Move over C S Lewis and Roald Dahl. There's a new storyteller on the rise and she's only 11 years old. Prepare to rediscover the value of friendship when family lets you down. In this mysterious true-to-life story, Aimi, Roci, Mousi, Sybil and Sycamore are a loose group of friends, aka The Bunch, who attend school together. The Bunch go to a 150-year old church camp, Mount Hermon, founded around the time of the first gold rush in 1849. The camp is located in a giant forest in the Santa Cruz mountains of California, just over the hill from Silicon Valley. In keeping with the principles of its founders, Bart, Prissie and their adopted son, Artie, the camp administrators have created a modern day refuge for children like the Bunch who live at a time when many people around them, including their parents, are chasing new gold nearby. Each member of the Bunch becomes seemingly inexplicably lost in the giant forest. They must each find themselves, then find one another before they can together again find their way home. Along the way they are baffled at why they receive help from new animal friend. Each member of the Bunch battles with and finds resolution to problems they face at home from overbearing or neglectful parents, sibling rivalry, prejudice, betrayal and displaced loyalty. When the five become reunited, bigger battles ensue. To return home they must overcome giants that have plagued them throughout their lost experience. If victorious, the Bunch can return to Mt. Hermon with the help of their new forest friends. A chapter book for preteens who love to read. --- In this frame narrative, the second book in the Growing Up Aimi Series, Aimi is on a peace corps mission in the deepest jungles of India. Her first priority is the safety of the children she came to serve. Her second is to teach them to love to read. Miss A reads a book to the children about an earlier time of mystery when the high tech world threatened her friends and their new school. The young people determined to implement an old school approach to meet the challenges of the high-tech antics of adults bent on becoming the next unicorn in Silicon Valley. All the while, the school and children where Miss A is serving face the danger of being lost to the forces of time. Remember the impact that teachers and mentors have had on you and your life when parents and children, teachers and students read The Heliuna Academy together. The questions at the end of each chapter are student/teacher, parent/child and reader group tested. Go deeper in the relationships that are important to you. Can Aimi and her friends learn why their beloved teachers have gone missing? Can they stop the tides of change? Only the reader knows. --- I, Aimi, stood motionless as I peered through the just-closed final curtain. A few moments ago, we put a wrap on the last performance of our unique take on Beauty & the Beast. We called it - The Rose and the Thorn. Welcome to Book 3 in the Growing Up Aimi Series. Historical fiction? Mystery? Coming of Age? Or all. The reader knows. I guess the thinking is, or was, that if our school can twist Roald Dahl's Charlie and the Chocolate Factory to our tastes, then Disney's Beauty and the Beast would be fair game as well. Or, should I say, Gabrielle-Suzanne Barbot de Villeneuve's Beauty and the Beast. She wrote it, gee, like, almost 200 years ago. I won't say her name, however, for fear I say it wrong and Violet gets offended. She's like that and will know how to say it. Not just because she is from France, but can speak French. And she does love to point it out to me when I make a mistake. --- Book 1, The Giant Forest, Aimi was in the 5th grade. Book 2, The Heliuna Academy, Aimi was in the 6th grade. Book 3, The LoGlas Theater, Aimi is now in the 7th grade. No magic, no time-travel, no fantastical beasts. Just good clean story telling as we watch and grow along with Aimi Wilby.

Severian is a torturer, born to the guild and with an exceptionally promising career ahead of him . . . until he falls in love with one of his victims, a beautiful young noblewoman. Her excruciations are delayed for some months and, out of love, Severian helps her commit suicide and escape her fate. For a torturer, there is no more unforgivable act. In punishment he is exiled from the guild and his home city to the distant metropolis of Thrax with little more than Terminus Est, a fabled sword, to his name. Along the way he

has to learn to survive in a wider world without the guild - a world in which he has already made both allies and enemies. And a strange gem is about to fall into his possession, which will only make his enemies pursue him with ever-more determination . . .

The year is 1863. Caleb Chilson is a private in the Confederate Army, currently camped in the Virginian woods. Most of his time is spent on picket duty, on the lookout for a Yankee attack. But when the moon is full, he manages to slip away from the encampment and into the woods to become something a little less than human ... Imagine his surprise when he meets another werecat like himself. The only difference? Brance Brenneman wears a Yankee uniform. This box set contains all three stories of J.M. Snyder's best-selling historical shifter trilogy: *Under a Confederate Moon*: Bitten as a teen, Caleb suffers through a painful transformation from human to bobcat a few days each month. As a bobcat, he leaves behind his camp and fellow soldiers to explore the night. But a gunshot and the bright scent of fresh blood draws him to a clearing where he learns that he isn't the only one of his kind. Wounded and hurt, Brance is a loner by nature, gruff and grumbling, who doesn't want anything to do with Caleb ... at first. The younger bobcat prevails, and starts to win Brance over, until they turn human again and find themselves on opposite sides of the American Civil War. *Beneath a Yankee Sky*: Brance Brenneman is used to harsh conditions -- the eldest son of a stern Amish preacher, Brance was bit by a werecat as a young boy, and managed to keep his secret from his family until he was old enough to leave them and their religion behind. Years later, when the nation is divided by war, Brance is enlisted in the Union army. By sheer chance, he meets Caleb, a Confederate soldier who bears his same shapeshifting burden. Together they leave the war behind to forge a new life in the wilderness of Pennsylvania. But trappers near their camp are hunting bobcats, and they don't much care if Brance and Caleb are only in the fur part of the time. Brance finds his peaceful existence shattered, and he has to fight to defend the life -- and the bobcat, the man — he's come to love. *A More Perfect Union*: Once a soldier, Brance has left the war behind and gone into hiding with his lover, Caleb. Deserters intent on keeping to themselves, they find a nice, sparse acre of land where they can finally settle down. Life falls into domesticated routine for both the brooding Yank and the excitable Rebel. Together they struggle to create a more perfect union forged of love and their shared shapeshifting secret. But the discovery of another bobcat encroaching on their territory brings out the possessive alley cat in Caleb, eager to defend his home and his mate. Will the newcomer destroy what they've worked so hard to attain? Or is there room enough for the three of them deep in the wilderness of Pennsylvania?

Shadow & Claw brings together the first two books of the tetralogy in one volume: The Shadow of the Torturer is the tale of young Severian, an apprentice in the Guild of Torturers on the world called Urth, exiled for committing the ultimate sin of his profession -- showing mercy toward his victim. Ursula K. Le Guin said, "Magic stuff ... a masterpiece ... the best science fiction I've read in years!" The Claw of the Conciliator continues the saga of Severian, banished from his home, as he undertakes a mythic quest to discover the awesome power of an ancient relic, and learn the truth about his hidden destiny. "One of the most ambitious works of speculative fiction in the twentieth century." -- The Magazine of Fantasy and Science Fiction"--

USA Today Bestselling author, W.J. May, brings you to a new level of fantasy. Fans of Underworld and paranormal worlds will love this story! PARANORMAL HUNTRESS BOX SET is the first 3 books of the Paranormal Huntress series - altogether in one collection! "The wise learn many things from their enemies." My name's Atlanta Skolar, and I'm a huntress. No, not the vampire-slaying type, or the ever-brooding Winchester brothers from Supernatural. I live a relatively normal life—during the day at least. I go to school, have friends, and try my best to survive Uncle James' horrendous cooking. However, the nights in the city of Calen are not always calm. There's a thin veil between our world and the world of monsters, the good and the bad. I'm one of the few who stands between the two. With the help of my uncle, who's taken me in since my parents' deaths, I spend the nights making sure the balance is maintained and that each side keeps to their respective places. At least, that was until something rattled the cages and everything hit the fan. There's a new evil in town, an evil that's been here before, and it may be responsible for my parents' deaths. An evil that isn't satisfied with the balance. It'll do all it can to make sure darkness falls over Calen and the rest of the world once again. Scary? That ain't the half of it. It's particularly interested in me. Why? No idea. But it's my job as a huntress to make sure the evil is stopped, no matter what. BOOK 2 The city of Calen has fallen. The forces that once held the city as one are scattered and drained of power. Adelaide, one of the witches who's haunted and threatened the peace once made by the elders in the territory, has regained her power by releasing the hybrids she's created. She's determined to destroy Calen and all those who stand in her way. Atlanta, the Druid huntress, responsible for unlocking the hybrids and the murder of her uncle, tries to come to terms with what's happened. The fate of Calen rests in too few hands. Divided sanctions, Vamps, Wolf and Druid, must unify or each race stands no chance of survival. BOOK 3 Calen has fallen. Everlore has fallen. Atlanta Skolar is on the run. Barely escaping the clutches of Adelaide, and believing her mother is dead, she escapes the fires of the ancient city. Her escape, though, is bittersweet. Coupled with the unknown ability she has recently discovered, and the curious case of her platinum colored hair, she has yet to find a way to defeat the witch and her followers. Joined by her band of trusted friends, Atlanta must work to find the remaining Lunar Books and figure out the secrets within if she wants to stop Adelaide's conquest for complete dominance. But with hybrids and the compelled hot on her trail, the task seems almost impossible. Atlanta must find the strength within her, and unleash the powers of the Coven Master, if she wants to ensure the survival of her friends...and herself. In a world where only men can do magic, and women are bought and sold like cattle, five girls stand up, determined to shatter the oppression. *You Are Mine* Serena knows a few simple things. She will always be owned by a warlock. She will never have freedom. She will always do what her warlock wishes, regardless of how inane, frivolous, or cruel it is. And if she doesn't follow the rules, she will be tarnished. Spelled to be bald, inked, and barren for the rest of her life—worth less than the shadow she casts. Then her ownership is won by a barbarian from another country. With the uncertainty that comes from belonging to a new warlock, Serena questions if being tarnished is really worse than being owned by a barbarian, and tempts fate by breaking the rules. When he looks the other way instead of punishing her, she discovers a new world. The more she ventures into the forbidden, the more she learns of love and a freedom just out of reach. Serena longs for both. But in a society where women are only ever property, hoping for more could be deadly. *Mine to Spell* Cynthia has always hidden from her father's hexes behind her older sister. When her family gains independence unheard of for women, she's relieved that her days of harsh punishments are over. But as her seventeenth birthday approaches—the typical age to be sold to a new master—death threats endanger her sisters. She now faces two options: run or meet society's expectations. For once, Cynthia isn't going to let her older sister shield her from the problem. She's going to prove to herself, her sisters, and society that her family isn't a threat to their traditions. She willingly chooses to be purchased by a new master. A bold step that takes her somewhere she never thought she would go and to a man she might possibly fall in love with. With his help, she may just find a way to save her sisters while discovering how to stand up for herself. If she lives long enough. *Mine to Fear* Waverly resents being sent home to Evando just as things are getting intense in Chardon. She can't just sit in safety while her friends suffer under oppression and restrictions simply because they are women. Upon returning to Chardon, she discovers conditions have degraded faster than she thought possible, and her mere presence puts her loved ones in grave danger. When the Grand Chancellor calls for a change in laws that threatens the lives of her friends, her family, and anyone who doesn't comply, her only option is to run, with both friend and foe. As the stakes grow higher with each passing day, Waverly must become the leader she's never been, or her life, and the lives of all those she cares for, will be lost. *Sacrifice of Mine* After a ravaging war, Bethany and her family are forced to flee to Envado. There, women are safe from the oppressive rule of male owners. When her pursuers draw too close, Bethany stays behind to buy her sisters time to escape and she's captured. She's turned over to a depraver who tarnishes her. Now bald, branded, and barren, she's worth less than the shadow she casts. From this lowly place she leads the tarnished to overthrow the Grand Chancellor--the man behind Chardon's oppressive rules against women and the tarnished. If they fail to defeat him and his supporters, all will be lost. *Mine to Tarnish* Katherine's place is the same as any woman's—on the shelf next to the dresses and bolts of cloth. When she's sold to a warlock, life grows even bleaker. Her new owner is as old and rancid as he is cruel, driving her to do the unthinkable: run. Nothing prepared her for being on her own. And she's definitely unprepared for the warlocks hunting her down. But she must stay one step ahead because if caught, the best she can hope for is death.

Fresh off a series of life-changing events, real estate mogul Serafina Evans has decided to pursue the man she loves - the stubborn, intelligent, charming, and devastatingly handsome Alessandro Giordano. But as much as her life has changed lately, nothing can prepare Sera for the challenges and lessons in love, loss, and tragedy that are yet to come.
