Unabhyast Dharti Jhumpa Lahiri,2014-02-13 This is translated from English book Unaccustomed Earth written by Jhumpa Lahiri. The stories of Unaccustomed Earth focus on second-generation immigrants making and remaking lives, oves and identities in England and America. We follow brothers and sisters, mothers and fathers, friends and lovers, in stories that take us from Boston and London to Bombay and Calcutta. Blending the individual and the generational, the exotic and the strikingly mundane, these haunting, exquisitely detailed and emotionally complex stories are intensely compelling elegies of life, death, love and fate. This is a dazzling work from a masterful writer.

The Endurance of Palestinian Political Factions Perla Issa,2021-08-17 A free open access ebook is available upon publication. Learn more at www.luminosoa.org. The Endurance of Palestinian Political Factions is an ethnographic study of Palestinian political factions in Lebanon through an immersion in daily home life. Perla Issa asks how political factions remain the center of political life in the Palestinian camps in the face of mounting criticism. Through an examination of the daily, mundane practices of refugees in Nahr el-Bared camp in particular, this book shows how intimate, interpersonal, and kin-based relations are transformed into political networks and offers a fresh analysis of how those networks are in turn metamorphosed into political structures. By providing a detailed and intimate account of this process, this book reveals how factions are produced and reproduced in everyday life despite widespread condemnation.
