She even finds herself catching feelings for the subject of her profile, dazzling young newcomer Marius Canet. Josie's world is expanding so rapidly, she doesn't know whether she's flying or falling. But when a young actress lets her in on a terrible secret, the answer is clear: she's in over her head. One woman's account leads to another and another. Josie wants to expose the man responsible, but she's reluctant to speak up, unsure if this is her story to tell. What if she lets down the women who have entrusted her with their stories? What if this ends her writing career before it even begins? There are so many reasons not to go ahead, but if Josie doesn't step up, who will? From the author of Full Disclosure, this is a moving testament to the MeToo movement, and all the ways women stand up for each other. "Brave, necessary, and unflinchingly real, Off the Record is an instant classic." --Marieke Nijkamp, #1 New York Times
