Descubra libros de la serie para bebés y niños pequeños ¿Quién es un bebé bonito? Los bebés y los niños pequeños aman mirar a otros bebés. En esta encantadora colección de fotos de bebés, los niños se deleitarán viendo a los bebés vestidos y haciendo sus rutinas diarias. Utilizado como un jumpstart para la interacción, Discover Series Picture Books son una gran manera de introducir otros bebés, palabras y conceptos a los niños.

Simple text and colorful pictures help toddlers understand the rituals and importance of bedtime. Encourage your child to play hidden pictures in order to encourage object constancy skills, which fuels the ability to determine pictures based on their features. This means that regardless of how an artist interprets an apple, your child will also recognize it as an apple. So what are you waiting for? Play

"Look at those feet! Aren't they sweet?" Yes—when they're walking, standing, leaping and landing. And when they're kicking balls or leaves. But not when they're kicking people! In simple words and charming full-color illustrations, this book helps little ones learn to use their feet for fun, not in anger or frustration. It also includes tips for parents and caregivers on how to help toddlers be sweet with their feet.

No one looks into the eyes of their newborn child and thinks, "I can hardly wait for the day that I start yelling at you!" Yet just as the joys of parenting delight us, the stresses of parenting test us. This book offers the tools to relieve these stresses, while also deepening our understanding of the toddler's brain, body and emotions. Plus, with Glance & Go Guides, Sample Scripts, and Illustrated Strategies, it fits seamlessly into the multi-tasking, mobile, always interrupted, time-crunched life of a toddler parent, who (though highly literate) has precious little time to read. From the expertise of parent educator Dr Yvonne Gustafson, once called "the manual children should come with," this book readies parents for the day-to-day challenges of the highly active toddler years with smart, compassionate and age-appropriate parenting support for meltdowns, sleep, sharing, transitions, refusals, whining, biting, toilet training and more. It includes a Playdate Guide, as

well as guides to manage the challenges of daily living from grocery shopping to restaurants to chores. The focus is on the toddler, but also the toddler parent, with discussions on temperament, parenting style and the unique rewards, stresses, demands and discoveries of parenting. Grounded in an expert understanding of child development, a philosophy of parenting with respect, affection and support, and attention to parental stressors, needs and overall family dynamics, this book equips parents so that they can feel capable, loving and confident as they, in turn, nurture capable, loving and confident children.

Not since Dr. Spock's *The Common Sense Book of Baby and Child Care* published in 1946 has there been such a comprehensive book on parenting. *Raising Cooperative Kids* focuses on children from toddlerhood to early teens, picking up where Spock's book leaves off. Patterson, who was one of the leaders of the behavioral movement in psychology, gets straight to the heart of the power struggle that begins when children learn to speak and interact with others. This fight for power is at the core of every tantrum and argument that will ever occur between parents and children. Together, Patterson and Forgatch give parents the formula to overcome this struggle and make children want to cooperate. Their parenting techniques tap deep-rooted human instincts, making them universal and easy to use no

matter where you live or how your family is structured. Developed over 40 years of practice and tested in clinical studies, these techniques enable parents to teach their children new behaviors, change unwanted behaviors, and reduce family conflicts. Unlike most parenting books, the focus is first on changing the behaviors of parents and giving them proven tools to bring out the best in their children. Specific guidance is included for issues ranging from how to share the bathroom during the morning rush to what to do when a child misbehaves. The authors also remind us of the importance of play#8212enjoying each other and sharing time and activities together is the cornerstone of a happy family. Raising Cooperative Kids is the only parenting book you will ever need. This book takes a first look at the tools young scientists can use to explore the world around them. A groundbreaking guide to raising responsible, capable, happy kids Based on the latest research on brain development and extensive clinical experience with parents, Dr. Laura Markham's approach is as simple as it is effective. Her message: Fostering emotional connection with your child creates real and lasting change. When you have that vital connection, you don't need to threaten, nag, plead, bribe—or even punish. This remarkable guide will help parents better understand their own emotions—and get them in check—so they can parent

with healthy limits, empathy, and clear communication to raise a self-disciplined child. Step-by-step examples give solutions and kid-tested phrasing for parents of toddlers right through the elementary years. If you're tired of power struggles, tantrums, and searching for the right "consequence," look no further. You're about to discover the practical tools you need to transform your parenting in a positive, proven way.

What are the things that you can see at the construction site? These are the small items that workers use to build buildings. It's interesting to note that knowledge of these tools might lead to a general understanding of how buildings are created. Doesn't this the perfect book to introduce your child to the world of engineering? Grab a copy t

Mealtime—"Yummy-in-the-tummy time"—is an opportunity to teach young children two major life skills: nutrition and table manners. Simple but important mealtime routines come to life as the toddlers in this book remember to wash their hands, use a napkin and fork or spoon, stay at the table, and eat healthy foods. Toddlers also learn the one big rule for mealtime: Always try one bite ("You just might like it!").

Parents and caregivers want toddlers to develop healthy eating habits and positive mealtime routines. This book helps them do so with Verdick's keen ability to speak directly to little ones and Heinlen's delightful, appealing illustrations. Includes tips for parents and caregivers. Part of the award-winning Toddler Tools series.

Coloring is a widely recommended activity for young children because of the many benefits that it brings. It is a method for

Read Online Sharing Time Toddlers Tools Toddler Tools

effective self-expression because not all kids have mastered the power of words just yet. So pay close attention to how your child colors. Look at the hues he/she selects and the intensity of each stroke. What is your child trying to tell you? This practical book provides an accessible framework for observing and assessing children's learning through play. It will help early years practitioners to deepen their understanding of the links between intellectual development, the growth of language and the emotional well-being of young children. Drawing on many years of research and working with teachers, Pat Broadhead has developed the Social Play Continuum, a unique observation tool and a means of monitoring and developing a child's social progress through skills such as problem-solving, investigation and imagination discourse. This tool forms an integral part of this innovative text, offering practitioners in a wide range of early years settings a means of focusing their observations of play. In addition, the book: supports the development of 'areas of provision' illustrates progression from 'association' to 'cooperative' play considers links with the Foundation Stage Curriculum, Profiling and the National Curriculum acknowledges the many constraints that have operated on early years practitioners in the past decade. Blending theory and practice this book is aimed at all early years' practitioners concerned with quality provision for their pupils. It is also the ideal text to support student teachers, classroom assistants and undergraduates on early childhood studies degrees. Popular parenting expert Dr. Laura Markham, author of PEACEFUL PARENTS, HAPPY SIBLINGS, has garnered a large and loyal readership around the world, thanks to her simple, insightful approach that values the emotional bond between parent and child. As any parent of more than one child knows, though, it's challenging for even the most engaged parent to maintain harmony and a strong connection

Read Online Sharing Time Toddlers Tools Toddler Tools

when competition, tempers, and irritation run high. In this highly anticipated guide, Dr. Markham presents simple yet powerful ways to cut through the squabbling and foster a loving, supportive bond between siblings, while giving each child the vital connection that he or she needs. **PEACEFUL PARENT, HAPPY SIBLINGS** includes hands-on, research-based advice on:

- Creating deep connections with each one of your children, so that each truly believes that you couldn't possibly love anyone else more.
- Fostering a loving family culture that encourages laughter and minimizes fighting
- Teaching your children healthy emotional self-management and conflict resolution skills—so that they can work things out with each other, get their own needs met and respect the needs of others
- Helping your kids forge a close lifelong sibling bond—as well as the relationship skills they will need for a life of healthy friendships, work relationships, and eventually their own family bonds.

“Kids are important... They need safe places to live, and safe places to play.” For some kids, this means living with foster parents. In simple words and full-color illustrations, this book explains why some kids move to foster homes, what foster parents do, and ways kids might feel during foster care. Children often believe that they are in foster care because they are “bad.” This book makes it clear that the troubles in their lives are not their fault; the message throughout is one of hope and support. Includes resources and information for parents, foster parents, social workers, counselors, and teachers.

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--

An INTERACTIVE Book for PARENTS and CHILDREN!

Read Online Sharing Time Toddlers Tools Toddler Tools

"Let's Play Pretend..." is a Mommy, Daddy and Me book that provides a modern twist to an ageless idea: that the most important times in your child's life--and yours as parents--are the times spent together sharing smiles, creating memories, and celebrating your love for each other! This book is designed for BOTH Mom and Dad to share with your children at the same time, and is designed to be FUN and INTERACTIVE for everyone! If you currently have an amazing family life--this book is for you. Think of it as another tool in your toolbelt in creating amazing memories with your children. If, like many modern families, you sometimes struggle to find consistent "quality time" together--this book is for you. Try carving out a little time as many days a week as you can to read this book together as a family, and witness the magic it will create! We are confident that pretty soon you'll call it THE BEST 15 MINUTES OF YOUR DAY! With memorable, catchy, and playful rhymes by Scott Field and whimsically delightful illustrations by Jensen Couch, "Let's Play Pretend..." showcases a diverse group of multiethnic and multicultural families pretending to be different animals at bedtime, with hilarious illustrated "transformations" of each family member. Interactive and addictively fun for both parents and kids, it lives up to the Mommy, Daddy and Me slogan: STRONGER FAMILIES. HAPPIER KIDS.

Have you ever watched the Olympic Games? Voted in a class election? Used an alphabet with twenty-six letters? All these things came from ancient Greece. More than two thousand years ago, the ancient Greeks invented tools and treasures that still shape our lives. Find out where the ancient Greeks lived, what their lives were like, and what happened to them. Discover how they changed the world!

Sometimes it's fun to share, and sometimes it's hard. In both English and Spanish, this book offers toddlers simple choices (take turns, use it together, wait for another time) to make

Read Online Sharing Time Toddlers Tools Toddler Tools

sharing easier, and shows them where to turn for help when sharing is difficult. Little ones learn that sharing can mean double the fun--and sharing a while can make someone smile!

Learning to use the potty takes patience and practice, and this charming, straightforward book helps pave the way. Young children learn how to use the potty and why it's time to do so, while gaining the courage and confidence to face this important milestone in their lives. When little ones learn to "do what the big kids do" (go, wipe, flush, wash their hands), they won't need a diaper anymore—they'll have underwear under there! Includes tips for parents and caregivers from a children's health specialist.

Details a program for improving communication between parents and children, providing sample dialogues, role-playing exercises, and humorous yet illuminating cartoons

Teaching a child to tell time is quite challenging. How can you put into words a good explanation as to why numerals are to be read in many ways? When introducing the concept, start with the use of an analog clock because it gives the concept of change through the moving hands. This educational book is perfect for little learners. Grab a copy tod

Simple text and illustrations explain how to share. With gentle encouragement, this book teaches children that they can think before speaking, choose what to say and how to say it, and find positive ways to respond when others use unkind words. The importance of saying "I'm sorry" is reinforced. Includes tips for parents and

caregivers.

Hidden picture activities should be encouraged among children because of all the benefits they promise. For instance, hidden pictures ensures familiarization of objects and pictures based on their features. This means that regardless of the presentation, a child would still be able to recognize a flower, a dog, and a tables and so on. This skill is very important in learning math and science later on. Play today!

Sneezes, coughs, runny noses, spills, and messes are facts of everyday life with children. And that's why it's never too soon to teach little ones about germs and ways to stay clean and healthy. This book is a short course for kids on what germs are, what they do, and why it's so important to cover them up, block them from spreading, and wash them down the drain. Simple words complement warm, inviting, full-color illustrations that show real-life situations kids can relate to. A special section for adults includes ideas for discussion and activities.

Intended to help you make the most of your children's natural curiosity. B&W drawings.

Originally published in 1992. This book brings together the work of a number of distinguished international researchers engaged in basic research on beginning reading. Individual chapters address various processes and problems in learning to read - including how acquisition gets underway, the contribution of story listening experiences, what is involved in learning to read words, and how readers represent information about written words in memory. In addition, the chapter

Read Online Sharing Time Toddlers Tools Toddler Tools

contributors consider how phonological, onset-rime, and syntactic awareness contribute to reading acquisition, how learning to spell is involved, how reading ability can be explained as a combination of decoding skill plus listening comprehension skill, and what causes reading difficulties and how to study these causes.

Charming and encouraging, these books help kids understand when it's better to use an indoor voice - "so people hear the words and not the yelling" - and how to calm down and ask for help so they can get what they need. *Voices Are Not for Yelling* is available in two versions: a durable board book for ages baby - preschool, and a longer, more in-depth paperback for ages 4 - 7. Also includes tips for parents and caregivers. *Advice for raising resourceful, resilient, and responsible children*--based on the latest child development research. "Success" is a popular buzzword in discussions about children. But instead of prescribing what success looks like for kids, we should be making sure that they develop the skills they will need to become "doers"—people who proactively seek out what they want in life. *Raising Can-Do Kids* offers parents hands-on, proven ways to raise kids who embrace the uncertain and challenging adventure that is growing up.

A boy and girl use a variety of tools to make a house for a friendly bluebird.

Every parent, caregiver—and toddler—knows the misery that comes with meltdowns and temper tantrums.

Through rhythmic text and warm illustrations, this gentle, reassuring book offers toddlers simple tools to release strong feelings, express them, and calm themselves

down. Children learn to use their calm-down place—a quiet space where they can cry, ask for a hug, sing to themselves, be rocked in a grown-up’s arms, talk about feelings, and breathe: “One, two, three . . . I’m calm as can be. I’m taking care of me.” After a break, toddlers will feel like new—and adults will, too. Books include tips for parents and caregivers.

“Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch! Biting hurts.” Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling Hands Are Not for Hitting Board Book, Teeth Are Not for Biting gives reasons why children might want to bite.

Little mouths feel sore when new teeth come in; sometimes kids bite when they’re hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for parents and caregivers.

Young children learn that they get lots of chances to try again every day.

Describes how to properly say good-bye and cope with feelings of loss, and reminds readers that good-bye isn't forever. On board pages.

The most beautiful fish in the entire ocean discovers the real value of personal beauty and friendship.

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss these other Shel Silverstein ebooks, *Where the Sidewalk Ends*, and *A Light in the Attic*!
