"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." —Meredith Wild, #1 NYT Bestselling Author Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job... Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. *** Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not

paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

I fought against fate, and I won. I made a deal with the devil to keep her. It was supposed to be over. We were meant to be happy. Too bad my enemies had other plans. Note: This is the conclusion of Peter & Sara's story. It is strongly recommended that you read Twist Me and Capture Me trilogies before embarking on this book, as there will be major spoilers for those series.

In this “brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Lucia It all started with a contract signed by him, then by me, while our families watched. While my father sat silent, a man defeated, giving his daughter to the Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of

war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction. It's how it had always been. How I believed it would always be. Until Lucia.
