

Shades Fall The Last Riders Book 4

High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart, incisive ethnography. Based on eighteen months of fieldwork in a racially diverse working-class high school, *Dude, You're a Fag* sheds new light on masculinity both as a field of meaning and as a set of social practices. C. J. Pascoe's unorthodox approach analyzes masculinity as not only a gendered process but also a sexual one. She demonstrates how the "specter of the fag" becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the "fag discourse" is as much tied to gender as it is to sexuality.

One night, and two lost souls with tainted lives, find a love strong enough to reveal a secret that just might kill them all ... Kaden Cross had it all: money, fame, and women ... Forced from obscurity and into the limelight as the lead singer of the band Mouth2Mouth, the last thing he wanted was to find a sexy drugged out redhead waiting for him in his bed. Finding out that she's the victim of a sex slave ring puts the band in peril, because the only way to save the woman he's started to love means denying her the one thing she wants the most ... Sawyer has had one dream her whole life, to escape the smothering love of her mother and a life of poverty. Now, kidnapped and drugged, she is given to a man she knows nothing about except that he holds her life in his hands.

The final three books in the bestselling, award-winning BEYOND series! BEYOND RUIN Adrian Maddox fled his royal life—and tragic past—in Sector One, choosing instead to join up with the O'Kanes. For years, he's lived by one rule: love fast, love hard, and always be willing to walk away. He's managed to guard his heart, keep it whole and untouched—until now. They couldn't be more different—Dylan, the brilliant, burned-out doctor from Eden who drowns his pain with drugs and self-destruction. Scarlet, the sensuous, sexy rocker from Three, a woman unafraid to embrace the world. And Jade, the whore turned spy from Sector Two, who battled addiction and came out stronger than anyone he's ever met. Separately, they make Mad long to open his heart, to tumble head-first into a sea of possibilities and wild love. Together, they make him burn, inside and out, with lust and unbearable, unimaginable pleasure. Then one fateful moment shakes their world to its foundations—and leaves the sectors on the verge of all-out war with Eden. It's the biggest fight the O'Kanes have ever faced, and Mad and his lovers are at the dead center of it. They could end up with everything they never knew they wanted—or lose it all. Including their lives. BEYOND ECSTASY The O'Kanes have a reputation for working hard and playing harder—except for Hawk. He joined the gang with one goal: to ensure his family's survival through the impending war with Eden. It's been years since he had the luxury of wanting anything for himself. Now, he wants Jeni. From the first moment he saw her, he's been obsessed with making her his. Not for a night—forever. Jeni's been lusting after the former smuggler for months, but he keeps shutting her down. She's almost given up on getting him in her bed when he offers her the last thing she ever expected—a collar. Accepting it means belonging to him, body and soul. It's a reckless gamble, but Jeni can't resist the chance to slip under Hawk's armor. The only thing more shocking than the dark, dangerous

pleasure they discover is how right it feels. But falling in love is even more reckless when forever is far from guaranteed. Because they aren't just at war, they're out of time—and every breath could be their last. BEYOND SURRENDER For years, Nessa has been focused on work. She keeps the whiskey—and the money—flowing, and life is sweet. Sure, she's tired of being everyone's baby sister, and she longs for a man who can stand up to her overprotective O'Kane brothers. But she never thought she'd meet him in the middle of a war. War is all Ryder knows. He was raised with one goal: to ensure the sectors' successful rebellion against Eden. His father and his mentor both died for freedom, and nothing will stop him from securing their legacies with victory. He doesn't have time for distractions—especially beautiful, impulsive ones like Nessa. Opposites don't just attract, they combust. Together, Nessa and Ryder have a chance for something more than the lives they've always known. But this is war—deadly, bloody war—and the only way to happily-ever-after is straight through Eden.

The University of Florida, the state's oldest and largest university, is recognized today as one of the country's most academically diverse public institutions. Though able to trace its history to 1853, the school did not begin its popular football program until the first few years of the 20th century. The program has had its share of scandals and embarrassments over time, but it has also produced two Heisman Trophy winners, a national champion, numerous players drafted into the professional ranks, and a visibility that consistently ranks the team in the top five in the country. Now attracting 85,000 fans to each of its home games, the Gators' football program has become a vital part of the University of Florida. When the team won the national championship in 1996, no one could have predicted such success just 90 years earlier. Fortunately, that fascinating journey through the last century has been captured in great photographs that include formal portraits of teams; action shots on the field; views of "The Swamp"; and snapshots of fans from every decade. These images tell the story of the birth and growth of a football team, a team that has brought enjoyment to millions and national recognition to the University of Florida.

From the author of the “engrossing historical epic” (Booklist) *The Scribe of Siena* comes a thrilling tale set in the crumbling city of Mystras, Greece, in which a scientist’s vacation with her young son quickly turns into a fight for their lives after they cross paths with a man out of time. After the death of her beloved husband and becoming a single parent to her nine-year-old son Alexander, overworked scientist Helen desperately needs an escape. After spending several days exploring the tourist-filled streets, they stumble upon the ancient city of Mystras and are instantly drawn to it. Its only resident is Elias, a mysterious tour guide living on the city’s edges...both physically and temporally. In 1237, Elias’s mother promised his eternal service to the Profitis Ilias in Mystras in exchange for surviving a terrible illness. But during his 800 years of labor, he’s had one common enemy: the noble Lusignan family. The Lusignan line is cursed by a deadly disease that worsens with each generation, and a prophecy hints that Elias’s blood is their only hope for a cure. He has managed to survive throughout the centuries, but the line has dwindled down to the last Lusignan and he is desperate to avert his family’s destiny. When Elias runs into Helen, he meets his match for the first time—but he unwittingly puts both her and her young son in danger as a result. With time running out and an enemy after them, Elias and Helen are forced to choose between the city they love, and each other. Blending the historical romance of Diana Gabaldon, the rich detail of Philippa Gregory’s novels, and Dan Brown’s fast-paced suspense, *Anticipation* is a thrilling and satisfying read like no other.

The contents of this message upon prayer should be read alike by preacher and teacher, evangelist and intercessor. Its pages contain an appeal to every "worker together with Christ," and stimulate the desire for prayer in the varied relationships of Christian life. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A. Head.
