Overwhelmed? Need a day off... a break? Maybe it's time to learn the truth about the Sabbath. Everyone, it seems, lives his or her life at a breakneck pace, constantly rushing here and there to get everything done. Technological advances that once promised more leisure time now seem only to push us further behind, making it ever more difficult to catch up. So we frantically scramble. We feel out of touch—out of touch with our spouse, out of touch with our families, out of touch with the world around us and, perhaps most of all, out of touch with God. Is there a way to get back in touch? In the Bible, God gives us a solution written within the Ten Commandments. It's a commandment that gives us time for a welcome, refreshing rest from our weekly labors, a time during which we must no longer be absorbed in our ordinary daily cares and concerns—a time for spiritual rejuvenation. Inside the ebook, "Sunset to Sunset: God's Sabbath Rest", you will read why God commanded a day of rest and the purpose for it. You will discover the answers to which day is the Sabbath, why the Sabbath is relevant for all of us today and why this day of rest makes sense in today's world. Join us for a journey through the Bible to discover the importance of God's Sabbath rest. Inside this Bible Study Aid ebook: "God, Creator of the Sabbath, determines when the day begins and ends, and it was observed from sunset to sunset throughout the Bible. His Sabbath begins Friday evening at sunset and ends Saturday evening at sunset." "Jesus Himself clearly denied that He intended to change or abolish the Sabbath or any part of God's law. "Do not think that I came to destroy the Law or the Prophets," He said. "I did not come to destroy but to fulfill" (Matthew 5:17)." "Many who argue that the Sabbath was abolished in the New Testament point to the apostle Paul's writings to justify their view. But is this opinion correct? They commonly cite three passages to support that claim—Romans 14:5-6, Colossians 2:16-17 and Galatians 4:9-10." "Here we see God's true intent for the Sabbath: It is part of a proper, loving relationship with Him. It is a matter of honoring God."

In the fall of 1965 the Israeli newspaper Haaretz sent a young journalist named Elie Wiesel to the Soviet Union to report on the lives of Jews trapped behind the Iron Curtain. "I would approach Jews who had never been placed in the Soviet show window by Soviet authorities," wrote Wiesel. "They alone, in their anonymity, could describe the conditions under which they live; they alone could tell whether the reports I had heard were true or false—and whether their children and their grandchildren, despite everything, still wish to remain Jews. From them I would learn what we must do to help . . . or if they want our help at all." What he discovered astonished him: Jewish men and women, young and old, in Moscow, Kiev, Leningrad, Vilna, Minsk, and Tbilisi, completely cut off from the outside world, overcoming their fear of the ever-present KGB to ask Wiesel about the lives of Jews in America, in Western Europe, and, most of all, in Israel. They have scant knowledge of Jewish history or current events; they celebrate Jewish holidays at considerable risk and with only the vaguest ideas of what these days commemorate. "Most of them come [to synagogue] not to pray," Wiesel writes, "but out of a desire to identify with the Jewish people—about whom they know next to nothing." Wiesel promises to bring the stories of these people to the outside world. And in the home of one dissident, he is given a gift—a Russian-language translation of *Night*, published illegally by the underground. "'My God,' I thought, 'this man risked arrest and prison just to make my writing available to people here!' I embraced him with tears in my eyes."

William Sharlin (1920–2012) was a cantor, synagogue composer, teacher and musicologist. Raised in an Orthodox household, he turned toward Universalism and the liberal Reform movement. A member of the first graduating class of the first cantorial school in America, he was a founding member of the American Conference of Cantors and is recognized as the first to play a guitar in the synagogue. Sharlin developed the Department of Sacred Music at HUC in Los Angeles, where he taught for 40 years, trained women to be cantors before they were allowed in the seminary, and spent nearly four decades at Leo Baeck Temple. Drawing on interviews conducted with Sharlin late in life, the author chronicles the career of one of the most inventive and creative figures in the history of the cantorate.

Rabbinical comments and a variety of traditions provide clarity and credibility to the study of Sabbath. While this volume does not resolve all the differences among Christians concerning the place of the Sabbath today, the journey undertaken in this book will help you in forming your own conclusions—or inspire you to continue exploring the meaning and significance behind the Sabbath.
