph after another of dancers leaping, spinning, lifting, kicking—but in the midst of daily life: on the beach, at a construction site, in a library, a restaurant, a park. With each image the reader feels buoyed up, eager to see the next bit of magic. Photographer Jordan Matter started his Dancers Among Us Project by asking a member of the Paul Taylor Dance Company to dance for him in a place where dance is unexpected. So, dressed in a commuter's suit and tie, the dancer flew across a Times Square subway platform. And in that image Matter found what he'd been searching for: a way to express the feeling of being fully alive in the moment, unself-conscious, present. Organized around themes of work, play, love, exploration, dreaming, and more, Dancers Among Us celebrates life in a way that's fresh, surprising, original, universal. There's no photoshopping here, no trampolines, no gimmicks, no tricks. Just a photographer, his vision, and the serendipity of what happens when the shutter clicks.

Hormone Treatment Is Called Harmful-Washington Post, 7/10/02 Estrogen Use Linked to Higher Cancer Risk-Boston Globe, 7/17/02 31.2 million women facing menopause in America are concerned by these headlines. Most women today will live over one-third of their lives post-menopausal, but what about the age-old solution of hormone replacement therapy? In 2002 the U.S. government halted a major study of hormone therapy because it increased the risk of invasive breast cancer. Now, millions of women are left wondering whether they should approach menopause without hormones, suffering from hot flashes and low sex drive or take hormones and live in fear of being another statistic. Suza Francina has a simpler solution: Yoga. In this practical book, Francina, a leading yogi and author of *The New Yoga for People Over 50*, shows how yoga can be a powerful tool to help women turn menopause into a positive and empowering experience, both physically and spiritually. Included are easy-to-follow, indexed photos of yoga poses that alleviate key menopausal problems including: hormonal changes; hot flashes; irregular bleeding; fibroids; stress and anxiety, mood swings, depression and fatigue; bone loss; heart disease and cancer. Francina delivers a timely and truly heartening message to women: you don't have to get weaker or depressed when facing menopause, it can truly be an empowering, restorative time.

Yoga is many centuries old, but hot yoga, developed only in the 1960s, has already proven a beneficial and popular variation on the ancient art. Hot yoga—also known as Bikram, after its originator, Bikram Choudhury—is a method for working out in rooms heated up to 100 degrees, thus enhancing muscle suppleness and aiding body detoxification. This heavily illustrated book describes each of the 26 progressively more challenging hot yoga postures. Aided by color photos, the author gives detailed instruction on all hot yoga poses, which she claims unite mind, body, and spirit when performed in rigorous but enjoyable workouts. Each pose is preceded by information on its specific benefits. Practitioners are advised to end each session with cool-down techniques that relax both mind and body. The book concludes with recommendations for hot yoga as treatment for complaints such as back pain, sports injuries, and stress. Hot yoga helps its practitioners explore their limits and enhance their physical and mental well-being. Approximately 50 color photos and more than 100 line drawings.

THE INSTANT NEW YORK TIMES BESTSELLER A raw, honest, and revealing co-memoir by Brie and Nikki Bella: twin sisters, WWE Hall of Fame inductees, and stars of the hit E! shows *Total Bellas* and *Total Divas*. As twins, the Bellas have always competed. Legend has it that Nikki drop-kicked Brie in the womb so that she could make her grand entrance first. But the rest of the world often treated them as identical and even interchangeable, so they decided to do something about it. After they made it into WWE, the Bellas accomplished so much together: bringing in young girls and women while building the Bella Army, helping the transition of female performers from Divas to Superstars, starring in *Total Divas* and *Total Bellas*, and founding companies like

Birdiebee, Nicole + Brizee Beauty, and Bonita Bonita Wine. Though their early journey began with loss, abuse, and plenty of rough times, these challenges “shined the diamond.” They resolved to be survivors and the heroes of their own stories, and to take control and responsibility for their lives. Eventually, they would come to show girls everywhere that they can do anything. The Bellas may be identical twins—but as individuals, they have proven themselves Incomparable.
