

She Persisted Around The World

Why stick with plain old A, B, C when you can have Amelia (Earhart), Malala, Tina (Turner), Ruth (Bader Ginsburg), all the way to eXtraordinary You—and the Zillion of adventures you will go on? Instagram superstar Eva Chen, author of Juno Valentine and the Magical Shoes, is back with an alphabet board book depicting feminist icons in A Is for Awesome: 23 Iconic Women Who Changed the World, featuring spirited illustrations by Derek Desierto.

"A chapter book biography of Ruby Bridges, part of the She Persisted series"--

Women have been doing amazing, daring, and dangerous things for years, but they're rarely mentioned in our history books as adventurers, daredevils, or rebels. This new compilation of brief biographies features women throughout history who have risked their lives for adventure—many of whom you may not know, but all of whom you'll WANT to know, such as: • Annie Edson Taylor, the first person who dared to go over Niagara Falls in a barrel • Valentina Tereshkova, the first woman who dared to fly in space • Helen Gibson, the first woman who dared to be a professional stunt person • And many more! This is the perfect read for anyone who wants to know what it means to explore, discover, play, climb, and fight like a girl!

Inspired by the #1 New York Times bestseller She Persisted by Chelsea Clinton and Alexandra Boiger comes a chapter book series about women who stood up, spoke up and rose up against the odds--including Oprah Winfrey! In this chapter book biography by Newbery Honor and Coretta Scott King Award-winning author Renée Watson, readers learn about the amazing life of Oprah Winfrey--and how she persisted. When Oprah Winfrey was growing up, her family expected her to become a maid like her grandmother. But she had different dreams. She went after them and turned her dreams into reality, becoming a media superstar and inspiring countless other people along the way. Complete with an introduction from Chelsea Clinton, black-and-white illustrations throughout, and a list of ways that readers can follow in Oprah Winfrey's footsteps and make a difference! And don't miss out on the rest of the books in the She Persisted series, featuring so many more women who persisted! Praise for She Persisted: Oprah Winfrey: * "This is a lively introduction to the life of a woman who beat many odds to become successful. . . . A highly recommended addition to this stellar series." --Kirkus Reviews, *STARRED REVIEW*

A STEM-focused addition to the #1 New York Times bestselling She Persisted series! Throughout history, women have been told that science isn't for them. They've been told that they're not smart enough, or that their brains just aren't able to handle it. In this book, Chelsea Clinton introduces readers to women scientists who didn't listen to those who told them "no" and who used their smarts, their skills and their persistence to discover, invent, create and explain. She Persisted in Science is for everyone who's ever had questions about the world around them or the way things work, and who won't give up until they find their answers. With engaging artwork by Alexandra Boiger accompanying the inspiring text, this is a book that shows readers that everyone has the potential to make a difference, and that women in science change our world. This book features: Florence Nightingale, Rebecca Lee Crumpler, Ynes Enriquetta Julietta Mexia, Grace Hopper, Rosalind Franklin, Gladys West, Jane Goodall, Flossie Wong-Staal, Temple Grandin, Zaha Hadid, Ellen Ochoa, Dr. Mona Hanna-Attisha & Mari Copeny, and Autumn Peltier, Greta Thunberg & Wanjiru Wathuti

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Two books, twenty-six women -- and unlimited inspiration for tiny feminists, mini activists and little kids who are ready to take on the world. The perfect gift for the holidays and beyond. When She Persisted and She Persisted Around the World published, they gave readers two collections of 13 remarkable, diverse and tenacious women. Chelsea Clinton's words and Alexandra Boiger's art brought the women to life, showing how they struggled and ultimately persevered, inspiring and empowering people across the U.S. and the entire world. Now packaged together for the first time, this set is a perfect gift for feminists of all ages.

"Olympians in training, Max and Marla show us how dedication, persistence and friendship will always lead to success!"-

Inspired by the #1 New York Times bestseller She Persisted by Chelsea Clinton and Alexandra Boiger comes a chapter book series about women who stood up, spoke up and rose up against the odds--including Clara Lemlich! In this chapter book biography by award-winning author Deborah Heiligman, readers learn about the amazing life of Clara Lemlich--and how she persisted. Clara Lemlich immigrated to New York to escape danger in Ukraine, where she was born. She started working in clothing factories on the Lower East Side, only to realize that workers were being treated unfairly. So she stood up for the rights of workers, especially girls and women--and she won, changing the way factory workers were treated in America forever! Complete with an introduction from Chelsea Clinton, black-and-white illustrations throughout, and a list of ways that readers can follow in Clara Lemlich's footsteps and make a difference!

The past few decades have seen a massive increase in the number of international organizations focusing on global health. Campaigns to eradicate or stem the spread of AIDS, SARS, malaria, and Ebola attest to the increasing importance of globally-oriented health organizations. These organizations may be national, regional, international, or even non-state organizations-like Medecins Sans Frontieres. One of the more important recent trends in global health governance, though, has been the rise of public-private partnerships (PPPs) where private non-governmental organizations, for-profit enterprises, and various other social entrepreneurs work hand-in-hand with governments to combat specific maladies. A primary driver for this development is the widespread belief that by joining together, PPPs will attack health problems and fund shared efforts more effectively than other systems. As Chelsea Clinton and Devi Sridhar show in Governing Global Health, these partnerships are not only important for combating infectious diseases; they also provide models for developing solutions to a host of other serious global health challenges and questions beyond health. But what do we actually know about the accountability and effectiveness of PPPs in relation to the traditional multilaterals?

According to Clinton and Sridhar, we have known very little because scholars have not accumulated enough data or developed effective ways to assess them-until now. In their analysis, they uncovered both strength and weaknesses of the model. Using principal-agent theory in which governments are the principals directing international agents of various type, they take a closer look at two major PPPs-the Global Fund to Fight HIV/AIDS, TB and Malaria and the GAVI Alliance-and two major more traditional international organizations-the World Health Organization and the World Bank. An even-handed and thorough empirical analysis of one of the most pressing topics in world affairs, *Governing Global Health* will reshape our understanding of how organizations can more effectively prevent the spread of communicable diseases like AIDS and reduce pervasive chronic health problems like malnutrition.

The instant New York Times bestseller! From the author of *Little Leaders: Bold Women in Black History* comes the highly anticipated follow-up, a beautifully illustrated collectible detailing the lives of women creators around the world. Featuring the true stories of 35 women creators, ranging from writers to inventors, artists to scientists, *Little Dreamers: Visionary Women Around the World* inspires as it educates. Readers will meet trailblazing women like Mary Blair, an American modernist painter who had a major influence on how color was used in early animated films, actor/inventor Hedy Lamarr, environmental activist Wangari Maathai, architect Zaha Hadid, filmmaker Maya Deren, and physicist Chien-Shiung Wu. Some names are known, some are not, but all of the women had a lasting effect on the fields they worked in. The charming, information-filled full-color spreads show the Dreamers as both accessible and aspirational so readers know they, too, can grow up to do something amazing.

"In a book for young people, Chelsea Clinton informs readers about issues facing our world and what kids can do to help solve them"--

"An abridged board book version of the *She Persisted* picture book about 13 American women who made a difference in the world"--

The companion to Chelsea Clinton & Alexandra Boiger's #1 New York Times bestseller, *She Persisted*. Perfect for tiny activists, mini feminists and little kids who are ready to take on the world. Women around the world have long dreamed big, even when they've been told their dreams didn't matter. They've spoken out, risen up and fought for what's right, even when they've been told to be quiet. Whether in science, the arts, sports or activism, women and girls throughout history have been determined to break barriers and change the status quo. They haven't let anyone get in their way and have helped us better understand our world and what's possible. In this companion book to *She Persisted: 13 American Women Who Changed the World*, Chelsea Clinton introduces readers to a group of thirteen incredible women who have shaped history all across the globe. *She Persisted Around the World* is a book for everyone who has ever aimed high and been told to step down, for everyone who has ever raised their voice and been told to quiet down, and for everyone who has ever felt small, unimportant or unworthy. Alexandra Boiger's vibrant artwork accompanies this inspiring text that shows readers of all ages that, no matter what obstacles come their way, they have the power to persist and succeed. This book features: Marie Curie, Sor Juana Ines de la Cruz, Viola Desmond, Sissi Lima do Amor, Leymah Gbowee, Caroline Herschel, Wangari Maathai, Aisha Rateb, J.K. Rowling, Kate Sheppard, Yuan Yuan Tan, Mary Verghese and Malala Yousafzai. Praise for *She Persisted Around the World*: "Clinton again writes in a measured tone that is at once celebratory and defiant. Boiger's watercolor and ink artwork exudes warmth and subtle power."? Publishers Weekly Praise for *She Persisted*: * "[A] lovely, moving work of children's literature [and a] polished introduction to a diverse and accomplished group of women."? Publishers Weekly, starred review "Exemplary ... This well-curated list will show children that women's voices have made themselves emphatically heard."? Booklist "[*She Persisted*] will remind little girls that they can achieve their goals if they don't let obstacles get in the way."? Family Circle "We can't wait to grab a copy for some of the awesome kids in our lives ... and maybe some of the grown-ups, too."? Bustle "A message we all need to hear."? Scary Mommy "This will be a great read for kids (especially young girls)."? Romper "We cannot wait for the launch of *Smart Girl* Chelsea Clinton's new book to help remind kids everywhere that the fearlessness that characterizes the thirteen women in the book is what has emboldened us to constantly strive for progress and justice."? Amy Poehler's *Smart Girls*.

From mother-daughter team Hillary Clinton and Chelsea Clinton comes a celebration of family, tradition and discovery, and an ode to mothers, grandmothers and the children they love. Grandma Dorothy shared her love of gardens with her daughter, Hillary, and her granddaughter, Chelsea. She taught them that gardens are magical places to learn, exciting spaces for discovery, quiet spots to spend time with family and beautiful areas to share stories and celebrate special occasions. But most of all, she taught them that in her gardens, her love grew and blossomed. In this inspiring and heartwarming mother-daughter story, Hillary Clinton and Chelsea Clinton team up to show readers how sharing the things we love with the people we love can create powerful, everlasting bonds between generations. Praise for *Grandma's Gardens*: "A deeply affectionate tribute to the bounty of nature and the love of gardening." --Publishers Weekly "Filled with mindfulness, the story inspires children to reflect on family and keep memories alive." --Booklist

Debunks the pervasive and self-congratulatory myth that our country is proudly founded by and for immigrants, and urges readers to embrace a more complex and honest history of the United States Whether in political debates or discussions about immigration around the kitchen table, many Americans, regardless of party affiliation, will say proudly that we are a nation of immigrants. In this bold new book, historian Roxanne Dunbar-Ortiz asserts this ideology is harmful and dishonest because it serves to mask and diminish the US's history of settler colonialism, genocide, white supremacy, slavery, and structural inequality, all of which we still grapple with today. She explains that the idea that we are living in a land of opportunity—founded and built by immigrants—was a convenient response by the ruling class and its brain trust to the 1960s demands for decolonialization, justice, reparations, and social equality. Moreover, Dunbar-Ortiz charges that this feel good—but inaccurate—story promotes a benign narrative of progress, obscuring that the country was founded in violence as a settler state, and imperialist since its inception. While some of us are immigrants or descendants of immigrants, others are descendants of white settlers who arrived as colonizers to displace those who were here since time immemorial, and still others are descendants of those who were kidnapped and forced here against their will. This paradigm shifting new book from the highly acclaimed author of *An Indigenous Peoples' History of the United States* charges that we need to stop believing and perpetuating this simplistic and a historical idea and embrace the real (and often horrific) history of the United States.

An illuminating look at the most tumultuous decade in the life of a rock icon—the only McCartney biography in decades based on firsthand interviews with the ex-Beatle himself. As the 1970s began, the Beatles ended, leaving Paul McCartney to face the new decade with only his wife Linda by his side. Holed up at his farmhouse in Scotland, he sank into a deep depression. To outsiders, McCartney seemed like a man adrift—intimidated by his own fame, paralyzed by the choices that lay before him, cut loose from his musical moorings. But what appeared to be the sad finale of a glorious career was just the start of a remarkable second act. The product of a long series of one-on-one interviews between McCartney and Scottish rock journalist Tom Doyle, *Man on the Run* chronicles Paul McCartney's decadelong effort to escape the shadow of his past, outrace his critics, and defy the expectations of his fans. From the bitter and painful breakup of the Beatles to the sobering wake-up call of John Lennon's murder, this is a deeply revealing look at a sometimes frightening, often exhilarating period in the life of the world's most famous rock star. Sensing that he had nowhere to go but up, Paul McCartney started over from scratch. With emotional—and musical—backing from Linda, he released eccentric solo albums and embarked on a nomadic hippie lifestyle. He formed a new band, Wings, which first took flight on a ramshackle tour of British university towns and eventually returned Paul to the summit of arena rock superstardom. In *Man on the Run*, Doyle follows McCartney inside the recording sessions for Wings' classic album *Band on the Run*—and provides context for some of the baffling misfires in his discography. Doyle tracks the dizzying highs and exasperating lows of a life lived in the public spotlight: the richly excessive world tours, the Japanese drug bust that nearly ended McCartney's career, his bitter public feuds with his erstwhile Beatle bandmates, and the aftermath of an infamous drug-and-alcohol-fueled jam session where McCartney helped reconcile the estranged John Lennon and Yoko Ono. For Paul McCartney, the 1970s were a wild ride with some dark turns. Set against the backdrop of a turbulent decade, *Man on the Run* casts the “sunny Beatle” in an entirely new light. Praise for *Man on the Run* “Tom Doyle's detailed chronicle, which includes rare interviews with McCartney and former Wings members, portrays a band that was far more contentious than eager-to-please hits like 1976's 'Let 'Em In' had us believe, fronted by a legend who wanted to be both boss and buddy. The book is larded with tales of Seventies rock-star excess, Paul and Linda's love of weed, docked paychecks, and grousing musicians.”—Rolling Stone “Well-researched but still breezy and engaging, the book offers a comprehensive tour of the shaggy, bleary-eyed decade when the hardest-working ex-Beatle reached the zenith of his creative and commercial success. . . . *Man on the Run* makes an excellent contribution to the burgeoning literature devoted to McCartney's post-Beatles career.”—The Boston Globe “In the 1970s, a depressed, heavy-drinking Paul McCartney walked away from The Beatles and reinvented himself as the leader of another hitmaking rock 'n' roll band. A new book by longtime Q magazine contributing editor Tom Doyle about that turbulent period in the legendary rock star's life, *Man on the Run*, catches him in mid-flight.”—Billboard

Stephen King's legendary debut, the bestselling smash hit that put him on the map as one of America's favorite writers "Gory and horrifying. . . . You can't put it down." —Chicago Tribune Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock. Candles fall. Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

From the author of the #1 New York Times bestseller *She Persisted* comes a beautiful book about the animals who share our planet--and what we can do to help them survive. Did you know that blue whales are the largest animals in the world? Or that sea otters wash their paws after every meal? The world is filled with millions of animal species, and all of them are unique and special. Many are on the path to extinction. In this book, Chelsea Clinton introduces young readers to a selection of endangered animals, sharing what makes them special, and also what threatens them. Taking readers through the course of a day, *Don't Let Them Disappear* talks about rhinos, tigers, whales, pandas and more, and provides helpful tips on what we all can do to help prevent these animals from disappearing from our world entirely. With warm and engaging art by Gianna Marino, this book is the perfect read for animal-lovers and anyone who cares about our planet. Praise for *Don't Let Them Disappear*: "A winning heads up for younger readers just becoming aware of the wider natural world." --Kirkus Reviews "An inviting . . . appeal to care for the planet and its most vulnerable creatures." --Publishers Weekly

A dinosaur book with humor and fun facts—perfect for the youngest dino fans! "I'm a T. rex! I ROARRRR and I romp! I GRRROWLLL and I stomp! I'm a T. rex." In this brand-new Little Golden Book, a T. rex tells all about his great and terrible self. Facts about the T. rex are humorously presented: "Does the T stand for toothy? Does the T stand for tall? Does the T stand for terrible? I am known as them all!" The ending reveals a surprise: the T. rex is still a baby in a nest, watched over lovingly by his "great BIG MAMA T. rex!" This Little Golden Book is illustrated by Brian Biggs, one of today's most in-demand illustrators. He brings to life the popular *Shredderman* books by Wendelin Van Draanen. Author Dennis Shealy is a children's book editor and the author of the popular Little Golden Book *I'm a Truck*, illustrated by the award-winning artist Bob Staake.

It's Christmastime, and Tallulah finally gets what she's been wishing for—a part in a real ballet, a professional production of *The Nutcracker*. She's only a mouse, but she works as hard as if she had been cast as the Sugar Plum Fairy. On the night of the show, everything is perfect. But then disaster strikes! Does Tallulah have what it takes to become a real ballerina? A well-told story, gorgeous illustrations, and a beloved character conspire to make a positively magical Christmas book.

In this uplifting and inspiring book, follow the stories of fifty powerhouse women from around the world and across time who each managed to change the world as they knew it forever. Telling the stories of their childhood, the challenges they faced, and the impact of their achievements, each lavishly illustrated spread is a celebration of girl power in its many forms. From astronauts to activists, musicians to mathematicians, these women are sure to motivate young readers of all backgrounds to focus not on the can'ts and shouldn'ts, but on what they can do: anything!

Elizabeth Warren shares the incredible story of the first female senator of Massachusetts. Elizabeth came from a struggling middle-class family in Oklahoma City. After a heart attack put Elizabeth's father out of work, she helped out by babysitting, waitressing, and sewing, all while shining as a star member of her school's debate team. Debate taught Elizabeth how to fight with her words, a skill that eventually won her a state championship and a college scholarship. As a lawyer and law professor, Elizabeth learned why it was so difficult for working-class families like her own to advance economically, and today she continues to fight (with her words) for the poor and middle-class in her role as a senator. Releasing in time for the 2018 election season, Elizabeth Warren emphasizes the importance of being outspoken—of using your words to fight for both yourself and for those who need your help.

INSTANT NEW YORK TIMES BESTSELLER An incredible, revolutionary true story and surprisingly simple guide to teaching your dog to talk from speech-language pathologist Christina Hunger, who has taught her dog, Stella, to communicate using simple paw-sized buttons associated with different words. When speech-language pathologist Christina Hunger first came home with her puppy, Stella, it didn't take long for her to start drawing connections between her job and her new pet. During the day, she worked with toddlers with significant delays in language development and used Augmentative and Alternative Communication (AAC) devices to help them communicate. At night, she wondered: If dogs can understand words we say to them, shouldn't they be able to say words to us? Can dogs use AAC to communicate with humans? Christina decided to put her theory to the test with Stella and started using a paw-sized button programmed with her voice to say the word "outside" when clicked, whenever she took Stella out of the house. A few years later, Stella now has a bank of more than thirty word buttons, and uses them daily either individually or together to create near-complete sentences. *How Stella Learned to Talk* is part memoir and part how-to guide. It chronicles the journey Christina and Stella have taken together, from the day they met, to the day Stella "spoke" her first word, and the other breakthroughs they've had since. It also reveals the techniques Christina used to teach Stella, broken down into simple stages and actionable steps any dog owner can use to start communicating with their pets. Filled with conversations that Stella and Christina have had, as well as the attention to developmental detail that only a speech-language pathologist could know, *How Stella Learned to Talk* will be the indispensable dog book for the new decade. *She Persisted Around the World* 13 Women Who Changed History Philomel Books

"A biography of Margaret Chase Smith, part of the *She Persisted* chapter book series"--

"Throughout history, in every sport and at all levels of play, women athletes have been told they were never going to be fast enough, strong enough or good enough. In this book, Chelsea Clinton introduces readers to woman athletes who have excelled in their sports because of their passion, their skills and their persistence."--Dust jacket flap.
