The Shih-Poo is a mixed breed dog - a cross between the Shih Tzu and Toy Poodle dog breeds. Small, hypoallergenic and cuddly companions, these pups inherited some of the best qualities from both of their parents. Shih-Poos also go by the names Shoodle or Pooshi, but don't confuse them with the Poo-Shi, the Poodle/Shiba Inu mix. Despite their status as a designer breed, you may find these mixed breed dogs in shelters and rescues. So remember to adopt! Don't shop! Shih-Poos make great companion animals for just about anyone, but a retired senior would most likely be an ideal match. They love to be doted on, pampered, and loved. They are pretty versatile and can thrive in almost any environment-family home, apartment, or tiny house in the middle of nowhere. Single person, or family, just make sure your Shih-Poo gets lots of love and attention. Shih-Poos should never be kept outside and will require regular vet check ups, dental cleanings, and grooming. Frequent potty breaks can also help if they inherit their Shih Tzu parents' propensity for stubbornness and territorial marking. health and wellness information for all stages Shih-Poos definitely have plenty of energy, but they are so small, that you can easily work off that energy without having to tire yourself out. Their size does mean they aren't a great breed to choose if you are looking for a dog to take on a long jog, and they will be happy to go hiking, camping, or just spending time exploring outside. Despite their appearance, they are a sturdy breed. However, you will still need to monitor younger children interacting with them to make sure the kids are careful, but they are a good fit for every kind of family. Odds are good that your dog is going to be an intelligent dog that could get bored easily. This means that you need to not only make sure you help your Shih-Poo gets enough exercise, but that he also gets adequate mental stimulation. As long as you are firm and consistent – and don't allow him to get away with anything because of that adorable look – a Shih-Poo can do a lot more than just the basics. If you want a dog that can do a whole series of tricks, the Shih-Poo fits the bill. Grooming can take a bit of time because a Shih-Poo requires regular bathing and brushing. Fortunately, given its small stature, this won't be terribly time consuming. The face and ears require additional attention to keep them clean and stain free. Although the Shih-Poo is a designer breed (meaning they are too new to have a standard), the average lifespan is between 10 and 15 years. If you want an adorable, relatively easy-going dog, the Shih-Poo could be a perfect solution for your home.

'The Monster Dog: A Small Dog with a Big Attitude' is the first in 'The Monster Dog' series of children's books written by Carmen Tribbett. A little dog tells the reader about her day-to-day life, causing mischief and making her owner laugh. Ideal for children, ages 3-7 years. THE MONSTER DOG Book Series is published through FOX POINTE PUBLISHING, LLP. #themonsterdog CHECK OUT all of the books available through FOX POINTE PUBLISHING, LLP @ <https://www.foxpointepublishing.com/shop-now> REVIEWS: 'This is an autobiographical picture book that introduces children to the life of an older adult through the eyes of her small dog. Written in first-dog, Tasse explains to children all the things that make up her day: barking at passersby, going for walks, getting treats, and napping in the sun. Throughout the book, her owner, Carmen, says "Oh, Tasse, you are a Monster Dog but I love you!" as she gently and kindly sets limits, cares for, and enjoys her pet. Tasse expresses opinions and thoughts in the book, but is not overly anthropomorphized--she always clearly remains a dog, with dog goals. The full-page color illustrations on every spread add to the gentle tone and narrative, capturing Tasse the small dog in her everyday activities in a way that helps children feel that while Tasse is the center of the story and the pictures, there is always Carmen nearby as a companion and caregiver. An excellent choice for 'read-alouds' with preschoolers and a delightful choice for families who love dogs and want to encourage empathy. As Tasse herself says, "Life is not always easy for grown-ups." ~ PFJ - online review from the first printing (2018) I am a little biased but I do think this book is very cute!' ~ Jacob Hunerdosse - online review from the first printing (2108)

Since the average Shih Tzu stands less than a foot tall, you might think it would be easy to overlook these little dogs. But that's not the case at all! These pups have big personalities that ensure they are the center of attention! Shih Tzus love to be around people and have a way of becoming part of the family. Take Georgie, a Shih Tzu who worked as a service dog for an autistic boy named Alex. The two quickly bonded and were inseparable since the day they met. The breed dates all the way back to ancient China, where royal families treasured the little lion-like dogs! Shih Tzu: Lion Dog is a narrative treat for dog lovers that includes fun, real-life stories about these little pups while also recounting the breed's history and its relationship to the animal's physical characteristics, personality, and suitability as a pet.
