Everything you wanted to know about sex and love in Islam, but were hesitant to ask about: polygamy, contraception allowed by Sharia, oral and group sex, homosexual marriages and also the relationship with jinns, masturbation and mysteries of martial relations - all that is allowed and all that is prohibited in sexual relations in this noble and pure religion. Many people both in the West and Russia continue to have a mistaken illusion that love, sex and variability of relations between man and woman are either suppressed in Islam or in contrary exceed all norms of decency. the book is an insight into this matter. The Muslim man is perceived as an ideal type of an always ready sexual partner. Love and Sex in Islam lifts the veil covering the delicate theme, in which the phenomena seeming incompatible turn out to be good neighbors.

Introduction Paul Smith. Nazir Akbarabadi

(1735-1830) is an Indian poet known as the 'Father of Nazm', who wrote mainly Urdu ghazals and nazms. It is said that Nazir's poetic treasure consisted of about 200,000 couplets but only 6000 remain. The canvas of Nazir's nazms is so vast that it encompasses all aspects of human behaviour and every person can find nazms that can suit his taste. Many of his poems are about daily life and observations of things such as training a young bear or the pleasures of the rainy season, how beauty can fade, the lives of old prostitutes, etc. His poems are loved by ordinary folk today. Many of his poems are spiritual and he is seen as a true Sufi. Bankey Behari: 'He saw the Lord everywhere. His meditations led him to the realization of the Forms of the Lord as well as the Formless Divinity. He sings of Shri Krishna with the greatest fervour as of Hazrat Ali and the Prophet Mohammed, and turns his face if he comes across the pseudo-saints and religious preceptors who are wanting in realization and yet profess it. By far he is best in portraying the heat of his yearning for his vision.' This is by far the largest translation of his poetry into English, with the correct form & meaning. Islamic Guide To Sexual Relations by Mufti Muhammad Ibn Adam al-Kawthari. 2010 edition.

Fulfilment of sexual desire and needs are key in sustaining a harmonious marital relationship.

However, in todays society, sexual boundaries are being pushed further and further, and often, sexual deviance is openly practised. In such circumstances, there is a need to identify which sexual activities are permissible in Shariah. Islamic Guide to Sexual Relations is a serious endeavour to tackle these sensitive matters in a clear and concise manner.

While being respectful and dignified in the language he employs, the author does not shy away from discussing sensitive issues. He records, in thorough detail, the guidance Islam provides regarding sexual encounters with one spouse. The book covers a

wide range of issues, and thus, answers many frequently asked questions on the topic of sexual relations. It concludes with a short chapter addressing Islamic etiquettes and practises pertaining to newlyweds on their first night. I have found this work to be beneficial and highly informative, and strongly recommend the study of this book to all prospective couples, and indeed, to all couples. – Mufti Zubair Bayat, Director: Darul Ihsan centre, Durban, South Africa I highly recommend this excellent, thorough book by Mufti Muhammad ibn Adam on an important and sensitive topic that many “if not most Muslim couples are woefully unaware of. – Shaykh Faraz Rabbani, Seekers Guidance. ”This guide essentially aimed at Muslims reveals a surprisingly liberal view on sexuality considering many of the rules and etiquettes for matrimonial relationship were established 1400 years ago. Modern psychosexual medicine has been a relatively young member of the field of medicine and echoes much of the Islamic view contained in this book. Muslims will no doubt be surprised by some of the legal rulings regarding intimate relationships between the married couple which has in essence removed many cultural concretio

regarded by many as the spiritual father of Pakistan and a great champion of the reform movement of modern Islam. He was also a poet, in both Urdu and Persian. The recurrent theme of his poems is the infinite potentiality of man, as partner with God in shaping the destiny of the universe. As an ardent Muslim, Iqbal saw the realization of mankind's future in a union of Islamic peoples, unfettered by the bonds of separate nationhood, fully liberated from the chains of imperial domination. The Javid-nama, commonly acknowledged as his greatest work, develops this theme within the frame-work of the 'Ascension' story. In imitation of the Prophet of Islam, the poet soars through the spheres, encountering on his heavenly journey many great figures of history with whom he converses. The resemblance to Dante's Divine Comedy is obvious. This groundbreaking work sheds new light on the status, conflicts, and social realities of educated Muslim women in Pakistan. Six candid interviews introduce readers to a class of professional Muslim women that is rarely, if ever, acknowledged in the West. These women tell of conflicts and compromises with family, kin, and community, while facing violence, archaic marriage rules, and locally entrenched codes of conduct. With brave eloquence they speak of human dignity and gender equality, of economic deprivation and social justice, and of feminism and fundamentalism. Challenging

stereotypes, No Shame for the Sun reveals the uniqueness of each person and diversity in the life experience of Pakistani Muslim women, including their world views and the struggles to change their society. Through their struggles, professional Pakistani women have become conscious of their own and other women's situations in their country. Because they exercise power and authority in their chosen fields, they risk losing their families' support and antagonizing their communities. Carefully detailed and meticulously researched, this book offers a much-needed perspective on the changing circumstances of Pakistani women along with a view of established patterns and structural constraints within Pakistan. On a broader level, it examines Western misconceptions regarding Islam, a religion that crosses many borders and cultures.
