This collection of science fiction writings by Jayant V. Narlikar offers readers a unique glimpse into the world-famous Indian astrophysicist's vivid and highly imaginative concepts and stories. The fictional material comprises a witty short story ("The rare idol of Ganesha") that cleverly explores the possible consequences of a mirror-symmetric individual in the context of cricket test match performances, as well as the fast-paced, gripping science fiction thriller "The return of Vaman": when an alien container is unearthed by a crew of scientists, the enormous potential technological applications of its contents bring various criminal elements on the scene – but when the real danger becomes apparent it is almost too late to save humanity. Last but not least, the book provides readers with extensive insights into the genesis and scientific background of the fictional material presented in this volume, along with an autobiographical account of the author's life-long interest in science fiction and his contributions to the genre. About the author: Jayant V. Narlikar is internationally known for his work in cosmology, in particular for championing models alternative to the standard big-bang theory. He was president of the cosmology commission of the International Astronomical Union from 1994 to 1997. He has received several national and international awards and honorary doctorates - he is a Bhatnagar awardee, as well as recipient of the M.P. Birla award, the Prix Janssen of the French Astronomical Society and an Associate of the Royal Astronomical Society of London. He is Fellow of the three Indian national science academies as well as of the Third World Academy of Sciences. Well beyond his scientific research, Prof. Narlikar is widely known as a science communicator through his books, articles and radio/TV programs and he was honored by the UNESCO in 1996 with the Kalinga Award. He made his debut in science fiction writing in 1974, by winning the top prize in the story writing competition organized by the Marathi Vidnyan Parishad, a non-governmental organization engaged in science popularization.

Presents the four novels and fifty-six short stories which comprise the entire Sherlock Holmes saga

Nominated for the Edgar Award for Best Fact Crime! This is the shocking and amazing true story of the first female U.S. District Attorney and traveling detective who found missing 18-year-old Ruth Cruger when the entire NYPD had given up. Mrs. Sherlock Holmes tells the true story of Grace Humiston, the lawyer, detective, and first woman U.S.

District Attorney who turned her back on New York society life to become one of the nation's greatest crime-fighters during an era when women were still not allowed to vote.

After agreeing to take the sensational case of missing eighteen-year-old Ruth Cruger, Grace and her partner, the hard-boiled detective Julius J. Kron, navigated a dangerous web of secret boyfriends, two-faced cops, underground tunnels, rumors of white slavery, and a mysterious pale man, in a desperate race against time. Brad Ricca's Mrs. Sherlock Holmes is the first-ever narrative biography of this singular woman the press nicknamed after fiction's greatest detective. Her poignant story reveals important clues about missing girls, the media, and the real truth of crime stories. Mrs. Sherlock Holmes is a nominee for the 2018 Edgar Awards for Best Fact Crime.

Meet spunky sleuth Shelby and her sports loving sidekick Watson, as they take on a dog-napper in this fresh twist on Sherlock Holmes.

Worrying about her upcoming marriage, Precious Ramotswe is confronted by the challenges of running her No. 1 Ladies' Detective Agency and an investigation into the would-be suitors of a wealthy woman to determine if any are fortune hunters.

Sherlock Holmes the gaunt, ascetic, ruthlessly logical pursuer of crime and mystery created by Sir Arthur Conan Doyle needs no introduction. The adventures of this sharp, witty and moody detective alongwith his loveable pedantic and faithful friend Dr. Watson are a perennial source of inspiration to lovers of crime fiction. The book brings to you the criminal investigation of mysteries by master detective Sherlock Holmes.

"Dr. Watson, Mr. Sherlock Holmes," said Stamford, introducing us. "How are you?" he said cordially, gripping my hand with a strength for which I should hardly have given him credit. "You have been in Afghanistan, I perceive." "How on earth did you know that?" I asked in astonishment. "Never mind," said he, chuckling to himself. At that first sight of Watson, Sherlock Holmes made brilliant deductions. But even he couldn't know that their meeting was inaugurating a friendship that would make himself and the good Doctor cultural icons, as popular as ever more than a century after their 1887 debut. Through four novels and fifty-six stories, Arthur Conan Doyle led the pair through dramatic adventures that continue to thrill readers today, offering an unmatched combination of skillful plotting, period detail, humor, and distinctive characters. For a Holmes fan, there are few pleasures comparable to returning to his richly imagined world--the gaslit streets of Victorian London, the companionable clutter of 221B Baker Street, the reliable fuddlement

(and nerves of steel) of Watson, the perverse genius of Holmes himself. It's all there in *The Daily Sherlock Holmes*, the perfect bedside companion for fans of the world's only consulting detective. Within these pages readers will find a quotation for every day of the year, drawn from across the Conan Doyle canon. Beloved characters and familiar lines recall favorite stories and scenes, while other passages remind us that Conan Doyle had a way with description and a ready wit. Moriarty and Mycroft, Lestrade and Mrs. Hudson; the Hound, the Red-Headed League, the Speckled Band, and the dread Reichenbach Falls--it's all here, anchored, of course, in that unforgettable duo of Holmes and Watson. No book published this year will bring a Holmes fan more pleasure. Come, readers. The game is afoot.

Sherlock has retired. Now living in Sussex, he's enjoying a pleasant walk along the beach when he runs into a friend, Harold Stackhurst, headmaster at The Gables. The two acquaintances have just started chatting when they're interrupted by one of the teachers at Stackhurst's school, Fitzroy McPherson. The man appears to be in a great deal of pain and only manages to mutter something about a lion's mane before collapsing, dead. He has strange wounds on his back. Then comes another of the teachers, Ian Murdoch, who claims to have no idea what happened, having just arrived himself. But there is no one else close by. "The Adventure of the Lion's Mane" is part of "The Case-Book of Sherlock Holmes". Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

A young girl fearing for her life comes to ask Sherlock Holmes for his help. After having announced her engagement to her stepfather, his behaviour has become even stranger than usual. She is set to inherit her mother's fortune but fears that he wants to kill her to prevent it. As a matter of fact, that is exactly what happened to her older sister. The latter died under mysterious circumstances the day before her wedding, in the middle of the night. Her last words were: "the speckled band". And now her stepfather insists on her sleeping in the very same room in which her sister died. Sherlock Holmes immediately takes the case. "The Adventure of the Speckled Band" is part of "The Adventures of Sherlock Holmes". Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. In 19th century Bombay, Captain Jim Agnihotri channels his idol, Sherlock Holmes, in Nev March's Minotaur Books/Mystery Writers of America First Crime Novel Award-winning debut. In 1892, Bombay is the center of British India. Nearby, Captain Jim Agnihotri lies in Poona military hospital recovering from a skirmish on the wild northern frontier, with little to do but re-read the tales of his idol, Sherlock Holmes, and browse the daily papers. The case that catches Captain Jim's attention is being called the crime of the century: Two women fell from the busy university's clock tower in broad daylight. Moved by Adi, the widower of one of the victims — his certainty that his wife and sister did not commit suicide — Captain Jim approaches the Parsee family and is hired to investigate what happened that terrible afternoon. But in a land of divided loyalties, asking questions is dangerous. Captain Jim's investigation disturbs the shadows that seem to follow the Framji family and triggers an ominous chain of events. And when lively Lady Diana Framji joins the hunt for her sisters' attackers, Captain Jim's heart isn't safe, either. Based on a true story, and set against the vibrant backdrop of colonial India, Nev March's Minotaur Books/Mystery Writers of America First Crime Novel Award-winning lyrical debut, *Murder in Old Bombay*, brings this tumultuous historical age to life.

Unbeknownst to her, Joanna harbors a mystery of her own. The product of a one-time assignation between the now dead Sherlock Holmes and Irene Adler, the only woman to ever outwit the famous detective, Joanna has unwittingly inherited her parents' deductive genius.

A Study in Scarlet is an 1887 detective novel by Scottish author Arthur Conan Doyle. Written in 1886, the story marks the first appearance of Sherlock Holmes and Dr. Watson, who would become the most famous detective duo in popular fiction. The book's title derives from a speech given by Holmes, a consulting detective, to his friend and chronicler Watson on the nature of his work, in which he describes the story's murder investigation as his "study in scarlet" "There's the scarlet thread of murder running through the colourless skein of life, and our duty is to unravel it, and isolate it, and expose every inch of it."
